

## **A Husbands Regret An Unwanted Novel**

*A masterpiece of reporting on the Supreme Court's most divisive case, Roe v. Wade, and the unknown lives at its heart. Despite her famous pseudonym, no one knows the truth about "Jane Roe," Norma McCorvey (1947-2017), whose unwanted pregnancy in 1970 opened a great fracture in American life. Journalist Joshua Prager spent years with Norma, discovered her personal papers, a previously unseen trove, and witnessed her final moments. With an explosive revelation at the core of the case, he tells her full story for the first time. Prager also traces Roe's fifty-year trajectory through three compelling figures: feminist lawyer Linda Coffee, who filed the original Texas lawsuit yet now lives in obscurity; Curtis Boyd, a former fundamentalist Christian, today a leading provider of third-trimester abortions; and Mildred Jefferson, the first Black female Harvard Medical School graduate, who became a pro-life leader with great secrets. Essential to our understanding of this key debate, the right to choose or the right to life, The Family Roe will change the way you think about our enduring American divide.*

*"A groundbreaking and illuminating look at the state of abortion access in America and the first long-term study of the consequences-emotional, physical, financial, professional, personal, and psychological-of receiving versus being denied an abortion on women's lives"--*

*This book, based on The Sudden Wife Abandonment Project (S.W.A.P.), provides women with tools to help them understand why their husbands left, heal, and get their lives back.*

*Your wedding day is meant to be one of the happiest days of your life, a time where unbridled love and connection abound. But family secrets and hidden fears may impede the happiness of that day. For most, marrying the love of your life is where the fairy tale begins, but on some odd occasions, it is the beginning of a nightmare. The Unwanted Wife is one woman's story about everything other than what marriage is supposed to be. Loveless, abusive, and soulless. Arranged marriages are part of many cultures, and most are unwilling participants in a game of power, one-upmanship, and positioning between families. The story is about one bride's journey from a life filled with fear, abuse, terror, anxiety, unmentionable situations too shocking to be spoken about and how she used the power of positivity to make life-changing decisions that lead to her strength, resilience, and endurance. Take a walk in her shoes as she left Guyana to live in Canada with a family she did not know, to a man she did not know or love, and how she adapted to a whole new life. It is her courageous tale of how she survived the toughest of times, facing a multitude of obstacles and disillusionments and disappointments, for the sake of her children and how, after finding her strength, she was able to find true love.*

**UNWANTED is a book designed to help every high school baseball player who is struggling with the recruiting process. Each year,**

thousands of high school athletes will participate in showcases, tryouts, and combines with high hopes of being recognized and desired to play at the next level. Unfortunately, the vast majority will pay to play and be left with nothing but an empty wallet and a bruised ego. This book gives a first-hand account of how Ryan Prinzing was told by countless scouts and coaches that he did not fit the mold of a Division 1 baseball player, yet creatively found a way onto a team at the last possible moment. Now, he wants to help others do the same. Ryan not only shares his story, but then he also offers you the strategies, tools, and tips he utilized to not just make a Division 1 roster, but succeed on the field at the highest level. UNWANTED will inspire you to relentlessly chase your dreams and rise above the judgment, scrutiny, and resistance you will encounter along the way. But most importantly, put you in the best position to succeed in reaching your outcome of playing college baseball.

Alarming numbers of men, women, and teens struggle with frequent or habitual pornography use today. Among them are many faithful Catholics desperate for hope and healing. In Integrity Restored: Helping Catholic Families Win the Battle Against Pornography, clinical therapist Dr. Peter Kleponis equips readers to embark on a path of recovery. Drawing heavily from Catholic teaching on human sexuality, Kleponis provides resources and insight for parents, educators, pastors, and all struggling to overcome an addiction to pornography. In this newly updated edition, Kleponis looks at new technologies, apps, and services that pose the biggest threat to Catholics today.

