A historical time travel romance series set in and around Seattle and Montana in the early 1900s. The first three bestselling time travel romances of the Train Through Time Series are now available in a boxed set at a discounted price!

Book 1: A Train Through Time Book 2: Together Forever Across Time Book 3: A Smile in Time

A TRAIN THROUGH TIME: College teacher Ellie Standish thinks she's on a sleek modern train heading to a conference on women's studies in Seattle, but she awakens from a night's doze to find herself on a bizarre historical train full of late Victorian era reenactors who refuse to come out of character. When the leader of the group—one handsome, green-eyed Robert Chamberlain—finally convinces her the date is indeed 1901, a skeptical Ellie rejects any eccentric theories of time travel and presumes she is smack dab in the middle of a very interesting historical dream. She turns the directorial reins of her dream over to one smitten and willing Robert, only to realize that dreams cannot last forever. Someday, she must wake up to reality, though Ellie no longer has any idea what reality is. She only knows that Robert must play an important part in her future. But how can he...if he's only a figment of her imagination or worse yet...a man who belongs to an era long past?

TOGETHER FOREVER ACROSS TIME: Stephen Sadler reluctantly attends the Seattle wedding of Robert Chamberlain to Ellie Standish, the woman who had captured his interest. There he says goodbye to the woman he thought he had fallen for. Only a few weeks later while traveling on a train, Stephen is confronted by the vision of a strange wild-haired woman in a pair of snug-fitting trousers called “jeans” who claims she doesn't know where she is or how she came to be on his train—until she sees the date on the newspaper, that is. Dani Douglas cannot travel through time! Her mother in Montana is ill, and she has to get back to her. But the crystal clear blue eyes of handsome Stephen Sadler hold her captive

in 1901, and she doesn't know how to leave him...perhaps forever. Stephen realizes that Dani and Ellie have much in common, but where Ellie simply captured his interest, Dani has captured his imagination and his heart. Unlike Ellie though, Dani cannot stay, her mother is ill. Stephen doesn't know how he can let her leave him...perhaps forever. As the train hurtles back and forth across the rails, Stephen and Dani struggle to find a way to be together forever across time. A SMILE IN TIME: Annie St. John and her sister, Marie, decide that the three-day train ride from Chicago to Seattle to catch their Alaskan cruise was a bit too much, and they swear that next time, they'll fly. But "a bit too much" doesn't begin to describe what they find when they wake up from a short doze on their sleek modern train. Over a hundred years before, Rory O'Rourke heads back to Seattle from a photo shoot in Montana on the Oriental Limited. When a young woman in tight clothing called 'capris' falls into his arms, Rory finds his hands full with not one, but two young women who claim they must have traveled back in time. Rory scoffs at the idea, but his innate chivalry will not allow him to resist the pleas of the young women for help. Available Now: Finding You in Time, Book 4 of the Train Through Time Series

A mysterious conductor on the Underground Railroad arrives late one night on Anna's doorway in Iowa to deliver freedom seekers. Although the masked man disappears as quietly as he came, Anna finds she cannot forget him. Nor can the conductor forget her, and when slave catchers pursue Anna and her charges, he returns to rescue them. Love blossoms, but the advent of the American Civil War soon tears them apart. Called upon to spy for the Union Army, the conductor must leave the woman he loves. Can they find each other again in the chaos and destruction of war? Is love truly enough to surmount every obstacle?

*****A 2016 National Parenting Product Awards (NAPPA) winner You've never seen a book like this before! It's the story of a train moving across the American landscape—but with an actual three-dimensional miniature train that loops up and down and across each spread, traveling along an interior track from front to back without ever leaving the pages. Move the red steam engine out of the depot and to the front of the book, where the sun is just coming up over a bay, and then take a journey across wide plains, up mountains and down hills, into a city at night with its beacons of light—and finally, back to the rail yard. The panoramic landscapes are filled with marvelous details that young children will delight in discovering, and the sweet, simple rhyming language pulls the story along and will be happily repeated when it's time to start the journey all over again. All aboard!**

