

## ***Tuesdays With Morrie: An Old Man, A Young Man, And Life's Greatest Lesson***

NAMED ONE OF THE BEST BOOKS OF 2018 BY New York Times Critics • Wall Street Journal • Kirkus Reviews Christian Science Monitor • San Francisco Chronicle Finalist for the PEN Jacqueline Bograd Weld Biography Award Shortlisted for the J. Anthony Lukas Book Prize The deeply reported story of one indelible family transplanted from rural China to New York City, forging a life between two worlds In 2014, in a snow-covered house in Flushing, Queens, a village revolutionary from Southern China considered his options. Zhuang Liehong was the son of a fisherman, the former owner of a small tea shop, and the spark that had sent his village into an uproar—pitting residents against a corrupt local government. Under the alias Patriot Number One, he had stoked a series of pro-democracy protests, hoping to change his home for the better. Instead, sensing an impending crackdown, Zhuang and his wife, Little Yan, left their infant son with relatives and traveled to America. With few contacts and only a shaky grasp of English, they had to start from scratch. In Patriot Number One, Hilgers follows this dauntless family through a world hidden in plain sight: a byzantine network of employment agencies and language schools, of underground asylum brokers and illegal dormitories that Flushing's Chinese community relies on for survival. As the irrepressibly opinionated Zhuang and the more pragmatic Little Yan pursue legal status and struggle to reunite with their son, we also meet others piecing together a new life in Flushing. Tang, a democracy activist who was caught up in the Tiananmen Square crackdown in 1989, is still dedicated to his cause after more than a decade in exile. Karen, a college graduate whose mother imagined a bold American life for her, works part-time in a nail salon as she attends vocational school, and refuses to look backward. With a novelist's eye for character and detail, Hilgers captures the joys and indignities of building a life in a new country—and the stubborn allure of the American dream.

Maybe it was a grandparent, or a teacher or a colleague? Someone older, patient and wise, who understood you when you were young and searching, and gave you sound advice to help you make your way through it? For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded. Wouldn't you like to see that person again, ask the bigger questions that still haunt you? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying of ALS – or motor neurone disease – Mitch visited Morrie in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final 'class': lessons in how to live. TUESDAYS WITH MORRIE is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world. Praise for Tuesdays with Morrie: 'This is a true story that shines and leaves you forever warmed by its afterglow' Amy Tan 'A moving tribute to embracing life' Glasgow Herald 'An extraordinary contribution to the literature of death' Boston Globe 'A beautifully written book of great clarity and wisdom that lovingly captures the simplicity beyond life's complexities' M Scott Peck

For everyone who enjoyed the inspiration and wisdom of Morrie Schwartz in Mitch Albom's moving best-seller Tuesdays with Morrie, here is Morrie's own book, presenting the philosophies by which he triumphantly lived, even as he faced the end of his life. For decades Morrie engaged his Brandeis University students in the importance of community and involvement in life. Ever the teacher, in his last year, as his battle with the fatal illness amyotrophic lateral sclerosis (ALS), or Lou Gehrig's Disease, gradually weakened him, he appeared on three memorable "Nightline" programs with Ted Koppel, simply titled "Morrie," and captivated millions of viewers across the country with his spirit and compassion. Before he died, Morrie finished the manuscript for this book, which was originally titled Letting Go. He saw it as his greatest teaching opportunity. Whether you or a loved one is healthy or ill, young or old, there is invaluable wisdom here that can enrich your life. From "handling frustration" and "reaching acceptance" to "relating to others" and "being kind to yourself," Morrie's life-affirming insights help you take stock of where you are now and where you may want to be. Morrie: In His Own Words will have a lasting impact on whoever reads it. It is Morrie's invaluable legacy to us all.

How come I can never find my keys? Why don't I sleep as well as I used to? Why do my friends keep repeating the same stories? What can I do to keep my brain sharp? Scientists know. Brain Rules for Aging Well, by developmental molecular biologist Dr. John Medina, gives you the facts, and the prescription to age well, in his signature engaging style. With so many discoveries over the years, science is literally changing our minds about the optimal care and feeding of the brain. All of it is captivating. A great deal of it is unexpected. In his New York Times best seller Brain Rules, Medina showed us how our brains really work, and why we ought to redesign our workplaces and schools to match. In Brain Rules for Baby, he gave parents the brain science they need to know to raise happy, smart, moral kids. Now, in Brain Rules for Aging Well, Medina shares how you can make the most of the years you have left. In a book destined to be a classic on aging, Medina's fascinating stories and infectious sense of humor breathe life into the science. Brain Rules for Aging Well is organized into four sections, each laying out familiar problems with surprising solutions. First up, the social brain, in which topics ranging from relationships to

