Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Part one of an unusual and astonishing new fantasy trilogy that blends fine literary fare with a terrific romp through the reimagined outskirts of Victorian-era London In the imaginary borough of Filching, the extensive Iremonger family ("kings of mildew, moguls of mould") have made a fortune from junk, building a dark and sprawling mansion from salvage scrap. Heap House is surrounded by the dangerous, noxious, shifting Heaps that stretch beyond its bounds. And within its walls, certain objects begin to display strange signs of life. Young Clod Iremonger is about to be "trouserred" and betrothed (unwillingly) to his cousin

Pinalippy when he meets the plucky orphan servant Lucy Pennant, with whose help he begins to uncover the dark secrets of his family's empire. Mystery, romance and the perils of the Heaps await! Gorgeously (and ghoulishly) illustrated by the author, Heap House is peopled with unforgettable characters with delightfully skewed names--anxious, animal-loving Tummis with his pet seagull; menacing cousin Moorcus; dreadful Aunt Rosamud and more. As Carey writes, "Every life is thick with rubbish, but the Iremongers did it with a difference."

Invisible Life of Addie LaRue is New York Times bestselling author V. E. Schwab's genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. Also by V. E. Schwab Shades of Magic A Darker Shade of Magic A Gathering of Shadows A Conjuring of Light Villains Vicious Vengeful At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"A publisher in New York asked me to write down what I know about the Greek gods, and I was like, Can we do this anonymously? Because I don't need the Olympians mad at me again. But if it helps you to know your Greek gods, and survive an encounter with them if they ever show up in your face, then I guess writing all this down will be my good deed for the week." So begins Percy Jackson's Greek Gods, in which the son of Poseidon adds his own magic--and

sarcastic asides--to the classics. He explains how the world was created, then gives readers his personal take on a who's who of ancients, from Apollo to Zeus. Percy does not hold back. "If you like horror shows, blood baths, lying, stealing, backstabbing, and cannibalism, then read on, because it definitely was a Golden Age for all that." Dramatic full-color illustrations throughout by Caldecott Honoree John Rocco make this volume--a must for home, library, and classroom shelves--as stunning as it is entertaining.

The Trials of Apollo, Book Four

After a summer spent trying to prevent a catastrophic war among the Greek gods, Percy Jackson finds his seventh-grade school year unnervingly quiet. His biggest problem is dealing with his new friend, Tyson—a six-foot-three, mentally challenged homeless kid who follows Percy everywhere, making it hard for Percy to have any "normal" friends. But things don't stay quiet for long...

Retells twelve tales from Greek mythology, including the stories of King Midas, Echo and Narcissus, the Golden Apples, and Cupid and Psyche.

'This book is so good you won't blinking believe it!' Tom Fletcher 'Hilariously funny and inventive, and I love the extraordinary creatures and the one thirty-sixth troll protagonist...' Cressida Cowell 'A rip-roaring,

swashbuckling, amazerous magical adventure. Comedy Gold.' Francesca Simon 'This hotel gets five stars from me' Liz Pichon 'A splundishly swashbungling tale of trolls, goblins and other bonejangling creatures. Put on your wellies and plunge into the strangest hotel you will ever encounter. This is a hotel I hope I never find! Wonderfully, disgustingly funny.' Jeremy Strong 'What a fun hotel! Book me in immediately!' Kaye Umansky Welcome to *The Nothing to See Here Hotel!* A hotel for magical creatures, where weird is normal for Frankie Banister and his parents who run the hotel. When a goblin messenger arrives at *The Nothing to See Here Hotel*, announcing the imminent arrival of the goblin prince Grogbah, Frankie and his family rush into action to get ready for their important guest. But it soon becomes obvious that the Banister family are going to have their work cut out with the demanding prince and his never-ending entourage, especially when it turns out the rude little prince is hiding a secret... The first book in a fabulously funny series by bestselling author Steven Butler, with a host of whacky characters brought to life with illustration from the wonderful Steven Lenton!

