

Against All Hope The Riverdale Pony Stories Book 2

When Archie, Betty, Veronica and Jughead take a road trip, they discover that their small-town problems seem to follow them wherever they go.

An all-new and completely original tie-in novel to the hit NETFLIX show. When Archie, Betty, Veronica and Jughead take a road trip, they discover that their small-town problems seem to follow them. The gang heads out for an epic road trip to Chicago to visit Archie's mom. When Archie's too busy daydreaming to drive, Veronica takes the driver's seat - naturally. Betty wants to see the important places, Jughead wants to find the best diners. They're all so preoccupied that they almost miss the red pickup truck that seems to be everywhere they are... Could it be a coincidence or could the troubles of Riverdale cross state lines?

Biography.

Relates the adventures of a little burro who blazed trails through the Grand Canyon and met many famous people in the process.

Into the Storm

Book Ten of the Running in Fear Series

Volume 1 of Macroglint Series

Twelve-Cent Archie

A pony with a troubled past. A girl who sets out to save him. Do they have the courage to risk everything to find their happy ending? Join Poppy and Cloud on six amazing adventures in The Riverdale Pony Stories box set. THE LOST PONY OF RIVERDALE: Poppy McKeever is reluctant to move to an old cottage on Dartmoor - until she discovers that her new home comes complete with its own pony. But life at Riverdale is not as straight-forward as it seems, especially when Poppy spies a flash of white in the woods. When Poppy is faced with a terrible dilemma - to save her brother or the pony she has always longed for - who will she choose? AGAINST ALL HOPE: A visit to the vet brings some unwelcome news for Poppy. Cloud has broken a bone and may never be sound enough to ride. As she nurses him back to full strength a mysterious girl moves into the village. But the more Poppy gets to know Hope Taylor and her scheming mum Shelley, the more she wonders if there is more to Hope's story than the pair are letting on. Before she can confront them, Cloud falls gravely ill. And Poppy faces the toughest night of her life as she battles to save her pony. INTO THE STORM: Poppy is delighted to win a riding holiday in the Forest of Dean and she and her best friend Scarlett arrive at Oaklands Trekking Centre full of excitement. Poppy struggles to click with her horse, a hairy, bumbling piebald cob with a wall eye and a stubborn streak. But Beau is the least of her worries when her friendship with Scarlett is pushed to breaking point. Trouble is brewing at Oaklands, threatening its future. When a brutal storm rips through the forest, threatening the lives of the Oaklands horses, only Poppy can save them. But first she must place her trust in the most unlikely of heroes. REDHALL RIDERS: When a pony trek ends in tragedy at Redhall Manor Equestrian Centre, Poppy and Scarlett find themselves unexpectedly in charge. It soon becomes clear that someone has a grudge against Redhall and is intent on putting the stables out of business. Poppy's worst nightmare comes true when an intruder lets Cloud out of his stable and the Connemara escapes onto the moor. Convinced he is lost to her forever, Poppy sets out to discover who is behind the vendetta. But can she find the answers before it's too late? THE SECRET OF WITCH COTTAGE: When Poppy stumbles across an abandoned cottage high on the moor, she has no idea of the secrets hidden behind its granite walls. Legend has it that Witch Cottage is haunted, but could the old croft be at the heart of something even more sinister? And what is the connection with Jodie Morgan, the owner of a local horse rescue charity on the brink of closure? Jodie also has a secret. One that Poppy must unravel if she is to save the older girl from making a terrible mistake that could jeopardise both the rescue horses and her own future. MISSING ON THE MOOR: Poppy and Cloud are all set for their first showjumping competition. Only Poppy's nerves stand in her way. When snooty rich girl Georgia Canning disappears halfway through the show, it barely hits Poppy's radar. Until her beloved donkey Chester also goes missing and she realises something is dreadfully wrong. So begins a chain reaction that will see Poppy face up to her arch enemy - and force her to think on her feet before time runs out for both Chester and Georgia. Can Poppy unravel the clues before it's too late? Hope Catcher had seen it all—from the fall of the world as she had known it to monsters from her nightmares becoming her reality, but somehow she had managed to survive. From an early age, Hope had learned to depend on herself. All she every wanted was a family to love. How was she supposed to know that three blue men—three very big huge men--were her future? Or that she was the fifth woman who was destined to save everyone. Talk about pressure! Gourd Windura and his partners, Jester and Fand, had trained all their lives to be the best warriors they could be, and when one of their enemies kidnapped his family, death is the only thing on his mind. What these men never expected was to find their chosen one, a Little Bear with three cubs, on this dangerous mission. Not only had she stolen their heart, but she taught them that even small packages could be fierce in love and battle. Together the four of them face their new lives. United, as their family grows by leaps, so does their love for all of those around them.