The team behind the #1 New York Times bestseller *Goodnight, Goodnight, Construction Site* returns with another fabulous book for bedtime! The dream train pulls into the station, and one by one the train cars are loaded: polar bears pack the reefer car with ice cream, elephants fill the tanker cars with paints, tortoises stock the auto rack with race cars, bouncy kangaroos stuff the hopper car with balls. Sweet and silly dreams are guaranteed for any budding train enthusiasts! Plus, this is the fixed format version,

which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

This glorious visual celebration of train travel keeps you on the right track with stop-offs at the most important and incredible rail routes from all over the world. Your first stop in The Train Book is the groundbreaking steam locomotives of the 19th century and your final destination is the high-speed bullet trains of today. From the Union-Pacific Railroad to the Trans-Siberian Railway, you'll cross the continents to experience epic journeys and staggering scenery. You'll pick a seat on the most iconic locomotives, including the Orient Express, the Blue Train, and the Eurostar. You can also inspect the engines of famous British trains, such as Rocket, Mallard, and Javelin, and international trains, such as India's Palace on Wheels and America's Thatcher Perkins. You'll meet the true pioneers of train and track, including "Father of the Railways" George Stephenson, engineering legend Isambard Kingdom Brunel, and Métro maestro Fulgence Bienvenüe. For train-spotters and transport enthusiasts everywhere, this is your trip of a lifetime.

Few parts of the shores of old England present more beautiful and romantic scenery than is to be found on the coast of Cornwall. There are deep bays, and bold headlands, and wild rocks, and lofty cliffs, and wooded heights, and bare downs, and yellow sands full of the most minute and delicate shells, so delicate that it is surprising how they could have existed in the rough and boisterous ocean, and been cast up whole from the depths below. In one of those beautiful bays, many years ago, a large party was

collected, on a bright afternoon in the early part of autumn. Among the party were persons of all ages, but most of them were young, and all were apparently very busy. Some were engaged in tending a fire over which a pot was boiling, and others were collecting drift-wood thrown up close under the cliff, with which to feed it.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art

restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art. Minnie and Ben are back for more murder and mayhem! Minnie Crockwell, recreational vehicle enthusiast and traveler, and her ghost companion, Ben, have arrived in sunny El Paso, Texas, land of cowboy boots and 1000 great Tex-Mex restaurants. One such restaurant makes the greatest fajitas...ever. All Minnie wants to do is eat great food during her stay in El Paso, but there is no way that Minnie and Ben can get through a stay in fabulous fajita land without someone dying an untimely death at the hands of a killer. Structophis is a heartwarming YA adventure from the author of The Book of Deacon, Bypass Gemini, and Free-Wrench. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle's bistro to tend to the

'special oven.' When he arrived, he discovered it wasn't the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she'd become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he'd dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best 'mommy' he can be to his brand-new pizza dragon.

To be a missionary to Canadian Indians in the late 1800s meant you had to be brave and relentless. It meant nearly freezing when sleeping outside in 50-below-zero weather. It meant canoeing upstream for hundreds of miles to reach remote Indian villages. It meant eating wild cat and other stranger things, or eating nothing for days at a time. But it also meant you were privileged to present the good news of the true Great Spirit to those who were often misunderstood and mistreated. The adventures in this book are rivaled only by the incredible conversions of those who saw the Creator in nature and then worshipped Him too. You will be challenged and inspired by the results of one man who went where the Lord led, with little regard for himself.

First in a new cozy mystery series from Minnie Crockwell. Settling into her new condominium on Mirror Pond in Northern Virginia, Sallie Chilcoat, a recent widow, wonders what to do with the rest of her life. She had planned to continue traveling with her military husband, but his early death leaves her at loose ends. Now, she stares out the window at the pond and contemplates learning to

kayak...or taking up painting...or climbing Mount Everest. Movement in the overwater gazebo catches her eye, and she grabs up her people-watching binoculars to see a man sitting inside the gazebo playing an accordion. Curious about the musician who plays such a rare instrument, Sallie trots down to the pier to investigate. The term "investigate" takes on a whole new meaning when Sallie reaches the gazebo to discover not a happy musician, but a dead body and a missing accordion. Forget climbing Mount Everest! Sallie finds herself immersed in the mystery of the Death at the Gazebo.

