In a glorifying moment with God, this book was born. As author Bruce Tong wrestled with a deep question about how many Christians live life with a huge wall of frustration and unwanted failure in front of them

Download File PDF The World Shines For You (A Shine Bright Book)

that leads to the wave of complacency that infects the Church, God showed him that it comes down to the difference between believing and believing in Jesus. There is a simple little verse in Johns Gospel: The

Download File PDF The World Shines For You (A Shine Bright Book)

work of God is this: to believe in the one he has sent (John 6:29 NIV). As if it were dancing on the paper, this thought came to Bruce: many Christians say that they believe in Jesus but live a life that would

Download File PDF The World Shines For You (A Shine Bright Book)

suggest that nothing has changed. Its as if the shroud of Christianity is only reserved for Sundays and the rest of the week is about living for the world. They say, I believe in Jesus, but I will carry on

Download File PDF The World Shines For You (A Shine Bright Book)

living my life the way I want. Then there are the people who believe Jesus. In other words, their lives have been immersed in Jesus. He is their everything, and you can see it by the way they live, what they say,

Download File PDF The World Shines For You (A Shine Bright Book)

and how they act. Bruce sat there stunned for a while. Could it be that simple? Is belief simply faith in action? He needed to find out, so he began to turn the pages of Johns Gospel, and it was as if a large hand

Download File PDF The World Shines For You (A Shine Bright Book)

jumped out of every page, slapped him on the face, and pulled his head to the word believe, saying, Look at this! Read that. The journey began, and ideas began to flow. He began to view this wonderful Gospel with

Download File PDF The World Shines For You (A Shine Bright Book)

different eyes and through a revitalised, open heart. Each word that was written on paper not only transformed his understanding but also began to transform him. He hopes that this journey will be as

encouraging for you as it was for him.
