

## ***Wagner Without Fear: Learning To Love And Even Enjoy Opera's Most Demanding Genius***

Best known for the challenging four-opera cycle *The Ring of the Nibelung*, Richard Wagner (1813–83) was a conductor, librettist, theater director, and essayist, in addition to being the composer of some of the most enduring operatic works in history, such as *The Flying Dutchman*, *Tannhäuser*, and *Tristan and Isolde*. Though his influence on the development of European music is indisputable, Wagner was also quite outspoken on the politics and culture of his time. His ideas traveled beyond musical circles into philosophy, literature, theater staging, and the visual arts. To befit such a dynamic figure, acclaimed biographer Martin Geck offers here a Wagner biography unlike any other, one that strikes a unique balance between the technical musical aspects of Wagner's compositions and his overarching understanding of aesthetics. Wagner has always inspired passionate admirers as well as numerous detractors, with the result that he has achieved a mythical stature nearly equal to that of the Valkyries and Viking heroes he popularized. There are few, if any, scholars today who know more about Wagner and his legacy than Geck, who builds upon his extensive research and considerable knowledge as one of the editors of the *Complete Works* to offer a distinctive appraisal of the composer and the operas. Using a wide range of sources, from contemporary scholars to the composer's own words, Geck explores key ideas in Wagner's life and works, while always keeping the music in the foreground. Geck discusses not only all the major operas, but also several unfinished operas and even the composer's early attempts at quasi-Shakespearean drama. *Richard Wagner: A Life in Music* is a landmark study of one of music's most important figures, offering something new to opera enthusiasts, Wagnerians, and anti-Wagnerians alike.

Wagner Without Fear Learning to Love--and Even Enjoy--Opera's Most Demanding Genius Vintage

All modern artists have had to market themselves in some way. Richard Wagner may just have done it better than anyone else. In a self-promotional effort that began around 1840 in Paris, and lasted for the remainder of his career, Wagner claimed convincingly that he was the most German composer ever and the true successor of Beethoven. More significantly, he was an opera composer who declared that he was not composing operas. Instead, during the 1850s, he mapped out a new direction, conceiving of works that would break with tradition and be literally 'brand new'. This is the first study to examine the innovative ways in which Wagner made himself a celebrity, promoting himself using every means available: autobiography, journal articles, short stories, newspaper announcements, letters, even his operas themselves. Vazsonyi reveals how Wagner created a niche for his works in the crowded opera market that continues to be unique.

Revised Edition

*In this third edition of the classic Verdi, renowned authority Julian Budden offers a comprehensive overview of Verdi the man and the artist, tracing his ascent from humble beginnings to the status of a cultural patriarch of the new Italy, whose cause he had done much to promote, and demonstrating the gradual enlargement over the years of his artistic vision. This concise study is an accessible, insightful, and engaging summation of Verdi scholarship, acquainting the non-specialist with the personal details Verdi's life, with the operatic world in which he worked, and with his political ideas, his intellectual vision, and his powerful means of communicating them through his music. In his survey of the music itself, Budden emphasizes the unique character of each work as well as the developing sophistication of Verdi's style. He covers all of the operas, the late religious works, the songs, and the string quartet. A glossary explains even the most obscure operatic terms current in Verdi's time.*

*When the pandemic and shut down hit the world, every aspect of our lives changed. An alternate reality became our norm, and each person was faced with unprecedented choices. Pandemic Devotionals is an anthology of stories collected during the 2020 and 2021 aftermath of a virus that brought the world to its knees. However, in the chaos and confusion, God remains a tower of unchanging strength. As we learn to overcome fear with faith, we can find courage that God is moving mightily on the behalf of those who love Him. Do you cringe when your opera-loving friends start raving about the latest production of Tristan? Do you feel faint just thinking about the six-hour performance of Parsifal you were given tickets to? Does your mate accuse you of having a Tannhäuser complex? If you're baffled by the behavior of Wagner worshipers, if you've longed to fathom the mysteries of Wagner's ever-increasing popularity, or if you just want to better understand and enjoy the performances you're attending, you'll find this delightful book indispensable. William Berger is the most helpful guide one could hope to find for navigating the strange and beautiful world of the most controversial artist who ever lived. He tells you all you need to know to become a true Wagnerite--from story lines to historical background; from when to visit the rest room to how to sound smart during intermission; from the Jewish legend that possibly inspired Lohengrin to the tragic death of the first Tristan. Funny, informative, and always a pleasure to read, Wagner Without Fear proves that the art of Wagner can be accessible to everyone. Includes: - The strange life of Richard Wagner--German patriot (and exile), friend (and enemy) of Liszt and Nietzsche - Essential opera lore and "lobby talk" - A scene-by-scene analysis of each opera - What to listen for to get the most from the music - Recommended recordings, films, and sound tracks*

