Why exactly is the wicked Queen so nasty, particularly to Snow White? Perhaps it has something to do with the creepy-looking man in the magic mirror who’s not just some random spooky visage…

From Hugo, Nebula, and Locus award-winning author T. Kingfisher comes an original and subversive fantasy adventure. *A very special hardcover edition, featuring gold foil stamp on the casing and custom endpapers illustrated by the author.* This isn't the kind of princess who marries a prince. It's the one where she kills him. Marra never wanted to be a hero. As the shy, convent-raised, third-born daughter, she escaped the traditional fate of princesses, to be married away for the sake of an uncaring throne. But her sister wasn't. Marra is done watching her suffer at the hands of a powerful and abusive prince. Seeking help for her rescue mission, Marra is offered the tools she needs, but only if she can complete three seemingly impossible tasks: —build a dog of bones —sew a cloak of invisibility —become a witch. Marra has to do it all. It's the way in tales of princes and witches, doing the impossible is only the beginning. Hero or not—now joined by a disgraced ex-knight, a reluctant fairy godmother, an enigmatic gravewitch and her fowl familiar—Marra might finally have the courage to do it. *Nettle & Bone is the kind of book that immediately feels like an old friend. Fairytale mythic resonance meets homey pragmatism in this utterly delightful story. It's creepy, funny, heartfelt, and full of fantastic characters I absolutely loved!" —Melissa Caruso, Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . In The Bad Beginning the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.
