A Level Maths Revision Notes for the Edexcel Pure Maths A Level Exams (new specification). This is "The Alternative Formula Booklet". It contains everything you need to learn for the pure maths exams that are not in the Formula Booklet! Who is this booklet for? This booklet is for anyone taking the new A Level maths course. It has been designed specifically for the Edexcel pure maths exams, but will be very useful for the other exam boards. It is suitable for both teachers and students. What is in this booklet? This is the alternative formula booklet! It contains all the things you need to know for the pure maths exams that aren't given to you in the official exam formula book. How to use this booklet Students: Use this booklet alongside your homework and past paper questions. Think of it as the clues you need to complete the questions. Get used to using the formulas in this booklet and then learn the whole lot off by heart for the exams! Teachers: Take this booklet to all your lessons. Use it as a reference to double check formulas, or quickly look up something you should know but have forgotten. Use it to test students on their formula knowledge! Notes from the Author I hope you find this booklet as useful as I do! It is the result of many years of teaching A Level maths.