*It is little known that Richard Wagner was among the very first Westerners to appreciate Buddhism and that he was the first major European artist to be inspired by this religion. In 1856, in the prime of his creativity, the 33-year-old artist read his first book about Buddhism. Madly in love with Mathilde Wesendonck, a beautiful but happily married woman, he conceived two deeply connected opera projects: Tristan und Isolde which he went on to compose and stage, and Die Sieger (The Victors), an opera scenario based on an Indian Buddha legend translated from Sanskrit. These two projects mirrored Wagner's burning desire for the consummation of his love and the necessity of renunciation. This Buddhist opera project occupied Wagner's mind for decades until his death in 1883. Indeed, the composer's last words were about the Buddha figure of his scenario and his relationship with women. Urs App, the author of The Birth of Orientalism (University of Pennsylvania Press) and the world's foremost authority on the early Western reception of Buddhism, tells the story of Richard Wagner's creative encounter with Buddhism and*

This book gives us a close-up detailing of this gifted, dynamic teacher in a variety of classroom settings, along with analyses of Heathcote's remarkable improvisations with people.

Richard Wagner's *Die Meistersinger* has always called forth superlatives from those who have fallen under its spell. Toscanini wanted to lay his baton down for the last time once he had conducted a performance of it. Paderewski called it 'the greatest work of genius achieved by any artist in any field of human endeavour.' H.L. Mencken declared, 'It took more skill to plan and write it than it took to plan and write the whole canon of Shakespeare.' And yet Wagner's many-splendoured comedy has come under severe criticism in recent years for what has been called its 'dark underside,' its 'fascist brutality,' and its 'ugly anti-Semitism.' In *Wagner and the Wonder of Art*, renowned opera expert M. Owen Lee adds to that criticism. He also provides an introduction to the opera and an analysis that will surprise even those veteran operagoers who may not have explored the work's intricate structure and the emotional drama at its centre. The book includes the on-air commentary that Fathallah gave during the first radio broadcast from the Metropolitan Opera after the events of 9/11. He thought it necessary, after attempting to refute the charges leveled against Wagner's opera, to say something about its truthfulness, its life-affirming music, its insight into the madman who can destroy human lives, and its witness to the importance of art for the survival of our civilizations.

This four-volume set provides reference entries, primary documents, and personal accounts from individuals who lived through the Holocaust that allow readers to better understand the cultural, political, and economic motivations that spurred the Final Solution. • Provides an easily readable encyclopedic collection of secondary source materials, such as reference entries, maps, and tables, that offer a breadth of content for understanding the Holocaust. • Examines a broad range of themes relating to the Holocaust, enabling readers to consider important questions about the historical experience and its implications for today • Includes two volumes of primary source material that introduce users to the cultural, political, and economic motivations that spurred the Final Solution • Presents memoirs and personal narratives that showcase the experiences of survivors and resisters who lived through the chaos and horror of the Final Solution • Includes a comprehensive bibliography that serves as a gateway to further research

Alex Ross, renowned *New Yorker* music critic and author of the international bestseller *The Rest Is Noise*, Pulitzer Prize finalist *The Rest Is Noise*, reveals how Richard Wagner became the provocation ground for modern art and politics—an aesthetic war zone where the Western world vied with its capacity for beauty and violence. For better or worse, Wagner is the most widely influential figure in the history of music. Around 1900, the phenomenon known as Wagnerism saturated European and American culture. Such colossal creations as *The Ring of the Nibelung*, *Tristan und Isolde*, and *Parsifal* were models of formal daring, mythmaking, erotic freedom, and mystical speculation. A mighty procession of artists, including Virgil

