"Routine Calls" deals with scenarios and rules which typically come up in games and deals with clear cut rules—out of bounds calls, holding, pass interference. "Basic Situations" deals with matters and rules that are just a bit more unusual or, for the casual fan, more obscure—illegal man downfield, for example, isn't a call you see every game, but it remains a rule that referees and many fans know quite well. In the final section, you can put your knowledge to the test. You'll be presented with what many football people call "knotty" problems. Here you will be asked questions involving the complex "tuck rule," the
