

Ulysses Moore 1 La Porta Del Tempo

"Each of the translations in this book can be read for its own sake or as part of a triptych. By setting excerpts of Brian Merriman’s Cuirt an Mhean Oiche within the acoustic of a classical myth (the story of Orpheus and Eurydice), Seamus Heaney provides a new and illuminating context for the eighteenth century Irish poem. For this paperback reissue, the poet has made some revisions in the text of the original Gallery Press edition.”--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

A new look at the development of innovative postwar writing in France, Britain, and the United States. The Avant-Postman explores a broad range of innovative postwar writing from France, Britain, and the United States. Taking James Joyce's Ulysses and Finnegans Wake as a joint starting point, David Vichnar draws genealogical lines from there through the work of more than fifty writers up to very recent years, including William Burroughs, B. S. Johnson, Ian Sinclair, Kathy Acker, Alan Moore, David Foster Wallace, and many others. Centering the exploration around five strategies employed by Joyce--narrative parallax, stylistic metempsychosis, concrete writing, forgery, and neologizing the logos--the book reveals the striking continuities and developments from Joyce's day to our own.

After moving from London to an old mansion on the English coast, eleven-year-old twins Jason and Julia discover that their new home has twisting tunnels, strange artifacts from around the world, and a mysterious, locked door.

Want to enter your teen years with a long list of accomplishments and cool stories? Organize a treasure hunt, create a secret code, search for fossils, bake a loaf of bread, climb a tree--these are some of the fun projects and activities to complete before you turn 14! 50 Adventures to Have before You Turn 14 is a bucket list journal with prompts for fifty different activities perfect for preteens looking to unplug, embark on exciting adventures, and explore new hobbies. In addition to descriptive information and activity prompts, the book also allows the reader to record the results of their projects in the journal.

The End of All Things

La Puerta Del Tiempo / the Door to Time

One of Those Russian Novels

Unlocking the Ancient Wisdom of the Xian Monks

Brána Casu. Sešit 1

The New York Times bestseller from the author of Watchmen and V for Vendetta finally appears in a one-volume paperback. Begging comparisons to Tolstoy and Joyce, this “magnificent, sprawling cosmic epic” (Guardian) by Alan Moore—the genre-defying, “groundbreaking, hairy genius of our generation” (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternity loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermine a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-Einstein, and insist upon their slum as Blake’s eternal holy city in “Moore’s apotheosis, a fourth-dimensional symphony” (Entertainment Weekly). This “brilliant . . . monumentally ambitious” tale from the gutter is “a massive literary achievement for our time—and maybe for all times simultaneously” (Washington Post).

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic

Hugo-award winning author, John Scalzi returns to his best-selling Old Man's War universe with The End of All Things, the direct sequel to 2013's The Human Division Humans expanded into space...only to find a universe populated with multiple alien species bent on their destruction. Thus was the Colonial Union formed, to help protect us from a hostile universe. The Colonial Union used the Earth and its excess population for colonists and soldiers. It was a good arrangement...for the Colonial Union. Then the Earth said: no more. Now the Colonial Union is living on borrowed time-a couple of decades at most, before the ranks of the Colonial Defense Forces are depleted and the struggling human colonies are vulnerable to the alien species who have been waiting for the first sign of weakness, to drive humanity to ruin. And there's another problem: A group, lurking in the darkness of space, playing human and alien against each other-and against their own kind -for their own unknown reasons. In this collapsing universe, CDF Lieutenant Harry Wilson and the Colonial Union diplomats he works with race against the clock to discover who is behind attacks on the Union and on alien races, to seek peace with a suspicious, angry Earth, and keep humanity's union intact...or else risk oblivion, and extinction-and the end of all things. Old Man's War Series #1 Old Man's War #2 The Ghost Brigades #3 The Last Colony #4 Zoe's Tale #5 The Human Division #6 The End of All Things Short fiction: “After the Coup” Other Tor Books The Android’s Dream Agent to the Stars Your Hate Mail Will Be Graded Fuzzy Nation Redshirts Lock In The Collapsing Empire At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Eleven-year-old twins Jason and Julia, along with their friend Rick, find themselves in ancient Egypt in search of an important map after going through a magical door in their old English mansion.

The Midnight Verdict

La porta del tempo

Metamorphoses

How Is a Government Elected?