Woolf, Thomas Mann, Paul Cézanne, Isadora Duncan, and Luis Buñuel, felt his impact. Anarchists, occultists, feminists, and gay-rights pioneers saw him as a kindred spirit. T Adolf Hitler incorporated Wagner into the soundtrack of Nazi Germany, and the compo came to be defined by his ferocious antisemitism. For many, his name is now almost synonymous with artistic evil. In Wagnerism, Alex Ross restores the magnificent confu what it means to be a Wagnerian. A pandemonium of geniuses, madmen, charlatans, and prophets do battle over Wagner's many-sided legacy. As readers of his brilliant articles The New Yorker have come to expect, Ross ranges thrillingly across artistic disciplines the architecture of Louis Sullivan to the novels of Philip K. Dick, from the Zionist writing Theodor Herzl to the civil-rights essays of W.E.B. Du Bois, from O Pioneers! to Apocalypse Now. In many ways, Wagnerism tells a tragic tale. An artist who might have rivaled Shakespeare in universal reach is undone by an ideology of hate. Still, his shadow linge over twenty-first century culture, his mythic motifs coursing through superhero films fantasy fiction. Neither apologia nor condemnation, Wagnerism is a work of passionate discovery, urging us toward a more honest idea of how art acts in the world.

Wagner and the Wonder of Art

Essays from "The New Criterion"

Many music lovers find Wagner's operas inexpressibly beautiful and richly satisfying, while others find them revolting, dangerous, self-indulgent, and immoral. The man who W.H. Auden once called "perhaps the greatest genius that ever lived" has inspired both greater adulation and greater loathing than any other composer. Bryan Magee presents a penetrating analysis of Wagner's work, concentrating on how his sensational and deeply erotic music uniquely expresses the repressed and highly charged contents of the psyche. He examines not only Wagner's music and detailed stage directions but also the prose works in which he formulated his ideas, as well as shedding new light on his anti-semitism and the way in which the Nazis twisted his theories to suit their own purposes. Outlining the astonishing range and depth of Wagner's influence on our culture, Magee reveals how profoundly he continues to shock and inspire musicians, poets, novelists, painters, philosophers, and politicians today.

Walking Without Skin is compelling reading. An authentic narrative voice reflects the arduous journey of Lois Wagner through a series of life crises emanating from her violent attack and rape at her Cape Town office one New Year's

## Download File PDF Wagner Without Fear: Learning To Love And Even Enjoy Opera's Most Demanding Genius

weekend, culminating years later in her finding the courage to attend her attacker's parole hearing to forgive him, and in so doing setting herself free. Brutally honest but poignant, there are occasional glimpses of the woman Lois was before this terrible event: active, athletic, adventurous, with a strong circle of friends. Her subsequent decline into depression, overeating and -drinking and withdrawal from all her previous business leadership roles finds her betrayed by her business partner, unemployed, and facing an enormous backlog of bills. Determined to discover meaning in the midst of the horror, Lois begins to write *Walking Without Skin*, and to connect with women in similar situations. She writes letters, lobbies those with influence, uses the media to focus on the rape crisis situation in the country. *Walking Without Skin* simply had to be written. Lois needed to tell her story -to put this trauma behind her. Her learning and growth can support others who have experienced the hurt, but have not yet found the healing and freedom that comes from forgiveness. Reveals the importance of innovation in American global competitiveness, profiling some of today's most compelling young innovators while explaining how they have succeeded through the unconventional methods of parents, teachers, and mentors.

The first major biography of the Italian composer discusses his relationships with friends and family, his dedication to his music, his passion for Italy, his works, and the importance of his music to Italy

*This volume contains nearly all the criticism that Alexander Coleman wrote for The New Criterion between 1994 and 2003. A specialist in Spanish, Portuguese, and Latin American literature, Coleman was also a superb essayist on music, and his wide erudition, as revealed in these writings, demonstrates an easy mastery of the entire modernist tradition. Diversions and Animadversions is divided into three parts. The first contains Coleman's literary essays including a lengthy piece on Eba de Quieros, the great master of Portuguese realism, and shorter pieces on the Argentinian*

*writer and Borges disciple, Adolfo Bioy Casares, as well as a review of the most recent translation of the poetry of Federico Garcia Lorca. Coleman's greatest passion, however, was for music, and part two contains essays, concert and book reviews, and reports on the cultural situation of music. Among the subjects examined here are the operas of Schoenberg, Berg, Richard Strauss, the recently published letters of Toscanini, the music criticism of Virgil Thomson, the fluctuating critical reputation of Jean Sibelius, and the authentic performance practice movement, along with considerations of such instrumentalists as Sviatoslav Richter and Alicia de Larrocha. The book concludes with Coleman's travel writings, which are both evocative mood pieces and incisive social and political commentary. Graced with personal appreciations by Roger Kimball and Denis Donoghue, this volume encapsulates the work of a writer of rare wit, capacious learning, and eager, if gently ironical, curiosity.*

