

## **The Passover Story: A Festival Of Freedom And Liberty (Jewish Holidays Series For Children)**

Discover how the example of the Last Supper can help you uncover the secrets of true friendship. Surrounded by people, yet feeling alone. This describes how many of us live, yearning for deeper relationships. Our desire to know others, and to be known by them in the same way, goes unfulfilled. This longing for intimacy and the community of true friendship is rooted in our very nature. Yet the number of shallow social interactions that we pour ourselves into on a daily basis ends up consuming our time and drawing us further away from the very type of community and friendships we need. Break Bread Together will show you how to change these destructive patterns and nurture true community. Join Jessica as she guides you through Jesus's last meal with his disciples. See how he cultivated these friendships and how you can develop new ways of bonding with your friends by following Jesus's example. Through Scripture and personal stories, Jessica will show you how to gather as friends, to break bread together, and to open your heart to the life-giving friendships around you.

Discusses the history and importance of Passover, a celebration of freedom commemorating the exodus of Moses and the Israelites from Egypt, where they had long been slaves.

The investigation evaluates the nature of the Johannine community by using sociological research on new religious movements today and by comparing John with Philo and the Dead Sea Scrolls. This novel procedure in Johannine research generates several alternative characteristics of John.

Plato and the Creation of the Hebrew Bible for the first time compares the ancient law collections of the Ancient Near East, the Greeks and the Pentateuch to determine the legal antecedents for the biblical laws. Following on from his 2006 work, *Berosus and Genesis, Manetho and Exodus*, Gmirkin takes up his theory that the Pentateuch was written around 270 BCE using Greek sources found at the Great Library of Alexandria, and applies this to an examination of the biblical law codes. A striking number of legal parallels are found between the Pentateuch and Athenian laws, and specifically with those found in Plato's *Laws* of ca. 350 BCE. Constitutional features in biblical law, Athenian law, and Plato's *Laws* also contain close correspondences. Several genres of biblical law, including the Decalogue, are shown to have striking parallels with Greek legal collections, and the synthesis of narrative and legal content is shown to be compatible with Greek literature. All this evidence points to direct influence from Greek writings, especially Plato's *Laws*, on the biblical legal tradition. Finally, it is argued that the creation of the Hebrew Bible took place according to the program found in Plato's *Laws* for creating a legally authorized national ethical literature, reinforcing the importance of this specific Greek text to the authors of the Torah and Hebrew Bible in the early Hellenistic Era. This study offers a fascinating analysis of the background to the Pentateuch, and will be of interest not only to biblical scholars, but also to students of Plato, ancient law, and Hellenistic literary traditions.

The Essential Book of Jewish Festival Cooking

8 March 1985

Johannine Sectarianism in Perspective

Festival Stories of Child Life in a Jewish Colony in Palestine.

Jesus and the Jewish Festivals

This new edition of The Passover Celebration has been prepared for occasions when Christians join with members of the Jewish community to celebrate the seder. The service provided in this booklet is completely faithful to the Jewish tradition and provides background on the seder meal, instruction, commentary, a pronunciation guide and a glossary.

This book offers a study of the meaning of the firstborn son in the New Testament paying specific attention to the concept of primogeniture in the Old Testament and Jewish literature.

For more than three decades, Thomas L. Thompson has written at the intersection of biblical theology and archaeology. Origin Tradition of Ancient asks important questions about historicity in general and Israel's history in particular-including, perhaps most importantly, at what point Israel's history begins. After surveying the recent literature on the subject, Thompson closely examines the Pentateuchal tradition as a narrative of Israel's history, and offers detailed exegesis of the historical narratives in Genesis and Exodus, including Adam, Abraham, Isaac, Jacob, Joseph, Moses, and the sojourn in the wilderness. He closes with a discussion of chronology and historiography.

Published in 1920, this anthology of children's stories reflect the lives and festivals celebrated by children in the Jewish colonies in early 20th century Palestine.

