CPC Practice Exam 2021

CPD™ Certification Study Guide

When it comes to getting a coding certification, the American Association of Professional Coders (AAPC)'s Certified Professional Coder (CPC) exam is one of the most well known. You'll need to be highly prepared for a test as intense and extensive as the CPC exam, which takes almost six hours to complete. In this section, we'll teach you the basics of the exam and provide you with valuable study techniques and test-taking strategies. We'll also go over each of the 24 sections that the CPC exam focuses on, meaning you'll know what to expect when it comes time to get certified. There are many areas of study that you must have a solid understanding of in order to successfully pass the CPC. It is important not to get overwhelmed once you open the test booklet -- just remember to focus on coding conventions and guidelines and don't get sidetracked in the minutia. The following list is a mini breakdown of the areas of study you should ensure you have a thorough understanding of prior to sitting for the exam: Medical terminology; Prefixes/suffixes used for naming medical conditions/procedures; HCPCS; Alphanumeric designated codes that identify supplies/drugs/temporary codes; Modifiers: Two-digit suffix appended to the end of a code to indicate additional services/providers/statuses; ICD-10-CM: Diagnosis code reporting for physician and outpatient, coding conventions and guidelines for reporting of illnesses/conditions/accidents/injuries, and more; E/M (Evaluation and Management Visit Codes): Know what visit codes are used in each outpatient or inpatient setting; Anesthesia Section: Understand the types of anesthesia - general/regional/local

System/Endocrine/Nervous System/Eye System  
Medical Terminology and Anatomy for ICD-10 Coding integrates expanded anatomy, physiology, and pharmacology coverage with the latest medical terminology you need to correctly code in ICD-10. The ICD-10-CM classification system serves as the structure for organizing diseases and disorders, with carefully drawn, well-labeled illustrations that help you visualize the associated anatomy. ICD-10 coding guidelines and notes, along with electronic medical records and integrated exercises are interspersed throughout the text. A robust Evolve site includes games, activities, and animations to reinforce learning. Medical terminology specifically tailored to ICD-10-CM and ICD-10-PCS guidelines supply you with an excellent foundation for learning the medical terminology related to ICD-10-CM. Learn all the anatomy and physiology necessary to be able to understand medical reports and code accurately in ICD-10-CM/PCS. Pathology terms organized by ICD-10 disease and disorder categories let you learn terms in the same order they are presented in the coding manual. Guideline Alert! boxes highlight ICD-10-PCS coding information when relevant to medical terminology. Special Notes boxes present ICD-10 features that affect your understanding of the terminology presented. Root operation tables illustrate the root operations in PCS and their associated suffixes. Body Part key provides a complete list of body parts and how they should be coded in ICD-10. Pathology and procedure terminology tables list the word parts for each term, along with the definition so you become familiar with prefixes, suffixes, and combining forms. Exercises interspersed throughout the text encourage you to practice and learn as you move through the material. Be Careful! boxes warn you about similar and potentially confusing word parts and medical terms. Games and activities on accompanying Evolve website offer an easily accessible source for extra interactive practice and learning. Electronic medical record format illustrates the appearance of electronic records now being used in many healthcare settings. NEW! Pharmacology in each body system and a Pharmacology Basics appendix help you recognize drugs and medications in medical reports. NEW! More than 50 new images bring terminology to life. NEW! Additional procedural terms supply a more complete picture of the number and kind of procedures you will encounter on medical reports. NEW! Normal Lab Values appendix familiarizes you with normal and abnormal lab values so you know when to search a medical record for possible additional diagnoses. NEW! Tablet and mobile-optimized Evolve activities offer an easily accessible source for extra interactive practice and learning.

