A Bone of FactPicador

Adult coloring for relaxation, stress reduction, meditation, spiritual connection, prayer, centering, healing, and coming into your deep, true self. Ages 9 to 109. The drawings of Ancient Symbols: Meditative Coloring Book 3 feature timeless shapes and forms used by every culture on earth to remind us of the sacred. These drawings serve to inspire deeply meaningful, meditative, or prayerful experiences through coloring. Ancient and indigenous sacred images speak deeply to us, to our bones and bellies, to our cellular memory and wisdom, to our souls' yearnings. Native peoples throughout time and place see the sacred in all of life. For them, holiness IS life. Life is the manifestation of the holy in all things. Step out of the busy world and into calm and peace. Focus on an affirmation while you color, or on a wish or a prayer. Ask for understanding or wisdom. Allow expansion into more of what you are meant to be. Or simply color with an attitude of gentle, graceful willingness. This book includes 32 different original drawings, information about ancient symbols, suggestions for how to use this book, a guided meditation, introduction to the artist, and open pages inviting you to record your own impressions. Five Volumes of Meditative Coloring Books: Angels, Crosses, Ancient Symbols, Hearts, and Labyrinths.

Amazing Dinosaur Facts, Photos, Quiz and More

Short stories about a woman becoming a queen. Poetry, and drawings

The Ultimate Dinosaur Book for Kids Welcome to the exciting world of dinosaurs! In this colourful dinosaur book, best-selling non-fiction author Jenny Kellett, has compiled only the very best dinosaur facts illustrated with detailed color images of some of the biggest and most fascinating creatures to roam our planet. From Tyrannosaurus-Rex and Avaceratops to Camarasaurus and the Gastonia dinosaur, discover more about your favourite dinosaurs. Test your dinosaur knowledge, or challenge your friends, in the ultimate dinosaur quiz. Dinosaur Book SampleLearn these unbelievable dinosaur facts and more: Most dinosaurs were herbivores, meaning they only ate plants. The T-Rex is known for it's small arms, but proportionately, the Canotaurus had smaller arms! The Anchiornis was one of the smallest dinosaurs, which was not much larger than a pigeon. You'll find these dinosaur facts and many more in this illustrated dinosaur book. With 20+ details dinosaur pictures, even early readers will enjoy The Ultimate Dinosaur Book for Kids- as well as adults! Perfect for teaching children to read, while letting them learn about the fascinating world of dinosaurs -The Ultimate Dinosaur Book for Kids is ideal for long car journeys and bedtime reading. Scroll up and click Buy Now and help your child become a dinosaur fact expert in no time!

Traditional beliefs about meeting goals are fundamentally flawed. Goal setting tactics assume goals are measurable, achieved, and final-all attributes that describe objectives, not goals. Unlike objectives, which are by their very nature self-contained, goals are immeasurable. A goal is realized, not achieved, and must be maintained to remain successful. What good is the goal of losing weight if you don't keep the weight off? Losing twenty pounds is an objective. Keeping that twenty pounds from returning is a goal, which must be maintained to remain a success. In three Your Life, entrepreneur and accidental expatriate David R. Sanders applies this important distinction between goals and objectives. Beginning with attitude, outlook, and perception, Sanders builds a solid foundation on which to effect major life changes. Learn to differentiate between needs, wants, and desires-and discover how focusing on desires causes everything else to fall into place. To realize desires, Sanders reevaluates conventional thinking on prioritizing tasks, using a three-part daily structure that ensures you're working toward a productive and fulfilling life. A fresh new approach to goal setting. Three Your Life offers the opportunity to realize your goals, achieve your objectives, and understand the difference between the two.