The internationally bestselling book that inspired the Pay It Forward movement is now available in a middle grade edition. *Pay It Forward* is a moving, uplifting novel about Trevor McKinney, a twelve-year-old boy in a small California town who accepts his teacher's challenge to earn extra credit by coming up with a plan to change the world. Trevor's idea is simple: do a good deed for three people, and instead of asking them to return the favor, ask them to "pay it forward" to three others who need help. He envisions a vast movement of kindness and goodwill spreading across the world, and in this "quiet, steady masterpiece with an incandescent ending" (Kirkus Reviews), Trevor's actions change his community forever. This middle grade edition of *Pay It Forward* is extensively revised, making it an appropriate and invaluable complement to lesson plans and an ideal pick for book clubs, classroom use, and summer reading. Includes an author's note and curriculum guide.

An adventurous story of a frontier boy raised by Indians, The Light in the Forest is a beloved American classic. When John Cameron Butler was a child, he was captured in a raid on the Pennsylvania frontier and

adopted by the great warrior Cuyloga. Renamed True Son, he came to think of himself as fully Indian. But eleven years later his tribe, the Lenni Lenape, has signed a treaty with the white men and agreed to return their captives, including fifteen-year-old True Son. Now he must go back to the family he has forgotten, whose language is no longer his, and whose ways of dress and behavior are as strange to him as the ways of the forest are to them.

A heartstopping, poignant, epic adventure story about a boy destined to live forever, who only wants to grow up. Without death, life is just existence. Have you ever wondered what it would be like to live forever? Well, Alfie Monk can tell you. He may seem like an ordinary eleven-year-old boy, but he's actually more than a thousand years old--and remembers the last Viking invasion of England, not to mention the French Revolution and both World Wars. Way back in the tenth century, he and his mother were given the alchemical secret to eternal life. But when everything Alfie knows is destroyed in a fire, and the modern world intrudes, he must embark on a mission--along with friends Aidan and Roxy--to find a way to reverse the process and grow up like a regular boy. This astonishing new novel from the author of *Time Traveling with a Hamster*, told in alternating perspectives by Alfie and Aidan, is a tour de force--a sweeping epic that takes you on an unforgettable, breathtaking adventure and asks big questions about the

meaning of life.

From the #1 New York Times bestselling author of Heat, Travel Team and Million-Dollar Throw. Playing shortstop is a way of life for Hutch—not only is his hero, Derek Jeter, a shortstop, but so was his father, a former local legend turned pro. Which is why having to play second base feels like demotion to second team. Yet that's where Hutch ends up after Darryl "D-Will" Williams, the best shortstop prospect since A-Rod, joins the team. But Hutch is nothing if not a team player, and he's cool with playing in D-Will's shadow—until, that is, the two shortstops in Hutch's life betray him in a way he never could have imagined. With the league championship on the line, just how far is Hutch willing to bend to be a good teammate?

#1 NEW YORK TIMES BESTSELLER • “This book delivers completely new and refreshing ideas on how to create value in the world.”—Mark Zuckerberg, CEO of Meta “Peter Thiel has built multiple breakthrough companies, and Zero to One shows

how.”—Elon Musk, CEO of SpaceX and Tesla The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In *Zero to One*, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we’re too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won’t make a search engine. Tomorrow’s champions will not win by competing ruthlessly in today’s marketplace. They will escape competition altogether, because their businesses will be unique. *Zero to One* presents at once an optimistic view of the future of progress in

America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

Readers will learn about J.K. Rowlings's childhood in England and the creation of the Harry Potter series.

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

“Extraordinary for its craft and emotional effect . . . [Ethan Canin is] a writer of enormous talent and charm.” –The Washington Post “Character is destiny,” wrote Heraclitus—and in this collection of four unforgettable stories, we meet people struggling to understand themselves and the unexpected turns their lives have taken. In “Accountant,” a quintessential company man becomes obsessed with the phenomenal success of a reckless childhood friend. “Batorsag and Szerelem” tells the

story of a boy's fascination with the mysterious life and invented language of his brother, a math prodigy. In "City of Broken Hearts," a divorced father tries to fathom the patterns of modern relationships. And in "The Palace Thief," a history teacher at an exclusive boarding school reflects on the vicissitudes of a lifetime connection with a student scoundrel. A remarkable achievement by one of America's finest writers, this brilliant volume reveals the moments of insight that illuminate everyday lives. "Captivating . . . a heartening tribute to the form . . . an exquisite performance." –The Boston Sunday Globe "A model of wit, wisdom, and empathy. Chekhov would have appreciated its frank renderings and quirky ironies." –Chicago Tribune

