An Introduction to the Critical Study and Knowledge of the Holy Scriptures

Adventure Bible for Early Readers

Após mais de 40 anos de sua criação no Japão e desde a década de 80, quando passou a ser adotado no Brasil, o 5S continua sendo a principal, senão a única, ferramenta gerencial adotada pelas Organizações para a formação de uma base física e comportamental propícia para uma maior produtividade e melhor qualidade de vida no trabalho. Por que um processo que trata de conceitos tão simples e óbvios é alvo de implantação de Organizações de todo o mundo, independentemente de seu negócio ou porte? A metodologia de implantação do 5S apresentada neste livro é fruto da vivência prática do autor, capaz de levar as organizações a atingirem um nível de excelência, respeitando os conceitos orientais, porém, considerando os traços culturais das pessoas e das organizações. My Bible Friends*

A study Bible for students written in shorter sentences and simpler language, with sections explaining how it relates to modern life, descriptions of life in biblical times, and an introduction to each book.

Hugh Williamson's Isaiah 1-5 is the first of three volumes in a important new commentary on Isiah 1-27. For over one hundred years International Critical Commentaries have had a special place among works on the Bible. They bring together all the relevant aids to exegesis - linguistic, textual, archaeological, historical, literary, and theological - to help the reader understand the meaning of the books of the Old and New Testaments. The new commentaries continue this tradition. All new evidence now available is incorporated and new methods of study are applied. The authors are of the highest international standing. No attempt has been made to secure a uniform theological or critical approach to the biblical text: contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought.
