

The Silent Passage: Revised And Updated Edition

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. alerts, terrorism lockdowns, and the shrinking of personal liberties we once took for granted. The stories in this book, of real people faced with extraordinary trauma and gradually transcending it, are the best antidote to our fears. Middletown, America is a book of hope. All Americans were hit with some degree of trauma on September 11, 2001, but no place was hit harder than Middletown, New Jersey. Gail Sheehy spent the better part of two years walking the journey from grief toward renewal with fifty members of the community that lost more people in the World Trade Center than any other outside New York City. Her subjects are the women, men, and children who remained after the devastation and who are putting their lives back together. Sheehy tells the story of four widowed moms from New Jersey who started out scarcely knowing the difference between the House and the Senate, yet turned their sorrow and anger into action and became formidable witnesses to the failures of the country's leadership to connect the dots before September 11. Sheehy follows the four moms as they fight White House

attempts to thwart the independent commission investigating 9/11 and expose efforts at a cover-up. What would become of the young wives carrying children their husbands would never see, wives who had watched their dreams literally go up in smoke in that amphitheater of death across the river? Amazingly, each finds her own door to the light. Here, too, is the story of the widow and widower who met in the waiting room of a mental-health agency and brought each other back from the brink of despair across a bridge of love. Sheehy also reveals how bereft mothers who will never have another son or daughter found reasons to recommit to life. And she follows in the footsteps of the robbed children, documenting the incredible resilience of four-year-olds, the anger of teenagers, the courage of sisters and brothers. Sheehy follows survivors who escaped the burning towers only to find themselves trapped inside a tower of inner torment, from which it took love, family, and faith to free themselves. She is taken into the con-fidence of the night crew at Ground Zero, police officers who worked in that pit for eight months

straight and then faced the "returning home" phenomenon. She recounts the confessions of religious leaders who struggled to explain the inexplicable to their flocks. Mental-health professionals confided in her, as do corporate chiefs, educators, friends and neighbors, town officials, and volunteers who rose to the occasion and committed themselves to healing their wounded community. As a journalist who conducted more than nine hundred interviews, Gail Sheehy is an impeccable researcher. As a writer with a novelistic gift, she weaves the individual stories into a compelling narrative. Middletown, America illuminates every stage of a tumultuous passage—from shock, passivity, and panic attacks, to rising anger and deep grieving, and on to the secret romances and startling relapses, the realignment of faith, the return of a capacity to love and be loved, and, finally, the commitment to constructing new lives. Discusses the reckless annihilation of fish and birds by the use of pesticides and warns of the possible genetic effects on humans.

Gail Sheehy's landmark bestseller has become the bible for women concerned about menopause. Since *The Silent Passage* was originally published in the early 1990s, Gail Sheehy, a member of the board of the New York Menopause Research Foundation, has been at the forefront of the newest research on menopause. She has also continued to interview countless women throughout the country on the subject. In this updated and expanded edition, she presents essential new data in chapters on *The Perimenopause Panic*, *Menopause in the Workplace*, *Estrogen and Brainpower*, and *New Frontiers in Treatment*. Candid, enlightening, inspiring, and witty, with the latest information on everything from early menopause to Chinese medicine and natural remedies, *The Silent Passage* is an indispensable reference for every woman.

#1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, “If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection.” In Atlas of the Heart, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown’s extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. Atlas of the Heart draws on this research, as well as on Brown’s singular skills as a storyteller, to show us how accurately naming an experience doesn’t give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, “I want this book to be an atlas for all of us, because I believe that,

with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves.”

****THE INSTANT #1 NEW YORK TIMES BESTSELLER**** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination

to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

Learn how to better navigate the challenges of adult life with Gail Sheehy's landmark bestseller—named one of the ten most influential books of our times by the Library of Congress. For decades, Gail Sheehy's Passages has been inspiring readers to see the predictable crises of adult life as opportunities for growth. She charts the stages between 18 and 50 as unfolding in a pattern of adult development: once recognized, more easily managed. Passages is an insightful road map of adulthood that illustrates with vivid stories our continuing personality and sexual changes throughout the "Trying 20s," "Catch 30s," "Forlorn 40s," and "Refreshed (or Resigned) 50s." One comment is continuously repeated by men, women, singles, couples, and people who recover from a midlife crisis: "This book changed my life."

