“Christmas wouldn't be Christmas without a Sheila Roberts story . . . a heartwarming confection that's as sweet as a sugarplum, and as deeply moving as snowfall.” –Susan Wiggs
The best Christmas gifts—family, friendship and second chances—are all waiting to be unwrapped in this sparkling new novel from USA TODAY bestselling author Sheila Roberts. Single mom Lexie Bell hopes to make this first Christmas in their new home special for her six-year-old son, Brock. Festive lights and homemade fudge, check. Friendly neighbors? Uh, no. The reclusive widower next door is more grinchy than nice. But maybe he just needs a reminder of what matters most. At least sharing some holiday cheer with him will distract her from her own lack of romance. Stanley Mann lost his Christmas spirit when he lost his wife and he sees no point in looking for it. Until she shows up in his dreams and informs him it's time to ditch his scroogeey attitude. Stanley digs in his heels, but she's determined to haunt him until he wakes up and rediscovers the joys of the season. He can start by being a little more neighborly to the single mom next door. In spite of his protests, he's soon making snowmen and decorating Christmas trees. How will it all end? Merrily, of course. A certain Christmas ghost is going to make sure of that!

A sequel to the book "Leon's Gift at Christmas Time" written by the same author, we see Candace seventeen years later and what her life looks like now. It is the five days until Christmas plus a little bit more, well... a lot more. Check in on Candace and see what time does to a family. The ups and downs. The things that get resolved and what doesn't. It is an enchanting tale for both the realists and the dreamers, who want a little bit of Christmas without the fluff and fantasy, unfolding only as life actually does or doesn't. This time a second chance starts in ordinary ways. The kind of thing one thinks about at Christmas, sometimes. Real or fantasy, we all deserve to hope for it or something like it, this time of the year. It is another tale to help us be thankful for what we have this Christmas or any Christmas, for that matter. Could be better. Together.

It's 1980-something and all nine-year-old Jake Doyle wants for Christmas is a Nintendo Entertainment System. No Jose Canseco rookie card, no GI Joe hovercraft, no Teddy friggin' Ruxpin-just Nintendo. But when a hyperactive Shih Tzu is accidentally crushed to death by a forty-two-inch television set and every parent in town blames Nintendo, it's up to Jake to take matters into his own hands. The result is a Christmas quest of Super Mario Bros. proportions, filled with flaming wreaths, speeding minivans, lost retainers, fake Santas, hot teachers, snotty sisters, "Super Bowl Shuffles" and one very naked Cabbage Patch Kid. Told from a nostalgic adult perspective, 8-Bit Christmas is a hilarious and heartfelt look back at the kid pop culture of the 1980s.

A woman working over the holidays finds the gift of romance under the tree in this "truly magical tale perfect for the festive season" (Little Mix No Sleep). As a wedding planner at Carrick Park Hotel, Ailsa McCormack is devoted to giving couples their perfect day. And in this case, that means organizing a Christmas Day wedding at the expense of her own holiday plans. Not that Ailsa minds. There's something special about Carrick Park during the festive season. And she's fascinated by its rich history and past occupants; particularly the beautiful and tragic Ella Carrick, whose striking portrait still hangs at the top of the stairs. Then an encounter with a tall, handsome and strangely familiar man on Christmas Eve transforms Ailsa's lonely Christmas into a far more magical occasion than she could have ever imagined . . .

Christmas should be celebrated with family. But for Vera Swanson, that's not an option this year. Widowed and recently relocated, she is lonely in her condo-for-one--until little Fiona Albright knocks on her door needing help. With her mother seriously ill and her father out of town, Fiona enlists Vera's help, and when she finds out her new neighbor is a quilter, she has a special request--a Christmas quilt for Mama. Between free-spirited artist Tasha, chatty empty nester Beverly, retired therapist Eleanor, and herself, Vera has hopes that Christmas for the Albright family will be merry, after all--and she may find herself a new family of friends along the way.
