This is the book everyone has been waiting for—an inspiring celebration of the joy, challenges, and triumphs of being African American.

“The Motivation Manifesto is a poetic and powerful call to reclaim our lives and find our own personal freedom. It’s a triumphant work that transcends the title, lifting the reader from mere motivation into a soaringly purposeful and meaningful life. I love this book.” —Paulo Coelho
The Motivation Manifesto is a pulsing, articulate, ferocious call to claim our personal power. World-renowned high performance trainer Brendon Burchard reveals that the main motive of humankind is the the grand liberties of choice—time freedom, emotional freedom, social freedom, financial freedom, spiritual freedom. Only two enemies stand in our way: an external enemy, defined as the social oppression of who we are by the mediocre masses, and an internal enemy, a sort of self-oppression caused by our own doubt and fear. The march to Personal Freedom, Burchard argues, can be won only by declaring our intent and independence, stepping into our personal power, and battlin’ the day until full victory is won. Recalling the revolutionist voices of the past that chose freedom over tyranny, Burchard—at times poetic yet always fierce—motivates us to free ourselves from fear and take back our lives once and for all.

A game-changing book offering a six-step approach on how to find and follow your true calling and redefine success from entrepreneur and soul coach Rha Goddess. Are you willing to believe in you? Every single one of us has a calling. For most it’s the thing you have to force yourself not to do. When you try to ignore it, you can’t stop thinking about it. It is the thing that both terrifies you and brings you the most joy. Already living yours? Great! How do you make the most of it? Toss via 3 fundamental shifts, on how to stay true, get paid and do good. The steps that will help lead you there include: RECOGNIZING—it always begins with awareness. If you can’t see it then you can’t do anything about it. ACCEPTING—means embracing, and taking responsibility for yourself, your life, and the things that want or need to be changed. FORGIVING—yourself and others. AND MORE! The Calling will be the resource that people have been asking Rha to write for years, and this is the book she’s been waiting to share her proven method.

Stop Underestimating Yourself: You are capable of far more than you know. The most successful women are often not the most talented, the most gifted, or even the most experienced. What these women have is a knack for communicating that opens doors and gives them influence. Gleaning from powerful research, bestselling author and life strategist Valorie Burton unearths practical insights you can put to work in your life immediately. Scientific studies are proving what the power of life and death lies in the very words you speak. Let Valorie teach you how to... recognize the nuances in speech that can mean the difference between success and failure increase your influence by changing what you think and say in critical moments speak accurately about yourself so you don’t sabotage your most meaningful goals boost your confidence by making simple tweaks to your everyday speech Your words are powerful tools. It’s time to use them to build a better life.

For the first time, a Neuroscientist and Senior Lecturer at MIT reveals the surprising science that supports The Law of Attraction as an effective tool for self-discovery and offers a guide to discovering your authentic self to access your best life now. Self-help books like The Secret show us that if we can tap into “The Law of Attraction,” we have the power to change our destiny simply by reshaping our mind. Millions of people have used the ancient systems of manifestation and to find health, success, love, friendship, wealth, and more. But does the “Law of Attraction” actually work? And more important, is this kind of life-changing philosophy within reach for everyone, even the most skeptical among us? As Dr. Tara Swart, psychiatrist, neuroscientist, and Senior Lecturer at MIT shows us in The Source, if we can strip away our skepticism, these ancient tools of manifestation and visualization are fundamentally powerful and incredibly effective at freeing us from limiting behaviors and propelling us toward our truest, most authentic selves. Swart reveals how and why these systems actually work by offering the latest breakthroughs in neuroscience and behavioral psychology, including lessons in neuroplasticity, magneticism, emotional and logical thinking, and even hydration, self-care, and relaxation. Next, she describes her own journey from skeptic to believer, and guides readers through the scientific breakthroughs and personal revelations that changed her from an unhappy, close-minded, and disconnected woman wanting more from life, to a successful entrepreneur living with confidence, purpose, and joy. The truth is, most of the things we want—health, happiness, wealth, love—are governed by our ability to think, feel, and act—in our own words, by our brain. Dr. Swart combines the insights and inspiration of The Secret with the practical lessons of The Master Key System to help a new generation fulfill their dreams and create the life they want.

