

Acing Contracts Acing Law School Series

Professors Fischl and Paul explain law school exams in ways no one has before, all with an eye toward improving the reader's performance. The book begins by describing the difference between educational cultures that praise students for "right answers," and the law school culture that rewards nuanced analysis of ambiguous situations in which more than

Acces PDF Acing Contracts Acing Law School Series

one approach may be correct. Enormous care is devoted to explaining precisely how and why legal analysis frequently produces such perplexing situations. But the authors don't stop with mere description. Instead, Getting to Maybe teaches how to excel on law school exams by showing the reader how legal analysis can be brought to bear on examination problems. The book contains hints on studying and preparation that go well beyond conventional advice. The authors also illustrate how to argue both sides of a legal issue without

Acces PDF Acing Contracts Acing Law School Series

appearing wishy-washy or indecisive. Above all, the book explains why exam questions may generate feelings of uncertainty or doubt about correct legal outcomes and how the student can turn these feelings to his or her advantage. In sum, although the authors believe that no exam guide can substitute for a firm grasp of substantive material, readers who devote the necessary time to learning the law will find this book an invaluable guide to translating learning into better exam performance.

“This book should revolutionize the ordeal

Acces PDF Acing Contracts Acing Law School Series

of studying for law school exams... Its clear, insightful, fun to read, and right on the money." – Duncan Kennedy, Carter Professor of General Jurisprudence, Harvard Law School "Finally a study aid that takes legal theory seriously... Students who master these lessons will surely write better exams. More importantly, they will also learn to be better lawyers." – Steven L. Winter, Brooklyn Law School "If you can't spot a 'fork in the law' or a 'fork in the facts' in an exam hypothetical, get this book. If

Acces PDF Acing Contracts Acing Law School Series

you don't know how to play 'Czar of the Universe' on law school exams (or why), get this book. And if you do want to learn how to think like a lawyer—a good one—get this book. It's, quite simply, stone cold brilliant.” – Pierre Schlag, University of Colorado School of Law (Law Preview Book Review on The Princeton Review website)

The law of contracts permeates most, if not all, other subjects of legal education. The third edition of Principles

Access PDF Acing Contracts Acing Law School Series

of Contract Law surveys the fundamental legal principles underlying the law of contracts, addressing such customary topics as contract formation, defenses and other doctrines of avoidance, breach and performance, remedies, as well as such other collateral but related topics involving third-party beneficiaries, assignments and delegations. The text addresses the traditional common law principles governing contracts, and yet is accompanied by a steadied discussion of relevant commercial law principles

Access PDF Acing Contracts Acing Law School Series

pertaining to the sale of goods under Article 2 of the Uniform Commercial Code. When able to do so, the authors remained loyal to their commitment to utilize time-honored, classic common law cases in their presentation of the subject matter. While this textbook adopts a classical approach to the study of contracts, it is also provides a relevant and robust experience for the aspiring law student. About the Authors: Kevin S. Marshall is Professor of Law at the University of La Verne College of Law, Ontario California where he

steps. It also teaches students how to prepare for exams, instead of preparing for class, with proven time-management and outlining techniques.

Let me read your mind real quick. You're here because you want to ace your 1L exams. To which I say, "Great, but do you have the secret ingredient?" I'm talking about the essential ingredient that every top law student knows about. I'll give you a hint. It's not found in your casebooks or your professors' lectures. So what's the secret? I'll

Access PDF Acing Contracts Acing Law School Series

tell you. The secret is using time-tested outlines to prepare for and master your 1L classes. So now that you know the secret, let's find out why my exclusive 1L outlines will help you ace your law school exams. Best 1L Outlines Hi I'm JD - a BigLaw associate. Like you, when I started law school I felt a tremendous amount of pressure. The pressure to "fit in" during 1L. The pressure to do well on my final exams. And the pressure to land a good job. We all know how important grades are - especially 1L grades - when it comes to

Acces PDF Acing Contracts Acing Law School Series

*succeeding in law school and starting your legal career off on the right foot. But here's the huge problem with law school - your professors hide the ball and only teach you how to "think like a lawyer." They don't teach you how to succeed in law school or ace your exams. And they certainly don't tell you how incredibly difficult it will be to get a good job if you don't finish near the top of your class. You'll have to figure out on your own how to: * Study the law * Outline effectively * Ace your 1L exams* Instead of hiding the ball, imagine if

A Practical Blueprint for Preparing and Taking Law School Exams

The first of its kind, this book offers a global overview of the first-year curriculum in a single volume. In short, available lessons, Get a Running Start covers all the major concepts taught in each of the courses most commonly offered in the first year of law school: criminal law, torts, civil procedure, constitutional law, property, and contracts. Each of the courses comprising

Acces PDF Acing Contracts Acing Law School Series

this book is written by a specialist in the field who is a decorated teacher with years of experience in the classroom. In this volume, they have distilled that experience and expertise to produce the tool they wish they had when they first were thinking about and then actually began law school: a clear, concise introduction to the entire first-year curriculum. Get a Running Start is a valuable tool for first-year law students, giving them a running start on their law school careers and putting them in the

Acces PDF Acing Contracts Acing Law School Series

best position to enter the profession. By reading through all the lessons for a course, first-year students will get a complete overview of each course early in the semester. As the semester goes forward, students can accelerate their learning and comprehension by reviewing individual lessons when preparing for class. As the semester comes to a close, the lessons in this book provide an invaluable framework for outlining and exam preparation. Get a Running Start is also the ideal introduction for