While doing genealogy research, a college professor runs across a true example of that most wayward of American existences-the hobo-in a story of a pair of runaways who hopped the rails, departing for times and places unknown, with only their adventurous spirits to guide them. Near his life's end, Percy B. Gates was a distinguished family man. He'd settled down and leveled out, but his past was full of adventure. At age thirteen, Percy and his best friend, Bill, ran off, whisked away from their homes on railroad tracks. They met a wide cast of characters while traveling the fifty states, from Wyatt Earp in the Old West to Teddy Roosevelt down in San Antonio. Bill fought a war, and Percy barely missed joining Roosevelt's Rough Riders. Eventually, they became boilermakers on that same railroad and found themselves in the middle of more than one outburst of union violence. Their rowdy journey through life ended up as more than those young runaways could have imagined. This expansive adventure portrays a classic American story, based on the author's grandfather's own tales and letters. Leaving a disastrous past behind, the hobo sets off on his own American dream.

How to Think Like a Genius to Be One Instantly!

Time, worlds, and hearts collide in the fourth and final book of Nancy Scanlon's mesmerizing time-travel Romance series, perfect for fans of Diana

Gabaldon, and filled with "angst and simmering sensuality." (Publishers Weekly) From the day the Fates made him the warrior to train and lead a group of time-traveling clansmen, Reilly O'Malley has gone into every battle, verbal or physical, certain of victory. Protector of the O'Rourke clan, knight in shining armor—he has the full confidence of a man who knows he will live forever. But what about love? Gwendolyn Allen has been in love with Reilly since she met him more than a decade ago, but he's shown no interest in her other than friendship. She's decided it's finally time for her to move on with her life, but the Fates have a different idea... When the pair find themselves together for three weeks prior to a wedding, the Fates finally decide to step in. They give Reilly a taste of what his life would be like without their protection, and suddenly everything Reilly knows is shaken to its core. When his otherworldly abilities begin to fall through time, Reilly may have to trust in something other than fate. He might just have to trust in love.

A new Regency historical romance from Bess McBride! Miss Margaret Chandler, daughter of a wealthy Hertfordshire landowner, has no particular prospects or desire for marriage. Her father's estate is entailed to a nephew, and upon her father's death, Margaret has settled plans to keep house for her cousin, who does not care for the country. The only man who could possibly capture her heart is the married Duke of Momford, whose French duchess is trapped in Paris during the war with Napoleon. Margaret is appalled at her scandalous romantic yearnings for the duke. Even more shocking is that her feelings may be reciprocated. Foolish dreams notwithstanding, scrupulous and honest Margaret must come to terms with the dishonest duke.

The last thing Damon wants is to get involved with Sophie again. It was hard enough to walk away the first time. But she's in trouble, her father's reputation is under attack, and the lives of his fellow agents are at stake if there's a traitor in their midst. When someone starts shooting at them, they have no choice but to go on the run and off the grid. Everyone in their world becomes a suspect. They want to uncover the truth, but will it turn out to be the last thing they expect? Proving her father's innocence might just cost them their hearts...and their lives... *** LIMITED-TIME SALE ON ALL OUT OF TIME BOX SETS *** This box set contains 3 complete novels: Books 4-6 of the Out of Time Series. The Devil's Due (Book #4) Time travelers Simon and Elizabeth return in book four of the Out of Time series. Simon and Elizabeth's plans for their honeymoon are interrupted when they discover a list of unfinished business hidden in Simon's grandfather's journal. Picking up where Grandfather Sebastian left off, Simon and Elizabeth, along with Jack Wells, travel to glamorous 1933 Hollywood to save the life of movie star Alan Grant. But the Golden Age of Hollywood is more than parties and premieres. Behind the bright lights and bigger-than-life contracts, shadows lurk and no one is what they seem. It's a place where people will do anything for fame and fortune. And if Simon and Elizabeth fail, more than a man's life might be lost. Thursday's Child (Book #5) The Crosses -- renowned Professor of the Occult Simon and irrepressible Elizabeth -- set off on their latest

time traveling adventure. Leaving Jack behind to nurse his broken heart, the couple travels to 1852 Natchez, Mississippi to help the next person on grandfather Sebastian's list, Mary Stewart.