Bobbi Richmond has always been in love with her best friend, Gabe Braddock, even if Gabe, who works for her father, has always treated Bobby like a kid sister. After Bobbi kisses Gabe at a party, both of them are surprised by the resulting feelings, eventhough they may make unlikely lovers. They could keep their new arrangement a secret from their families, but Gabe's twin brother, Chase, senses that something is up between the old friends. Gabe needs to confront his real feelings for Bobbi and see whether or not he could live without her.--Excerpted from page 4 of cover.

Once Rick Adam was happy and innocent guy but his life changed with the uncalled tragedy. A boy who saw getting his family divested and outcast from the society at the age of thirteen has changed as now he only wanted Revenge at any cost which made him ruthless, heartless and manipulative. He doesn't believe in love but used love as his weapon to get his Revenge. The person who has ruined his family was Mr. David Milano. Jenifer Milano was a beautiful and naive girl who believes in love. She was madly in

love with Rick Adam. She was not aware that Rick was playing with her for his Revenge and she was nothing but a puppet for him. Scarlet Milano was ambitious and very mature girl who wanted to lead her father's business. Unlike her sister she doesn't believe in fairy tale kind of love story but unfortunately she couldn't resist the charm of Rick. What will happen when Jen & Scarlet will know about Rick? How Rick will take the Revenge from Mr. David Milano? What will happen when he developed feeling for one of the girl?

Secrets and Lies Exposed An Arranged Marriage Hell

Integrity Restored: Helping Catholic Families Win the Battle Against Pornography (Revised and Expanded Edition)

An Unnecessary Woman

Dropping the Baby and Other Scary Thoughts

Virtue and Vanity

A Thousand Splendid Suns

*A provocative and deeply important study of women's lives, women's choices—and an 'unspoken taboo'—that questions the societal pressures forcing women into motherhood Women who opt not to be mothers are frequently warned that they will regret their decision later in life, yet we rarely talk about the possibility that the opposite might also be true—that women who have children might regret it. Drawing on years of research interviewing women from a variety of socioeconomic, educational, and professional backgrounds, sociologist Orna Donath treats regret as a feminist issue: as regret marks the road not taken, we need to consider whether alternative paths for women currently are blocked off. She asks that we pay attention to what is forbidden by rules governing motherhood, time, and emotion, including the cultural assumption that motherhood is a "natural" role for women—for the sake of all women, not just those who regret becoming mothers. If we are disturbed by the idea that a woman might regret becoming a mother, Donath says, our response should not be to silence and shame these women; rather, we need to ask honest and difficult questions about how society pushes women into motherhood and why those who reconsider it are still seen as a danger to the status quo. Groundbreaking, thoughtful, and provocative, this is an especially needed book in our current political climate, as women's reproductive rights continue to be at the forefront of national debates.*

*Debbie Spencer is a lot like most twelve year olds. She loves her friends, loves to laugh, and she's not afraid to pray. Debbie is an average seventh grader . . . except she lives at an orphanage . . . even though she's not an orphan. Convinced her family is damaged beyond repair, Debbie longs for a new one. And she's going to find one. When a fire breaks out at Our Lady of the Angels parochial school in Chicago on December 1, 1958, almost one hundred children die tragically. Debbie's roommate, Noreen, loses several*

*friends in the deadly fire, and Debbie must put aside her own desires to help her friend. Debbie learns how to protect others, stand up for what's right, and even figures out how to befriend bullies. Inspired by true events, Unwanted proves while things aren't always what they seem, forgiveness is always the best choice.*

*Allie's sister Em does a total makeover transformation on her, encouraging to leave all her bad Jack-mojo behind and have some fun. Em's advice leads to the best night of her life and a pregnancy. She thinks she'll put the baby up for adoption. She's warned that unless Daniel relinquishes his parental rights, the adoptive parents may lose the child they've assumed was there's for months. When she meets Daniel again, she falls in love and is not sure how to explain that he's the father. When she runs into Daniel again, he doesn't recognize her, but he's still drawn to her. He pursues her, and finally convinces her to go out on a date. He wants to help her find the father, even says he'll go with her to tell her parents about the baby. He recognizes Allie is in turmoil, raised by a controlling father, and not sure what she wants anymore. She's torn between wanting to keep this baby, and the consequences. Disgusted that he may have done that to a woman, he searches for the woman, only to discover it's Allie. He wants Allie to be happy, but he can't lose her now.*

An obsessive introvert in Beirut, eschewed by her family and neighbors for her divorced status and lack of religious reverence, quietly translates favorite books into Arabic while struggling with her aging body until an unthinkable disaster threatens what little life remains to her. By the best-selling author of *The Hakawati*. 20,000 first printing.

