

A Million Guilty Pleasures

“Delightful...cathartic, devious, and terrifically entertaining.” —The New York Times “Timely, whip-smart, and darkly funny.” —People (Book of the Week) “A deliciously dark fable of sex and power.” —Esquire A provocative, razor-sharp, and timely debut novel about a beloved English professor facing a slew of accusations against her professor husband by former students—a situation that becomes more complicated when she herself develops an obsession of her own... “When I was a child, I loved old men, and I could tell that they also loved me.” And so we are introduced to our deliciously incisive narrator: a popular English professor whose charismatic husband at the same small liberal arts college is under investigation for his inappropriate relationships with his former students. The couple have long had a mutual understanding when it comes to their extra-marital pursuits, but with these new allegations, life has become far less comfortable for them both. And when our narrator becomes increasingly infatuated with Vladimir, a celebrated, married young novelist who’s just arrived on campus, their tinder box world comes dangerously close to exploding. With this bold, edgy, and uncommonly assured debut, author Julia May Jonas takes us into charged territory, where the boundaries of morality bump up against the impulses of the human heart. Propulsive, darkly funny, and wildly entertaining, Vladimir perfectly captures the personal and political minefield of our current moment, exposing the nuances and the grey area between power and desire.

National Book Award Finalist A clear-sighted revelation, a deep penetration into the world of Scientology by the Pulitzer Prize-winning author of The Looming Tower, the now-classic study of al-Qaeda's 9/11 attack. Based on more than two hundred personal interviews with current and former Scientologists—both famous and less well known—and years of archival research, Lawrence Wright uses his extraordinary investigative ability to uncover for us the inner workings of the Church of Scientology. At the book's center, two men whom Wright brings vividly to life, showing how they have made Scientology what it is today: The darkly brilliant science-fiction writer L. Ron Hubbard, whose restless, expansive mind invented a new religion. And his successor, David Miscavige—tough and driven, with the unenviable task of preserving the church after the death of Hubbard. We learn about Scientology's complicated cosmology and special language. We see the ways in which the church pursues celebrities, such as Tom Cruise and John Travolta, and how such stars are used to advance the church's goals. And we meet the young idealists who have joined the Sea Org, the church's clergy, signing up with a billion-year contract. In Going Clear, Wright examines what fundamentally makes a religion a religion, and whether Scientology is, in fact, deserving of this constitutional protection. Employing all his exceptional journalistic skills of observation, understanding, and shaping a story into a compelling narrative, Lawrence Wright has given us an evenhanded yet keenly incisive book that reveals the very essence of what makes Scientology the institution it is.

Being healthy is easier, less expensive, and a whole lot more enjoyable than you think. Much of the health advice we receive today tells us that in order to be healthy, we must consume a Spartan diet, exercise with the intensity of an Olympic athlete, and take a drug for every ailment. We constantly worry about the foods we should or shouldn't be eating and the medical tests we have neglected to take. And all that worry costs us dearly--financially, emotionally, and physically. In *The Good Vices*, prominent naturopathic physician Dr. Harry Ofgang and health journalist Erik Ofgang tear down decades of myth and prejudice to reveal how some of our guilty pleasures are not only okay but actually good for our health. For example:

- Like wine, moderate beer and spirit consumption raises our bodies' level of good cholesterol, which protects against heart disease.
- Egg yolks are an excellent source of important fat-soluble vitamins.
- Research suggests that moderate exercisers can be at least as healthy as, and sometimes even healthier than, those who exercise intensively.

Forget what you thought you knew about what's healthy, and enjoy some good vices instead.

Guilty Pleasure

Women write about their experiences of loving music that doesn't love them back – a feminist 'guilty pleasures'.e - a kind of feminist guilty pleasures. In the majority of mainstream writing and discussions on music, women appear purely in relation to men as muses, groupies or fangirls, with our own experiences, ideas and arguments dismissed or ignored. But this hasn't stopped generations of women from loving, being moved by and critically appreciating music, even – and sometimes especially – when we feel we shouldn't. Under My Thumb: Songs that Hate Women and the Women Who Love Them is a study of misogyny in music through the eyes of women. It brings together stories from journalists, critics, musicians and fans about artists or songs we love (or used to love) despite their questionable or troubling gender politics, and looks at how these issues interact with race, class and sexuality. As much celebration as critique, this collection explores the joys, tensions, contradictions and complexities of women loving music – however that music may feel about them. Featuring: murder ballads, country, metal, hip hop, emo, indie, Phil Spector, David Bowie, Guns N' Roses, 2Pac, the Rolling Stones, Bob Dylan, AC/DC, Elvis Costello, Jarvis Cocker, Kanye West, Swans, Eminem, Jay-Z, Taylor Swift, Combichrist and many more.

After a lavish night of guilty pleasures in Monte Carlo, four best friends face an awful morning of arrests -- and a fight for survival. Only minutes after Abbie Elliot and her three best friends step off of a private helicopter, they enter the most luxurious, sumptuous, sensually pampering hotel they have ever been to. Their lavish presidential suite overlooks Monte Carlo, and they surrender: to the sun and pool, to the sashimi and sake, to the Bruno Paillard champagne. As the weekend moves into pulsating discos, high-stakes casinos, and beyond, Abbie is transported to the greatest pleasure and release she has ever known. In the morning's harsh light,

Abbie awakens on a yacht, surrounded by police. Something awful has happened: something impossible, unthinkable. Abbie, Winnie, Serena, and Bryah are arrested and accused of the foulest crime imaginable. And now the vacation of a lifetime becomes the fight of a lifetime—a fight for survival. Guilty Wives is the ultimate indulgence, the kind of nonstop joy-ride of excess, friendship, betrayal, and danger that only James Patterson can create.

Bound by passion, she was powerless to resist. The Silver Chain is the first in the sexy, passionate and addictive Unbreakable Trilogy by Primula Bond.

Lisa and Rebecca have been super close friends forever. Both are single freelancers in their early 30s and frequently meet up for lunch dates. One might have..., the other....I'm not so sure! Both were flustered with deep-seated questions. Neither were sure talking about it would bring the relationship back to what it once was or at least what they thought it was. Did they secretly crave more? Were they just going to blame it on the alcohol and move on? The question they both keep asking themselves, is not the question they should have asked! Do they want their mid-day lunches back or do they want their steamy evenings? Neither know what they want, but they both know, they can't ignore their awakening!