*happiness and gullibility illustrate how our emotions change with age. The second section focuses on the thinking brain, explaining how working memory and executive function change with time. The third section is all about your body: how certain kinds of exercise, diets, and sleep can slow the decline of aging. Each section is sprinkled with practical advice, for example, the fascinating benefits of dancing, and the brain science behind each intervention. The final section is about the future. Your future. Medina connects all the chapters into a plan for maintaining your brain health. You may already be experiencing the sometimes-unpleasant effects of the aging process. Or you may be deeply concerned about your loved ones who are. Either way, Brain Rules for Aging Well is for you.*

*An Old Man, a Young Man, and Life's Greatest Lesson*

**"Mitch Albom has done it again with this moving memoir of love and loss. You can't help but fall for Chika. A page-turner that will no doubt become a classic." --Mary Karr, author of The Liars' Club and The Art of Memoir** From the #1 New York Times bestselling author of Tuesdays With Morrie comes Mitch Albom's most personal story to date: an intimate and heartwarming memoir about what it means to be a family and the young Haitian orphan whose short life would forever change his heart. Chika Jeune was born three days before the devastating earthquake that decimated Haiti in 2010. She spent her infancy in a landscape of extreme poverty, and when her mother died giving birth to a baby brother, Chika was brought to The Have Faith Haiti Orphanage that Albom operates in Port Au Prince. With no children of their own, the forty-plus children who live, play, and go to school at the orphanage have become family to Mitch and his wife, Janine. Chika's arrival makes a quick impression. Brave and self-assured, even as a three-year-old, she delights the other kids and teachers. But at age five, Chika is suddenly diagnosed with something a doctor there says, "No one in Haiti can help you with." Mitch and Janine bring Chika to Detroit, hopeful that American medical care can soon return her to her homeland. Instead, Chika becomes a permanent part of their household, and their lives, as they embark on a two-year, around-the-world journey to find a cure. As Chika's boundless optimism and humor teach Mitch the joys of caring for a child, he learns that a relationship built on love, no matter what blows it takes, can never be lost. Told in hindsight, and through illuminating conversations with Chika herself, this is Albom at his most poignant and vulnerable. Finding Chika is a celebration of a girl, her adoptive guardians, and the incredible bond they formed—a devastatingly beautiful portrait of what it means to be a family, regardless of how it is made.

More than simply a vital collection development tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college.

**#1 NEW YORK TIMES BESTSELLER •** A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author "A wonderful book, a story of the heart told by a writer with soul."—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Amyotrophic Lateral Sclerosis, otherwise known as Lou Gehrig's Disease, is one of several degenerative diseases of the aging nervous system. This text neatly synthesizes the recent explosion of research into this particular condition to construct a detailed and comprehensive overview. Drs. Eisen and Krieger bring their research expertise and extensive clinical experience to provide this practical and thought-provoking account. Chapters cover the epidemiology, molecular biology, and pathophysiology of ALS, as well as issues pertinent to clinical assessment and care.

**THE STORY: TUESDAYS WITH MORRIE is the autobiographical story of Mitch Albom, an accomplished journalist driven solely by his career, and Morrie Schwartz, his former college professor. Sixteen years after graduation, Mitch happens to catch Morrie's Sharing a message of hope in difficult times, a rabbi explains how the inevitable appearance of loss in our lives can become a source of strength, faith, hope, meaning, and purpose rather than of despair.**

**From the beloved author of the #1 New York Times bestsellers Tuesdays with Morrie and The Five People You Meet in Heaven comes his most thrilling and magical novel yet—a page-turning mystery and a meditation on the power of human connection. One morning in the small town of Coldwater, Michigan, the phones start ringing. The voices say they are calling from heaven. Is it the greatest miracle ever? Or some cruel**

*hoax? As news of these strange calls spreads, outsiders flock to Coldwater to be a part of it. At the same time, a disgraced pilot named Sully Harding returns to Coldwater from prison to discover his hometown gripped by "miracle fever." Even his young son carries a toy phone, hoping to hear from his mother in heaven. As the calls increase, and proof of an afterlife begins to surface, the town—and the world—transforms. Only Sully, convinced there is nothing beyond this sad life, digs into the phenomenon, determined to disprove it for his child and his own broken heart. Moving seamlessly between the invention of the telephone in 1876 and a world obsessed with the next level of communication, Mitch Albom takes readers on a breathtaking ride of frenzied hope. The First Phone Call from Heaven is Albom at his best—a virtuosic story of love, history, and belief.*

*When various forest animals discover a mysterious object in the woods, they each use it for a different purpose, until a boy reads stories aloud from it, much to the animals' delight. Sometimes the right words make all the difference*  
*A few months ago he was a high school football coach. Now Charlie Cristo is a cancer patient, battling not only an aggressive disease but also years of bitterness and disappointment. Then anonymous letters start arriving from a source known only as The Sender. Lift your spirits. Work the process. Help one another. The short, wise counsel in the letters challenged Charlie Cristo to fight the disease ravaging his body and the anger threatening his soul. What will you do with The Sender's advice?*

