With a scholar's mind and a pastor's heart, Tom Wright walks you through Colossians and Philemon in this guide designed especially with everyday readers in mind. Perfect for group use or daily personal reflection, this study uses the popular inductive method combined with Wright's thoughtful insights to bring contemporary application of Scripture to life.

For years Christians have been asking, "If you died tonight, do you know where you would go?" It turns out that many believers have been giving the wrong answer. It is not heaven. Award-winning author N. T. Wright outlines the present confusion about a Christian's future hope and shows how it is deeply intertwined with how we live today. Wright, who is one of today's premier Bible scholars, asserts that Christianity's most distinctive idea is bodily resurrection. He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian community's hope in the bodily resurrection of all people at the end of the age. Wright then explores our expectation of "new heavens and a new earth," revealing what happens to the dead until then and what will happen with the "second coming" of Jesus. For many, including many Christians, all this will come as a great surprise. Wright convincingly argues that what we believe about life after death directly affects what we believe about life before death. For if God intends to renew the whole creation—and if this has already begun in Jesus's resurrection—the church cannot stop at "saving souls" but must anticipate the eventual renewal by working for God's kingdom in the wider world, bringing healing and hope in the present life. Lively and accessible, this book will surprise and excite all who are interested in the meaning of life, not only after death but before it.

Let's Act Like It** is a 7-week study that helps readers see the biblical vision for the church and a vision for what the church can be today. The Gospel means good news, but what makes it news? If the message has been around for 2,000 years, what could possibly be newsworthy about it? And what makes it good? Surely not the stories we hear of damnation, violence, and an angry God. Tom Wright believes many Christians have lost sight of what the 'good news' of the gospel really is. In *Simply Good News*, he shows how a first-century audience would have received the gospel message, what the 'good news' means for us today and how it can transform our lives.

Discover a different way of seeing and responding to the Coronavirus pandemic, an approach drawing on Scripture, Christian history, and the way of living, thinking, and praying revealed to us by Jesus. What are we supposed to think about the Coronavirus crisis? Some people think they know: "This is a sign of the End," they say. "It's all predicted in the book of Revelation." Others disagree but are equally clear: "This is a call to repent. God is judging the world and through this disease he's telling us to change." Some join in the chorus of blame and condemnation: "It's the fault of the Chinese, the government, the World Health Organization..." N. T. Wright examines these reactions to the virus and finds them wanting. Instead, he shows that a careful reading of the Bible and Christian history offers simple though profound answers to our many questions, including: What should be the Christian response? How should we think about God? How do we live in the present? Why should we lament? What should we learn about ourselves? How do we recover? Written by one of the world's foremost New Testament scholars, *God and the Pandemic* will serve as your guide to read the events of today through the light of Jesus' death and resurrection.

When you need to know how to do something, a manual is the best place to start. 1 & 2 Timothy and Titus might be called "the Teacher's Manual," because so much of what they contain is about the kind of teaching that Christian leaders should--and shouldn't--be giving. Just as Timothy and Titus needed help to lead their young churches well in the midst of powerful cultural forces, we need guidance for correct leading and living in our own context. These studies on Paul's letters point us in the right direction. This guide by Tom Wright can be used on its own or alongside his *New Testament for Everyone* commentary on 1 & 2 Timothy and Titus. The first major biblical commentary from the pen of N. T. Wright While full of theological import, Paul's letter to the Galatians also captures and memorializes a significant moment in the early history of Christianity. This commentary from N. T. Wright—the inaugural volume of the CCF series—offers a theological interpretation of Galatians that never loses sight of the political concerns of its historical context. With these two elements of the letter in dialogue with each other, readers can understand both what Paul originally meant and how his writing might be faithfully used to respond to present questions. Each section of verse-by-verse commentary in this volume is followed by Wright's reflections on what the text says about Christian formation today, making this an excellent resource for individual readers and those preparing to teach or preach on Galatians. The focus on formation is especially appropriate for this biblical letter, in which Paul wrote to his fellow early Christians, "My children—I seem to be in labor with you all over again, until the Messiah is fully formed in you!"