Women's seders have recently emerged as one of the most meaningful and popular rituals in contemporary Jewish life. These two books bring together the voices of over 150 Jewish women -- authors, scholars, activists, rabbis, artists, political leaders, and students -- to share new insights about Passover and to discuss the origins, evolution, and significance of women's seders. This first-of-its-kind resource provides in *The Women's Passover Companion* a complete exploration of the questions at the heart of this contemporary ritual, and in *The Women's Seder Sourcebook* over 200 texts and ideas for a women's seder and practical guidance for planning the event. These innovative readings can be easily incorporated into a family seder as well. -- Presents an inspiring collection of Jewish women's writings on Passover, the Exodus story, and women's seders. -- Provides readers with textual resources to compile their own women's Haggadah and a practical guide to planning a women's seder, based on information from successful seder organizers around the world. -- Offers a wide variety of women's writings that can be incorporated into the family seder to bring women's voices to the table. -- Includes a formal curriculum of texts, discussion questions, and writing exercises for further study, to transform the planning process for a women's seder into a community-building and Jewish learning experience. Christian readers of the New Testament study the great stories about Jesus through the lens of western culture. In this series of books, Gary Burge uses his extensive knowledge of the first century world and the Middle East to offer insights not available to the average person. Each book will develop important cultural themes and wrap them around well-known New Testament passages. And the result will be insights rarely gained elsewhere. Observe how Jesus celebrated the great festivals of Judaism. In each of the six accounts, you will explore the Jewish festival as it was celebrated in the first century and then examine how Jesus used the imagery of the festival to unveil his own mission. Explore the Jewish Sabbath, Passover, Tabernacles, and Hanukkah as Jesus knew them.

Popular writer and teacher Jeannine Brown shows how a narrative approach illuminates each of the Gospels, helping readers see the overarching stories. This book offers a corrective to tendencies to read the Gospels piecemeal, one story at a time. It is filled with numerous examples and visual aids that show how narrative criticism brings the text to life, making it an ideal supplementary textbook for courses on the Gospels. Readers will gain hands-on tools and perspectives to interpret the Gospels as whole stories.

The book focusses on the origin and transformation of the priestly festival calendar. Since the epoch-making work of Julius Wellhausen at the end of the 19th century the differences between the various ancient Israelite festival calendars have often been explained in terms of a gradual evolution, which shows an increasing historicisation, denaturalisation and ritualisation. The festivals were in Wellhausen's view

## Bookmark File PDF The Passover Story: A Festival Of Freedom And Liberty (Jewish Holidays Series For Children)

gradually detached from agricultural conditions and celebrated more and more at fixed points in the year. This study tries to show that the changes in the priestly festival calendar reflect a conscious effort to adapt the ancient Israelite festival calendar to the semi-annual layout of the Babylonian festival year. The ramifications of the change only come to the fore after a careful study of the agricultural conditions of ancient Israel - and Mesopotamia - makes clear that passover and the festival of unleavened bread were originally celebrated in the second month of the year. The first month of the year envisaged by the priestly festival calendar for the celebration of passover and the festival of unleavened bread in turn mirrors the date of one of the two semi-annual Babylonian New Year festivals. The two Babylonian New Year festivals were celebrated exactly six months apart at the vernal and autumnal equinoxes. In order to adapt the ancient Israelite festival calendar to the Babylonian scheme with two New Year festivals a year, the date of passover and the festival of unleavened bread had to be moved up by one month. The consequences for the origin of passover, the festival of unleavened bread, the festival of weeks and the festival of huts are charted and the relations between the various ancient Israelite festival calendars are determined anew.

Enlivened by personal stories, Passover illuminates and celebrates how ancient Jewish traditions are kept alive in the modern world in this work of nonfiction for middle readers.

During Passover, Jews are reminded of how, more than three thousand years ago, their ancestors emerged from slavery to become free men and women. Bestselling author Monique Polak explores her own Jewish roots as she tells the Passover story, which reminds us that the freedom to be who we are and practice our religion, whatever it may be, is a great gift. It also teaches us that if we summon our courage and look out for each other, we can endure and overcome the most challenging circumstances. Enlivened by personal stories, Passover reminds us that we can all endure and overcome the most challenging circumstances. Passover is the first in a series of books called Orca Origins that will examine ancient traditions kept alive in the modern world. Other books in the series will cover Ramadan, Chinese New Year and Diwali.

