A Wall Street Journal bestseller Financial expert, investment advisor and New York Times bestselling author James Rickards shows why and how global financial markets are being artificially inflated--and what smart investors can do to protect their assets What goes up, must come down. As any student of financial history knows, the dizzying heights of the stock market can't continue indefinitely--especially since asset prices have been artificially inflated by investor optimism around the Trump administration, ruinously low interest rates, and the infiltration of behavioral economics into our financial lives. The elites are prepared, but what's the average investor to do? James Rickards, the author of the prescient books *Currency Wars*, *The Death of Money*, and *The Road to Ruin*, lays out the true risks to our financial system, and offers invaluable advice on how best to weather the storm. You'll learn, for instance: \* How behavioral economists prop up the market: Funds that administer 401(k)s use all kinds of tricks to make you invest more, inflating asset prices to unsustainable levels. \* Why digital

currencies like Bitcoin and Ethereum are best avoided. \* Why passive investing has been overhyped: The average investor has been scolded into passively managed index funds. Those who foresee this landscape can prepare now to preserve wealth. Provocative, stirring, and full of counterintuitive advice, *Aftermath* is the book every smart investor will want to get their hands on--as soon as possible.

Few college players in history have created the expectations and high level of excitement like Joe Dan Washington, Jr., forever known in Oklahoma Sooner football history as "Little Joe."

When he donned the silver shoes as a freshman, he electrified Oklahoma fans. Barry Switzer, said, "From the moment he ran the ball in practice we knew he would be special. I had never seen and still haven't seen anyone who could bring an entire crowd to its feet leaving them awe-struck. Even while gaining just a handful of yards his runs were absolutely spectacular.
