

## Where Am I?: My Autobiography

*Charles William Callow was born in San Francisco, California on October 5, 1921. He grew up in Berkeley with his sister, Jean, and his brother, Merrill. He served in World War II, graduated from UC Berkeley in 1947, and went on to work as an electrical engineer for 39 years. He continues to enjoy his retirement in Walnut Creek, chasing golf balls and jitterbugging to the Big Band music that he loves. Books contain countless tales—but what if Book told its own story? From clay tablets to e-readers, here is a quirky, kid-friendly look at the book. Books are one of humankind's greatest forms of expression, and now Book, in a witty, idiosyncratic voice, tells us the inside story. A wonderfully eccentric character with strong opinions and a poetic turn of phrase, Book tells of a journey from papyrus scrolls to medieval manuscripts to printed paper and beyond—pondering, along the way, many bookish things, including the evolution of the alphabet, the library (known to Egyptians as “the healing place of the soul”), and even book burning. With bold, black-and-white illustrations by Neil Packer, Book is a captivating work of nonfiction by one of England's leading poets.*

*“I have come at this time, in this place, and through this being to speak my truth, to speak the story of my life — the true story of my life.” The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your mind and, therefore, the transformation of your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self-recrimination has been expressed. That was not my purpose; that was not my lesson. This story will begin the change. It will not make the change. It will facilitate turning the key in the lock, but you must open the door and walk through it into a new realm that is opened by this information. That is your responsibility. We can only bring you the message, this channel and I. We can only work together to transmit the information, but it is through your actions and your transformation that you will see a change in your world, a change in the subjective world that is manufactured from your beliefs, your thoughts, and your feelings. I talk about the truth of my birth and the truth of my life. I cover some stories that are recounted in the Bible and tell you the true story of those events. I describe some of my personal traits, my human traits, and I define what I am, who I am, and why these things happened. You will be able to understand the truth, and you will begin this reconditioning, this retooling of your mind — of your thoughts and beliefs — on this subject of my life, my meaning, and my purpose, for it is a long process. The time is ripe. The need for a spiritual revolution is here. — Jesus*

The " frank . . . salty . . . [and] delicious " New York Times—bestselling memoir of the Oscar-winning actress and show business icon (Kirkus Reviews). Along the way, she shares personal anecdotes about Marlon Brando, Meryl Streep, Diane Keaton, Sissy Spacek, Paul Newman, Steve McQueen, the Kennedy family, and many others. *About The Book –It is hard to beat a person who never gives up! – Babe Ruth –Autobiography – An Account of a person's life and as written by that person! This is my 33rd book – and after 6 books on Arab Management, 3 on Road Safety, 2 prior of this on My Autobiography (The Story of My Life!) – 12 on my Columns Writings 'Between Us Only!' and 'At My Workplace!' and the rest on assorted topics! The book is a bird's eye view all about me from my all varied articles to date! If one wants to write my Obituary then there is no place to start than from this book – but not forgetting reading the other books as well! I apologise in advance – as I do feel I may have missed out in some articles. But writing my Bibliography, this book will go 90% in doing the work! The articles produced here are in main part linked to me as Majid aka as Magic – Magic Man as the pseudonym I used in 'The Forums'! Also interestingly the article – Why Do They Call You Magic? Also Who Is Majid? And My Epitaph! The articles are also about My Family and My Late Parents – Peace Be Upon Them! There are several bits and pieces spread out in my other 28 books where they could also come here – but then the book will be very big in size and in contents! I hope you will like reading about me! People were always asking me – Why don't you write a book about yourself? The story of your life? I then decided to accept the challenge and write this book. Like the other books – I have tried to be as factual as possible – and with my usual style of writing of speaking to you directly from my heart – and to be as sincere, genuine, frank, forthright as possible – so that this book can not only be used in Research works – but as a Guide and Beacon for the children, grandchildren, great grandchildren – and future generations by the Grace of Allah God – Ameen Amen. *David Weir's career is a tale of triumph on the pitch but also of victory over the assumption all top-level footballers are finished in their mid-30s. Weir, who turned 41 in May 2011, is the oldest outfield player to represent Rangers since 1945, passing the mark set by their famous full-back, Jock 'Tiger' Shaw. In this revealing autobiography, Weir gives an insight into the high of playing in the 1998 World Cup finals for his country to the low of the chaotic 2-2 draw in the Faroes four years later which led to his decision to stop playing for Scotland. For the first time, he gives his side of the story. How he felt Berti Vogts, Scotland's boss, used him as a scapegoat. Many felt Weir's international career would end on that sour note and that his club career was approaching its conclusion, too. He was 32 and David Moyes, his manager at Everton, made no secret he was on the lookout for new, younger defenders. Like thousands of footballers before him, Weir could just have accepted his time was up. He had a young family and a father who was suffering from Alzheimer's to help care for and self-doubt gnawed at him. Could he cut it any more? Instead, he moved to Rangers in January 2007, making his debut for his childhood favourites at a mere 36 years and 236 days and has helped them to eight trophies since and a European final in 2008. Weir's is a story of battling against the odds to keep playing at the top level and proving he could, despite the doubts of others and indeed himself.*

