Designed around the real-world legal applications of reading comprehension, the Manhattan Prep Reading Comprehension LSAT Strategy Guide is an essential tool for a surprisingly tricky part of the LSAT. Containing the best of Manhattan Prep's expert strategies, this book will train you to approach the LSAT as a law student would approach a legal text—actively and with a purpose. The Reading Comprehension LSAT Strategy Guide teaches you how to recognize the core argument and then use it as a framework on which to organize the entire passage, improving the speed and clarity with which you read. To further improve your reading, it walks you through the process of annotation, discussing where and how to take notes in order to maximize your comprehension without eating up precious time. It also looks at what types of questions the LSAT asks and then arms you with the skills you need to spot issues and identify correct answers. Each chapter in the Reading Comprehension LSAT Strategy Guide features drills and full practice sets—made up of real LSAT questions—to help you absorb and apply what you've learned, while numerous, in-depth solutions walk

Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The GMAT Number Properties strategy guide delves into all the characteristics of numbers tested on the GMAT, covering both simple and complicated concepts. Using the fundamental techniques and nuanced strategies developed in this guide, students will be able to tackle even the toughest GMAT problems involving prime numbers, consecutive integers, and many other topics. Unlike other guides that attempt to convey everything in a single tome, the GMAT Number Properties strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Number Properties strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's Number Properties Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the
