Progress has transformed Queenston, capital city of Argonia. Once the land of witches, wizards, fairies, and other magical people and animals, since the Great War, the country has changed. Queenston, particularly, is now the city of contraptions and conveyances, including a modern international railroad. In the Great War Argonia's dragons allied with the armies to push back an invasion. For their assistance, the beasts shared what food remained as the country rebuilt itself. But with the war won, the allies came to "recover" the war-torn country, bringing with them new ideas and inventions, most of which only needed a supply of iron and a reliable source of heat for their boilers. The dragons were again recruited, tamed, altered and virtually enslaved to power Progress. Verity Brown is a modern girl. The magic of her witchy foremothers has become, if not actually illegal, highly unfashionable. The only magic that matters to Verity is her own curse, forcing her to know and tell the truth regardless of convenience. On Verity's 16th birthday, a hot-air balloon crash kills her father. The balloon's dragon and wrangler rescue Verity, but are blamed and sentenced to be put to death. Her honorable quest to save them and find her father's murderer takes her straight into the den of the wild and ferocious Dragon Vitia.

Zoya is a beautiful young woman wandering les boulevards, sad-eyed, coming off a bad breakup. In fact, she impaled her ex on a spike. But when he follows a lead from a grisly murder to the abode of an ugly old woman, he finds himself turned into a flea. He's in well over his head, but it's nothing that a cocktail can't fix. Right? Add a few chance encounters, a chorus of some more angry witches, a strung-out jazzman or two, a weaponized LSD program, and a cache of rifles buried in the Bois de Bologne—and that's a novel! But while Toby Barlow's Babayaga may start as just a joyful romp though the City of Light, it quickly grows into a daring, moving exploration of love, mortality, and responsibility.

The bestselling novel by Tana French, author of the forthcoming novel The Searcher, is "required reading for anyone who appreciates tough, unflinching intelligence and ingenious plotting" (The New York Times). She "inspires cultic devotion in readers" (The New Yorker) and is "the most important crime novelist to emerge in the past 10 years" (The Washington Post). "Atmospheric and unputdownable." —People In bestselling author Tana French's newest "tour de force" (The New York Times), being on the Murder Squad is nothing like Detective Antoinette Conway dreamed it would be. Her partner, Stephen Moran, is the only person who seems glad she's there. The rest of her working life is a stream of thankless cases, vicious pranks, and harassment. Antoinette is savagely tough, but she's getting close to the breaking point. Their new case looks like yet another by-the-numbers lovers' quarrel gone bad. Aislinn Murray is blond, pretty, groomed-to-a-shine, and dead in her catalog-perfect living room, next to a table set for a romantic dinner. There's nothing unusual about her—except that Antoinette's seen her somewhere before. And that her death won't stay in its neat by-numbers box. Other detectives are trying to push Antoinette and Steve into arresting Aislinn's boyfriend, fast. There's a shadowy figure at the end of Antoinette's road. Aislinn's friend is hinting that she knew Aislinn was in danger. And everything they find out about Aislinn takes her further from the glossy, passive doll she seemed to be. Antoinette knows the harassment has turned her paranoid, but she can't tell just how far gone she is. Is this case another step in the campaign to force her off the squad, or are there darker currents flowing beneath its polished surface?