In the year 2110, fourteen-year-old Val returns home to find that the time machine her father created has returned home without him. Having lost her mother to illness two years earlier, Val decides to use the machine to go back in time to find her father and bring him home. She does a test landing in a remote area of the U.S. in the year 2010 and meets three brothers: sixteen-year-old football star James, thirteen-year-old Luke and an amazing seven-year-old named Wumpy. They decide to join her and help find her father. Val believes her father would have gone back to the first century to see Jesus Christ, who Val's dad considers the most important person in history. Val knows her father wanted to see for himself if the stories about Jesus in the Bible are true. She and the three brothers go back in time to first century Jerusalem and begin the search, looking for Val's dad at some of the major events of Jesus' life. During their quest they meet Jesus and see amazing things. They also have to outwit local authorities and an assortment of villains who threaten to strand them in the first century or - even worse - end their short lives two thousand years before they were born. The adventure is non-stop, but in the end this is a story about friendship and faith and the truth of 1 John 4:18: "Perfect love expels all fear."

From master language creator David J. Peterson, creator of Game of Thrones' (HBO) Dothraki language, comes a creative guide to language construction. Peterson begins with a brief history of constructed languages, from Tolkien's creations to Klingon to the thriving global community of language construction. Then, using examples from a variety of languages including his own creations, Peterson offers a captivating and lucid overview, providing a basic foundation of essential linguistic tools for inventing and evolving one's own lexicon.

I've had a more-than-little crush on Jacksepticeye for just about as long as I've been a YouTuber. Which is a long time. It began as more of a celebrity crush, the admiration from afar. Finally being able to meet him in person would be a total dream... One that may come true sooner than I would think.

Do you ever feel like you could do more with your life, but you don't know where to start? Do great ideas keep going through your mind, barely changing from year to year? Do you need the tools to get you going in the right direction? This book has one purpose: To help you make your dream come true, no matter how big that dream might be. To change your life you need the desire to change and the commitment to make that change possible through action.

Mind to Mind Conversations will help start you on the path to a new life.

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

Plunge!

Her Happy Ever After

Let's Blossom!

A delightful children's picture book with endearing illustrations and a verse story in the best tradition of English nonsense poetry. For every copy of this book sold, the NSPCC receives 1.

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Strategic non-action is a powerful yet under-rated method of influencing worldly affairs. In cultures where action is favoured over inaction, like in the West, direct action is considered a virtue while inaction is little more than laziness or cowardice. Let us be more subtle and nuanced in our understanding. There is a time for both action and inaction. Non-action gives access to a deeper intuitive awareness than that gained through action, since knowledge that comes through action is obscured by situation-specific reactions. Non-action is an aspect of going with the flow, not resisting the larger forces that govern a world of which you are a small part. It acknowledges that events are governed by the laws of Nature, and it is often best to simply allow those laws to operate and play out in their own time, in their own way. Non-action can help us towards our goals by encouraging patience and taking the long-view. Humanistic Psychology says that it is within our reach to create the life we want for ourselves. As we think and believe, so we create our world. This is indeed true, but only up to a point. We can transform our lives in goal fulfilling ways, but the transformation is relatively slow, its progress measured in months and years. Orphaned by the Border Wars, Alina Starkov is taken to become the protégée of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold.

Learning to Go with the Flow

The author reveals both the good and bad facing our families today using his own unique brand of humor.

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson about compassion and acceptance but he gets a new best friend! Grades 3-4

David Threden wants nothing more than to lead a quiet, ordinary life. But his world is turned upside down when an unknown event changes the face of the planet. Realizing he cannot live alone in the ruins of the old world, and compelled by a strange internal force to reach the sea, he sets out on foot, carrying what he can, struggling against the harsh post-apocalyptic environment to search out others who may still be alive. Werdan into the leadership of a band of survivors, David struggles to scratch out the necessities of life while dealing with the staggering destruction and overwhelming sense of loss – and begins to understand the tragic and marvelous events that have occurred to the planet and to humanity itself. Finding love and betrayal, he must fight those who cling to the old world with all their strength and those who

wish to stamp out the growing number of people coming to terms with their new levels of perception and insight into the Universal Mind.

