*In this urban fantasy, a malevolent force seeks to destroy a succubus as she struggles to be a bridesmaid in her ex's wedding. Georgina Kincaid has formidable powers. Immortality, seduction, shapeshifting into any human form she desires, walking in heels that would cripple mere mortals—all child's play to a succubus like her... Helping to plan her ex-boyfriend's wedding is a different story. Georgina isn't sure which is worse—that Seth is marrying another woman, or that Georgina has to run all over Seattle trying on bridesmaid dresses. Still, there are distractions. Georgina's roommate, Roman, is cluttering her apartment with sexual tension. Then there's Simone, the new succubus in town, who's intent on corrupting Seth. But the real danger lies in the mysterious force that's visiting her thoughts, trying to draw her into a dark, otherworldly realm. Sooner or later, Georgina knows she'll be too weak to resist. And when that happens, she'll discover who she can trust, who she can't—and that Hell is far from the worst place to spend eternity... There are warring tribes, mutated animals, actual monsters, and even ogres. With so many threats, how can anyone hope to survive? Lucky for Jack, being frozen was only half the experience. *In this urban fantasy by a #1 New York Times–bestselling author, a powerless succubus must save the supernatural community of Seattle. Georgina Kincaid has been a bad, bad succubus—which should be a good thing. But lately, thanks to her foul mood over breaking up with bestselling writer Seth Mortensen, she's been so wicked that Seattle's über-demon Jerome, decides to “outsource” Georgina to a rival—and have her spy for him in the process. Being exiled to the frozen north—okay, Vancouver—and leaving Seth in the cozy clutches of his new girlfriend is unpleasant enough. Then Jerome is kidnapped, and all immortals under his control mysteriously lose their powers. One bright spot: with her life-sucking ability gone, there's nothing to keep Georgina from getting down and dirty with Seth—nothing apart from his girlfriend that is. Now, as the supernatural population starts turning on itself, a newly mortal Georgina must rescue her boss and figure out who's been playing them—or all hell will break loose... *“Sleek, sexy, and fun.”—Susan Sizemore, author of Primal Desires After three thousand years of one-night stands, a girl just wants a little more. Working for Satan is a hot gig. *A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times–bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one-and fast, because soon, Doug's life won't be the only one on the line...