*This is the story of Charley, a child of divorce who is always forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father--and she dies while he is gone. This haunts him for years. It unravels his own young family. It leads him to depression and drunkenness. One night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her--the day he missed and always wished he'd had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants the second chance to save his own.*

*Tuesdays with Morrie by Mitch Albom | Summary and Analysis*  
*Book Preview: Tuesdays with Morrie is a masterful work of nonfiction on multiple fronts. It grants the reader not only an inspiring story of a brave man facing death, but also emphasizes core truths about how to live life and invest in others. Mitch and Morrie's final meeting is a living, breathing example of the kind of love that Morrie emphasizes throughout the book. The book unfolds slowly, building aphorisms and wise truths until you feel the change that took place in Mitch's life. Through Albom's deft and personable writing style, he paints a picture that endears us to Morrie as we become one of his beloved students as well. *Tuesdays With Morrie Summary*

*1022 Evergreen Place*

*Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"*

*"Lyrical and down-to-earth, wry and heartbreaking, This Life Is in Your Hands is a fascinating and powerful memoir. Melissa Coleman doesn't just tell the story of her family's brave experiment and private tragedy; she brings to life an important and underappreciated chapter of our recent history." —Tom Perrotta*  
*In a work of power and beauty reminiscent of Tobias Wolff, Jeannette Walls, and Dave Eggers, Melissa Coleman delivers a luminous, evocative childhood memoir exploring the hope and struggle behind her family's search for a sustainable lifestyle. With echoes of The Liars' Club and Don't Let's Go to the Dogs Tonight, Coleman's searing chronicle tells the true story of her upbringing on communes and sustainable farms along the rugged Maine coastline*

in the 1970's, embedded within a moving, personal quest for truth that her experiences produced.

Recounts the remarkable story of University of Michigan basketball players Chris Webber, Jalen Rose, Juan Howard, Jimmy King, and Ray Jackson, and chronicles their success in the NCAA tournaments of 1992 and 1993.

The Five People You Meet in Heaven

Creating Meaning in Difficult Times

Summary of Tuesdays with Morrie: Conversation Starters

*"I said I was sorry! What more do you want?" Even in the best of relationships, we mess up. We say and do things we deeply regret later on. So we need to make things right. But just saying you're sorry isn't enough. That's only the first step on the road to restoration. In The 5 Apology Languages, Gary Chapman, the #1 New York Times bestselling author of the 5 Love Languages®, partners with Jennifer Thomas to help you on the journey toward restored relationships. True healing comes when you learn to: Express regret: "I'm sorry." Accept responsibility: "I was wrong." Make restitution: "How can I make it right?" Plan for change: "I'll take steps to prevent a reoccurrence." Request forgiveness: "Can you find it in your heart to . . . ?" Don't let hurts linger or wounds fester. Start on the path to healing today and discover how meaningful apologies can make your friendships, family, and marriage stronger than ever before.*

*Provides background information and chapter-by-chapter discussion questions, vocabulary, and activities for teaching Mitch Albom's "Tuesdays with Morrie" in high school.*

*What if our beliefs were not what divided us, but what pulled us together In Have a Little Faith, Mitch Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since Tuesdays with Morrie, Have a Little Faith begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago. Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult things happen; what heaven is; intermarriage; forgiveness; doubting God; and the importance of faith in trying times. Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. Have a Little Faith is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including The Hole In The Roof Foundation, which helps refurbish places of worship that aid the homeless.*

*In this enchanting sequel to the #1 bestseller The Five People You Meet in Heaven, Mitch Albom tells the story of Eddie's heavenly reunion with Annie--the little girl he saved on earth--in an unforgettable novel of how our lives and losses intersect. In Mitch Albom's beloved novel, The Five People You Meet in Heaven, the world fell in love with Eddie, a grizzled war veteran-turned-amusement park mechanic who died saving the life of a young girl named Annie. Eddie's journey to heaven taught him that every life matters. Now, in this magical sequel, Albom reveals Annie's story. The accident that killed Eddie left an indelible mark on Annie. It took her left hand, which needed to be surgically reattached. Injured, scarred, and unable to remember why, Annie's life is forever changed by a guilt-ravaged mother who whisks her away from the world she knew. Bullied by her peers and haunted by something she cannot recall, Annie struggles to find acceptance as she grows. When, as a young woman, she reconnects with Paulo, her childhood love, she*

*believes she has finally found happiness. As the novel opens, Annie is marrying Paulo. But when her wedding night day ends in an unimaginable accident, Annie finds herself on her own heavenly journey—and an inevitable reunion with Eddie, one of the five people who will show her how her life mattered in ways she could not have fathomed. Poignant and beautiful, filled with unexpected twists, The Next Person You Meet in Heaven reminds us that not only does every life matter, but that every ending is also a beginning—we only need to open our eyes to see it.*