*Can you have a strong personality and still be a godly wife? YES! Do you ever get the idea that being a godly wife means you need to be a mousy doormat? Be as unnoticeable as a doorknob? Or have a personality transplant? Fierce Women: The Power of a Soft Warrior smashes that idea. No matter whether you're an extrovert or more introverted, Kimberly Wagner believes women are created to be a compelling force. You may not see yourself as beautifully fierce or even slightly strong, but what if God has placed a powerful fierceness within you, within every woman? Kim admits her fierceness became a source of conflict in her marriage, but the relationship dynamic totally changed when she discovered her fierce strengths could be used to encourage and inspire her husband. She invites you to come alongside as she takes an honest look at a destructive relationship dynamic and casts a vision for the transformation God can bring to troubled marriages. A True Woman Book; the goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world*

## Download File PDF Wagner Without Fear: Learning To Love And Even Enjoy Opera's Most Demanding Genius

This book argues that Wagner saw the music drama as an instrument by which to develop the social and political ideas of his day, and it focuses on how he attempted in the Ring to create an allegory that would explore a new, modern concept of the self and history. Wagner is one of the most controversial of composers, and much that has been written about him--including his autobiography--is misleading. Barry Millington draws on the best previous scholarship and his own original research to set the record straight. The first part of this book is devoted to biography; the second, to a detailed study of the operas. Millington offers a historical review of the critical interpretation of each opera, including a discussion of recent methods of formal analysis. In this revised edition, two chapters, those on Tannhauser and Die Meistersinger, include significant new material. The bibliography has also been updated.

"Laura Wagner has managed to get a huge amount of Haiti into the pages of this book: the sun, the rain, the bottomless spiral of catastrophe, rage, despair and indomitable hope." -Madison Smartt Bell, author of *All Souls' Rising: A Novel of Haiti* "In Haiti they say 'Kreyòl pale, Kreyòl konprann.' Speak plainly and honestly, and be understood. Laura Wagner does just that in this brave, beautiful book, bringing us the complex life of Magdalie, and a glimpse of a people's soul." -Jonathan M. Katz, author of *The Big Truck That Went By: How the World Came to Save Haiti and Left Behind a Disaster* "Haiti, already one of the poorest countries in the world, was devastated by the earthquake in 2010. This is a story of everything that comes after: from a candid depiction of the international response to a young girl's account of what a life of desperation can do to an individual and to a society. Magdalie's journey shows the importance of connections, of family and friends, during difficult times and the anguish that comes when those bonds are broken. In her debut novel, Laura Rose Wagner has managed to capture the devastation of loss while providing determined hope for the individual and the nation. An important read for anyone who wishes to better understand the reality of life in Haiti after the earthquake." -Ophelia Dahl, executive director of Partners in Health

*Hold Tight, Don't Let Go* follows the vivid story of two teenage cousins, raised as sisters, who survive the devastating 2010 earthquake in Haiti. After losing the woman who raised them in the tragedy, Magdalie and Nadine must fend for themselves in the aftermath of the quake. The girls are inseparable, making the best of their new circumstances in a refugee camp with an affectionate, lively camaraderie, until Nadine, whose father lives in Miami, sends for her but not Magdalie. As she leaves, Nadine makes a promise she cannot keep: to bring Magdalie to Miami, too. Resourceful Magdalie focuses her efforts on a reunion with Nadine until she realizes her life is in Haiti, and that she must embrace its possibilities for love, friendship, and a future.

Speaking of Wagner compiles in a new and highly accessible format celebrated author, lecturer, and Metropolitan Opera commentator William Berger's collection of talks and presentations about Richard Wagner, the most controversial, and perhaps the most widely

## Download File PDF Wagner Without Fear: Learning To Love And Even Enjoy Opera's Most Demanding Genius

influential, artist in history. These talks have been successful with diverse audiences, ranging from newcomers to the field to the most exacting experts, often at the same time! Berger's book preserves that wide range of tone: erudite but engaging, from lofty to startlingly coarse (as the subject requires), and connecting the subject to references from mythology to psychology and even (and especially) to cutting-edge pop culture.

A practical, step-by-step guide to help men know themselves deeply, root out weaknesses, enhance strengths, and upgrade their experience of life So many self-help books encourage men to get in touch with their feminine side if they truly want to embrace change. This book blows this theory out of the water, enabling men to transform themselves entirely—to find their mission; to live a life of strength, wisdom, and honor—while working with their positive masculinity instead of against it. Straight talking, down-to-earth, and humorous life coach David Wagner addresses the challenges that modern men typically face. He asks the reader to join him in a series of profound self-examination exercises and questions covering life purpose, male identity, spirituality, self-limitation, sexuality, relationships, fatherhood, and more. Every chapter offers practical advice and also includes observations and examples from David's own life as well as insights gained from the many clients and men's groups he has worked with over the years. Combining no-nonsense wisdom with brutally honest exercises, Backbone is the ultimate man's handbook to understanding himself, his purpose, his passion, and his power.

