*Discover how to finally get your child to pay more attention to their education rather than spending all day on their smartphone Kids love technology and that is a fact. And who can blame them? With the massive number of devices for your child to choose from, why would they not want to pick up that new smartphone or video game instead of an old book? But that's only because they haven't found the right book... until now. How to make sure your kids are improving their spelling, vocabulary and memory, whilst learning about everyday activities We understand that most word searches are boring. They offer no meaning or excitement to your child. We also understand that the ages of 9-12 are extremely important to the development of children. In fact, the skills and techniques they pick up at these ages will create the foundations of their lives as they quickly progress through the teenage years, into young adults. Here is what you'll get with this Word Search activities book: 50 word search puzzles and solutions in large print format (8.5"x11") that are perfect for kids of all ages OR even adults! 18 words to search in each puzzle (That's 18 new words per category your child will learn!) Kid-approved puzzles with a variety of themes relating to everyday life Would You Like To Know More? Your child is growing older day by day.