Are you ready for your exam? Use this book and the Interactive CD-ROM now to help prepare for the AHIMA Clinical Registered Health Information Administrator (RHIA) and Registered Health Information Technician (RHIT) certification examinations. This packed resource provides strategies, test-taking skills, and a great comprehensive mock examination to practice. A total of over 1,600 review questions have been compiled for you - Benefits: • Health Data Content and Standards • Health Statistics and Research • Quality and Performance Improvement • Organization and Management • Human Resources • Information Access and Retention • Classification Systems, Registries, and Indexing • Medical Billing and Reimbursement Systems • Medical Science • ICD-9-CM and CPT coding • Informatics and Information Systems • Health Information Privacy and Security • Health Law

1 updates to CPC Practice Exam 2022 Error the actual AAPC CPC exam. This practice exam and study guide has the same basic structure and category divisions with questions very similar to those found on the real exam. The answer to each question also includes a detailed rationale. Updated for 2020 Will definitely help you pass the CPC exam issued by the AAPC, and is also helpful if you are taking the CCS exam by AHIMA. Don't let your dream of becoming a Certified Professional Coder pass you by! The medical billing and coding exam is not easy to pass, and this book will help you feel less intimidated when taking the test - you will feel like you've already taken it. The CCDS Exam Study Guide

ICD-10-CM 2020: The Complete Official Codebook provides the entire updated code set for diagnostic coding, organized to make the challenge of accurate coding easier. This codebook is the cornerstone for establishing medical necessity, determining coverage and ensuring appropriate reimbursement. Each of the 21 chapters in the Tabular List of Diseases and Injuries is organized to provide quick and simple navigation to facilitate accurate coding. The book also contains supplementary appendices including a coding tutorial, pharmacology listings, a list of valid three-character codes and additional information on Z-codes for use as secondary diagnosis codes that can only be used as a principal diagnosis. Official coding guidelines for 2020 are bound into this codebook. FEATURES AND BENEFITS: Full list of code changes. Quickly see the complete list of new, revised, and deleted codes affecting the FY 2020 codes; CPT symbol for long-term drug use and Z-codes that can only be used as a principal diagnosis. Official coding guidelines for 2021 are bound into this codebook. FEATURES AND BENEFITS: Full list of code changes. Quickly see the complete list of new, revised, and deleted codes affecting the FY 2021 codes, including a conversion table and code changes by specialty; OPP symbol in the tabular section. The symbol identifies diagnosis codes associated with Quality Payment Program (QPP) measures under MACRA. The addition of more than 100 coding tips. Obtain insight into coding for physician and outpatient settings; The addition of more than 300 new definitions in the tabular listing. Assign codes with confidence based on illustrations and definitions designed to highlight key components of the disease process or injury; Intuitive features and format. This edition includes full-color illustrations and visual alerts, including color-coding and symbols that identify coding notes and instructions; additional character requirements, codes associated with CMS hierarchical condition categories (HCC), Medicare Code Edits (MCEs), manifestation codes, other specified codes, and unspecified codes; Placeholder X. This icon alerts the coder to an important ICD-10-CM convention—the use of a “placeholder X” for three-, four- and five-character codes requiring a seventh character extension; Coding guideline explanations and examples. Detailed explanations and examples related to application of the ICD-10-CM chapter guidelines are provided at the beginning of each chapter in the tabular section; Muscle/tendon translation table. This table is used to determine muscle/tendon action (flexor, extensor, other), which is a component of codes for acquired conditions and injuries affecting the muscles and tendons; Appendices. Supplement your coding knowledge with information on proper coding practices, risk adjustment coding, pharmacology, and Z codes.