*From the beloved author of the #1 New York Times bestsellers Tuesdays with Morrie and The Five People You Meet in Heaven comes his most critically acclaimed novel yet—a stunningly original tale of love: love between a man and a woman, between an artist and his mentor, and between a musician and his God-given talent. Narrated by the voice of Music itself, the story follows Frankie Presto, a war orphan born in a burning church, through his extraordinary journey around the world. Raised by a blind guitar teacher in Spain and gifted with a talent to change people's lives—using six mysterious blue strings—Frankie navigates the musical landscape of the twentieth century, from the 1950s jazz scene to the Grand Ole Opry to Elvis mania and Woodstock, all the while searching for his childhood love. As he becomes a famous star, he loses his way, until tragedy steals his ability to play the guitar that had so defined him. Overwhelmed by his loss, Frankie disappears for decades, reemerging late in life for one spectacular yet mystifying farewell. Part love story, part magical mystery, The Magic Strings of Frankie Presto is Mitch Albom at his finest, a Forrest Gump-like epic about one man's journey to discover what truly matters and the power of talent to change our lives.*

“Ed Husain has become one of the most vital Muslim voices in the world. The House of Islam could very well be his magnum opus.” -Reza Aslan, #1 New York Times bestselling author of *Zealot* “This should be compulsory reading.” -Peter Frankopan, author of the international bestseller *The Silk Roads Today*, Islam is to many in the West an alien force, with Muslims held in suspicion. Failure to grasp the inner workings of religion and geopolitics has haunted American foreign policy for decades and has been decisive in the new administration's controversial orders. The intricacies and shadings must be understood by the West not only to build a stronger, more harmonious relationship between the two cultures, but also for greater accuracy in predictions as to how current crises, such as the growth of ISIS, will develop and from where the next might emerge. The House of Islam addresses key questions and points of disconnection. What are the roots of the conflict between Sunni and Shi'a Muslims that is engulfing Pakistan and the Middle East? Does the Koran encourage the killing of infidels? The book thoughtfully explores the events and issues that have come from and contributed to the broadening gulf between Islam and the West, from the United States' overthrow of Iran's first democratically elected leader to the emergence of ISIS, from the declaration of a fatwa on Salman Rushdie to the attack on the offices of Charlie Hebdo. Authoritative and engaging, Ed Husain leads us clearly and carefully through the nuances of Islam and its people, taking us back to basics to contend that the Muslim world need not be a stranger to the West, nor our enemy, but our peaceable allies.

Tuesdays with Morrie: An Old Man, a Young Man, and Life's Greatest Lesson, 20th Anniversary Edition by Mitch Albom: Conversation Starters Morrie's name in Hebrew means "my teacher." In college, sportswriter Mitch Albom looked up to Morrie as his mentor and promised to stay in touch after graduation. He went on to become a successful journalist, winning awards and recognition along the way. For the second time, as Morrie comes close to dying, he is once again a mentor to Albom, this time teaching him lessons about life and death. His teachings touch on the themes of regret, aging, self-pity, love, death, and life. A review by Publishers Weekly says that "far from being awash in sentiment, the dying man retains a firm grasp on reality." It says the book is "emotionally rich.. and a deeply affecting memorial to a wise mentor." Tuesdays with Morrie was a #1 bestseller in the New York Times' non-fiction list. It remained on the Times bestseller list for four years, becoming the.. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. AN INSTANT #1 NEW YORK TIMES BESTSELLER From New York Times bestselling author and beloved Today show co-host Hoda Kotb comes an inspiring collection of quotes that offer wisdom, courage, and hope—the perfect gift for Mother's Day! Several years ago, Today show co-host Hoda Kotb began posting a variety of quotes on her Instagram page. Some were penned by a favorite writer; others offered a dose of love or laughter. She thought the quotes were meaningful only to her, but soon a funny thing started happening—reactions poured in from thousands of people who were just as moved. The quotes weren't only providing inspiration to Hoda, they were comforting and connecting people. So many of their comments read, "I really needed this today," a phrase that inspired the book's title. In *I Really Needed This Today*, Hoda not only shares 365 sayings and quotes, she writes about the people and experiences that have pushed her to challenge boundaries, embrace change, and explore relationships to their fullest. Written with her signature wit and warmth, this book is the ideal companion to tuck beside your bed or to bring with you on-the-go to keep you motivated, recharged, and inspired each day. The author rediscovers Morrie, who had been his college professor and mentor, in the last months of the older man's life. Their rekindled relationship turns into final lessons on love, life and death.

Distinguishing the qualities that separate the prosperous from everyone else, the author mixes statistical data and lively anecdotes to plumb the secrets behind generating wealth. Reprint.