Tall and thin, twenty-eight-year-old Bronwyn Palmer has become positively gaunt, a ghost of her former self. That self was—and still is—the wife of a rich, handsome executive with an ocean-view house and his own security staff. It was in that house, two years ago, that Bryce Palmer learned Bronwyn was pregnant with their first child. But Bryce's rage over his impending fatherhood touched off a chain reaction of emotional and physical traumas that wounded them both. For Bronwyn, it meant fleeing the perfect marriage to start over with nothing but a precocious daughter

named Kayla to care for. For Bryce, it meant a tortuous two years spent blaming his wife for deserting him, and living with the pain of not knowing his child. Now a chance encounter has brought Bronwyn back into Bryce's life, both bearing scars...and neither knowing the whole truth of that fateful night that drove them apart.

A memoir by award-winning actor Mena Suvari, best-known for her iconic roles in *American Beauty*, *American Pie*, and *Six Feet Under*. *The Great Peace* is a harrowing, heartbreaking coming-of-age story set in Hollywood, in which young teenage model-turned-actor Mena Suvari lost herself to sex, drugs and bad, often abusive relationships even as blockbuster movies made her famous. It's about growing up in the 90s, with a soundtrack ranging from *The Doors* to *Deee-Lite*, fashion from denim to day-glo, and a sad young woman dealing with the lasting psychological scars of abuse, yet knowing deep inside she has and desires so much more from life. Within these vulnerable pages, Mena not only reveals her own mistakes, but also the lessons she learned and her efforts to understand and grow rather than casting blame. As such, she makes this a timeless story of girl empowerment and redemption, of somebody using their voice to rediscover their past, seek redemption, and to understand their mistakes, and ultimately come to terms with their power as an individual to find a way and a will to live--and thrive. Poignant, intimate, and powerful, this book will resonate with anyone who has found themselves lost in the darkness, thinking there's no way out. Ultimately, Mena's story proves that, no matter how hopeless it may seem, there's always a light at the end.

For patients and their loved ones, no care decisions are more profound than those made near the end of life. Unfortunately, the experience of dying in the United States is often characterized by fragmented care, inadequate treatment of distressing symptoms, frequent transitions among care settings, and enormous care responsibilities for families. According to this report, the current health care system of rendering more intensive services than are necessary and desired by patients, and the lack of coordination among programs increases risks to patients and creates avoidable burdens on them and their families. Dying in America is a study of the current state of health care for persons of all ages who are nearing the end of life. Death is not a strictly medical event. Ideally, health care for those nearing the end of life harmonizes with social, psychological, and spiritual support. All people with advanced illnesses who may be approaching the end of life are entitled to access to

high-quality, compassionate, evidence-based care, consistent with their wishes. Dying in America evaluates strategies to integrate care into a person- and family-centered, team-based framework, and makes recommendations to create a system that coordinates care and supports and respects the choices of patients and their families. The findings and recommendations of this report will address the needs of patients and their families and assist policy makers, clinicians and their educational and credentialing bodies, leaders of health care delivery and financing organizations, researchers, public and private funders, religious and community leaders, advocates of better care, journalists, and the public to provide the best care possible for people nearing the end of life.