But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahsas well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}*

**Steven Gerrard** is a hero to millions, not only as the inspirational captain of Liverpool FC, but as a key member of the England team. Here, for the first time, he tells the story of his lifelong obsession with football, in an honest and revealing book which captures the extraordinary camaraderie, the soul-destroying tensions and the high-octane thrills of the modern game as never before. Born in the Liverpool suburb of Huyton in 1980, Steven first joined Liverpool as a YTS trainee and played his first game for the first team aged just 18. His career has gone from strength to strength ever since and he is now the team's captain and its lynchnpin. Liverpool's incredible comeback in the Champions' League final in Istanbul in May 2005, recovering from a 3-goal deficit against AC Milan to win on penalties, is testament to the amazing power Gerrard has over his team. His presence on the pitch is a force to be reckoned with and places him amongst the very first rank of players in the world. A relatively private figure, Steven has rarely spoken out in public. Now, his legions of fans will be allowed an intimate glimpse of what makes their hero tick. He speaks for the first time about the torturous will-he-won't-he Chelsea rumours and his undying passion for Liverpool. We experience first-hand the highs of winning in Istanbul and elsewhere, as well as the occasional lows of being parted from his much-loved family and friends. And of course, the book contains a full blow-by-blow account of England's world cup campaign in Germany 2006. Steven Gerrard's book is the definitive football autobiography. Like its subject, it's honest, passionate and exhilarating. If Steven Gerrard isn't your hero yet, by the time you've read this he will be. . .

In his first full-length autobiography, comedy legend and national treasure Billy Connolly reveals the truth behind his windswept and interesting life. Born in a tenement flat in Glasgow in 1942, orphaned by the age of 4, and a survivor of appalling abuse at the hands of his own family, Billy's life is a remarkable story of success against all the odds. Billy found his escape first as an apprentice welder in the shipyards of the River Clyde. Later he became a folk musician - a 'rambling man' - with a genuine talent for playing the banjo. But it was his ability to spin stories, tell jokes and hold an audience in the palm of his hand that truly set him apart. As a young comedian Billy broke all the rules. He was fearless and outspoken - willing to out hypocrisy wherever he saw it. But his stand-up was full of warmth, humility and silliness too. His startling, hairy 'glam-rock' stage appearance - wearing leotards, scissor suits and banana boots - only added to his appeal. It was an appearance on Michael Parkinson's chat show in 1975 - and one outrageous story in particular - that catapulted Billy from cult hero to national star. TV shows, documentaries, international fame and award-winning Hollywood movies followed. Billy's pitch-perfect stand-up comedy kept coming too - for over 50 years, in fact - until a double diagnosis of cancer and Parkinson's Disease brought his remarkable live performances to an end. Since then he has continued making TV shows, creating extraordinary drawings... and writing. Windswept and Interesting is Billy's story in his own words. It is joyfully funny - stuffed full of hard-earned wisdom as well as countless digressions on fishing, farting and the joys of dancing naked. It is an unforgettable, life-affirming story of a true comedy legend. 'I didn't know I was Windswept and Interesting until somebody me. It was a friend who was startlingly exotic himself. He'd just come back from Kashmir and was all billowy shirt and Indian beads. I had long hair and a beard and was swishing around in electric blue flairs. He said: "Look at you - all windswept and interesting!" I just said: "Exactly!" After that, I simply had to maintain my reputation...'