White Fragility

Looks at menopause, discussing the disquieting approach the medical community takes to it and offering commentary by some of today's most notable post-menopausal women

THE #1 NEW YORK TIMES BESTSELLER Millions of readers literally defined their lives through Gail Sheehy's landmark bestseller *Passages*. Seven years ago she set out to write a sequel, but instead she discovered a historic revolution in the adult life cycle. . . People are taking longer to grow up and much longer to die. A fifty-year-old woman--who remains free of cancer and heart disease-- can expect to see her ninety-second birthday. Men, too, can expect a dramatically lengthened life span. The old demarcations and descriptions of adulthood--beginning at twenty-one and ending at sixty-five--are hopelessly out of date. In *New Passages*, Gail Sheehy discovers and maps out a completely new frontier--a *Second Adulthood* in middle life. "Stop and recalculate," Sheehy writes. "Imagine the day you turn forty-five as the infancy of another life." Instead of declining, men and women who embrace a *Second Adulthood* are

progressing through entirely new passages into lives of deeper meaning, renewed playfulness, and creativity--beyond both male and female menopause. Through hundreds of personal and group interviews, national surveys of professionals and working-class people, and fresh findings extracted from fifty years of U.S. Census reports, Sheehy vividly dramatizes these newly developing stages. Combining the scholar's ability to synthesize data with the novelist's gift for storytelling, she allows us to make sense of our own lives by understanding others like us. New Passages tells us we have the ability to customize our own life cycle. This groundbreaking work is certain to awaken and permanently alter the way we think about ourselves. "SHEEHY CLEARLY STATES IDEAS ABOUT LIFE THAT HAVE NEVER BEFORE BEEN AS CLEARLY STATED." --Los Angeles Times Book Review "AN OPTIMISTIC ANALYSIS OF ADULT DEVELOPMENT IN PESSIMISTIC TIMES. . . It is grounded in the economic and psychological realities that make adult life so complex today." --The New York Times Book Review Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade. NATIONAL BESTSELLER Henry Bright has newly returned to West Virginia from the battlefields of the First World War. Griefstruck by the

death of his young wife and unsure of how to care for the infant son she left behind, Bright is soon confronted by the destruction of the only home he's ever known. His hopes for safety rest with the angel who has followed him to Appalachia from the trenches of France and who now promises to protect him and his son. Haunted by the abiding nightmare of his experiences in the war and shadowed by his dead wife's father, the Colonel, and his two brutal sons, Bright—along with his newborn—makes his way through a ravaged landscape toward an uncertain salvation. Why It's So Hard for White People to Talk About Racism

Nature's Silent Message

Middletown, America

A Novel

Prostitution in Our 'wide-open Society'

For more than forty years, Walter Wangerin, Jr. has been a formidable presence in American literature. A National Book Award-winner and the author of dozens of beloved books spanning numerous genres from fantasy to theology, his is a voice that has made an indelible impression upon generations of writers and readers as it sings to us out of the often silent places of the world. In this special collection of original essays, Wangerin's fellow writers in the Chrysostom Society turn their gifts upon his lifetime of work to draw out that which has drawn so many in. Featuring essays from Eugene Peterson, Luci Shaw, Philip Yancey, and others, these essays explore the breadth and depth of a writer who has wandered through a passage and has returned with news of a far country.

A seasoned woman is spicy. She has been marinated in life experience. . . . She can be alternately sweet, tart, bubbly, mellow. She can be maternal and playful. Bossy and submissive. Strong and soft. . . . The seasoned woman knows who she is. She could be any one of us, as long as she is committed to living fully and passionately in the second half of life. In her most groundbreaking work since *Passages* and *The Silent Passage*,

bestselling author Gail Sheehy reveals a hidden cultural phenomenon—increased vitality in women’s sex and love lives after fifty. *Sex and the Seasoned Woman* is the story of an intimate revolution taking place under our very noses. Boomer generation women in midlife are open to sex, love, dating, new dreams, exploring spirituality, and revitalizing their marriages as never before. This is a new universe of passionate, liberated women—married and single—who are unwilling to settle for the stereotypical roles of middle age and are now realizing they don’t have to. As life spans grow longer and as societal constraints continue to loosen, older women—once free of the exhausting demands of young children, needy husbands, and demanding careers—find themselves ready to pursue the passionate life. They embrace their “second adulthood” as a period of reawakening. Written in Sheehy’s singularly compelling style, combining interviews and research, this book gives voice to more than a hundred fascinating and colorful women. The inspiring stories tell of wives who reinvigorate their marriages after their children leave the nest as well as divorced, widowed, and long-single women who find new dreams and new loves. Sheehy delineates a crucial link between cultivating a new dream and reopening the pathway to intimacy and sexual pleasure. She also examines the latest medical breakthroughs addressing symptoms that have unnecessarily curtailed women’s sex lives. From women who find their sexuality reawakened by a younger lover, to couples whose marriages survive health crises and grow stronger, to women who finally