Undo Motherhood explores the reasons why a significant number of women around the world today regret becoming mothers. The women in this project love their children and are excellent mothers when judged according to society's standards, and yet they hate the oppressive mother role that robbed them of their own existence and suffer through it in silence, feeling it to be the worst mistake they have made. In this book, Diana Karklin combines two narrative languages: her photography and her interviews with women. It is divided into seven chapters: anger, fear, isolation, exhaustion, guilt, resignation and acceptance. The last chapter stresses the importance of accepting regret in order to be able to deal with it in a constructive way without harming the children. Diana chose to present the seven stories from seven different countries as separate booklets - each with a 'closed' cover - in a slipcase, to highlight the loneliness of these mothers trapped in their homes and condemned to silence. As much as Diana would want to see them as a collective voice, the reality is different. „An honest, courageous, and radical book that without passing judgement gives a voice to women struggling with the experience of a social role that they do not want, experiencing guilt and the burden of moral expectations. A book that allows us to explore the other dimension of motherhood, a dimension that is always hidden in the shadow. It is necessary to look at motherhood as it is in all its aspects, in order to free it from prejudices, and to present vital options to both mothers and children who find themselves in this situation," --Ana Casas Broda, photographer and author of *Kinderwunsch*, that explores the complexity of motherhood and the relationship with her two sons. With crushed dreams and a heavy heart, Isabelle Walsh becomes the wife of New York City millionaire Sebastian Everett. On the surface, her rich and beautiful husband is the embodiment of every girl's dream, but Isabelle will learn just how deceiving looks can be. By the time she discovers there is real danger hidden behind those captivating green eyes and thick layers of sophisticated appearance, it is too late to escape Sebastian's cruelty. Without a thread of compassion, he shows her the true meaning of hell, making it abundantly clear her fragile feelings mean nothing to him. But life has strange ways of playing with one's fate. In an intriguing turn of events, the same man who had once shattered her to pieces, suddenly starts treating her with extreme care and swears there will be no more pain. Isabelle has been tricked too many times to believe him, but the devil she bargained with refuses to

give up on his mission to earn her forgiveness as well as her heart. While Sebastian unfolds from a monster into Prince Charming right before her eyes, Isabelle finds herself falling under his spell and getting closer to making a choice that might be fatal for both of them.

USA Today bestselling author Meghan Quinn delivers a smart and cheeky romance about love's power to lift hearts . . . and curses. It was supposed to be an innocent night, celebrating my brother's birthday. Nothing was supposed to go wrong. We'd vowed to be on our best behavior after all . . . But it only took one rowdy night with my brothers to flip my world upside down. One unlucky encounter saddled us with a family curse and the promise of doomed relationships. I laughed it off immediately. "Yeah, right," I thought. "A love curse. Ha!" Boy, was I wrong. Word spreads quickly in a town like mine; rumors about that night soon made us the most eligible yet untouchable bachelors in Port Snow, Maine. As a subject of endless gossip and speculation, I could kiss my dating life goodbye. It would have stayed that way if Ren Winters, the new girl in town, hadn't crashed into my life. Brave, beautiful, and smart--her vivacious thirst for a fresh start has given me hope that maybe, just maybe, I can have one too. Everyone wishes for that second chance . . . but could this really be mine?

**Not Yet Married**

*Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.*

*What if I drop my baby when I go down the steps? What if I burn the baby in the bathtub? Thoughts like these can be frightening to new mothers, but are a common symptom pregnant and postpartum women can experience. Dropping the Baby and Other Scary Thoughts addresses the nature of these intrusive, negative and unwanted thoughts. Kleiman and Wenzel offer answers to the women who seek information, clarification, and validation in this useful resource for healthcare professionals working with these mothers. Written by two clinicians who have established themselves as leading experts and authors in this specialized field, this book maintains a compassionate tone that will be a voice familiar to many women in the postpartum community. Whether you must confront these negative notions personally or in your practice, this book will explain what these thoughts are, why they are there, and what can be done about*

them.