The perfect introduction to the Master.

A critical analysis of the life and work of the popular operatic composer reassesses Puccini's role in the history of music and his enduring legacy, in a study that encompasses a biographical profile, detailed discussions of each of his operatic works, recommended recordings and videos, trivia and anecdotes, and a helpful glossary. Original. 15,000 first printing.

### Richard Wagner and Buddhism

### The Power of Simple

Puccini is the most beloved composer of opera in the world: one quarter of all opera performances in the U.S. are of his operas, his music pervades movie soundtracks, and his plots have infiltrated our popular culture. But, although Puccini's art still captivates audiences and the popularity of such works as *Tosca*, *La Bohème*, and *Madama Butterfly* has never waned, he has long been a victim of critical snobbery and cultural marginalization. In this witty and informative guide for beginners and fans alike, William Berger sets the record straight, reclaiming Puccini as a serious artist. Combining his trademark irreverent humor with passionate enthusiasm, Berger strikes just the right balance of introductory information and thought-provoking analysis. He includes a biography, discussions of each opera, a glossary, fun facts and anecdotes, and above all keen insight into Puccini's enduring power. For anyone who loves Puccini and for anyone who just wonders what all the fuss is about, *Puccini Without Excuses* is funny, challenging, and always a pleasure to read. INCLUDES:

- Why Puccini's art and its message of hope is crucial to our world today
- How Anglo audiences often miss the mythic significance of his operas
- The use of his music as shorthand in films, from *A Room with a View* to *Fatal Attraction*
- A scene-by-scene analysis of each opera
- A guide to the wealth of available recordings, books, and videos

Last Chance U star Brittany Wagner shows readers that even when they think they have failed and all hope is lost, every day offers a new chance to get up, start over, and seize the opportunities that come their way. In the Netflix hit docuseries *Last Chance U*, athletic academic counselor Brittany Wagner helped student-athletes who found themselves at a crossroads dig deep and move beyond personal failure to find success. Wagner's core mission—empowering others to bring their A-game into every interaction—is offered to readers here in *Next Chance U*, a motivational guide to personal success. Delivering practical strategies to help readers overcome obstacles, develop a growth mindset, and get out of their own damn way, she shares personal stories and lessons learned—from her own life and those she has counseled—with the same tough love and no-nonsense attitude that made her a fan favorite. Like many of the athletes she's worked with over the years, Brittany Wagner hasn't had it easy. From toxic relationships to challenging work environments, Brittany has had her own share of disappointments and setbacks in life, but her ability to reframe each day as an opportunity to start fresh has allowed her to rewrite her story and inspire those she's counseled to do the same. Sharing the daily habits and best practices that have helped her student-athletes go from their worst days to careers in the NFL, *Next Chance U* applies Brittany's experiential wisdom to everyday situations, giving readers a motivational shot in the arm to view every day as an opportunity to be better than before and put in the hard work necessary to make their dreams come true. She shares stories from her own life and those she has counseled with distilled, actionable advice that will embolden everyone from college students to CEOs to step away from their excuses and fearlessly pursue their goals, whether finding a new job, leaving a relationship, or simply having more compassion for themselves and others. While the world has propelled itself in the 21st Century with new technology, innovation, and ways of doing things, our schools are having a hard time catching up. Schools still shuffle hundreds of students daily to classrooms with inflexible learning spaces, an outdated curriculum, and work disconnected from the real world. What if as an educator you had the power to change that? What if you could transform student learning and still have time to cover your standards? What if someone who has made radical changes in education provided you with five simple strategies that you could implement in your school tomorrow? The power of SIMPLE The power of SIMPLE will inspire you to make those changes by documenting Kyle Wagner's entire journey in creating Futures Academy- a school that changes the way we educate. It is a school that adapts schedules every week depending on the learning experience; has students presenting regularly to experts in the field; and integrates learning around students exploring their passions and creating work of value in the real world. This book will empower you to create your own vision for school and provide simple and practical strategies to make that vision come to life. You will no longer be paralyzed by fear, but empowered by the fact that you can create real change, and it's not that hard.
