who Jesus is. Grow in biblical literacy with this exploration of the Gospel of John. Video Sessions: Session 1: I AM (18:40)--In this introductory session, Lysa introduces the topic of I AM by looking in the book of Exodus where God talks to Moses through the burning bush. First came God's name, then came His promise. Session 2: I AM the Bread of Life (15:40)--Lysa is in Capernaum during this session and discusses how important bread was in the life of the Jewish people during this time. She reminds participants that only Jesus Himself can satisfy every craving of our soul. Session 3: I AM the Light of the World (21:40)--This third session puts participants at Jacob's well where Jesus encountered the Samaritan woman. Lysa discusses Jesus as the Living Water and how this Samaritan woman became a light to her world by telling others about Jesus. Session 4: I AM the Good Shepherd and I AM the Gate of the Sheep (18:10)--Psalm 23 tells us about God as a Good Shepherd. Lysa explores that Psalm and reminds listeners that God promises not to restore our circumstances, but rather to restore our soul. Session 5: I AM the Resurrection and the Life and I AM the Way, the Truth, and the Life (20:55)--In this fifth session Lysa overlooks the city of Jerusalem and studies the passage of the raising of Lazarus. She reminds the listener that Jesus longs to bring His resurrection power to us. Session 6: I AM the True Vine (17:35)--During this final session we find ourselves in a vineyard learning about God as the Gardener and Jesus as the True Vine. We learn that pruning makes us look more like Jesus and prepares us to bring forth fruit.

*Compassionate, biblical, and thought-provoking, Embodied is an accessible guide for Christians who want help navigating issues related to the transgender conversation. Preston Sprinkle draws on Scripture, as well as real-life stories of individuals struggling with gender dysphoria, to help you understand the complexities and emotions of this highly relevant topic. This book fills the great need for Christians to speak into the confusing and emotionally charged questions surrounding the transgender conversation. With careful research and an engaging style, Embodied explores: What it means to be transgender, nonbinary, and gender-queer, and how these identities relate to being male or female Why most stereotypes about what it means to be a man and woman come from the culture and not the Bible What the Bible says about humans created in God's image as male and female, and how this relates to transgender experiences Moral questions surrounding medical interventions such as sex reassignment surgery Which pronouns to use and how to navigate the bathroom debate Why more and more teens are questioning their gender*

*understanding of God's dealings in the Old Testament, it is impossible to completely understand the magnitude of God's message in the New Testament. We miss so much of the richness of God's grace by studying only the easy parts of His Word. This study is straightforward and takes the history sections in chronological order. There is great benefit in studying the Bible in an orderly way, as opposed to a random passage each day or even a needs-based study (for example, helping you through a particular situation). If you learn to study the Bible in a sequential way, you will eventually find what God's Word says about every conceivable human situation. So, grab your Bible and open your heart to the blessings you will receive from daily time in God's Word.*

*When you open this book, you'll find that you aren't just reading. No, you are being remade, reoriented, restored from the frustration of what you may have known as stale religion. Captured not by a concept but by your Creator, reborn in relationship. Here's the Experiencing God that has already impacted millions of people. Only it's bigger, and better, and ready to lead you again—or for the very first time—into an experience with God. Carefully listening to His voice will anchor you in His plan, and set you free to live it with boldness and freedom. After a thorough revision, this landmark volume returns with seven new chapters, as well as dozens of true stories from people who, through this book, have experienced God.*

**Are you a bridge builder? Communicating the Scriptures is much like building a bridge. However, instead of ravines or rivers, the teacher must span both cultural boundaries and great gulfs of time between the present and the past of Moses, David, Jesus, and Paul. This bridge must reach even further. The student must be able to cross both into the past and into his own future. God's Word is "living and active, sharper than any double-edged sword" (Hebrews 4:12). It is contemporary, relevant. But it is the teacher who has the task of helping the student to see its vast treasures. This is no easy task, but it can be done through creative Bible teaching. Together, Richards and Bredfeldt have written a book on bridge-building that reveals the following five-step process by which Christian educators can construct a bridge across time, geography, and culture. Step I: "Studying the Bible" Develop an understanding of the nature, role, study, and interpretation of the Bible. Get the help you need in preparing biblically accurate lesson plans. Step II: "Focusing the Message" Learn how to teach for student learning. Be guided in the process of translating learning theory into lesson preparation. Step III: "Structuring the Lesson" Develop a lesson plan using the HOOK, BOOK, LOOK, TOOK structure. Step IV: "Teaching the Class" Learn about the five key principles of teacher effectiveness. Discover how these principles can lead to a more dynamic and satisfying teaching experience within various age groups. Step V: "Evaluating the Results" Evaluate your own effectiveness by assessing**