find a soulmate in their sixties, to stories from seasoned sirens in their seventies, eighties, and even nineties, these portraits cover an enormous range of experience. In them, Sheehy locates the universal patterns that enable us all to recognize and understand our own lives.

Nicholson Baker, who "writes like no one else in America" (Newsweek), here assembles his best short pieces from the last fifteen years. *The Way the World Works*, Baker's second nonfiction collection, ranges over the map of life to examine what troubles us, what eases our pain, and what brings us joy. Baker moves from political controversy to the intimacy of his own life, from forgotten heroes of pacifism to airplane wings, telephones, paper mills, David Remnick, Joseph Pulitzer, the OED, and the manufacture of the Venetian gondola. He writes about kite string and about the moment he met his wife, and he surveys our fascination with video games while attempting to beat his teenage son at *Modern Warfare 2*. In a celebrated essay on Wikipedia, Baker describes his efforts to stem the tide of encyclopedic deletionism; in another, he charts the rise of e-readers; in a third he chronicles his Freedom of Information lawsuit against the San Francisco Public Library. Through all these pieces, many written for *The New Yorker*, *Harper's*, and *The American Scholar*, Baker shines the light of an inexpugnable curiosity. *The Way the World Works* is a keen-minded, generous-spirited compendium by a modern American master.

□[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes□ (Vice). A book as powerful and influential as Rebecca Solnit's Men Explain Things to Me, her Hope in the Dark was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them□and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. □One of the best books of the 21st century.□ □The Guardian □No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium.□ □Bill McKibben, New York Times□bestselling author of Falter □An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways.□ □The

the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and choose a book for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Winner of the Governor General's Literary Award for Children's Illustration Award, the winning artist Matt James takes the iconic song "Northwest Passage" by legendary Canadian songwriter and singer Stan Rogers and tells the dramatic story of the search for the elusive route through the Arctic Ocean to the Pacific, which for hundreds of years and once again today, nations, explorers and commercial interests have dreamed of conquering, often with tragic consequences. For hundreds of years explorers attempted to find the Northwest Passage - a route through Canada's northern waters to the Pacific Ocean and Asia. Others attempted to find a land route. Many hundreds of men perished in the attempt, until finally, in 1906, Roald Amundsen completed the

voyage by ship. Today global warming has brought interest in the passage back to a fever pitch as nations contend with each other over its control and future uses. The historic search inspired Canadian folk musician Stan Rogers to write "Northwest Passage", a song that has become a widely known favorite since its 1981 release. The book describes Stan's own journey overland as he contemplates the arduous journeys of some of the explorers, including Kelsey, Mackenzie, Thompson and especially Franklin. The song is moving and haunting, a paean to the adventurous spirit of the explorers and to the beauty of the vast land and icy seas. The lyrics are accompanied by the striking paintings of multiple award-winning artist Matt James. Matt brings a unique vision to the song and the history behind it, providing commentary on the Franklin expedition and its failure to heed the wisdom of Inuit living in the North. The book also contains the music for the song (as well as a final verse that was never recorded), maps, a timeline of Arctic exploration, mini-biographies and portraits of the principal explorers, and suggestions for further reading. Following on the success of the Canadian Railroad Trilogy, this is another beautiful book in which a memorable song illuminates a fascinating history that has taken on new resonance today.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