The memoirs of India's first President Dr Rajendra Prasad wrote the greater part of Autobiography while he was in prison between 1942 and 1945. First published in Hindi, it takes us through his childhood, his life in his village Chapra, his early education with his teacher 'Maulvi Saheb', his years as a student in Calcutta, his marriage at the age of twelve and his legal practice. It discusses not only his personal tribulations, but is also an examination of the last years of British colonial rule in India. As a freedom fighter and close associate of Gandhi, Rajendra Prasad was privy to political developments in the decades before Independence. He records Gandhi's influence on him, the call for non-co-operation in Bihar as part of Gandhiji's larger all-India movement, the boycott of foreign cloth, the shadow of communalism and the Hindu-Muslim question, Satyagraha and social reform. This book is testimony to Rajendra Prasad's deep humanity, his unswerving nationalism and belief in democracy. It is also an exploration of the foundations of modern India.

Sharon Osbourne reveals the truth behind the headlines in her characteristically frank, intimate and articulate memoir-from her childhood as the daughter of Don Arden, to managing and marrying Ozzy Osbourne, to her rising fame on shows such as The Osbournes and The X Factor. A devoted wife and mother, businesswoman, TV star and award-winning producer, Sharon Osbourne has, in her own words, "lived fifty lives in fifty years". Her childhood with her father, the notorious rock manager Don Arden, was an unruly mix of glamour and violence. In her late 20s, Sharon finally made the painful decision to break with her family. Always irrepressible, Sharon flourished, creating a loving family of her own while becoming a legendary manager and rock band promoter. In rock star Ozzy Osbourne, Sharon found her soul mate, yet Ozzy's drug and drink-fueled excesses-which culminated in his attempt to strangle her-made their marriage a white-knuckle ride from the start. Only her devotion to their three children gave her the will to survive. From the tremendous highs of the hit show The Osbournes to the devastating lows of Ozzy's near-fatal quad-bike accident and her own bout with colon cancer, Sharon's tenacity, honesty, and humor have triumphed again and again.

Wide-ranging and engaging, Selves in Question considers the various ways in which auto/biographical accounts situate and question the self in contemporary southern Africa.The twenty-seven interviews presented here consider both the ontological status and the representation of the self. They remind us that the self is constantly under construction in webs of interlocution and that its status and representation are always in question. The contributors, therefore, look at ways in which auto/biographical practices contribute to placing, understanding, and troubling the self and selves in postcolonies in the current global constellation. They examine topics such as the contexts conducive to production processes; the contents and forms of auto/biographical accounts; and finally, their impact on the producers and the audience. In doing so they map out a multitude of variables—including the specific historical juncture, geo-political locations, social positions, cultures, languages, generations, and genders--in their relations to auto/biographical practices. Those interviewed include the famous and the hardly known, women and men, writers and performers who communicate in a variety of languages: Afrikaans, English, Xhosa, isiZulu, Sesotho, and Yiddish. An extensive introduction offers a general framework on the contestation of self through auto/biography, a historical overview of auto/biographical representation in South Africa up to the present time, an outline of theoretical and thematic issues at stake in southern Africa auto/biography, and extensive primary and secondary biographies. Interviewees: Breyten Breytenbach, Dennis Brutus, Valentine Cascarino, Vanitha Chetty, Wilfred Cibane, Greig Coetzee, J. M. Sir Alex Ferguson’s compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson’s best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United’s manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

