The origin story along with creative vegan soup and stew recipes from the Seattle-based community soup club run by cookbook author Caroline Wright. After a devastating brain cancer diagnosis, Caroline Wright told some new friends she was craving homemade soup, then found soup on her doorstep every day for months. She survived with a deep gratitude for soup and her community. In thanks and in their honor, she decided to start a weekly soup club delivering her own original healthful soup recipes to her friend's porches.

Caroline's creative spirit and enthusiasm spread, along with the word of her club, and she soon was building a large community of soup enthusiasts inspired by her story. Soup Club is unlike any other soup book. Caroline's collection of recipes along with artwork, photography, and haiku from her members, tell a moving story of community, love, and health at its center. This unique cookbook proves that soup can be more than a filling meal, but also a mood and a feeling. Every soup can be made on the stove top and Instant Pot. The recipes are all vegan and gluten-free and include: Catalan Chickpea Stew with Spinach Jamaican Pumpkin and Red Pea Soup Split Pea Soup with Roasted Kale West African Vegetable Stew

Maybe she's on a photo shoot in Zanzibar. Maybe she's making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. Or breakfast. Lunch gets some love, too. For years, she's been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John's famous fried chicken with spicy honey butter to her mom's Thai classics. Salty, spicy, saucy, and funny (that's the food, but that's Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You'll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home remedy, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Because for Chrissy Teigen, cooking, eating, and love are one and the same.

while still being able to go on a diet that works around your schedule. The idea behind this diet plan is that you will pick two days during the week where you will keep your calories low, usually under 500 to 700 for the whole day. As long as these days are not back to back, they can be any days that you would like. Pick a few days during the week when you are usually really busy and it won't seem so bad. For the other five days of the week, you will be able to eat regular calories. You should be careful about not going overboard, but if you eat a relatively healthy diet, even if you splurge a little bit on these other five days, you will still end up taking fewer calories thanks to those two fast days. It is that simple! You can lose weight, but if you feel deprived all the time, you will give in to the cravings and never see the results that you want. This is where a diet guidebook can come in!

The ultimate in slow-cooker books--with 500 recipes, each adapted for three sizes of appliance. From breakfast to soups, mains to grains, vegetables to desserts, this guide is the only book you'll ever need to master your slow cooker or crockpot. Millions of people are turning to slow cookers for their weeknight meals yet often can't find recipes that match their exact machine. Adapting recipes meant for a different-size cooker doesn't work--getting the right level of spice in your Vietnamese soup or keeping pulled pork tender requires having ingredients in the right proportion. But now, Bruce Weinstein and Mark Scarbrough have decoded slow cookers, and each of their recipes includes ingredient proportions for 2-3 quart, 4-5 quart, and 6-8 quart machines, guaranteeing a perfect fit no matter what machine you own. Each recipe is labeled for its level of difficulty and nutritional value, and they cover every kind of dish imaginable: delicious breakfast oatmeals, slow-braised meats, succulent vegetables, sweet jams and savory sauces, decadent desserts. This is the slow cooker book to end them all.

Soup nights are a stress-free way to bring friends together. The host provides two or three pots of soup, while the guests bring their own dishes and silverware, and perhaps a salad or some bread. Neighbors get to know each other by name and people of all ages can connect and socialize. This practical guide encourages you to start your own soup group, with scores of recipes for soups and sides that your friends will be lining up to taste.

This soup recipe cookbook not only includes a wide variety of soup recipes that will leave you feeling satisfied but it was based on a shared goal that almost everyone strives for better health in half the time! Whether you are looking to feel

better overall, want to shed excess weight.

Showing that using a soup is not as scary or difficult as you first thought, they have been showing people how to use the soup maker since 2008. Recipe This Worldwide Recipe Conversions With a growing worldwide audience of soup maker readers, Recipe This made the decision to offer their recipes to everyone. In the soup maker recipe ebook you will see metric and imperial conversions in every recipe. They also include both Celsius and Fahrenheit. You also have a handy worldwide food conversion too. This includes food mentioned in recipes that carry a different name in the US to the UK. Making it easy for both US and UK readers to equally understand. Plus, plenty of food swaps if you can't source ingredients locally.

The Essential Soup Maker Recipe Book Fast and Delicious Meals for Every Day ♦ incl. 28 Days Meal Plan ♦ There is nothing better than a bowl of nutritious, hot soup on a cold winters day and it can be hugely rewarding creating your own soup particularly as you can control exactly what goes into it. Whilst you can make soup in a pot on your stove, there are so many pluses for using a soup maker. The Essential Soup Maker Recipe Book is packed with delicious recipes plus a 28-day meal planner to help you put your soup maker to good use. Soup is one of the best ways to lose weight as it can be

created using an abundance of healthy ingredients making a meal that is low in both fat and calories. This book will show you how versatile a soup maker can be and how you can use it to create light lunches to substantial meals that are nourishing and comforting. Soups can be created in as little as 30 minutes and will provide you with new ideas to make your food more inspirational, whilst needing minimal preparation. Soup makers are economical in so much that not only do they use a small amount of electricity but they will help you to reduce the amount of food that you waste as well as giving you more time on your hands to do something for you. Another great benefit is that you will not have to spend time with your hands in the sink doing all the washing up. The amount that people spend on fresh soup has doubled over the past decade and there is also a rising trend where you can use your soup maker to create quick nutritious juices for breakfast. Whether you are looking for new recipes, trying to cut back on your food budget or the amount of food you are wasting using a soup maker is definitely the best way forward!

It works with your body, helping you to burn fat and weight without counting all the calories and while still being able to go on a diet that works around your schedule. The idea behind this diet plan is that you will pick two days during the week where you will keep your calories low, usually under 500 to 700 for the whole day. As long as these days are not back to back, they can be any day that you would like. Pick a few days during the week when you are usually really busy and it won't seem so bad. For the other five days of the week, you will be able to eat regular

calories. You should be careful about not going overboard, but if you eat a relatively healthy diet, even if you splurge a little bit on these other five days, you will still end up taking fewer calories thanks to those two fast days. It is that simple! You want to lose weight, but if you feel deprived all the time, you will give in to the cravings and never see the results that you want. This is where this guidebook can come in!