There's just one problem. Little Mary Stewart, just 8 years old, died two days ago. Mary's spirit cannot rest until Simon and Elizabeth solve the mystery of both her life and death. But Mary cannot speak, and there are those who are willing to kill to keep the past buried. Simon and Elizabeth discover first-hand that dark secrets in the Antebellum South hide pasts murkier than the river bottom and twice as dangerous. Sands of Time (Book #6) The Crosses--high-spirited Elizabeth and her brilliant Professor of the Occult husband, Simon--find themselves, along with Jack Wells, in 1920 Cairo on a special assignment for the Council for Temporal Studies. It seems like a simple enough mission---find a missing pocket watch and bring it back to the present. The only problem is, they're not the only ones looking.

With danger lurking around every corner, Simon and Elizabeth race against a shadowy foe who is after far more than just a watch. The price for success this time just might be their lives. During the tumultuous year of 2008--when gas prices reached \$4 a gallon, Amtrak set ridership records, and a commuter train collided with a freight train in California--journalist James McCommons spent a year on America's trains, talking to the people who ride and work the rails throughout much of the Amtrak system.

Organized around these rail journeys, *Waiting on a Train* is equal parts travel narrative, personal memoir, and investigative journalism. Readers meet the historians, railroad executives, transportation officials, politicians, government regulators, railroad lobbyists, and passenger-rail advocates who are rallying around a simple question: Why has the greatest railroad nation in the world turned its back on the very form of transportation that made modern life and mobility possible? Distrust of railroads in the nineteenth century, overregulation in the twentieth, and heavy government subsidies for airports and roads have left the country with a skeletal intercity passenger-rail system. Amtrak has endured for decades, and yet failed to prosper owing to a lack of political and financial support and an uneasy relationship with the big, remaining railroads. While riding the rails,

McCommons explores how the country may move passenger rail forward in America--and what role government should play in creating and funding mass-transportation systems. Against the backdrop of the nation's stimulus program, he explores what it will take to build high-speed trains and transportation networks, and when the promise of rail will be realized in America.

In the Time of Famine

Adrift in a Boat

In 1845 a blight of unknown origin destroyed the potato crop in Ireland triggering a series of events that would change forever the course of Ireland's history. The British government called the

famine an act of God. The Irish called it genocide. By any name the famine caused the death of over one million men, women, and children by starvation and disease. Another two million were forced to flee the country. With the famine as a backdrop, this is a story about two families as different as coarse wool and fine silk. Michael Ranahan, the son of a tenant farmer, dreams of breaking his bondage to the land and going to America. The passage money has been saved. He's made up his mind to go. And then-the blight strikes and Michael must put his dream on hold. The landlord, Lord Somerville, is a compassionate man who struggles to preserve a way of life without compromising his ideals. To add to his troubles, he has to deal with a recalcitrant daughter who chafes at being forced to live in a country of "bog runners."In The Time Of Famine is a story of survival. It's a story of duplicity. But most of all, it's a story of love and sacrifice.