The Silent Patient

As their lives become both longer and increasingly unpredictable, men today are faced with the urgent need to reinvent themselves. *PASSAGES IN MEN'S LIVES* reveals their doubts, their passions, their hunger for renewal. Hundreds of men, celebrities as well as everyday heroes, have told their stories to Gail Sheehy. Sheehy makes the case that it is men in middle life who have the best chance to become masters of their fates, to understand what is missing and forge new directions to invigorate the second half of their lives. *PASSAGES IN MEN'S LIVES* is a concise guide for men (and the women who care about them) as they confront the major issues of each life change, including: how can you be the father you wish your father was? Where can you find new passion and purpose? How can you deal with male menopause? How can you survive a job change or downsizing? What

strategies can defeat depression? What keeps a man young? When men and women face the same passage with different needs, how does marriage survive? Offering concrete information as well as inspiration, Gail Sheehy's PASSAGES IN MEN'S LIVES is a powerful, insightful guide to self-renewal.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The author of the classic New York Times bestseller Passages returns with her inspiring memoir—a chronicle of her trials and triumphs as a groundbreaking “girl” journalist in the 1960s, to iconic guide for women and men seeking to have it all, to one of the premier political profilers of modern times. Candid, insightful, and powerful, Daring: My Passages is the story of the unconventional life of a writer who dared . . . to walk New York City streets with hookers and pimps to expose violent prostitution; to march with civil rights protesters in Northern Ireland as British paratroopers opened fire; to seek out Egypt’s president Anwar Sadat when he was targeted for death after making peace with Israel. Always on the cutting edge of social issues, Gail Sheehy reveals the obstacles and opportunities encountered when she dared to blaze a trail in a “man’s world.” Daring is also a beguiling love story of Sheehy’s tempestuous romance with and eventual happy marriage to Clay Felker, the charismatic creator of New York magazine. As well, Sheehy recounts her

audacious pursuit and intimate portraits of many twentieth-century leaders, including Hillary Clinton, Presidents George H. W. and George W. Bush, and the world-altering attraction between Margaret Thatcher and Mikhail Gorbachev. Sheehy reflects on desire, ambition, and wanting it all—career, love, children, friends, social significance—and lays bare her major life passages: false starts and surprise successes, the shock of failures and inner crises; betrayal in a first marriage; life as a single mother; flings of an ardent, liberated young woman; her adoption of a second daughter from a refugee camp; marriage to the love of her life and their ensuing years of happiness, even in the shadow of illness. Now stronger than ever, Sheehy speaks from hard-won experience to today's young women. Her fascinating, no-holds-barred story is a testament to guts, resilience, smarts, and daring, and offers a bold perspective on all of life's passages.

WINNER OF THE HILLMAN PRIZE FOR BOOK JOURNALISM, THE HELEN BERNSTEIN BOOK AWARD, AND THE LUKAS WORK-IN-PROGRESS AWARD

* A NEW YORK TIMES TOP 10 BOOKS OF THE YEAR * NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST * LOS ANGELES TIMES BOOK PRIZE FINALIST * ABA SILVER GAVEL AWARD FINALIST * KIRKUS PRIZE FINALIST NAMED ONE OF THE BEST BOOKS OF 2019 BY: Esquire, Amazon, Kirkus, Library Journal, Publishers Weekly, BookPage, BookRiot, Economist, New York Times Staff Critics "A seminal and breathtaking account of why home is the most dangerous place to be a woman . . . A tour de force." -Eve Ensler "Terrifying, courageous reportage from our internal war zone." -Andrew Solomon "Extraordinary." -New York Times , "Editors' Choice" "Gut-wrenching, required reading." -Esquire "Compulsively readable . . . It will save lives." -Washington Post "Essential, devastating reading." -Cheryl Strayed, New York Times Book Review An award-winning journalist's intimate investigation of the true scope of domestic violence, revealing how the roots of America's most pressing social crises are buried in abuse that happens behind closed doors. We call it domestic violence. We call it private violence. Sometimes we call it

intimate terrorism. But whatever we call it, we generally do not believe it has anything at all to do with us, despite the World Health Organization deeming it a “global epidemic.” In America, domestic violence accounts for 15 percent of all violent crime, and yet it remains locked in silence, even as its tendrils reach unseen into so many of our most pressing national issues, from our economy to our education system, from mass shootings to mass incarceration to #MeToo. We still have not taken the true measure of this problem. In No Visible Bruises, journalist Rachel Louise Snyder gives context for what we don't know we're seeing. She frames this urgent and immersive account of the scale of domestic violence in our country around key stories that explode the common myths-that if things were bad enough, victims would just leave; that a violent person cannot become nonviolent; that shelter is an adequate response; and most insidiously that violence inside the home is a private matter, sealed from the public sphere and disconnected from other forms of violence. Through the

stories of victims, perpetrators, law enforcement, and reform movements from across the country, Snyder explores the real roots of private violence, its far-reaching consequences for society, and what it will take to truly address it.

