Acca Accounting Objective Questions And Answers

In addition to the usual bank of exam questions; clearly structured answers; objective test questions and two mock exams with answers, The BPP Practice and Revision Kit has been improved. It now also features answer plans, detailed analysis of important questions and guidance on how to pick up easy marks. Some kits also include real students answers.

The examiner-reviewed P7 Practice and Revision Kit provides invaluable guidance on how to approach the exam. It contains past ACCA exam questions for you to try and a question plan to assist with your revision. Three mock examinations provide ample opportunity to practise questions and marking schemes show you how the examiner awards marks.

The F8 Audit and Assurance paper aims to develop your knowledge and understanding of the process of carrying out an assurance engagement, using the external audit as an example. As well as emphasising the practical aspects of carrying out assurance engagements, this paper also seeks to establish your understanding of the professional regulatory framework in place. It focuses on the following key themes: * Audit framework and regulation,

including ethical and professional considerations *
Internal audit and how this differs from the external audit *
The external audit process, from planning through to audit fieldwork and final review *
Reporting - the audit report and other reports. The examiner-reviewed F8 Study Text includes everything you need for this paper, including detailed guidance on the exam and the pilot paper questions. The question bank includes questions in the style of the F8 paper, and each chapter contains useful exam focus points. The Study Text provides an excellent introduction to the main