Official 2022 ICD-10-Expert Code Book Do you ever struggle with the level of ICD-10-CM code specificity required for successful claim submissions? The struggle ends here. The ICD-10-Expert 2022 will not only get you up to speed with 2022 updates but will also help you check your coding for medical necessity. Color coding and illustrations make the material easy to navigate, digest and remember. Developed for students and professionals alike, the ICD-10-Expert 2022 is designed for coders by coders. It is custom-tailored as an easy, essential reference for use in the office, medical facilities, classrooms, and for exams. Key Features and Benefits: Complete 2022 ICD-10-CM code set with new codes, new text, revised codes, and revised text 2022 ICD-10-CM Official Guidelines for Coding and Reporting with expanded Quick View Flow Charts for quick and accurate information AAPC exclusive! Monthly email coding updates to keep you informed and keep your claims on track Symbols indicating “additional character required” to ensure valid coding Age and gender icons showing which codes have patient-based restrictions Symbols for unacceptable principal diagnosis, code exempt from diagnosis present on admission requirement, complication or comorbidity, CC/MCC exclusion, questionable admission, and HAC alert code first indicators, plus “code also” and “use additional code” notes Manifestation code alerts to properly assign codes representing manifestations of an underlying disease Extension symbols to identify encounter, recovery stage, or laterality Highlighted codes to recognize conditions related to MACRA quality measures HCC and RxHCC symbols to alert you to HCC and RxHCC diagnoses Full-color anatomical illustrations of anatomy and conditions throughout the Tabular List to help you to understand how to assign specific codes Colored vertical lines throughout the Alphabetic Index to easily recognize subterms and codes to cross reference Preprinted adhesive tabs to help you find specific sections quickly and easily Spiral binding allows book to lay flat for easy coding and scanning Free CEU with Purchase: With every purchase of a 2022 AAPC code book, you can register for a free code book training worth 1 CEU. Each training course will provide an overview of the code book including the history of the coding system, a tour of each book, and tips for success! Training courses only available for ICD-10-PCS, ICD-10-CM, HCPCS Level II, and 2022 AMA CPT® code book

Packed with test-taking tips and techniques, the OFFICIAL CPC CERTIFICATION STUDY GUIDE delivers a current and comprehensive review that helps you maximize your success on the AAPC CPC Certification Exam. The guide begins with a complete summary of the business of medicine, giving you a solid understanding of the medical office and the role of the coder. It covers ICD-9-CM guidelines using real-life examples. Each body system is reviewed, including coverage of anatomy, related diagnosis coding, CPT coding, HCPCS Level II coding, and modifiers. End-of-chapter questions are modeled after those on the actual certification exam, while operative notes give you hands-on experience coding what you have learned. Additional testing techniques and an end-of-guide practice exam lets you put your skills to the test. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The CPC Exam Study Guide With 150 Question Mock CPC Exam! The CPC Exam Study Guide includes a 150 question practice exam, answers (which begin on page 69) with full rationale, Medical Terminology, Common Anatomy, Tips to Passing the Exam, Secrets to Reducing Exam Stress, and Scoring Sheets. It is designed for students preparing for the medical coding certification exam from AAPC after January 1, 2022. Our 2021 Edition received over 125 ratings on Amazon with an overall 4.5 star average! Check it out here: https://amzn.to/3qSA001 \*\*\*\*\* Look at what some students had to say after using our practice exams \*\*\*\*\* "I just wanted to let you know that I was preparing for the CPC exam and took a practice exam and only made a 70%. I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly, I purchased your product (a practice exam and the strategies to pass) before sitting for the CPC exam. I received my results yesterday. I MADE A 92! I used all of the strategies you recommended (time management, highlighting, etc), which made all the difference in the world. Thank you so much!!!! - Heather T. "Great practice test... I passed the AAPC test the first try!" - Natalia "Great guide. It helped me pass the Certification Exam the first time!" - Dianne L. Bartos "This book was well worth my money. The exam tips were absolutely golden. No video on youtube can compare to the tips this book contains. When taking the actual CPC exam, I applied all of the tips that I had learned from this study guide. It helped me to manage my time well. Thanks to this study guide and a lot of studying, and a lot of prayer, I was able to pass the real exam with an 81 on my first try. I highly recommend this if you are looking to take the test soon." - Gia Q "This is very good... I used your practice exam bundle and passed the first time. I also recommended this to others preparing for the test in our organization. They ordered and felt it was of great value. I especially appreciated the explanation for the answers which helped me learn while I corrected the test. When I took the practice test, I set a timer for 5 hr 40 min, and was able to complete in 3 hours with a score of 89%." - Linda B, CPC. "I purchased your practice exam package and think it's great. Using your tips, I completed all 150 questions in 297 minutes and scored an 84%." - Elizabeth H. "I am thrilled to report Greg that I passed my CPC Exam on December 12th!" - Kathleen C. "Your test was amazing, it help me out a lot." - Vickey L. "Well the practice test helped me pass my CPC exam. I got he good news last week!" - Erica J. "I wanted to thank you for the CPC practice exam. Thanks to the practice I was able to pass the CPC and CCA exams on the first take. Your exam really helped me work on timing and the lab questions were especially helpful." - Mark T. "Wooohooooo, I passed! I also went for the Medical Administration certificate and passed that as well. Thanks for all your hints and practice exams to help me pass. Wow I am glad that's over. Thanks again!" - Deanna A. "I did purchase the practice exam from you before the new year and I passed my CPC. I found out literally new years eve! Thanks for the great exam!" - Sabrina. "I took the CPC exam Dec. 7. As a matter of fact, I did pass the CPC exam and your practice exam helped. Thanks! Go ahead and list my name in your Certified Coders section." - Lester B. "I have passed the CPC and thank you for all of your help with the preparation materials." - Victoria S.