**With the twelve-volume series Feasting on the Word, Westminster John Knox Press offers one of the most extensive and well-respected resources for preaching on the market today. When complete, the twelve volumes will cover all of the Sundays in the three-year lectionary cycle, along with moveable occasions. The page layout is truly unique. For each lectionary text, preachers will find brief essays— one each on the exegetical, theological, pastoral, and homiletical challenges of the text. Each volume will also contain an index of biblical passages so that nonlectionary preachers may make use of its contents. The printed volumes for Ordinary Time include the complementary stream during Year A, the complementary stream during the first half of Year B, the semicontinuous stream during the second half of Year B, and the semicontinuous stream during Year C. Beginning with the season after Pentecost in Year C, the alternate lections for Ordinary Time not in the print volumes will be available online at [feastingontheword.net](http://feastingontheword.net).**

**Sociologists studying the early church often attribute its growth to the sense of belonging it offered people in a world where belonging was limited to those with things such as property, high status, and birthright. Scripture is clear that we belong to God's people even when we appear to be outsiders. After over 2000 years of existence as an institution, we can easily take for granted that we know what the church is. It is instructive to look at how the first members of the church understood the purpose of assembling as a group, how this has shaped our understanding of church, and how our understanding might need**

**to expand. The opening of God’s people to both Jews and Greeks, men and women, masters and slaves required people previously unaccustomed to eating together to sit down at a common table. The practice of open table fellowship in the church is a sign of God’s shared abundance, ministry of reconciliation, and celebration. Adult Bible Studies Fall 2021 Theme: Belong Unit 1: Outside In Sociologists studying the story of the early church often attribute the growth of the church to the sense of belonging that it offered people in a world where belonging was limited to those with things such as property, high status, and/or birthright. This unit of lessons looks at the various ways that the Bible makes clear how we belong to God’s people even when we appear to be outsiders. Several of the lessons point out where we as human beings insert distinctions that restrict membership within the community of Christ. Scriptures: Jeremiah 29:1-23; Luke 7:36-50; Galatians 2:11-21; Philippians 3:2-21; Ephesians 2:19-21 Spiritual Practice: Hospitality Unit 2: Into the Future After over 2000 years of existence as an institution, we can easily take for granted that we know what the church is. This unit invites readers to look at it from the view of the community living into the future. The Greek word for church, ekklesia, is not a word that the first members of the church associated with a religious activity. The word signifies the assembly of the people of God. It is instructive to look at what their understanding of the purpose of assembling as a group signified, how it has shaped our understanding of church, and how reading these texts might renew and expand our understanding. Scriptures: Acts 2:37-47; 1 Corinthians 12:12-31; Matthew 16:13-19; Revelation 3:1-6,**

**14-20; Deuteronomy 29:10-29 Spiritual Practice: Community Unit 3: The Fellowship of the Table** Once one enters the Church through baptism, the central identity marker for membership in the church is participation in Communion. The opening of God's people to both Jews and Greeks, men and women, masters and slaves required people previously unaccustomed to eating together to sit down at a common table. When we look at the Gospel narratives, we see Jesus modeling open table fellowship. In this unit, we will look at the significance of the practice of open table fellowship in the church as a sign of God's shared abundance, ministry of reconciliation, and celebration. Scriptures: John 6:1-15; 1 Samuel 25:2-39; 1 Corinthians 11:17-34; Isaiah 25:6-10a; 55:1-3

Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers

rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

This new book from top Christian education professionals integrates biblical foundations, educational theory, and practical insights into a new curriculum formation approach for the local church. Uniquely identifying curriculum as a means of ministry through the metaphor of mapmaking, it shows how believers are lost along the spiritual journey without a study plan, having no clear destination or reliable path to follow toward maturity. Detailing the theological, educational, and pastoral dimensions that make a curriculum Christian, the text is arranged into four sections: (1) rationale for curriculum, (2) curricular foundations, (3) curricular theory, and (4) the practice of curriculum. Covering areas from children's ministry to adult education, contributors include editors James R. Estep, Karen L. Estep, and Roger White as well as Holly Allen, Mark H. Senter III, Michael S. Wilder, Timothy Paul Jones, and

Brett Robbe.

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not

It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.