*She was supposed to be his one-night distraction. But their attraction is undeniable. Introverted Daisy McGregor is used to being a wallflower, but what she lacks in style, she makes up for with an acerbic wit, a passion for life, and a deep devotion to her family. So she'll suffer through her sister Dahlia's bachelorette party and accept the cloud of pity for going stag to the wedding. Out at the pub, sexy bad boy Mason Carlisle is a reluctant wingman tasked with entertaining Daisy while his brother flirts with her oldest sister, Daffodil. When the plan fails and Mason's true intent is revealed, he feels intense guilt--and a sensual spark of desire for the unlikeliest of women. Daisy decides to use this unfortunate encounter to her advantage: to make it up to her, Mason will be another kind of wingman, playing the role of her boyfriend and wedding date. Will their ruse unravel completely--or will Mason and Daisy's undeniable attraction ignite a scorching love affair that knows no rules?*

*From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*The Best Man*

It has all the makings of a picture-perfect wedding. There's just one detail that could have used a little more planning... Hulking ex-rugby player Spencer Carlisle has crushed on Daffodil McGregor since high school. On the field he knew the moves. Off, he was a clueless clod who never gained

an advantage. Rejected and rebuffed, his infatuation finally cooled--like ice. Now, it's impossible not to feel the chill--since he's the best man and she's the maid of honor at their siblings' wedding. For the sake of harmony, they're calling a truce. Daff has her reasons for being a cynic when it comes to romance. And twice as many for not letting on that she finds Spencer attractive--although she'd rather gnaw off her thumb than admit it. Still, there's more to the sweet and sexy lug than meets the eye. Maybe he is the one who can heal her emotional scars. Maybe he'll give her a second chance. Because Spencer could be Daff's own best man--if it's not too late to come to terms with the past.

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. *The Game* is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

She knew. That's why Mom hadn't opened the door. She knew he was dead. Twenty years as an army brat and Ember Howard knew, too. The soldiers at the door meant her dad was never coming home. What she didn't know was how she would find the strength to singlehandedly care for her crumbling family when her mom falls apart. Then Josh Walker enters her life. Hockey star, her new next-door neighbor, and not to mention the most delicious hands that insist on saving her over and over again. He has a way of erasing the pain with a single look, a single touch. As much as she wants to turn off her feelings and endure the heartache on her own, she can't deny their intense attraction. Until Josh's secret shatters their world. And Ember must decide if he's worth the risk that comes with loving a man who could strip her bare. Series order: *Flight & Glory Book 1: Full Measures* *Flight & Glory Book 2: Eyes Turned Skyward* *Flight & Glory Book 3: Beyond What is Given* *Flight & Glory Book 4: Hallowed Ground*

Lady Catriona Cordelia Mackenzie became a burden the moment she was born. Unwanted by her Scottish father for being born a girl and scorned by her grandmother for carrying a hated name, Della is only left with books for comfort. But when she reaches her majority, her father summons her to his Scottish keep to marry her off to the gentleman who will pledge the greatest alliance to him. No matter the man's vile reputation. Andrew

Darby, the Duke of Ravenwood, accepted the MacKenzie's invitation to his Scottish keep thinking it to be a much-deserved stalking trip. After seeing his four sisters safely wed, he's ready to start enjoying his own life without the responsibility of caring for his sisters. But when he learns of the MacKenzie's true intent, he cannot stand by and allow Della to face her fate. Even if it means he must marry her. The Duke and the Lass is the fifth book in the steamy, heart-stopping historical romance series, The Unwanted Dukes. If you love sexy, spellbinding romance and heartwarming humor, don't miss this captivating series from bestselling author Jessie Clever. Discover adventure and romance when you download The Duke and the Lass today.