Pastor Donatien, ThM., a former SE.MI.PI. (a cadet in the Malagasy Army), a one-time Ankaramalaza middle school teacher, a notable former pastor’s assistant, and a charismatic, successful former senior pastor of Ankaramalaza—the center of one of Madagascar’s four major revival movements which was founded in 1941 by Christ Jesus through His servant, Prophetess Mama Volahavana Germaine, also known as Mama Nenilava, his wife’s grandmother. The prophetess’s ministry, during the ministry’s annual celebration, attracts over twenty thousand attendants from all over Madagascar and some from abroad—who are mostly Christians but some are non-Christians. Donatien struggled with homosexuality at such an early age, he could not recall when he began practicing it, which led to a masturbation addiction. As a teen, he was afraid to sleep with girls but was determined to be a husband, so he pushed himself to have girlfriends and even managed to force himself to have sex with a few of them. In 1983, Jesus saved him in a miraculous way and called Donatien to be an ordained pastor, specifically in the Malagasy Lutheran Church, and began to burden his heart with a desire to bring the message of the cross to those who are lost and to help those who are affected by homosexuality. Pastor Donatien never returned to homosexuality but struggled with masturbation off and on until Jesus delivered him from it once and for all, over a decade later. Married in 1987, he and his lovely wife, Claire, have one precious granddaughter and five wonderful grown children—a daughter and four sons, her younger brothers. Through divine experiences, the outpouring of the Spirit of the Living God, and the speaking in tongues marvel, the Lord Jesus guided the anointed and fiery preacher to write this series for the world—to help the living and the future generations as the end of time and its undeniable global challenges and apocalyptic plights are fast approaching us. Pastor Donatien, after spending more than a quarter of a century of preparation, of which over five of those years he spent day and night, seven days a week, 365 days a year doing nothing else but solely writing during which their three noble, amazing, younger sons completely assisted him in whatever the undeserved divine task may require and, also, having his dear wife’s full support, finally, he finished penning down GOD’S COOK BOOK - 1 recipe 4 ALL: YOUR MESS + HIS GRACE - MENU: GOD’S GLORY - VOILÀ: EVEN DELIVERANCE FROM HOMOSEXUALITY - REJOICE! All glories, honors, powers, praises, and thanks be unto the Living, Mighty, Holy, and loving Father Lord God. His one and only Son, and the Holy Spirit alone. This book is the first volume of GOD’S COOK BOOK series, which some people may say is unorthodox since even the series’ title voices random terms. Surprisingly, long ago, some folks asked, “Can there any good thing come out of Nazareth? (John 1:46). But then, around that same time, to reply to a certain individual, the Lord Jesus expressed, “Come and see” (John 1:39). One may be wondering, therefore, about what it is that makes this series so unusual? Which is utterly understandable! Well, to borrow that expression from Christ our Lord and Savior, another person may say, “Come and see!” or “Read and see!”

They called him “Manos de Piedra”—Hands of Stone—and he was one of the greatest boxers of all time. Now Roberto Durán tells his unbelievable story: from the streets of Panama to being crowned one of the “Four Kings,” along with Hearn, Leonard, and Hagler, as he blazed a trail through the Golden Age of Boxing. Born into abject poverty, barely able to read or write, Durán quickly realized that his fists could both protect him on the streets and put food on the table. His reputation was established on the day when, for a bet, he knocked down a horse with a single punch. At the age of twenty-one, he claimed his first world title, against Ken Buchanan at Madison Square Garden. The legend of Manos de Piedra was born, but his most glorious moment was yet to come. In 1980, Durán delivered one of the greatest upsets in boxing history by defeating the previously unbeatable Sugar Ray Leonard. But greater fame brought greater distractions, and Durán’s endless partying took its toll before the two superstars faced each other again. Here, for the first time ever, Durán confronts the debacle of the rematch that entered sporting folklore, and the truth behind the moment he was heard to utter the infamous words “No más”—No more. Durán’s explosive performances in the ring were matched only by the volatility of his life outside it. He lurched from living like royalty to bankruptcy and, after being written off as a boxing also-ran, made a bloody, legendary comeback that gave his career the ultimate ending, and finally brought redemption. He came from nothing, and changed the world. I Am Durán is the autobiography of one of boxing’s most iconic legends.

Book: My Autobiography

Montaigne’s Essais As the Book of the Self

"I’ve struck it!" Mark Twain wrote in a 1904 letter to a friend. "And I will give it away—to you. You will never know how much enjoyment you have lost until you get to dictating your autobiography." Thus, after dozens of false starts and hundreds of pages, Twain embarked on his "Final (and Right) Plan" for telling the story of his life. His innovative notion—to "talk only about the thing which interests you for the moment"—meant that his thoughts could range freely. The strict instruction that many of these texts remain unpublished for 100 years meant that when they came out, he would be "dead, and unaware, and indifferent," and that he was therefore free to speak his "whole frank mind." The year 2010 marks the 100th anniversary of Twain’s death. In celebration of this important milestone and in honor of the cherished tradition of publishing Mark Twain’s works, UC Press is proud to offer for the first time Mark Twain’s uncensored autobiography in its entirety and exactly as he left it. This major literary event brings to readers, admirers, and scholars the first of three volumes and presents Mark Twain’s authentic and unsuppressed voice, brimming with humor, ideas, and opinions, and speaking clearly from the grave as he intended. Nobody knows George Best quite like his ex-wife Angie. The couple were the Victoria and David Beckham of their time and the much-publicised relationship was conducted in the full glare of the media spotlight. Being with George was an emotional roller-coaster ride during which Angie occasionally soared the heights but, much more often, endured soul-destroying lows. Life with George Best was always interesting.