Predictable Crises of Adult Life

Understanding Men's Passages

The Earth is trying to teach us to live better. To lead richer, happier lives. Will we continue down the limited path of the mechanical mind? Or will we tune into ultimate intelligence? The same intelligence that allows blood to flow through our veins, bees to pollinate flowers, birds to fly south, salmon to spawn, whales to migrate, caterpillars to become butterflies, the Earth to rotate, the moon to orbit, and the rest of nature to function perfectly of its own accord? We have access to nature's silent message-if we take the time to listen. In this spellbinding collection, Stillman guides us from the lush forests of the North Cascades, through the sandstone slot canyons of Utah, and into

Read Online The Silent Passage: Revised And Updated Edition

the border country of extreme southern Arizona. In this classroom, we learn not from books, nor words, nor lectures. Wilderness is the school of life, where we learn not from that which thinks-but that which knows. Nature's Silent Message suggests the existence of something far greater than what we see on the surface. It's about breaking through old patterns so that new ones may emerge. The message is simple and pure, but when you try to define it, it vanishes into thin air. And in that vanishing, you find it again. Like a beautiful butterfly that can never be caught. Try and catch her and she'll drive you mad, eluding you forever. But learn to fly with her, and all the wonders of the world will be shown, and all the answers to your questions be known. Get it now. To her landmark studies, Passages and New Passages, the author adds another New York Times best-seller that leads men through the manifold changes and opportunities life brings after forty. Reprint.

“Many days I believe menopause is the new (if long overdue) frontier for the most compelling and necessary philosophy; Darcey Steinke is already there, blazing the way. This elegant, wise, fascinating, deeply moving book is an instant classic. I ’ m about to buy it for everyone I know.” –Maggie Nelson, author of The Argonauts A brave, brilliant, and unprecedented examination of menopause Menopause hit Darcey Steinke hard. First came hot flashes. Then insomnia. Then depression. As she struggled to express what was happening to her, she came up against a culture of silence. Throughout history, the natural physical transition of menopause has been viewed as

something to deny, fear, and eradicate. Menstruation signals fertility and life, and childbirth is revered as the ultimate expression of womanhood. Menopause is seen as a harbinger of death. Some books Steinke found promoted hormone replacement therapy. Others encouraged acceptance. But Steinke longed to understand menopause in a more complex, spiritual, and intellectually engaged way. In *Flash Count Diary*, Steinke writes frankly about aspects of Menopause that have rarely been written about before. She explores the changing gender landscape that comes with reduced hormone levels, and lays bare the transformation of female desire and the realities of prejudice against older women. Weaving together her personal story with philosophy, science, art, and literature, Steinke reveals that in the seventeenth century, women who had hot flashes in front of others could be accused of being witches; that the model for Duchamp's famous *Étant donn é s* was a post-reproductive woman; and that killer whales—one of the only other species on earth to undergo menopause—live long post-reproductive lives. *Flash Count Diary*, with its deep research, open play of ideas, and reverence for the female body, will change the way you think about menopause. It's a deeply feminist book—honest about the intimations of mortality that menopause brings while also arguing for the ascendancy, beauty, and power of the post-reproductive years.

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

Bright's Passage

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Why does she stay with him? Where does she go from here? The author who revealed a generation's Passages now answers all the questions about the most talked-about First Lady in American history. In *Hillary's Choice*, Hillary Clinton is rendered fully human for the first time. Here is the life of a woman that is also the story of a marriage--and the drama of a presidency. From her childhood with a demanding father and frustrated mother to her life as a professional wife determined to elect her husband president . . . from the sexual betrayals that nearly broke her to the national scandal that remade her . . . this is the epic journey of a modern American woman, a saga that begins in passivity, moves through

self-punishment, and ends in power. Who was the one "other woman" who posed a serious threat to their marriage? What was the real reason for the health care failure? How did Hillary escape the snare of Kenneth Starr? How has she managed, through it all, to be a good mother? No matter what her future, the mysteries about Hillary Clinton's past have been fully resolved by *Hillary's Choice*, a stunning achievement from a master chronicler of our times.