"Ancestral and haunting novel" that launched David Almond as one of the best children's writers of today when a move to a new house coincides with his baby sister's illness, Michael's world seems suddenly lonely and uncertain. Then, one Sunday afternoon, he stumbles into the old, ramshackle garage of his new home, and finds something magical. A strange creature – part owl, part angel, a being who needs Michael's help if he is to survive. With his new friend Mina, Michael nourishes Skellig back to health, while his baby sister languishes in the hospital. But Skellig is far more than he at first appears, and as he helps Michael breathe life into his tiny sister, Michael's world changes for ever . . . Skellig won the Carnegie Medal and the Whitbread Children's Book Award and is now a major Sky1 feature film, starring Tim Roth and John Simm. David Almond is also winner of the 2010 Hans Christian Andersen award. Powerful and moving – The Guardian This newly jacketed edition celebrates 15 years of this multi-award-winning novel.

Vision of Insanity

David Walsh - the creator of Mona in Hobart - is both a giant and an enigma in the Australian art world. A multi-millionaire who made his money gambling, David has turned a wild vision into a unique reality: he is in turns controversial, mysterious and idolised. A Bone of Fact is his utterly unconventional and absorbing memoir, about which he says:‘By some great good fortune (mine, not yours) you hold in your hands my story, credible I think, but not extraordinary (despite what those avaricious publishers might have you believe). I have captured your attention: maybe you have some resonance with Mona, or maybe good graphical design partly seized your day. To extract 55 bucks from you I need to say something clever, but I can't think of anything. So I'll seduce you with a tale of another, cleverer, writer. Stanislaw Lem, noted Polish science fiction author and notorious smartarse, once told an American colleague that his new collection of short stories would be published in a paper bag. This conjured a mental picture of the stories beingselected by lucky dip. The idea that my life story could be told that way, without a disabling manifesto, is appealing. Unfortunately Mr Lem had actually said ‘paperback’ (his meaning concealed beneath his thick accent), a wholly ordinary practice to deliver extraordinary stories. My story lacks Mr Lem's magical reality and philosophy, and it also lacks a paper bag. You should buy it anyway, if you are at least mildly curious as to why I want you to give me more money, even though I'm already rich. But if you happen to read Polish you could probably do better reading Lem. Incidentally, Polish is one of the few words that changes its pronunciation when you change the first letter from upper case to lowercase. If you are in Natal or Nice you can probably think of another. But surely, if you are in Natal or Nice you have better things to do than lurk in bookshops. Get out of here, but take me with you. I promise to treat you nice. But not so nice that you'll need to go to a natal clinic.

"Anarchy in the Heartland" is the true story about the world's first three train robberies that occurred just after the Civil War in the Midwest. These bold robberies not only stunned a war-weary nation, they resulted in horrific violence against suspected gang members by dozens, if not hundreds, of law-abiding citizens. Their gruesome retribution shocked the civilized world far more than the never-before-seen train robberies. As a direct result, a diplomatic incident with Canada and Britain unfolded in Washington, DC. The tragic events of 1868 were suppressed for years due to shame and fear of prosecution. "Anarchy in the Heartland" not only examines the historical record, but the widespread hearsay and rumors that surrounded the area's wealthy business leaders-turned vigilantes. For the first time, discover the breakdown of society that few wanted to publicize; including the United States Government.

