NEW YORK TIMES BESTSELLER Paris, 1938. As the shadow of war darkens Europe, democratic forces on the Continent struggle against fascism and communism, while in Spain the war has already begun. Alan Furst, whom Vince Flynn has called “the most talented espionage novelist of our generation,” now gives us a taut, suspenseful, romantic, and richly rendered novel of spies and secret operatives in Paris and New York, in Warsaw and Odessa, on the eve of World War II. Cristián Ferrar, a brilliant and handsome Spanish émigré, is a lawyer in the Paris office of a prestigious international law firm. Ferrar is approached by the embassy of the Spanish Republic and asked to help a clandestine agency trying desperately to supply weapons to the Republic’s beleaguered army—an effort that puts his life at risk in the battle against fascism. Joining Ferrar in this mission is a group of unlikely men and women: idealists and gangsters, arms traders and aristocrats and spies. From shady Paris nightclubs to white-shoe New York law firms, from brothels in Istanbul to the dockyards of Poland, Ferrar and his allies battle the secret agents of Hitler and Franco. And what allies they are! There’s Max de Lyon, a former arms merchant now hunted by the Gestapo; the Marquessa María Cristina, a beautiful aristocrat with a taste for danger; and the Macedonian Stavros, who grew up “fighting Bulgarian bandits. After that, being a gangster was easy.” Then there is Eileen Moore, the American woman Ferrar could never forget. In Midnight in Europe, Alan Furst paints a spellbinding portrait of a continent marching into a nightmare—and the heroes and heroines who fought back against the darkness. Praise for Alan Furst and Midnight in Europe “Furst never stops astounding me.”—Tom Hanks “Furst is the best in the business.”—Vince Flynn “Elegant, gripping. . . . [Furst] remains at the top of his game.”—The New York Times “Suspenseful and sophisticated. . . . No espionage author, it seems, is better at summoning the shifting moods and emotional atmosphere of Europe before the start of World War II than Alan Furst.”—The Wall Street Journal “Endlessly compelling. . . . Furst delivers an observant, sexy, and thrilling tale set in the outskirts of World War II. In Furst’s hands, Paris once again comes alive with intrigue.”—Trirk Larson “Too much fun to put down. . . . [Furst is] a master of the atmospheric thriller.”—The Boston Globe

The intrigue of “The Raven Boys and the “supernatural or not” question of The Unbecoming of Mara Dyer coalesce in this young adult mystery, where nothing is quite as it seems, no one is quite who you think, and everything can change on a dime. Every story needs a hero. Every story needs a villain. Every story needs a secret. Wink is the odd, mysterious neighbor girl, wild red hair and freckles. Poppy is the blond bully and the beautiful, manipulative high school queen bee. Midnight is the sweet, uncertain boy caught between them. Wink, Poppy, Midnight. Two girls. One boy. Three voices that burst onto the page in short, sharp, bewitching chapters, and spiral swiftly and inexorably toward something terrible or tricky or tremendous. What really happened? Someone knows. Someone is lying. For fans of Holly Black, We Were Liars, and The Virgin Suicides, this mysterious tale full of intrigue, dread, beauty, and a whiff of something strange will leave you utterly entranced. Tom's Midnight Garden

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher’s carefully constructed world falls apart when he finds his neighbour’s dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents’ marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher’s mind. And herein lies the key to the brilliance of Mark Haddon’s choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debuts in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Will Poppy has always been fascinated with writing - he thinks there’s something almost... magical about it. But when his mother passes away, Will finds himself stuck living with his awful aunt, unable to write a single word (despite the fact that two Muses will not leave him alone), and handed a mysterious package which includes an old picture of his grandparents and a piece of cloth with the words “The Griffin of Darkwood” on it. When his aunt decides to move both of them to a small village, Will is excited for a new adventure, and in a castle no less! But after a rude welcome to the town that includes stories about a curse, and an introduction to the servants of the castle who evidently mean to cause him harm, Will’s sense of dread about the whole village rises. What is the curse the villagers all claim has been on the castle for hundreds of years, and what does it have to do with the disappearance of a young girl forty years ago? More importantly, what’s The Griffin of Darkwood, and what does it have to do with Will and his family? Forbidden love, danger and vengeance. . . . NATIONAL BESTSELLER • “Elegant and wicked...” [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.” —The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty,early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt’s sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young rebeck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minnet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.
