How would you cope if there were no toilets? Where would you go? How would you keep yourself and your house clean? This book tells the fascinating story of a piece of technology that most of us take for granted. Find out why toilets are so important, how they improved over the years, and how they might develop in the future. *You Wouldn't Want to Live Without Toilets!* is part of a brand-new science and technology strand within the internationally acclaimed *You Wouldn't Want to Be* series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels and humorous speech bubbles in addition to the main text. Illustrated sidebars headed 'How It Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better place. Each volume includes a timeline and a list of 'Did You Know?' facts.