Comprehensive guide to the history, ceremony, tradition, folk-lore, ritual, law, and literature of the Jewish festival of Passover.

Why is this night different from all other nights of the year; and what does the game of baseball have to do with the Festival of Passover and the seder? Incorporating images and language from another springtime ritual, this baseball themed Passover Haggadah retells the story of the Israelites' Exodus from slavery in Egypt with faithfulness to the contours of a traditional seder. By holding up the Exodus next to the concept of a beloved national pastime, connections are made that cast light on the Passover story in new and unexpected patterns. This enchanting Haggadah with its vivid illustrations will capture the imagination of seder participants of all ages (from little leaguers to adults). By infusing an old ritual with thought provoking readings and new insights, this Haggadah may stand alone as the sole text at a religious school model seder or can be used as a supplementary Haggadah in traditional or liberal homes. Values taught at the seder, such as love of freedom, kindness to strangers, and concern for others, are celebrated in this user friendly text with particular sensitivity to gender equality and transliteration for non-Hebrew readers. With Moses as the team captain for the Israelites and Pharaoh heading up the Taskmasters, the lineups struggle for dominance. God throws the ultimate "splitter," making way for the Israelites to cross the Sea of Reeds. Each participant takes a turn up at bat as a reader. There is a 7th Inning Stretch, during which the children can go to the door to search for and welcome the presence of Elijah. Ultimately, there is praise and joy and celebration. Freedom has been won. The Israelites, have made it safely home, and springtime is renewed on a field of green.

"There is a wealth of the latest scholarship here, yet written so lucidly and simply that the message is absolutely clear. . . .

It makes exciting reading of a most informative kind."--"Church of England Newspaper"

The Feasts of Israel and Their Significance to Christians Today Throughout the Old Testament, God commanded the people of Israel to observe feasts and holy days (holidays) to remember the mighty things that He had done in the lives of Israel's ancestors. Feasts of the Bible is a full-color booklet that celebrates and explains the meaning behind the biblical feasts and why they are important today. Feasts of the Bible contains an easy-to-read charts that covers each holiday and its details: Name and pronunciation Simple summary and date of observance Symbolic meaning pointing to Jesus as the promised Messiah

Worship in local churches has changed dramatically over the past fifty years, not only in North America but in many

places on every continent. Have these widespread and varying shifts left us with vague or even false impressions of what the weekly worship event is all about? Do followers of Jesus Christ grasp the importance of their role in worship? Do they know how to become fully engaged participants? Do they realize Jesus himself is our best guide and model for worship? Worship Like Jesus guides Christ-followers through the essential features of Christian worship, transforming the reader's understanding and experience of worship. This leads people—even entire congregations—to experience worship in exciting and profound ways as never before. This type of worship also leads people into deeper and more committed discipleship. Imagine a community of fully engaged, deeply committed disciples! Revered author and scholar Constance Cherry offers this practical and foundational resource for ministry leaders and their worship communities. Each chapter follows the same helpful structure: Introduction Description of the chapter topic and its importance Discovery of Jesus's own practice Deliberation or reflection on how Jesus's model makes a difference Determination—readers consider how their worship will be shaped as a result of this chapter; includes questions for reflection Prayer At the end of each chapter, an exercise is suggested to help people take a practical step toward greater participation and engagement. A Leader Guide is included as an Appendix. This equips pastors, worship leaders and others to facilitate group study of the book. It is a powerful tool for transforming leadership teams and entire congregations.

and seasonal and biblical significance of each holiday and its foods, making the book a valuable resource for Jewish festival observance. Inspired recipes add a fresh, contemporary twist as they capture the flavors of the seasonal foods enjoyed by our ancestors. For Passover, prepare such springtime delights as Roasted Salmon with Marinated Fennel and Thyme, alongside Braised "Bitter Herbs" with Pistachios. On Shavuot, characterized by the season's traditional bounty of milk and the wheat harvest, try fresh homemade cheeses; creamy, comforting Blintzes; or luscious Hot and Bubbling Semolina and Sage Gnocchi. At Purim, create a Persian feast fit for a king and learn new ideas for mishloah manot, the traditional gifts of food. The Essential Book of Jewish Festival Cooking offers accessible, healthful, and intensely flavorful recipes with a unique and tangible connection to the rhythms of the Jewish year. The Glazer sisters will deepen your understanding of time-honored traditions as they guide you toward more profound, and delicious, holiday experiences.

