If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call “catching greenlights.” So I took a one-way ticket to the desert and wrote this book: an album, a record, a

Anatomy of Four Race Riots is a study of the terrible racial violence that erupted in four different communities of America during the

Access Free A Few Red Drops The Chicago Race Riot Of 1919

post World War I years, racial violence that left hundreds dead or injured and a massive amount of destruction in its wake. Although the igniting incident or event varied somewhat, there was a similarity in the racial climate that existed in each town. The emerging blacks,

Access Free A Few Red Drops The Chicago Race Riot Of 1919

boosted economically and idealistically by the war effort, were viewed as a threat by some of the whites.

The bloody confrontations described here were grave evidence of the intensity of the fear and hatred that existed between a portion of the races.