The Door to Time

This engrossing, ground-breaking book challenges the long-held conviction that prior to the second divorce referendum of 1995 Irish people could not obtain a divorce that gave them the right to remarry. Joyce knew otherwise, as Peter Kuch reveals--obtaining a decree absolute in Edwardian Ireland, rather than separation from bed and board, was possible. Bloom's "Divorce, not now" and Molly's "suppose I divorced him"--whether whim, wish, fantasy, or conviction--reflects an Irish practice of petitioning the English court, a ruse that, even though it was known to lawyers, judges, and politicians at the time, has long been forgotten. By drawing attention to divorce as one response to adultery, Joyce created a domestic and legal space in which to interrogate the sometimes rival and sometimes collusive Imperial and Ecclesiastical hegemonies that sought to control the Irish mind. This compelling, original book provides a refreshingly new frame for enjoying Ulysses even as it prompts the general reader to think about relationships and about the politics of concealment that operate in forging national identity

Jason e Julia, due gemelli di undici anni, si trasferiscono a Kilmore Cove, un tranquillo paesino della Cornovaglia, dove fanno amicizia con il vicino Rick. Insieme si divertono a esplorare la loro immensa villa. Ben presto si imbattono in una porta nascosta dietro un armadio che non si riesce ad aprire in alcun modo. Perché qualcuno ha voluto nasconderla? I ragazzi sono decisi a scoprire il mistero. A tutti i costi..

The Door to TimeScholastic Paperbacks

The book Jonathan Franzen dubbed the "ur-text of postwar fiction" and the "first great cultural critique, which, even if Heller and Pynchon hadn't read it while composing Catch-22 and V., managed to anticipate the spirit of both"--The Recognitions is a masterwork about art and forgery, and the increasingly thin line between the counterfeit and the fake. Gaddis anticipates by almost half a century the crisis of reality that we currently face, where the real and the virtual are combining in alarming ways, and the sources of legitimacy and power are often obscure to us.

Two years after losing her husband of twenty-five years, Lisey looks back at the sometimes frightening intimacy that marked their marriage, her husband's successes as an award-winning novelist, and his secretive nature that established Lisey's supernatural belief systems, on which she eventually comes to depend for survival. Reprint. 50,000 first printing.

Eleven-year-old twins Jason and Julia, along with their friend Rick, search eighteenth-century Venice for Peter Dedalus, the elusive inventor who created Kilmore Cove's Mirror House.

This play is based on David R. Slavitt's translation of The Metamorphoses of Ovid - Monologues.

Two worlds, two stories, two books in one, to be flipped and read from whichever direction you like!

50 Adventures to Have Before You Turn 14

Irish Divorce / Joyce's Ulysses

La Puerta del Tiempo (Serie Ulysses Moore 1)

The House of Mirrors

Death on the Boardwalk

Finley McPhee holds the scorpion key, which makes him the Defender of the Emporium in the small town of Applecross, Scotland, but now Aiby Lily and Finley's brother Doug are apparently lost in an other-worldly place called the passages, and the evil Semueld Askell has told him that if he does not surrender the key within twenty-four hours, they will be lost forever--and that is only one of his problems.

The "forgotten" second volume of Capital, Marx's world-shaking analysis of economics, politics, and history, contains the vital discussion of commodity, the cornerstone to Marx's theories.

Eleven-year-old twins Jason and Julia, along with their friend Rick, match wits with Peter Dedalus, the elusive inventor who created Kilmore Cove's Mirror House, as they try to uncover the secret hidden somewhere inside before Oblivia Newton can find it.

The work started in the 1940s is written in the vernacular of the period. From the volume - As in the case of some other titles in the United States Army in World War II series, Ulysses Lee's The Employment of Negro Troops has been long and widely recognized as a standard work on its subject. Although revised and consolidated before publication, the study was written largely between 1947 and 1951. If the now much-cited title has an echo of an earlier period, that very echo testifies to the book's rather remarkable twofold achievement: that Lee wrote it when he did, well before the Civil Rights movement of the 1960s, and that its reputation- for authority and objectivity-has endured so well. Recognizing that the story of Negro participation in military service during World War II was of national interest as well as of great value for future military planning, the Assistant Secretary of War in February 1944 recommended preparation of a book on this subject. The opportunity to undertake it came two years later with the assignment to the Army's Historical Division of the author, then a captain and a man highly qualified by training and experience to write such a work. After careful examination of the sources and reflection Captain Lee concluded that it would be impractical to write a comprehensive and balanced history about Negro soldiers in a single volume. His plan, formally approved in August 1946, was to focus his own work on the development of Army policies in the use of Negroes in military service and on the problems associated with the execution of these policies at home and abroad, leaving to the authors of other volumes in the Army's World War II series, then taking shape, the responsibility for covering activities of Negroes in particular topical areas. The volume opens with background chapters recalling the experience of Negroes in the Army in World War I, the position of Negroes in the Army between wars, and Army planning for their use in another great war, as well as the clash of public and private views over employment of Negroes as soldiers. It continues with chapters on the particular problems associated with absorbing large numbers of Negroes into the Army-the provision of separate facilities for them, their leadership and training difficulties, their physical fitness for service, morale factors influencing their eagerness to serve, and the disorders that attracted so much attention to the problems of their service. The concluding eight chapters are concerned principally with the employment of Negro soldiers overseas, in ground and air combat units and in service units.
