

## A Commentary On The Complete Greek Tragedies Aeschylus

Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks and observations.

A classic, one-volume commentary written with an uncompromising commitment to the inspiration, authority, and integrity of the Scriptures.

Let one of the most beloved and respected Bible teachers of our time guide you verse-by-verse through the Scriptures with The Wiersbe Bible Commentary New Testament, the trusted reference you'll love to read.

Volume 1

Adam Clarke's Commentary on The

An International Commentary for Spirit-filled Christians

Believer's Bible Commentary

Acts-Revelation

(on an Original Plan)

**Leading the honor roll of one-volume commentaries on the Bible is the classic by Jamieson, Fausset & Brown. Here is a real storehouse of information and commentary on every book of Scripture. Highly recommended by Charles Spurgeon, JFB is the standard conservative-evangelical work.**

**This book offers the most comprehensive and detailed reading to date of Song of Myself. One of the most distinguished critics in Whitman Studies, Ed Folsom, and one of the nation's most prominent writers and literary figures, Christopher Merrill, carry on a dialog with Whitman, and with each other, section by section, as they invite readers to enter into the conversation about how the poem develops, moves, improvises, and surprises. Instead of picking and choosing particular passages to support a reading of the poem, Folsom and Merrill take Whitman at his word and interact with "every atom" of his work. The book presents Whitman's final version of the poem, arranged in fifty-two sections; each section is followed by Folsom's detailed critical examination of the passage, and then Merrill offers a poet's perspective, suggesting broader contexts for thinking about both the passage in question and the entire poem.**

**Make Bible study a part of your daily life with the thorough yet easy-to-read commentary that turns complicated theology into practical understanding. The second edition of Believer's Bible Commentary is a one-volume guide that helps the average reader develop basic knowledge of the Bible. This commentary, written by the late William MacDonald, explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views.**

**Serving as a friendly introduction to Bible study, Believer's Bible Commentary gives clarity and context to scripture in easy-to-understand language. Features: Introductions, notes, and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology, where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version**

Designed as a Bible reader's companion, this volume uses the New International Version, but may also be used with any favorite Bible transtation. Filled with maps, charts, and photos, this book presents a scholarly, accessible, and reasonable approach to the Bible with contributions from the finest theologians and prominent authors from Pentecostal and moderate charismatic traditions as they unlock the Scriptures to present thoughtful insights into the entire New Testament.

Part 1: From Adam to Noah Part 2: From Noah to Abraham.

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who

seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

This is a phrase by phrase commentary on every passage in the New Testament. It includes: A short introduction covering author, date, time, and setting for each book of the New Testament Hundreds of word studies as sidebars Each introduction also includes discussion of God's character, how Christ is seen, key doctrines, key words, key people, and key Scripture passages that represent the "theme core" of each book of the New Testament

Charles J. Ellicott Bible Commentary on the Whole for English Readers, Volume 1 of 3. Charles Ellicott wrote this exceptional Bible commentary to be used for Pastors and Students. It is written to be explained rather than to be technical so that as to reach all English readers. Charles Ellicott focuses on the English explanation rather than the Greek and addresses the expository side less than the technical since this does not contain Greek words or terminology. Dr. Charles Ellicott assembled and edited this commentary, utilizing 28 different authors, including Rev. Payne Smith, Rev. C. J. Elliott, and Rev. C. H. Waller. This is a must have for anyone desiring a greater

understanding of the Bible as a whole. The scripture and commentary are on the same page making it easy to read and understand. This commentary is one that you will treasure in your library and you will not want to let this one pass you by.

The MacArthur New Testament Commentary

Jamieson, Fausset, and Brown's Commentary on the Whole Bible

Complete in One Volume, with General Articles

A Commentary on the Complete Poems of Gerard Manley Hopkins

This commentary offers a rich introduction and useful guide to the seven surviving plays attributed to Aeschylus. Though it may profitably be used with any translation of Aeschylus, the commentary is based on the acclaimed Chicago translations. The Complete Greek Tragedies, edited by David Grene and Richmond Latimore. James C. Hogan provides a general introduction to Aeschylean theater and drama, followed by a line-by-line commentary on each of the seven plays. He places Aeschylus in the historical, cultural, and religious context of fifth-century Athens, showing how the action and metaphor of Aeschylean theater can be illuminated by information on Athenian law athletic contests, relations with neighboring states, beliefs about the underworld, and countless other details of Hellenic life. Hogan clarifies terms that might puzzle modern readers, such as place names and mythological references, and gives special attention to textual and linguistic issues: controversial questions of interpretation; difficult or significant Greek words; use of style, rhetoric, and commonplaces in Greek poetry; and Aeschylus's place in the poetic tradition of Homer, Hesiod, and the elegiac poets. Practical information on staging and production is also included, as are maps and illustrations, a bibliography, indexes, and extensive cross-references between the seven plays. Forthcoming volumes will cover the works of Sophocles and Euripides.

The complete 16-volume set of Swindoll's Living Insights New Testament Commentary draws on 13-time Christian Book Award winner Chuck Swindoll's more than 50 years of studying and preaching God's Word. Each volume includes both the NLT and NASB translations of the Bible, verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. A must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.

With this final installation in this six-volume set, Dr. Wiersbe has covered the entire Bible!