Regretting Motherhood

Chinese Cinderella

***More than 800,000 copies in print! From the author of critically acclaimed and bestselling memoir Falling Leaves, this is a poignant and moving true account of her childhood, growing up as an unloved daughter in 1940s China. A Chinese proverb says, "Falling leaves return to their roots." In her own courageous voice, Adeline Yen Mah returns to her roots to tell the story of her painful childhood and her ultimate triumph in the face of despair. Adeline's affluent, powerful family considers her bad luck after her mother dies giving birth to her, and life does not get any easier when her father remarries. Adeline and her siblings are subjected to the disdain of her stepmother, while her stepbrother and stepsister are spoiled with gifts and attention. Although Adeline wins prizes at school, they are not enough to compensate for what she really yearns for -- the love and understanding of her family. Like the classic Cinderella story, this powerful memoir is a moving story of resilience and hope. Includes an Author's Note, a 6-page photo insert, a historical note, and the Chinese text of the original Chinese Cinderella. **people from their homes into the uncertain embrace of new lands, from the author of *The Reluctant Fundamentalist* and the forthcoming *The Last White Man*. In a country teetering on the brink of civil war, two young people meet—sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, and are soon cloistered in a premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors—doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. . . . *Exit West* follows these remarkable characters as they emerge into an alien and uncertain future, struggling to hold on to each other, to their past, to the very sense of who they are. Profoundly intimate and powerfully inventive, it tells an unforgettable story of love, loyalty, and courage that is both completely of our time and for all time.**

**Miles is a wealthy businessman who retreats to his South African beachside home to recover from an illness. Charity has been his housekeeper for 3 or so years. She's had the home mostly to herself while Miles and his siblings live in the UK. Cut off by violent winter storms, they're forced to spend time together and learn who they really are.**

**The companion volume to *12 Rules for Life* offers further guidance on the perilous path of modern life. In *12 Rules for Life*, clinical psychologist and celebrated professor at Harvard and the University of Toronto Dr. Jordan B. Peterson helped millions of readers impose order on the chaos of their lives. Now, in this bold sequel, Peterson delivers twelve more lifesaving principles for resisting the exhausting toll that our desire to order the world inevitably takes. In a time when the human will increasingly imposes itself over every sphere of life—from our social structures to our emotional states—Peterson warns that too much security is dangerous. What's more, he offers strategies for overcoming the cultural, scientific, and psychological forces causing us to tend toward tyranny, and teaches us how to rely instead on our instinct to find meaning and purpose, even—and especially—when we find ourselves powerless. While chaos, in excess, threatens us with instability and anxiety, unchecked order can petrify us into submission. *Beyond Order* provides a call to balance these two fundamental principles of reality itself, and guides us along the straight and narrow path that divides them.**

***Undo Motherhood***

First time in mass-market paperback. A groomsman and his last-minute guest are about to discover if a fake date can go the distance in the fun and flirty multicultural romance debut by the "New York Times"-bestselling author of "The Proposal," a Reese Witherspoon Book Club selection.

A married couple yearns to rediscover lost love in this novel about forgiveness, reconciliation, and emotional growth. It's always been complicated between Libby Lawson and Greyson Chapman--and married life isn't any simpler. But when Libby gets pregnant, she at last sees a bright future ahead. There's just one problem: Greyson says he's sterile. Furious, Greyson abandons the young family. Equally furious and deeply hurt, Libby cuts all ties with him. After all these years, it seems their relationship has finally expired. But love is resilient and endures even when you don't want it to. Greyson still longs for Libby, and though Libby's heartbroken by Greyson's lack of trust, she holds out hope for a complete, happy family. And so they embark on the journey back to each other, wary of all the obstacles between them. It's been a long road already--one strewn with fear, doubt, and misunderstandings. Will they keep looking to the past, or will they look to each other and walk hand in hand toward a broad new horizon?

An unplanned pregnancy can leave emotional wounds that take years to heal. The options are many: abortion, adoption, keeping the child. The questions are even more: How? Why? Where can you go for help? What do you do? *Deliver Me: Hope, Help, & Healing through True Stories of Unplanned Pregnancy* explores each of the choices and their after-effects, highlighting the most sensitive moments women and men in unplanned pregnancies face, and how it affects grandparents, friends, and other loved ones. --from publisher description