In lives filled with passion and temptation, five young people experience the many forms of love. Achieving their wildest dreams takes everything they have, and soon their romances, friendships, and dearest personal values are tested. Along the way, their lives intertwine in surprising ways-on the lush soccer fields of college campuses in California and the glamorous fashion runways and football pitches of Italy and France. The brilliant and beautiful Sallie is embarking on an exciting international modeling career, but so far from home, she runs the risk of getting lost in more ways than one. Her college sweetheart, Marco, is focused on his goal of becoming a professional soccer player and relies on the expert advice of his mentor, Lorenzo. But Lorenzo must figure out his own way to stay on top. Meanwhile, their athletic friend Dave has already hit rock bottom, attracting the empathy of nursing student Autumn. She'll do anything she can to help Dave, despite the risk of getting dragged down with him. Boundaries exist in the game of soccer, but in life they are all too easily crossed. Before long these five friends will learn exactly how far relationships can bend before they break.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Back of the Net

The Bone Clocks

Meditative Coloring

The year is 2137, over 160 years ago the "Great War" was fought in Europe. The Western Hemisphere stayed out of the conflict, as much as possible, using the slogan: "The East for the East ... The West for the West." For all this time the USA did not go past 30 degrees or 175 degrees latitude. Until the aero-submarine, "Coldwater" in command of Lieutenant Jefferson Turck is blown past the 30 in a raging storm. Damaged, the ship landed in Europe only to find that it was not the 1915 as "Beyond 30."

"Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the college recruiting process and how we teach our well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize. It's a book about flawed parenting, about living vicariously through a gifted child and learning, finally, that being a good father is as much about letting go as it is about being there. Call it Moneyball meets Everything I Know I Learned in Kindergarten.

An exceptional, deeply-moving memoir-a classic love story. In the late 1970s, a fragile thread linked a woman living on Park Avenue in Manhattan and a man in a guarded house in West Africa. "I love you very much he whispered softly across 7,000 miles of ocean and up the East River." Plunge! is a love story, exquisitely told. Sally was a New York career woman when David showed up in her life. Their first dinner date was July 13, 1977, the night of the New York Blackout. Six weeks later the Pierre Hotel, David left the city. "The noise of the engines was muffled through the window, and as the plane taxied to the runway, the sound faded away, like a love song drawing to a melancholy close." As David struggled to clear a jungle to build a paper mill in West Africa, Sally worked at her fast-paced job, occasionally flew private planes, and led the tenants of her Park Avenue apartment building into battle against her notorious landlord. Over the next nine months, they crossed London and New York. "Perhaps the distance that separated us, the lack of instant interaction, helped us both to communicate more thoughtfully, more honestly and even more passionately than we might have otherwise." "An amazing, beautiful literary accomplishment." - Carol Shaben, author of Into the Abyss "I can't remember the last book that affected me like Plunge! It's very moving and strong and honest and beautifully written. I was drawn in from the start-a gifted writer."

Louise Crowley, Program Director, Vermont College of Fine Arts, MFA in Writing

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahsas well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. Here is a collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 (margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242)

The Calling

DEADCORE: 4 HARDCORE ZOMBIE NOVELLAS Join authors Randy Chandler, Ben Cheetham, Edward M. Erdelac, and David James Keaton as they unleash the carnage while breathing new life, and death, into the zombie genre. FANGORIA MAGAZINE REVIEW "As the book's title indicates, DEADCORE achieves all extremes. Violent, perverse, depraved—and, as such, quite recommended." THE STORIES DEAD JUJU BY RANDY CHANDLER *He's the mystery man on the news. Where he shows up, the shit goes down. The dead are rising, the immigration issue has reached the boiling point, the living are screwed, and unspeakable acts are being performed upon all involved. In this tale of Zombies Gone Wild, yes the dead walk but just where the hell are they going and why? Dead Juju gives you the hardcore truth, if you're ghoul enough to handle it. NIGHT OF THE JIKINIKI BY EDWARD M.ERDELAC *After a comet is observed in the western sky of feudal Japan, a murdered inmate rises from the dead and attacks his fellow prisoners. Three disparate men: a catless bandit, a mad, child-eating monk, and a reformed mad but sadistic count join together to escape the walled and most-surrounded prison as it fills with the walking and ravenous dead. ZEE BEE & BEE (A.K.A. PROPELLER HATS FOR THE DEAD) BY DAVID JAMES KEATON *At a "Zombie Bed & Breakfast" tourist trap, guests pay for the thrill of a staged zombie assault during an apocalyptic scenario, acted out by sluggish hotel workers who are well-versed in the zombie genre. But soon the script doesn't go as planned, the guests become uncooperative, and the actors are taking their roles very seriously these days. ZOMBIE SAFARI BY BEN CHEETHAM *Survivors of a zombie apocalypse have carved out new existences on islands, only visiting the mainland to hunt zombies. But things start to go wrong. Zombies don't die as they should. Hunters go missing. A trip that's supposed to be fun turns into a struggle for survival as four men make a discovery that causes them to question not only what it means to be a zombie, but what it means to be human.****