When I took the practice test, I set a timer for 5 hr 40 min, and was able to complete in 3 hours with a score of 89%." - Linda B, CPC. "I purchased your practice exam package and think it's great. Using your tips, I completed all 150 questions in 297 minutes and scored an 84%." - Elizabeth H. "I am thrilled to report Greg that I passed my CPC Exam on December 12th!" - Kathleen C. "Your test was amazing, it help me out a lot." - Vickey L. "Well the practice test helped me pass my CPC exam. I got he good news last week!" - Erica J. "I wanted to thank you for the CPC practice exam. Thanks to the practice I was able to pass the CPC and CCA exams on the first take. Your exam really helped me work on timing and the lab questions were especially helpful." - Mark T. "Wooohooooo, I passed! I also went for the Medical Administration certificate and passed that as well. Thanks for all your hints and practice exams to help me pass. Wow I am glad that's over. Thanks again!" - Deanna A. "I did purchase the practice exam from you before the new year and I passed my CPC. I found out literally new years eve! Thanks for the great exam!" - Sabrina. "I took the CPC exam Dec. 7. As a matter of fact, I did pass the CPC exam and your practice exam helped. Thanks! Go ahead and list my name in your Certified Coders section." - Lester B. "I have passed the CPC and thank you for all of your help with the preparation materials." - Victoria S.

Official CPC Certification Study Guide  
The effectiveness of flash cards joined with the ease of use and small size of a book! These CPC Certification Exam flash cards are not conventional, but at Trivium Test Prep, we don't subscribe to convention. Traditional flash cards are bulky, difficult to organize, and impossible to use on the go unless of course you bind them with a ring. We did that for you by putting it into the form of a book so your flash cards can be used anytime, anywhere without worry about losing any or getting cards out of order...not to mention the sheer bulk of flash cards is condensed into an easy to use size. This flash card set includes must-know information to save time on the CPC exam. These flash cards are essential for the student wanting to increase the test taking speed. You will be ready to ace the AAPC CPC Certification exam, in fact, we guarantee it!