In recent years, politicians led by President Obama and prominent senators and governors have teamed with extremists on campus to portray our nation's institutions of higher learning as awash in a violent crime wave—and to suggest (preposterously) that university leaders, professors, and students are indifferent to female sexual assault victims in their midst. Neither of these claims has any bearing to reality. But they have achieved widespread acceptance, thanks in part to misleading alarms from the Obama administration and biased media coverage led by *The New York Times*. The frenzy about campus rape has helped stimulate—and has been fanned by—ideologically skewed campus sexual assault policies and lawless commands issued by federal bureaucrats to force the nation's all-too-compliant colleges and universities essentially to presume the guilt of accused students. The result has been a widespread disregard of such bedrock American principles as the presumption of innocence and the need for fair play. This book uses hard facts to set the record straight. It explores, among other things, nearly

two dozen of the cases since 2010 in which students who in all likelihood would have or have subsequently been found not guilty in a court of law have, in a lopsided process, been hastily and carelessly branded as sex criminals and expelled or otherwise punished by their colleges, often after being tarred and feathered by their fellow students. And it shows why all students—and, eventually, society as a whole—are harmed when our nation's universities abandon pursuit of truth and seek instead to accommodate the passions of the mob. As detailed in the new Epilogue, some encouraging events have transpired since this book was first published in October 2016. A majority of the judicial rulings in dozens of lawsuits by male students claiming their schools treated them unfairly and discriminated against them based on their gender have rebuked the schools for their handling of these cases. And Education Secretary Betsy DeVos called for fairness to accused students and accusers alike, revoked most of the guilt-presuming Obama-era policies, and began a protracted rule-making process designed to compel procedural fairness and nondiscrimination.

The Marriage Bargain

*No one had ever looked at her and seen perfection--until now. Delicate, titian-haired Theresa Noble has met her father's associates in the past, but the gorgeous, Italian-born Sandro De Lucci leaves her speechless. Eighteen months into their marriage, however, Sandro has turned to ice. Desperate to escape a relationship that has proven to be as stubbornly passionate as it is cold and hateful, Theresa summons up the courage to ask for a divorce. But before he'll grant her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must seek an empowering truth about the husband who calls her, with such cold affection, his cara, his beloved.*

*The exciting bestselling author who thrilled readers with The Marriage Bargain and The Marriage Trap, Jennifer Probst rounds out her sizzling trilogy with more "nonstop sexual tension" (Laura Kaye). Carina Conte has had a crush on her brother Michael's best friend, Max Gray, since she was a teenager. Now she's earned her MBA and come to work at Michael's new venture, America's fastest-growing bakery empire. But*

*some things never change: her family still treats her like a child. With three drop-dead gorgeous siblings, she's still the ugly duckling of the bunch. And Max, the company's new CEO, still barely notices her. Max knows Carina Conte is strictly off limits. But hot-blooded lust wins out at a conference when the two share a scorching one-night stand—and are busted by her mother! Now, forced by old-world Italian tradition into a marriage he's not ready for, Max is miserable—and Carina is furious. Her new husband is about to realize that hell hath no fury like a woman transformed....*

*In order to serve their own selfish needs, struggling bookstore owner Alexa and billionaire Nicholas decide to be in a loveless marriage for only a year, but things get complicated when love grows between them.*

*Some temptations are just not worth the complication. Victoria Hollingsworth does not need a surly, uncommunicative bodyguard cramping her style, following her everywhere, and intimidating any would-be male callers. She's a florist for goodness sake, not a princess or a pop star. Having a massive, mysterious bodyguard always hovering is an inconvenience. And yet... there he is, Tyler Chambers, her unwanted protector, ultra-serious, no-nonsense, and off-the-charts hot. Vicki doesn't want, or need, him as a bodyguard. Yet, disturbingly, he may be everything she wants, and needs, in a man. Ty hates his current long-term assignment. It's mind-numbingly tedious. Vicki Hollingsworth is a pain in the butt who talks too much, laughs a lot, and frequently tests his patience. And her life isn't exactly filled with intrigue and action. Ty is ready for this job to be over. He has just a couple of months left before reassignment. He's mere weeks away from being out of here. The last thing he needs is to find his cute-as-a-button charge irresistibly attractive. She's not his type. Wholesome, adorable, and sweet, Vicki is the kind of woman who needs long-term commitment. And all Ty has to offer is a few short weeks of far-from-wholesome pleasure. How much chaos can one little florist introduce into his regimented life? Ty is about to find out.*