A near-death bombing accident forced 31-year-old James Nowlin to take a long hard look in the mirror. As a result of what he calls his "awakening," this already self-made millionaire and respected CEO reshaped his perspective and reprioritized his life. In The Purposeful Millionaire, James shares the four-part formula he used to transform his life into one of abundance and purposefulness. He believes that if he can survive the literal waters from which he was pulled, you too can survive—and thrive—in life's roughest waters. In this book, you'll learn how to:
• Shift thoughts of self-doubt and fear into ones of certainty
• Attract abundant personal and business relationships
• Use discipline and routine as the foundation of success
• Adopt an attitude of humility, kindness, and gratitude
• Arm yourself with the self-made-millionaire mindset
The Purposeful Millionaire will take you on a journey of self-mastery, guiding you to unlock your greater purpose: to achieve your highest success; and to live an epic, powerful, and abundant life. Your life is in your control!

New York Times bestselling author, Personal Transformation guru, and life coach for the Steve Harvey Show and Today, Lisa Nichols shares her journey from scarcity to abundance, outlining steps everyone can take to create abundance in career, relationships, self, and finances—while creating a legacy for others to follow. Twenty years ago, Lisa Nichols was a single mother dependent on public assistance and jumping from one dead end job to the next. Determined to break out of the defeatist mindset, negative behavior, and bad habits that were holding her back from success, she resolved to change her life. Today, she leads the life of her dreams. In Abundance Now, this icon in the field of personal transformation shares her secrets to creating a life that is rich in every way possible. Focusing on the four areas of life that must be refined to bring true abundance, or the 4 Es—Enrichment, Enchantment, Engagement, Endowment—Nichols identifies the framework upon which a fulfilled existence is built. Abundance Now offers provocative lessons, actionable plans and real-life case-studies, and makes clear what we must do every day to attract abundance, how to act as if we are already leading abundant lives, and how to open the door to a life of richness in our work, our relationships, our finances, and in our view of ourselves.

Writing has become my therapy. A Way to make sense of my life but more so my thoughts and emotions. Poetry specifically is a way to express emotions and even an entire story in a few lines. She was a warrior all along is a collection of the first poems I wrote while going through my entire life unraveling and slowly coming together again. It describes loss, pain, heartbreak, falling in love and growth.

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? Because to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, Act Like a Lady, Think Like a Man is a book you must read if you want to understand how men think when it comes to relationships.

Are you ready to get rich? Learn how to break through your money blocks, attract more abundance and start earning what you're really worth. So you want to manifest more money this year. You're not alone. But why does it feel so freaking hard? It's weird and frankly bewildering that the most talented women in the world are often the ones struggling to make fabulous money from their talents. Too many female entrepreneurs sabotage their income and work too hard for too little. Why do most women settle for pennies instead of embracing true wealth? It's not because you're not smart or ambitious enough. You've just been programmed to block your Universal right to wealth with guilt, shame or embarrassment. Even if you're unaware of these blocks and fears, you're probably not earning what you're worth. In Get Rich, Lucky Bitch! you'll learn how to unlock your hidden potential for abundance and upgrade your life forever. Join Lucky Bitch author Denise Duffield-Thomas on a journey of self-discovery so you can smash through your abundance blocks and join a community of women all around the world who are learning to live large and become truly lucky bitches.

Patients at every stage will find Living with Cancer a comprehensive, thoughtful, and accessible guide for navigating the illness and its treatment.

As a botanist, Robin Wall Kimerer has been trained to ask questions of nature with the tools of science. As a member of the Citizen Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In Braiding Sweetgrass, Kimerer brings these two lenses of knowledge together to take us on “a journey that is every bit as mythic as it is scientific, as sacred as it is historical, as clever as it is wise” (Elizabeth Gilbert). Drawing on her life as an indigenous scientist, and as a woman, Kimerer shows how other living beings—asters and goldenrod, strawberries and squash, salamanders, algae, and sweetgrass—offer us gifts and lessons, even if we've forgotten how to hear their voices. In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today, she circles toward a central argument: that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth, and learn to give our own gifts in return.

Making Your Everydays Extraordinary and Discovering Your Best Self

A 30-Day Guide to Living Your Happiest Life Using Positive Psychology

The internationally recognized teacher, speaker, and New York Times bestselling author of A Return to Love argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In Tears to Triumph, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work that is necessary for us to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, Tears to Triumph offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

Aeneas appears in The Illiad in vague snatches and starts as a traveling warrior of great piety who was loosely connected to the foundation of Rome. Virgil weaves these fragments into a powerful myth about the founding of Rome in the Aeneid. Aeneas travels from his native Troy to Italy then wages victorious war upon the Latins.