Book 16 in the Will Travel for Trouble series of cozy mysteries. Minnie and Ben are back for more murder and mayhem! Minnie Crockwell, recreational vehicle enthusiast and traveler, and her ghost companion, Ben, overnight in Santa Fe, New Mexico. Stubbing her toe in the cramped trailer for what she swears is the absolute last time,

she delays their departure and heads off to the nearest RV dealership determined to find something roomier, or at least less dangerous to the health of her feet! But death seems to follow Minnie and Ben everywhere they go, even RV shopping. How does a woman choose an RV when one of the upgrades is a dead body? Minnie puts shopping on hold as she focuses on discovering the truth about the Trouble in Santa Fe. Each story in the series can stand alone, but to avoid extensive repetition of the backstory, the books would be best read in order. A Riveting Look at the Orphan Train from Historical Novelist Jody Hedlund When a financial crisis in 1850s New York leaves three orphaned sisters nearly destitute, the

oldest, Elise Neumann, knows she must take action. She's had experience as a seamstress, and the New York Children's Aid Society has established a special service: placing out seamstresses and trade girls. Even though Elise doesn't want to leave her sisters for a job in Illinois, she realizes this may be their last chance. The son of one of New York City's wealthiest entrepreneurs, Thornton Quincy faces a dilemma. His father is dying, and in order to decide which of his sons will inherit everything, he is requiring them to do two things in six months: build a sustainable town along the Illinois Central Railroad, and get married. Thornton is tired of standing in his twin brother's shadow and is determined to win his father's challenge. He doesn't plan on meeting a feisty young woman on his way west, though.

The Instant-Series Presents "Instant Genius" How to Think Like a Genius to Be One Instantly! When you hear the word "genius" - what immediately pops into your mind? Perhaps, people like Albert Einstein, Isaac Newton, Leonardo da Vinci, and Thomas Edison just to name a few. What did all these folks have? What was the common factor that made them a genius? And is possible for you to also be like them? Now what is a genius? Geniuses are, first and foremost, extraordinary individuals... They

are always somewhat ahead of their time, and their contributions to the world have shaped society into what we know it as of today with all the remarkable fleets of advanced achievements unheard of in the past - just look at how far we have come with modern medicine, science, technologies, etc. And geniuses have helped mankind evolved into more intelligent beings - pushing us to all strive for even greater possibilities. So how to become a genius? The widely-accepted notion is...you're either born with a genius IQ or not; however, being a genius has less to do with your level of intelligence. Everybody has their own form of genius. The key is how to unlock that inner genius of yours. Within "Instant Genius":

- * How to easily create a custom "genius trigger button" step-by-step, so you can activate it to turn on your full-intellectual mental capacity at will, at anywhere, and at anytime.**
- * How to channel your inner genius through the power of your subconscious mind, by doing the "subconscious self-session" technique to open doors to new ways of thinking.**
- * How to use personalized "visual mental imprints" as your sources of inspirations and motivations to spark your creative genius to generate unlimited innovative ideas.**
- * How to develop genius reflexes to handle any complex problem and**

come up with ingenious solution to have people look up to you, always wanting to hear what you have to say. * How to optimize your mind to work in relentless genius mode with full concentration and inexhaustible energy where obstacles no longer exist, through an in-depth "4-stages process" you can implement whenever you want. * Plus, custom practical "how-to" strategies, techniques, applications and exercises on how to think like a genius. ...and much more. All of us has the potential to be our own geniuses. You just only need to be guided on how to unleash that genius brain power within you - to finally realize what you're truly capable of. You will be amazed and even surprised yourself.

It was just one night at an old seaside B&B. Until they woke up in 1857. Collette Donaldson never should have taken her boyfriend to her cousin's wedding. Or introduced him to her parents. After a disastrous weekend, all she wants is to get back home and sort out the mess that had once been her relationship. A heartbreaking fight, a flat tire, and an inconvenient storm leave her and Seth no other option than to stay the night at a quaint bed-and-breakfast. But when Collette finds an antique photograph of herself, circumstances quickly shift from weird to unimaginable. Seth Stone was ready to propose. Now he isn't sure he even has a relationship. Circumstances are bad enough when he has to spend the night in a creepy old Victorian inn, but they get far worse when he wakes up on a wagon train in 1857. As Seth tries to figure out how to get them home to the present, he realizes that the only way to survive this strange past is by facing their own.