Acces PDF Acing Contracts Acing Law School Series

undergraduate students. For formal pre-law or Introduction to American Law courses, this book will provide students with a comprehensive overview broken into concise, digestible chunks that are ideal for further development in lecture or discussion sections. Outside the classroom, Get a Running Start offers a stimulating introduction to fundamental legal concepts that will engage those who might be thinking about going to law school and citizens who simply want to know more about the law as a central

Acces PDF Acing Contracts Acing Law School Series

feature of public life. Among the many features of this book readers will find useful and attractive are: An introductory chapter offering advice on how to structure a successful preparation and study process starting with the summer before law school and running straight through exams. Insiders' advice from successful law students and recent graduates on class preparation, course selection, career development, and managing the stress of law school. Short lessons that provide readers with an

Acces PDF Acing Contracts Acing Law School Series

introduction to the major concepts for a day or week of law school classes in 10-15 minutes. Complete course coverage that will allow readers to get a global overview of a first-year law course in the span of an afternoon. Frequent use of examples and hypotheticals to illustrate major points in an available way. Short "Takeaway" summaries at the end of each lesson that highlight the main points and provide a quick reference or refresher. "Bonus" lessons offering quick primers on topics such as legal reasoning and

Acces PDF Acing Contracts Acing Law School Series

statutory interpretation.

This book offers a brass-tacks no-nonsense introduction to the art of persuasive legal argument. In sixty pages and three chapters, it aims to compress essential and often elusive keys to success on law school exams into a short and highly readable primer. Chapter One explains how to read and understand legal arguments, deconstructing their often unstated moral, political, and rhetorical dimensions through anecdotes and examples. Chapter Two offers specific tips on how to apply

Access PDF Acing Contracts Acing Law School Series

the tools of rhetoric in the service of effective legal argument. Finally, Chapter Three explains the mechanics of argumentative legal writing, and shows that every great and careful lawyer closely follows the same formula for success.

end of your law school career muttering these words to yourself! Take the first step toward building a productive, successful, and perhaps even pleasant law school experience—read this book! Written by students, for students, Law School Confidential has been the "must-have" guide for anyone thinking about, applying to, or attending law school for more than a decade. And now, in this newly revised third edition, it's more valuable than ever. This isn't the advice of graying professors or battle-scarred practitioners long removed from law school. Robert H. Miller has assembled a blue-ribbon panel of recent graduates from across the country to offer realistic and informative firsthand advice about what law school is really like. This updated edition contains the very latest information and strategies for thriving and

Access PDF Acing Contracts Acing Law School Series

surviving in law school—from navigating the admissions process and securing financial aid, choosing classes, studying and exam strategies, and securing a seat on the law review to getting a judicial clerkship and a job, passing the bar exam, and much, much more. Newly added material also reveals a sea change that is just starting to occur in legal education, turning it away from the theory-based platform of the previous several decades to a pragmatic platform being demanded by the rigors of today's practices. Law School Confidential is a complete guide to the law school experience that no prospective or current law student can afford to be without.

Acing the Bar Exam provides candidates with a complete guide to the bar exam — from pre-planning considerations

Access PDF Acing Contracts Acing Law School Series

through bar review and sitting for the exam. It features comprehensive coverage of the Uniform Bar Exam, including an explanation of each component and how to prepare for it. Every aspect of the process is explained in detail and by example. The bar exam is de-constructed, section by section, where candidates are led through the steps they need to follow to succeed. Approaches for learning the black letter law, setting study schedules, and answering essay and multiple-choice questions are combined to maximize the likelihood of success. Each of these tasks is then configured into checklist format to help candidates navigate each step. This approach puts the candidate in control of the bar exam and not the other way around.

The author provides a detailed treatment of the basic rules,

Acces PDF Acing Contracts Acing Law School Series

principles, and issues in contracts. Topics covered include offer and acceptance, parol evidence and interpretation, consideration, promissory estoppel, contracts under seal, capacity of parties, conditions, performance, and breach. The author also discusses damages, avoidance and reformation, third-party beneficiaries, assignments, and the statute of frauds. The discharge of contracts and illegal bargains are also the subject of separate chapters.

This study aid features an innovative method of content organization. It uses a checklist format to lead students through questions they need to ask to fully evaluate the legal problem they are trying to solve. It also synthesizes the material in a way that most students are unable to do on their own, and assembles the different issues, presenting a clear

Rule, Analysis, Conclusion”) to provide students with clear examples to show application of the process to written analysis. In addition to the clear and organized structure of the doctrinal material that one finds in the Acing Series, the Second Edition of Acing Contracts separates discussion of the common law from the Uniform Commercial Code in key areas to allow students to grasp essential concepts more easily. This includes a comprehensive revision to the Chapters on Offer and Acceptance, Consideration, and the Parol Evidence Rule. This edition includes more sample problems with an emphasis on problems dealing with Article 2 of the Uniform Commercial Code. Sample answers are written in IRAC structure ("Issue, Rule, Analysis, Conclusion") to provide students with clear examples to show application of the process to written analysis.

This book provides a clear and concise explanation of corporations, agency and partnership, and the other subjects addressed in most Business Associations courses. To accompany its explanations, the guide utilizes a checklist format to lead students through questions they need to ask and issues they need to address, to fully evaluate the agency, partnership or corporations, problems they will face when studying this subject. It also synthesizes the material in a way that most students are unable to do on their own, and organizes the critical issues, presenting a clear guide to analyze business associations issues that students can draw upon when writing their exams. Other study aids provide sample problems, but this book offers a systematic approach to problem solving. This book offers a concise, knowledgeable guide to the laws

governing administrative agencies. In straightforward, readable prose, the authors not only summarize the dominant statutes and case law in the area, but also discuss informal administrative processes and the background realities of the regulatory state. Students can use the book as a complement to any major casebook, and practitioners will also find it an excellent brief introduction to this often confusing subject.