The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived “in the now.” In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.

Daily Practices and Affirmations to Create Joy, Gratitude, and Connection

Provides a series on question on feelings, interests, beliefs, personal histories, financial matters, habits and behavior, future plans, and related issues for couples considering a more permanent relationship.

How we raise young children is one of today's most highly personalized and sharply politicized issues, in part because each of us can claim some level of “expertise.” The debate has intensified as discoveries about our development—in the womb and in the first months and years—have reached the popular media. How can we use our burgeoning knowledge to assure the well-being of all young children, for their own sake as well as for the sake of our nation? Drawing from new findings, this book presents important concepts and effect of politics on programs for children, the costs and benefits of intervention, and other issues. The committee issues a series of challenges to decision makers regarding the quality of child care, issues of racial and ethnic diversity, the integration of children's cognitive and emotional development, and more. Authoritative yet accessible, From Neurons to Neighborhoods presents the evidence about “brain wiring” and how kids learn to speak, think, and regulate their behavior. It examines the effect of the climate-parent dispute promises of “fast and easy” results from slick marketers, real personal growth is neither fast nor easy. The truth is that hard work, courage, and self-discipline are required to achieve meaningful results - results that are not attained by those who cling to the fantasy of achievement without effort. Personal Development for Smart People reveals the unvarnished truth about what it takes to consciously grow as a human being. As you read, you'll learn the seven universal principles behind all successful growth. Insightful methods for improving your health, relationships, career, finances, and more. You'll see how to become the conscious creator of your life instead of feeling hopelessly adrift, enjoy a fulfilling career that honors your unique self-expression, attract empowering relationships with loving, compatible partners, wake up early feeling motivated, energized, and enthusiastic, achieve inspiring goals with disciplined daily habits and much more! With its refreshingly honest yet highly motivating style, this fascinating book explains an extraordinary human journey.

Psychopharmacology has usurped the role of psychotherapy in our society, to the great detriment of the patients involved. William Glasser describes in Warning: Psychiatry Can Be Hazardous to Your Mental Health the sea change that has taken place in the treatment of mental health in the last few years. Millions of patients are now routinely being given prescriptions for a wide range of drugs including Ritalin, Prozac, Zoloft and related drugs which can be harmful to the brain. A previous generation of patients experienced the wide implications of this radical change in treatment and what can be done to counter it.

Celebrating and Sharing Our Culture One Story at a Time

There are a lot of gratitude books out there, but none quite like this, which comes with actual gifts: a sign, a totem, an answer, and a present from the natural world! Most of us believe we can think our way out of problems. We believe that if we just exert enough mental effort, we will pull up a solution to whatever ails us. And that has gotten us nowhere. So in this book, we're going to forget thinking . . . and start thanking. This playful but easy practice has the power to reconnect us with our true nature. When we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we tune in to a frequency of magic. This joy channel is the most powerful on the planet and has the capability to radically change our lives. Brazen gratitude provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Pam Grout's bestseller E-Squared. It enables you to align with the spaciousness of the cosmic energy field, the spaciousness that makes your life a love-shining prism. Thanking puts you on an energetic frequency—a vibration—that calls in miracles and will make you rich (in spirit), happy, and madly in love (with life). This book also offers a different perspective on abundance, which is not just financial capital. It shows readers how to grow and expand creative capital, social capital, rip-roaring good times capital, and much, much more!

The book that cracks the code on executive presence: what it is, why it matters, and how you can achieve it. You know it when you see it. That rare combination of qualities that makes a truly great leader. Until now, executive presence has been hard to define and even harder to develop. But after years of extensive research, executive coach and bestselling author Suzanne Bates and her team have identified the 15 traits you need to be all the leader you can be. Using the research-based, scientifically-grounded Bates Executive Presence Index—Bates EXPITM—you can assess your ability to influence results and maximize your impact, scientifically and systematically. With this proven approach, you can:
• Develop your presence in and out of the boardroom
• Engage, inspire, align, and move others to act and succeed
• Strengthen teams, drive change, and lead with incredible confidence
• Make a real and lasting impact on your company, your career, and your life
Bates' groundbreaking approach to enhancing executive presence is not a one-size-fits-all plan. Since every leader is different, the book shows you how to measure your individual qualities using a three-dimensional model of your character, substance, and style. You'll discover how perceptions of 15 distinct facets of your leadership style, such as authenticity, integrity, composure, vision, and intentionality, are proven to help you drive results. You'll learn how to leverage your strengths, improve your weaknesses, and develop an executive presence that is uniquely your own. Whether you're taking on a new executive position, facing new and exciting challenges, trying to build better and stronger team, or developing new emerging leaders within your organization, All the Leader You Can Be has all the guidance you need to achieve extraordinary executive presence.