(Goddess of math and poultry), Germes (God of all things sniffing and snotty), Puneous (the smallest God of them all), and Gaseous (enough said?), Oddonis is determined to win the race, prove that his friends are as good as any Greek God, and maybe, just maybe, find out what his true powers really are. Read the hilarious new adventures of Oddonis and his friends from debut children's authors David Slavin and Daniel Weitzman, filled with dozens of black-and-white illustrations by award-winning artist Adam Lane. It's not easy being Apollo, especially when you've been turned into a human and banished from Olympus. On his path to restoring five ancient oracles and reclaiming his godly powers, Apollo (aka Lester Papadopoulos) has faced both triumphs and tragedies. Now his journey takes him to Camp Jupiter in the San Francisco Bay Area, where the Roman demigods are preparing for a desperate last stand against the evil Triumvirate of Roman emperors. Hazel, Reyna, Frank, Tyson, Ella, and many other old friends will need Apollo's aid to survive the onslaught. Unfortunately, the answer to

their salvation lies in the forgotten tomb of a Roman ruler . . . someone even worse than the emperors Apollo has already faced.

By instructing him on everything from what to wear, to how to talk and walk, the squip transforms Jeremy from Supergeek to superchic.

Bierce exploits the comic potential of the dictionary format to mock the doublespeak prominent in post-Civil War politics. Using short, pithy entries on a variety of subjects,

this "reference book" inverts the meaning of words, skewers popular hypocrisy and showcases Bierce's dark humor. Many of these entries began as newspaper columns Bierce wrote in the 1870s. One hundred years later, it is clear that the America he lampoons is not that different from our own.

Newbery Honor author Rodman Philbrick sends readers rushing down a raging river on a life-or-death adventure when a white water rafting trip goes terribly wrong! An all-new creepy fantasy series from the New York Times bestselling author of *Asylum*. Featuring stunning interior illustrations from artist Iris Compiet, plus photo-collages that bring the story to chilling life, *House of Furies* invites readers to a world where the line between monsters and men is ghostly thin. After escaping a harsh school where punishment was the lesson of the day, seventeen-year-old Louisa Ditton is thrilled to find employment as a maid at a boarding house. But soon after her arrival at Coldthistle House, Louisa begins to realize that the house's mysterious owner, Mr. Morningside, is providing much more than lodging for his guests. Far from a place of rest, the house is a place of judgment, and Mr. Morningside and his unusual staff are meant to execute their own justice on those who are past being saved. Louisa begins to fear for a young man named Lee who is not like the other guests. He is charismatic and kind, and Louisa knows that it may be up to her to save him from an untimely judgment. But in this house of distortions and lies, how can Louisa be sure who to trust? This stunning fantasy inspired by Chinese folklore is a

companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

Before Verity . . . there was Julie. When fifteen-year-old Julia Beaufort-Stuart wakes up in the hospital, she knows the lazy summer break she'd imagined won't be exactly what she anticipated. And once she returns to her grandfather's estate, a bit banged up but alive, she begins to realize that her injury might not have been an accident. One of her family's employees is missing, and he disappeared on the very same day she landed in the hospital. Desperate to figure out what happened, she befriends Euan McEwen, the Scottish Traveler boy who found her when she was injured, and his standoffish sister, Ellen. As Julie grows closer to this family, she witnesses firsthand some of the prejudices they've grown used to—a stark contrast to her own upbringing—and finds herself exploring thrilling new experiences that have nothing to do with a missing-person investigation. Her memory of that day returns to her in pieces, and when a body is discovered, her new friends are caught in the crosshairs of long-held biases about Travelers. Julie must get to the bottom of the mystery in order to keep them from being framed for the crime. This exhilarating coming-of-age story, a

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her

family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