My Autobiography: A Fragment

**Be sure to check out IRON AMBITION: My Life with Cus D’Amato** by Mike Tyson “Raw, powerful and disturbing—a head-spinning take on Mr. Tyson’s life.”—Wall Street Journal Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, **Undisputed Truth** is the singular journey of an inspiring American original.

**FINALIST FOR THE NATIONAL BOOK AWARD** Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction How do you tell the real story of someone misremembered—an icon and idol—alongside your own? Jenn Shapland’s celebrated debut is both question and answer: an immersive, surprising exploration of one of America’s most beloved writers, alongside a genre-defying examination of identity, queerness, memory, obsession, and love. Shapland is a graduate student when she first uncovers letters written to Carson McCullers by a woman named Annemarie. Though Shapland recognizes herself in the letters, which are intimate and unabashed in their feelings, she does not see McCullers as history has portrayed her. Her curiosity gives way to fixation, not just with this newly discovered side of McCullers’s life, but with how we tell queer love stories. Why, Shapland asks, are the stories of women paved over by others’ narratives? What happens when constant revision is required of queer women trying to navigate and self-actualize in straight spaces? And what might the tracing of McCullers’s life—her history, her secrets, her legacy—reveal to Shapland about herself? In smart, illuminating prose, Shapland interweaves her own story with McCullers’s to create a vital new portrait of one of our nation’s greatest literary treasures, and shows us how the writers we love and the stories we tell about ourselves make us who we are.

**‘I went as hard as I could for as long as I could’** When Tomás Ó Sé retired from the Kerry senior panel in 2013, he did so as one of the longest-serving players in intercountry history and one of its most prolific winners. ‘Tomás epitomised everything that Kerry football is all about. His commitment, determination and never say die attitude were plainly visible every time he took to the pitch. He was a warrior and the best wing back that I have seen play the game.’ Éamonn Fitzmaurice, Kerry senior team manager But his driving and determination weren’t forged in a vacuum: they came from growing up in a family and place where Gaelic football was all that mattered. For Tomás and his brothers Marc and Darragh, football always came first – each of them inspired by the larger-than-life personality of their uncle Páidí, the talisman of Kerry’s fabled team of the early 1980s. In his memoir, an account of his upbringing and time in the Championship cauldron competing alongside and against the sport’s modern greats, Tomás writes candidly about life as a member of Ireland’s greatest sporting dynasty: the victories and disappointments, the rivals and roguery, the clashes and confrontations ... not to mention the tremendous responsibility that came with donning the green and gold of Kerry. Moving, thrilling and frequently hilarious, **The White Heat** is an exploration of what it means to eat, sleep and bleed Gaelic Games.

Irish national hero, a Celtic great and their most-capped player, Patrick 'Packie' Bonner is a goalkeeping legend. He was Jock Stein's last signing for the club when he left his native Donegal for the city of Glasgow in 1978, where Packie evolved from being a shy, homesick teenager into a confident, world-class talent and first-choice goalkeeper. Billy McNeill handed him a debut on St Patrick's Day in 1979, and Packie went on to provide the last line of defence a record 641 times for the club. A seasoned Irish internationalist, Packie was a vital component in the most-celebrated Irish national squad ever, playing in a golden era under the tutelage of the inimitable Jack Charlton. In The Last Line, Packie shares stories from his incredible career, including his greatest moment in front of a global audience during the Italia '90 World Cup tournament when he became the penalty shoot-out hero of the nation by saving a spot-kick that took the Irish to the quarter-finals stage in their very first World Cup adventure. It was an iconic moment that would change his life forever not least because, whilst in Italy, he, along with his teammates, had an audience with another goalkeeper, Pope John Paul II. Throughout his 80 cap international career, he competed against the very best in the world. Men such as Ruud Gullit, Marco Van Basten, Gheorghe Hagi, Roberto Baggio and Gary Lineker came to know the name Packie Bonner. Equally, in his glittering Celtic career that included the winning of four Scottish League titles, three Scottish Cups and one Scottish League Cup, Packie Bonner played alongside some great Celtic names like Tommy Burns, Paul McStay, and Murdo Macleod. Along the way, Packie had to endure a career-threatening back injury, as well as the devastation of a routine save going wrong and costing a goal on the world stage against Holland in 1994, ultimately leading to elimination from the World Cup in America. More than just the telling of trophies, titles and triumphs, this is the story of a Celtic legend and a true great of Irish International football.