She Was a Warrior All Along

If you haven't heard of the 'Oola phenomenon' yet, it's time to catch up. First, though, you need to understand what it is: Oola is that state of awesomeness you experience when your life is balanced and growing in all the key areas of health and well-being. It can be a noun or a verb. It can be a destination or a feeling. It can be as complex as a life growing and balanced in fitness, finance, family, field, faith, friends, and fun (the 7 P's of Oola), or as simple as a sunset, a quiet book on the beach, or a special moment with a child. It is that place we all shoot for in life. That feeling we experience and that we celebrate in our successes along the way. In short, Oola is cool. Since the first copy of the original book, Oola: Find balance in an Unbalanced World, rolled off the presses a few years ago, the Oola Lifestyle has become a literal phenomenon—a dynamic movement. OolaPalooza live events have been routinely sold out since the day we were started, and the Oola message has been taken to countless cities across America and to every major city in the world via 700,000+ Oola fans on social media. In their 1970s VW Surf bus, authors Troy Amahl and Dave Braun have taken their OolaDream tour on the road, from coast-to-coast, collecting dreams and goals for a balanced life from people who adorn their vehicle with colorful Oola stickers. The OolaGuys know that women are the ultimate multitaskers. While a circus performer might spin seven plates in a single show, women spin seven plates—figuratively—every day. They not only juggle kids, family, and home life, they also juggle work responsibilities, customers and clients, make constant business decisions, handle professional events and so many related activities that it's truly mind-boggling how much a woman can pack into a 24-hour day. In this Oola especially for them, the book shows, through the experiences of 54 inspiring women, how to overcome unexpected hardships, and transform the juggling act of everyday life into a dream lifestyle of simplicity, tranquility, abundance, and opportunity. That's what 'living Oola' means—and it's not only an attainable goal, but a well-deserved reward.

Chicken Soup for the African American Woman's Soul is a rich collection of stories that truly celebrate the mountaintops and share the valleys of the African American woman's experience; highlighting her moments of strength, as well as her struggles.

No other time-honored spiritual practice is as immediate, raw, and engaged with Scripture as writing—responding to God—in the margins of the Bible. Composers like Bach to theologians like Barth, botanists and saints—all have written their thoughts directly in their Bibles. In doing so they engaged their deepest selves with our most significant text. Some people have lived with Scripture all their lives and yet feel estranged from it. This book inspires a new encounter with “the living Word”—and jumps-

starts a deep, creative, and hands-on approach to reading Scripture. As you sit, with pencil, pen, crayon, or marker in hand and Bible in lap, at whatever edges of life you are living within, now that invitation is yours. The creative practice of writing in the margins creates a divine conversation that transforms and guides. Meet God in the margins. Let God shape your character from the living interaction on the pages of your Bible. Writing in the Margins is a book about making connections on the pages of your Bible—and introduces a devotional and scriptural path of engagement that is life-changing.

A USA TODAY and Wall Street Journal bestseller! Learn how to live a life of character and integrity—by following the simple advice of a third grade dropout. Be inspired by the book behind Dr. Rick Rigsby's viral graduation speech. After his wife died, Rick Rigsby was ready to give up. The bare minimum was good enough. Rigsby was content to go through the motions, living out his life as a shell of himself. But then he remembered the lessons his father taught him years before—incredibly simple, yet incredibly profound. These lessons weren't about advanced mathematics or the secrets of the stock market. They were quite straightforward, in fact, as Rigsby's father never made it through third grade. But if this man's instructions were powerful enough to inspire one of his children to earn a Ph.D. and another to become a judge—imagine what they can do for you. While Rick Rigsby's father was a third-grade dropout, he was a man who never hid behind any excuse. A man who never allowed his problems or lack of a formal education to

determine his present or affect his future. A man who realized that destiny was a choice and not a chance. In Lessons from a Third Grade Dropout, Rigsby shares the simple lessons from his father that will transform your mindset, including: Remain true to yourself Think the best at all times Give your best regardless of the circumstances Keep standing no matter what Join Rigsby as he dusts off time-tested beliefs and shares his father's impactful, far-reaching story—of how a life can be enhanced, of how a corporate culture can be changed, of how a family can be united—by living the simple lessons of a third-grade dropout.