The New York Times bestseller by the author of *Cloud Atlas* • *Longlisted for the Man Booker Prize* • *Named One of the Top Ten Fiction Books of the Year* by Time, Entertainment Weekly, and *O: The Oprah Magazine* • *A New York Times* Notable Book • *An American Library Association Notable Book* • *Winner of the World Fantasy Award* "With *The Bone Clocks*, [David] Mitchell rises to meet and match the legacy of *Cloud Atlas*."—*Los Angeles Times* *Following a terrible fight with her mother over her boyfriend, fifteen-year-old Holly Sykes slams the door on her family and her old life. But Holly is no typical teenage runaway: A sensitive child once contacted by voices she knew only as "the radio people," Holly is a lightning rod for psychic phenomena. Now, as she wanders deeper into the English countryside, visions and coincidences reorder her reality until they assume the aura of a nightmare brought to life. For Holly has caught the attention of a cabal of dangerous mystics—and their enemies. But her lost weekend is merely the prelude to a shocking disappearance that leaves her family irrevocably scarred. This unsolved mystery will echo through every decade of Holly's life, affecting all the people Holly loves—even the ones who are not yet born. A Cambridge scholarship boy grooming himself for wealth and influence, a conflicted father who feels alone while reporting on the war in Iraq, a middle-aged writer mourning his exile from the bestseller list—all have a part to play in this surreal, invisible war on the margins of our world. From the medieval Swiss Alps to the nineteenth-century Australian bush, from a hotel in Shanghai to a Manhattan townhouse in the near future, their stories come together in moments of everyday grace and extraordinary wonder. Rich with character and realms of possibility, *The Bone Clocks* is a kaleidoscopic novel that begs to be taken apart and put back together by a writer The Washington Post calls "the novelist who's been showing us the future of fiction." "An elegant conjurer of interconnected tales, a genre-bending daredevil, and a master prose stylist, David Mitchell has become one of the leading literary voices of his generation. His hypnotic new novel, *The Bone Clocks*, crackles with invention and wit and her story-telling pleasure—is fiction at its most spellbinding. Named to more than 20 year-end best of lists, including *NPR* • *San Francisco Chronicle* • *The Atlantic* • *The Guardian* • *Slate* • *BuzzFeed* "One of the most entertaining and thrilling novels I've read in a long time. ...—Meg Wolitzer, *NPR* "[Mitchell] writes with a furious intensity and slapped-awake vitality, with a delight in language and all the rabbit holes of experience."—*The New York Times Book Review* "Intensely compelling. . . . fanastically witty. . . . offers up a rich selection of domestic realism, gothic fantasy and apocalyptic speculation."—*The Washington Post* "[A] time-traveling, culture-crossing, genre-bending marvel of a novel."—*O: The Oprah Magazine* "Great fun . . . a tour de force. . . [Mitchell] channels his narrators with vivid expertise."—*San Francisco Chronicle**

A public square bombing in Yemen and shipment of rockets from North America only randomly connect university researcher Arthur Crawford and Washington anti-terrorism expert Myron Klass. But coincidence is quickly overshadowed by reality when a Spaniard known as the most thoughtful of arms dealers has ambitions to devastate the US. Strap yourself in as former Canadian Member of Parliament Dr. David C. Walker boldly weaves together their lives and stories in Wild World, the first in a series of political mysteries novels that is sure to make you question what you've been told and what you need to know.

