#1 New York Times bestselling author Sylvia Day, America's premier author of provocative fiction, delivers the debut novel from Cosmo Red-Hot Reads from Harlequin. Now an original movie from PassionFlix. The realisation that Jax still affected me so strongly was a jagged pill to swallow. He'd only been part of my life for five short weeks two years ago. But now he was back. Walking into a deal I'd worked hard to close. And God, he was magnificent. His eyes were a brown so dark they were nearly black. Thickly lashed, they were relentless in their intensity. Had I really thought they were soft and warm? There was nothing soft about Jackson Rutledge. He was a hard and jaded man, cut from a ruthless cloth. In that moment I understood how badly I wanted to unravel the mystery of Jax. Bad enough that I didn't mind how much it was going to cost me...

The Sebastians own this city. Hell, they own the whole world. All I want is one little piece of it, a corner that I can call my own. So when my boss runs away to "find herself", I seize the opportunity and dive head first into the Sebastian's glamorous universe. It's everything I've ever wanted—fast paced and high stakes—and, even though I don't fit in, I'm excellent at faking it. Until I come face to face with the man in charge, Scott Sebastian, the arrogant, playboy heir with the mind of a devil and the body of a god and a mouth I can't stop thinking about. He's

infuriating. He's a distraction. He's the man who wants me in his bed as much as I want to be there. And, if I get too close, he'll be the one person who could expose me for what I really am—a fraud.

In this Georgian-era romance by the #1 bestselling author of the Crossfire Series, an Irish soldier-for-hire falls for an enigmatic French femme fatale. *SOMETIMES TEMPTATION . . .* A hardened mercenary as adept in bed as in battle, Simon Quinn can have any woman he wants, but he prefers those who know the rules of the game. That way it's easier to leave them behind... *CAN'T BE AVOIDED* But Lysette Rousseau is one female he can't figure out. Beautiful, sensual, seductive, she should be the perfect match for Simon, yet something about her ties him in knots. Bold and manipulative one time, sweetly innocent the next, she is an enigma bound to bring trouble . . . impossible to resist. Praise for *Don't Tempt Me* "Day crafts several intricate love stories (for a mother and twin daughters) that seamlessly slip from one scorching romance to another. Readers will devour every word of this daringly original, boldly sensual and brilliantly plotted book—and they'll be breathless by its riveting conclusion." —RT Book Reviews, Top Pick "Set against the backdrop of pre-Revolutionary France, this bold, erotic tale of passion and revenge features a cast of colorful characters and a complex and intriguing plot. It will appeal most to readers who like their romantic adventures fast paced and laced with earthy language and graphic sex." —Library Journal "Dangerous liaisons and deceptions are the key ingredients in the latest addition to Day's sexy, espionage-steeped Georgian historical-romance series." —Booklist

"Oh, those naughty rakes. With their wicked winks, sensual smiles, and bad boy habits, you just can't take them out in polite society. But who wants to go out when you can stay in. . .? *Stolen Pleasures* Sebastian Blake, Earl of Merrick, long ago fled the responsibilities of his title to become the infamous pirate, Captain Phoenix. But the booty he's just captured on a merchant ship is a fierce tempered minx who claims to be a bride. . .his bride, married to him by proxy on behest of their fathers. He could shame his hated family and return his beautiful wife untouched, but no treasure has ever proved more tempting to Sebastian, and making their marriage a true one--in every sense--is his one urgent desire . . . *Lucien's Gamble* Lucien Remington's

reputation as a debauched libertine who plays by no one's rules--in business or the bedroom--is well deserved. He gets what he wants, social repudiation be damned. But society can keep from him the one thing he truly desires, the untouchable Lady Julienne La Coeur. Until she sneaks into his club dressed as a man and searching for her irresponsible brother. Suddenly she's in Lucien's grasp, his to take, and his mind is filled with the most wickedly sinful thoughts. A gentleman would walk away from the temptation she presents. But then, Lucien has never claimed to be a gentleman. . . Her Mad Grace Hugh La Coeur never wanted to be the Earl of Montrose. Wine, women, and a hefty wager are preferable to responsibility of any kind. It's certainly preferable to spending the night in an eerie, neglected mansion owned by a legendary madwoman. The duchess's companion, the fiercely independent Charlotte, is another matter altogether. Hugh would be happy to spend as many nights in her bed as possible. He knows she's hiding terrible secrets, but for once in his life, Hugh has the desire to take on someone else's burden as his own, no matter what the danger. . . They're mad, bad, and totally irresistible. . .

#1 New York Times bestselling author Sylvia Day Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own.

And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart."--Back cover.

Except she's not so little anymore. And Gabe has waited a long time to act on his desires. Gabe has starred in Mia's fantasies more than once. So what if he's fourteen years older? Mia knows he's way out of her league, but her attraction has only grown stronger with time. She's an adult now, and there's no reason not to act on her most secret desires. As Gabe pulls her into his provocative world, she realizes there's a lot she doesn't know about him or how exacting his demands can be. Their relationship is intense and obsessive, but as they cross the line from secret sexual odyssey to something deeper, their affair runs the risk of being exposed—and vulnerable to a betrayal far more intimate than either expected.

This book features research contributions from The Abel Symposium on Statistical Analysis for High Dimensional Data, held in Nyvågar, Lofoten, Norway, in May 2014. The focus of the symposium was on statistical and machine learning methodologies specifically developed for inference in “big data” situations, with particular reference to genomic applications. The contributors, who are among the most prominent researchers on the theory of statistics for high dimensional inference, present new theories and methods, as well as challenging applications and computational solutions. Specific themes include, among others, variable selection and screening, penalised regression, sparsity, thresholding, low dimensional structures, computational challenges, non-convex situations, learning graphical models, sparse covariance and precision matrices, semi- and non-parametric formulations, multiple testing, classification, factor models, clustering, and preselection. Highlighting cutting-edge research and casting light on future research directions, the contributions will benefit graduate students and researchers in computational biology, statistics and the machine learning community.

Sylvia Day, autora bestseller del New York Times, es una de las escritoras de literatura erótica más conocidas de Estados Unidos. Con Afterburn inaugura la serie Cosmo Red-Hot Reads de Harlequin. Dar me cuenta de que seguía colada por Jax fue un mal trago. Solo había formado parte de mi vida cinco semanas, hacía dos años. Pero ahora había vuelto. Se había entrometido en un acuerdo de negocios que me había costado mucho conseguir. Y, Dios mío, estaba guapísimo. Sus ojos eran de un marrón tan oscuro que parecían casi negros. Rodeados por densas pestañas, eran de una intensidad implacable. ¿De veras me habían parecido alguna vez dulces y tiernos? Jackson Rutledge no tenía nada de tierno. Era un hombre experimentado y cruel, hecho de una pasta muy dura. En ese momento comprendí cuánto deseaba desvelar el misterio de Jax. Tanto que no me importaba lo que fuera a costarme.

Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...