Elizabeth Mills is an ecumenical Christian, and a member of the Religious Society of Friends, and she is actively involved in her local meeting for worship for healing. Her love of stillness has led her to share times of stillness with others through quiet days, Taiz worship, and guided meditations. Writing has always been part of Elizabeth's spiritual journey as she seeks to walk a contemplative path in the midst of daily life. Her poems, prayers, and reflections have appeared in a number of periodicals, magazines, and church newsletters. Elizabeth states: "These words have been written in times of quiet prayer, and they are offered with love. I hope that in some way these words may be helpful to you and encourage your own spiritual journey." It is the hope of the publisher that this book may aide those who turn within seeking divine guidance to reach their destination.

DO YOU HAVE BIG DREAMS AND BIG PLANS, BUT LACK THE RESOURCES TO PURSUE THEM? DO YOU FIND YOURSELF SAYING "IF ONLY I HAD THE MONEY..." ARE YOU TOO EMBARRASSED TO ASK OTHERS FOR HELP? In her best-selling book *Daring & Disruptive* and its sequel *Life & Love*, serial entrepreneur Lisa Messenger shared the business insights gathered in more than a decade of success across multiple industries, including how to identify your true purpose, pinpoint your passions and create the working life most only dream of. But, let's be honest, you need the means to make it all happen. In her latest book, she tackles a topic with a stigma - money! What would you do if money was no object, how can anyone find profit in the impossible and - her personal bugbear - when will "gunnas" stop using lack of money as an excuse for not stepping out of their comfort zone and pursuing their purpose? Mixing advice from mentors, experts and famous role models, with lessons learned in her own entrepreneurial journey, Lisa reveals how she built a global brand, and launched a magazine sold in 37 countries, without having to borrow a single cent from a bank. This is from a woman who, years before, could barely afford to buy toothpaste. In the self-deprecating manner that has become her trademark style, Lisa shares her own journey, clearly stating she is not a guru when it comes to finances, but has used fresh thinking and creative ideas to fuel a burgeoning business. She will help you appreciate your real value, amplify your self-worth and find the means to achieve everything you dream of. Many of us are raised to believe it's rude to talk about money. But as a self-proclaimed disruptor, this entrepreneur wants to put a bomb in the bank vault and blow it wide open...

What can you uniquely give the world? We often sell ourselves short with self-limiting beliefs, but most of us would be amazed and delighted to know that we do have something special - our distinctive passions and talents - to offer. And what if I told you that what you have to give will also enable you to live a life of true contentment? How is that possible? It happens when you embrace and curate your own simply luxurious life. We tend to not realize the capacity of our full potential and settle for what society has deemed acceptable. However, each of us has a unique journey to travel if only we would find the courage, paired with key skills we can develop, to step forward. This book will help you along the deeper journey to discovering your best self as you begin to trust your intuition and listen to your curiosity. You will learn how to: - Recognize your innate strengths - Acquire the skills needed to nurture your best self - Identify and navigate past societal limitations often placed upon women - Strengthen your brand both personally and professionally - Build a supportive and healthy community - Cultivate effortless style - Enhance your everyday meals with seasonal fare - Live with less, so that you can live more fully - Understand how to make a successful fresh start - Establish and mastermind your financial security - Experience great pleasure and joy in relationships - Always strive for quality over quantity in every arena of your life Living simply luxuriously is a choice: to think critically, to live courageously, and to savor the everydays as much as the grand occasions. As you learn to live well in your everydays, you will elevate your experience and recognize what is working for you and what is not. With this knowledge, you let go of the unnecessary, thus simplifying your life and removing the complexity. Choices become easier, life has more flavor, and you begin to feel deeply satisfying true contentment. The cultivation of a unique simply luxurious life is an extraordinary daily journey that each of us can master, leading us to our fullest potential.
