The new edition of this innovative text employs insights from contemporary linguistic theories but builds them into a practical and coherent system that stays firmly rooted within traditional models. Its down-to-earth explanations about how language works are illustrated at every step with diagrams and other visual models. The examples and exercises consist of provocative and intelligent sentences, not desiccated grammar-book examples. Each chapter includes a sentence-analysis exercise with fifty problems. Answers are provided for ten sentences per chapter. A new chapter on how grammar functions in literature and how it is used to improve writing extends the applications of Doing Grammar in this second edition, which also includes new introductory chapter outlines and thoroughly revised chapter summaries. The new edition was class tested for over a year. Every page has been re-thought and redefined to make grammatical analysis clear, understandable, useful, and interesting. It will be an invaluable guide for students in introductory and advanced grammar and composition courses and for all readers seeking to discover how language works.

Get REA's newly updated grammar guide and workbook for intermediate and advanced ESL learners. This second edition is ideal for self-guided study or as a supplement to your ESL coursebook. If you're an ESL student who would like to make English a part of your everyday life, ESL Grammar: Intermediate and Advanced is for you. The book is for anyone with a basic command of English grammar and vocabulary who wants to build their fluency and confidence. You will find this study guide and workbook to be an excellent resource that you can use as a supplement to your coursebook or on its own, whether you're at home, in school, or on the job. This new second edition expands the book's thorough coverage of the important intermediate and advanced grammar topics, with handy usage tips and easy-to-follow practice exercises in every section. The book has been enriched with current topics and examples designed to help you increase your fluency on your journey to mastering English as it's spoken by native speakers. We've included the most commonly confused words (including sound-alikes) to help you avoid the top mistakes English learners make. We show you how word families—groups of words formed from the same base or root word—will help you grow your vocabulary and understand what words mean even before you look them up in a dictionary. Many English words are borrowed from other world languages. This book will show you how to have fun with useful "loanwords" while you improve your vocabulary. We've added a new chapter on "Technology in Our Life Today." Here you will find clear definitions of frequently used computer and technology terms to help you communicate effectively in today's digital world. Whether you're in school, managing a household, or looking for a job to advance your career, this book will help you take command of English and express yourself with precision. Advanced English Grammar contains 120 units of advanced grammar explanation and practice exercises. Two-page units present grammar explanation and examples on left-hand pages, and varied and rewarding practice on right-hand pages. The book includes additional exercises, appendices, a glossary and answer key. With more than 50 years of teaching experience between them, Ilse Depraetere and Chad Langford present a grammar pitched precisely at advanced learners of English who need to understand how the English language really works without getting lost in the complex specifics. Now fully updated and revised throughout, the second edition of this book pulls from linguistic theory all the relevant notions that will enable the language student to fully grasp English grammar. After introducing form and function, the authors cover verbs, nouns, aspect and tense, modality and discourse. Readers are led through the underlying principles of language use, with the book presupposing only a basic grasp of linguistic terminology and focusing on the critical issues. Full of challenging exercises and supported by a companion website featuring an extensive answer key, a glossary and further exercises for study, this is the reference grammar of choice for both native and non-native English speakers.

A Self-study Reference and Practice Book for Advanced Learners of English with Answers

Advanced English Grammar

Unlike other textbooks, it helps students to understand grammar rather than see it as a set of facts and rules.

Take your English Grammar skills to the next level and speak with confidence! To fully understand how to speak English effectively you must move beyond the fundamental principles of grammar and tackle more sophisticated sentence constructions. Practice Makes Perfect: Advanced English Grammar for ESL Learners focuses on intermediate- to advanced-level topics to help you create more complex, meaningful sentences and communicate more naturally. Instead of just applying sets of rules, Practice Makes Perfect: Advanced English Grammar for ESL Learners helps you better understand the nuances of the language and develop your skills and confident as a native speaker by providing easy-to-absorb explanatory materials, examples, and exercises. Inside you will find:
• Dozens of exercises in formats suited to your learning style
• Example sentences that illustrate and clarify each grammatical point
• A detailed answer key for quick, easy progress checks
• Diagnostic exercises, new to this second edition, that help identify topics that require special attention
Learn the Ins and Outs of:
• Non-count nouns
• Possessives formed with of
• Articles and quantifiers
• Deriving adjectives from verb participles
• Key rules for verb forms and tenses
• Modal auxiliary verbs
• Get passives
• Restrictive and nonrestrictive adjective clauses
• Identifying gerunds and infinitives
• The use of noun clauses

Advanced English in a Nutshell is a short, detail free book that sheds light on the highlights and major grammatical points in a clear and effective manner. Getting lost in the endless variations of grammatical rules can be extremely distracting and most of the time disappointing. For this purpose, the book is not designed to dig deep into the limitless details of grammatical rules rather it is a kind of a review to the most necessary forms and structures that students need to use in academic tests in order to get high scores. In all tests candidates' performance is assessed according to the type of grammatical structures they are using while they are speaking or writing. The candidate who sticks to present simple and continuous forms, for instance, is not expected to get a high score in terms of structure because of the use of simple grammatical forms. Thus, it does make sense for candidates to use a variety of complex and simple structures to give the impression that they have a good mastery and command of the language.