Continuously in print for over 30 years, and available in many different languages, John Drane's *Introducing the Old Testament* has long been recognized as an authoritative and accessible survey of the subject. This new edition has been fully revised and updated with fresh material on a range of topics, especially the political and cultural context that influenced the compilation of its books and the development of the faith of ancient Israel and Judah. Specific issues that will be of particular interest to students are highlighted in special boxed feature sections, along with an extensive glossary of technical terms and key maps and diagrams. This book is the ideal starting point for readers who wish to explore the Old Testament and its world in the light of recent scholarship, and its relevance to life in the twenty-first century.

*Festival of Freedom*, the sixth volume in the series *MeOtzar HoRav*, consists of ten essays on Passover and the Haggadah drawn from the treasure trove left by the late Rabbi Joseph B. Soloveitchik, widely known as "the Rav." For Rabbi Soloveitchik, the Passover Seder is not simply a formal ritual or ceremonial catechism. Rather, the Seder night is "endowed with a unique and fascinating quality, exalted in its holiness and shining with a dazzling beauty." It possesses profound experiential and intellectual dimensions, both of

The Passover story is enlivened in this creative rendition of the Ten Plagues. Everyone can take part as Moses implores Pharaoh to "Let Go!" This light-hearted rhyming tale can be read alone or with a cast of characters as a "Reader's The

Tells the story of the enslavement of the children of Israel by the pharaoh, the coming of Moses, the ten plagues that struck Egypt, and the children of Israel from slavery, the event that became known as Passover.

Although the roots of Christianity run deep into Hebrew soil, many Christians remain regrettably uninformed about the rich Jewish heritage of the church. Our Father Abraham delineates the vital link between Judaism and Christianity, exemplified by the common ancestry of the two traceable back to Abraham. Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice. Wilson, a trusted voice among both Jews and Christians, speaks to both past and present, first developing a perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset. Drawing from his own extensive experience, he also offers valuable practical guidance for salutary interaction between Christians and Jews. Discussion questions at the end of each chapter make this book especially suitable for use in groups—Christian, Jewish, or interfaith—a way to help people make sense of their own faith in connection with the other. The second edition of Our Father Abraham features a new preface, an expanded bibliography of recent relevant works, and two new chapters: one that discusses Jewish-Christian relations after the Holocaust and another on Wilson's own fifty-plus-year career as an evangelical Christian deeply committed to interfaith dialogue. As Christians and Jews feel a need for mutual support in an increasingly secular Western world, Wilson's widely acclaimed book will offer encouragement and wise guidance to a worthy end.

On Passover, Jews everywhere celebrate the redemption of the Israelites from Egyptian slavery. Moses, the leader of the Israelites, was empowered and commanded by God to demand that Pharaoh, the Egyptian ruler, let the Jewish people go. Pharaoh refused at first but then... "The Passover Story: A Festival of Freedom and Liberty" relates the unfolding of the events in ancient Egypt in lovely rhymes accompanied by gorgeous illustrations.

On Passover, Jews around the world celebrate the redemption of the Israelites from Egyptian slavery. Moses, the leader of the Israelites, was empowered by God to demand of Pharaoh, the Egyptian ruler, to let the Jewish people go. Pharaoh refused at first, but when things began to happen Pharaoh had a change of heart. Or did he?

Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology. Every article from the original edition has been revisited. With some articles being removed, others revised, and many new articles added, the result is a completely new dictionary covering systematic, historical, and philosophical theology as well as theological ethics.

The post-exilic of Persian period showed a transition in the religion in ancient Israel from Yahwism(s) to Judaism(s). The events of exile and return made it impossible to completely fall back on the traditional religious identity. The essays in this volume try to reconstruct the path taken in that transition. The characters of Ezra and Nehemiah are generally seen as playing a formative role in this process. By reading texts from the biblical books supposedly written by Ezra and Nehemiah in a religio-historical context, new light falls on the process of change.