CPT(R) 2019 Professional Edition is the definitive AMA-authored resource to help health care professionals correctly report and bill medical procedures and services. Improve Efficiency, Boost Reimbursement, and Master 2022 CPT® Code Changes with the Procedural Coding Expert 2022 The user-friendly design of this expansive resource lays out the 2022 CPT® code set with full code descriptors, E/M coding advice, CPT® to HCPCS Level II G code crosswalks, CPT® and HCPCS Level II modifiers with definitions and tips, proprietary laboratory analysis codes, inpatient-only procedure codes, brand-name vaccinations associated with CPT® codes, vascular families for interventional radiology coding, Medicare Physician Fee Schedule (MIPS) details — and so much more! Everything you need for each coding decision, conveniently organized, is easily identifiable with color-coded alerts and highlights. Get quick access to essential data for spot-on CPT® coding. Updated for the CPC's 2021 exam, Trivium Test Prep's unofficial NEW CPC Practice Exam Questions: Prep Book with Practice Test Questions for the Certified Professional Coder Examination provides you with a quick but total review of everything tested on the exam with real examples, graphics, and information. This isn't just another typical practice test book: because we know your time is limited, we've created a product that isn't like most study guides. Our study materials give you that extra edge you need to pass the first time. AAPC was not involved in the creation or production of this product, is not in any way affiliated with Trivium Test Prep, and does not sponsor or endorse this product. Trivium Test Prep's CPC Practice Exam Questions has 240 practice questions on: Anesthesia Radiology Medicine Anatomy and Physiology Practice Management ICD-9-CM Coding Guidelines Pathology About Trivium Test Prep Trivium Test Prep is an independent test prep study guide company that produces and prints all of our books right here in the USA. Our dedicated professionals know how people think and learn, and have created our test prep products based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our study materials are specifically tailored for your exact needs. We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams!

Packed with test-taking tips and techniques, the 2014 CPC CERTIFICATION STUDY GUIDE delivers a current and comprehensive review that is the ideal prep for the AAPC CPC Certification Exam. The guide begins with a complete summary of the business of medicine, ensuring a solid understanding of the medical office and the role of the coder. It covers ICD-9-CM guidelines using real-life examples. Each body system is reviewed, including coverage of anatomy, related diagnosis coding, CPT coding, HCPCS Level II coding, and modifiers. End-of-chapter questions are modeled after those on the actual certification exam, and operative notes give readers further hands-on experience coding what they have learned. An end-of-guide practice exam gives readers additional practice putting their skills to the test.

CPT 2021 Professional Edition is the definitive AMA-authored resource to help health care professionals correctly report and bill medical procedures and services. Providers want accurate reimbursement. Payers want efficient claims processing. Since the CPT® code set is a dynamic, ever-changing standard, an outdated codebook does not suffice. The complete list of medical procedures and services begins with CPT® 2021 Professional Edition. Only the AMA, with the help of physicians and other experts in the health care community, creates and maintains the CPT code set. No other publisher can claim that. No other codebook can provide the official guidelines to code medical services and procedures properly. FEATURES AND BENEFITS: The CPT® 2021 Professional Edition codebook covers hundreds of code, guideline and text changes and features: CPT® Changes, CPT® Assistant, and Clinical Examples in Radiology citations -- Provides cross-referenced information in popular AMA resources that can enhance your understanding of the CPT code set/E/M 2021 code changes -- procedural guidelines on the updated codes for office or other outpatient and prolonged services section incorporated A Comprehensive Index -- aids you in locating codes related to a specific procedure, service, anatomic site, condition, synonym, eponym or abbreviation to allow for a clearer, quicker search Anatomical and procedural illustrations -- help improve coding accuracy and understanding of the anatomy and procedures being discussed Coding tips throughout each section -- Improve your understanding of the nuances of the code set Enhanced codebook table of contents -- allows users to perform a quick search of the codebook's entire content without being in a specific section Section-specific table of contents -- provides users with a tool to navigate more effectively through each section's codes Summary of additions, deletions and revisions provides a quick reference to 2020 changes without having to refer to previous editions Multiple appendices -- offer binding information to additional information and resources that cover such topics as modifiers, clinical examples, add-on codes, vascular families, multianalyte assays and telemedicine services Comprehensive E/M code selection tables -- aid physicians and coders in assigning the most appropriate evaluation and management codes Adhesive section tabs -- allow you to flag those sections and pages most relevant to your work More full-color procedural illustrations Notes pages at the end of every code set section and subsection

CPT(R) 2022 Professional Edition is the definitive AMA-authored resource to help healthcare professionals correctly report and bill medical procedures and services.
