Catching a killer is tricky business for the owner of an Upstate New York magick shop in this mystery series debut by the author of This Magick Marmot. The tiny town of New Camel, New York, has become a tourist favorite thanks to an old magick shop called Abracadabra. It's been in the Wilde family for generations. And now, suddenly, twenty-something Kailyn Wilde is about to inherit the family business—as well as its magickal secrets. But the surprises keep coming when Kailyn goes to finalize the estate at the local attorney's office—and stumbles over the body of her best friend Elise's husband. As a brash detective casts the blame on Elise, Kailyn summons her deepest powers to find answers and start an investigation of her own. What with running a business, perfecting ancient spells, and keeping up with an uninvited guest of fabled origins, Kailyn has her hands full. But with the help of her uncanny black cat Sashkatu and her muumuu-clad Aunt Tilly, she's out to catch a killer before someone makes her disappear.

A novel of magic, birds, lost letters and love. Sydney, 1929: three people find themselves washed up on the steps of Miss Du Maurier's bohemian boarding house in a once grand terrace in Newtown. Ari is a young Jewish man, a pogrom orphan, who lives under the stern rule of his rabbi uncle, but dreams his father is Houdini. Upon his hand he bears a forbidden mark - a tattoo - and has a secret ambition to be a magician. Finding an injured parrot one day on the street, Ari is unsure of how to care for it, until he meets young runaway Lily, a glimmering girl after his own abracadabra heart. Together they form a magical act, but their lives take a strange twist when wild card Billy, a charming and dangerous drifter twisted by the war, can no longer harbour secret desires of his own. The Bird's Child is a feat of sleight-of-hand. Birds speak, keys appear from nowhere, boxes spill secrets and the dead talk. this is a magical, stunningly original, irresistible novel - both an achingly beautiful love story and a slowly unfurling mystery of belonging. 'A wonderful, strange, glittering book, full of astounding imagination, glorious really.' Edward Carey, author of Heap House 'A shimmering dream of haunted pasts. A silver girl. Abandoned boys. All the magic of the stage. The Bird's Child is a delight.' Essie Fox, author of The Somnambulist The Bird's Child is entirely original, its familiar Sydney settings set asparkle and rendered dreamlike by Sandra Leigh Price's lyrical and lovely writing. This is a magical fable that penetrates to deep emotional truths.' Geraldine Brooks 'This debut novel brings 1920s Sydney to life through a fairytale lens, highlighting the city's romance, its magic and its mystery ... It is the Australian setting that sets this quirky historical romance apart from others of its genre. Price's dream-like portrayal of a bygone Sydney - with its vaudeville shows and opium dens, lyrebirds and swagmen - establishes a unique mood that transforms the local into the exotic, making The Bird's Child a memorable tale.' Australian Book Review 'Gritty yet enchanting ... often deliciously sumptuous and erotically charged ... unusual, imaginative' Newtown Review of Books 'Skilfully written and richly imagined' Sydney Morning Herald

Abracadabra!

When the Abracadabra Club is invited to perform magic tricks and act as Colonial children in the grand opening of Olde Brattle Village, they begin to suspect there is more than magic at hand, and the village may be haunted.

Magic is a word we use to describe something amazing, awe-inspiring, or spectacular. Truly great magic makes us believe in things we know can't be real. In the hands of the greatest magicians, even a simple card trick can become truly wondrous. Now, in this nonfiction narrative of magic through the ages, HP Newquist explains how the world's most famous tricks were created. From the oracles of ancient Egypt and the wizards of medieval Europe on to the exploits of Houdini and modern practitioners like Criss Angel, this book unlocks the secrets behind centuries of magic and illusion. Fully illustrated and including step-by-step instructions for eight classic magic tricks, this book will have middle-grade readers spellbound.

Wow! Blast from the Past!

There is an untapped super-power in all of us that, once unlocked, can create a world that works for all, no matter what the circumstances. Yet despite the rapid advances in health, education and technology, many people in the world today, from all walks of life, feel trapped in the STORM (stress, tiredness, overwhelm, resignation and misery) of surviving modern life, with no means to break-through the STORM using the powerful energy source we were born with- JOY. What would your life be like for you if you could trigger joy into those areas of life where it has been missing? Saj Shah's childhood was full of joy inspired by his father through creativity, laughter and playfulness. But in his adulthood, joy became dormant as his life shifted towards a tiring and stressful pursuit of achievement, accomplishments and accolades. Saj accumulated a lot of achievements and accolades but at the cost of his health, vitality and energy. What was missing was a deep sense of satisfaction, aliveness and joy. The unexpected death of his father in 2013 provided the jolt of energy to resuscitate joy back into his life. Following his father's death, Saj embarked on a personal journey of exploration, discovery and learning about joy. He experimented with different disciplines and practices - using his own healthcare, pharmaceutical and life-sciences background, weaving it with new emerging discoveries in the field of epigenetics, positive psychology and neuroscience and combining this cutting-edge science with some tried and tested ancient wisdom techniques that have stood the test of time. What he discovered, researched and put into personal practice has profoundly transformed his experience of life. In this debut book Saj shares his prescription to empower and enable you to NOTICE, RESET and GENERATE your joy of life, no matter what the circumstances. Are you ready to see what becomes possible for you and your life when you fully unlock your JOYNETIX potential?

The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY "The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this." —George R.R. Martin "Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy." —Joe Hill "A very knowing and wonderful take on the wizard school genre." —John Green "The Magicians may just be the most subversive, gripping and enchanting fantasy novel I've read this century." —Cory Doctorow "This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story." —The New Yorker "The best urban fantasy in years." —A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more

dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book The Magician King and the #1 bestseller The Magician's Land, The Magicians is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.