40 Photos. 40 Stories. 40 Moments. Photographs freeze moments in time that would have otherwise escaped into memory and beyond. Each photo tells a story of what was, at that moment, real. Collected here are 40 such moments. Whether jumping off points for bigger tales, or self-contained stories that complete the moment, Fast 40 offers a view into other worlds. Each story won't take long to complete, but might tempt you to examine the moments happening around you from a different perspective.

A Lopsided Look at Life, Marriage and Family

What's Wrong with Pauly?

Sitting outside of time and space is the Inn Between Worlds. Residents might say it's a place for travelers, or a place to rest, a place to find excitement. Or they might say it's dangerous and to be avoided at all costs because Reality Does Not Work Right inside its infinite walls. Contained in these pages are three stories that all share one important point: Their events would not have been possible without The Inn. "Gideon Wallace and the Sapphire Woman" is the first story in a new series by Thomas A Farmer, and shows what happens when a mortal man finds himself drawn into a fight between gods. In "Chaos Candy," by Amie Gibbons, supernatural bounty hunter Zee tries to uncover a dark secret and learns much more than she ever wanted to know. Finally, Michael David Anderson's "Flux" continues the adventures of Teddy Dorner, taking him once again to strange new places and showing him new nightmares.

"It's about time a book came out about one of the most talented and beloved performers in the American Theater. Charlotte is the consummate actress, comedienne, entertainer. Her work on stage and screen is always hilarious and somehow also gets you right in the gut. Her story is every bit as brilliant. Read it and smile." -Comedy Legend, Carl Reiner "To think of Charlotte Rae is to smile. Consequently, when I began to read "The Facts of My Life," I was unprepared for the emotional impact it would have on me. By the time I finished the first chapter, dealing as it

does with her severely troubled son Andy, I was in tears. "As an old friend of Charlotte's, I thought I knew her fairly well. But as I read on, I discovered that the 'facts of her life' were constantly surprising (as well as amusing and engrossing)! There is so much that I don't know about Charlotte and so much that I now want to know, when the book is finally completed and published, I'll be first in line to get my copy!" -Sheldon Harnick (Composer, Fiddler on the Roof) Charlotte Rae's career spans more than seventy years, from the golden age of television to Shakespeare in the Park, the New York Cabaret scene of the late 1940's and 50's to her hit series, The Facts of Life and well beyond. Off stage and screen, Charlotte's life has been one of joy and challenge, raising an autistic son, coming to terms with alcoholism, the heartache of a broken marriage, the revelation of a gay husband and the sudden challenge of facing middle-age with financial and emotional uncertainties-an crisis she ultimately turned into the determination that brought her stardom. The Facts of My Life is the first opportunity for Charlotte fans to explore the fascinating story of her extraordinary life: poignant and hilarious, a story of courage and triumph, one that speaks for a generation of women breaking barriers, taking on challenges, overcoming personal tragedy, and paving the way for others.

Steeped in authentic cultural traditions and spiritual beliefs, this rich and wonderful historical novel follows the times and trials of a family band of the Schi'tsu'umsh Indians, now called the Coeur d'Alene Tribe in northern Idaho. Through a boy named Sun Bear and his sister, Rainbow Girl, the band's oral stories are told as it struggles to hold onto what is precious and sacred about life.

THE CALLING is a concept poem-book, at once scintillating and inspiring. The stars speak to us. What do they say?

A Bone of Fact

Truth Or Truth

Red Thunder

Book Three of the Love's Territory Series

Syncing Forward

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

1st Place Gold Award in the 2015 Feathered Quill Book Program for Science Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future - it will only cost you everyone you love. Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place- not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and curses of technology, and pushes the limits of faith and hopelessness. Above all, Syncing Forward is a tale of one man's love for his family, and their devotion to saving him from being lost forever.