Riverdale High School is holding out tryouts for the wrestling team—and Archie, Reggie and Jughead all hope to make it on the ropes! While the three use brute force and technique for their tryouts, Dilton is convinced that is instead a mathematical process. He argues that it's all about leverage and angles and that, even someone at his size, could take down someone the size of Moose. The guys are skeptical and challenge him to prove his hypotheses. Will his equations be correct, or will Dilton be down for the count? Find out in "Counted Out," the brand new lead story to this Comics Double Digest!

When a pony trek ends in tragedy at Redhall Manor Equestrian Centre, Poppy and Scarlett find themselves unexpectedly in charge. It soon becomes clear that someone has a grudge against Redhall and is intent on putting the stables out of business. The two friends blame rival yard Claydon Manor - but are Georgia Canning and her hard-nosed livery manager Angela Snell really to blame? Poppy's worst nightmare comes true when an intruder lets Cloud out of his stable and the Connemara escapes onto the moor. Convinced he is lost to her forever, Poppy sets out to discover who is behind the vendetta. But can she find the answers before it's too late? This is the fourth book in the popular Riverdale Pony Stories, which follow the adventures of pony-mad Poppy McKeever and her beloved Connemara Cloud.

The Riverdale Pony Stories Books 1-3

Poppy McKeever is delighted when she wins a riding holiday for two in the Forest of Dean and she and her best friend Scarlett arrive at Oaklands Trekking Centre full of excitement. Poppy struggles to click with her horse, a hairy, bumbling piebald cob with a wall eye and a stubborn streak. But Beau is the least of her worries when her friendship with Scarlett is pushed to breaking point. Trouble is brewing at Oaklands, threatening its future. Who is the sinister man who's so desperate to track down the owner of the ill-fated trekking centre, struggling single mum Nina? Before Poppy can uncover the man's true identity a brutal storm rips through the forest, threatening the lives of the Oaklands horses. Only Poppy can save them. But first she must place her trust in the most unlikely of heroes.

For over seventy-five years, Archie and the gang at Riverdale High have been America's most iconic teenagers. Yet they have been relatively ignored by scholars—until now. Twelve-Cent Archie is both the first academic study of these comics and an innovative creative work in its own right. In a hundred short chapters, renowned comics scholar Bart Beaty takes us on a witty, eclectic tour of the Archie universe, addressing everything from the history of the American teenager to the mystery of Jughead's hat.

Archie's first original graphic novel featuring the world of CW's Riverdale! Four interconnected stories trap each of our main characters in a unique high-stakes conflict over the course of a few pressure-cooker hours! Jughead's locked in and left behind with Moose at Stonewall Prep, Veronica is trapped with Cheryl at a nearby suburban shopping mall, Betty and Polly are stalked by a possible madman when a girls' night goes horribly awry and Archie is held hostage by a 'long lost relative' of Fred's who's come to town seeking payback of any and every kind. Will Archie and company even make it to sunrise? If they do, will they ever be the same again?

An essential book for those coping with Alzheimer's and other cognitive disorders that “reframe[s] our understanding of dementia with sensitivity and accuracy . . . to grant better futures to our loved ones and ourselves” (Parul Sehgal, *The New York Times*). An estimated fifty million people in the world suffer from dementia. Diseases such as Alzheimer's erase parts of one's memory but are also often said to erase the self. People don't simply die from such diseases; they are imagined, in the clichés of our era, as vanishing in plain sight, fading away, or enduring a long goodbye. In *On Vanishing*, Lynn Casteel Harper, a Baptist minister and nursing home chaplain, investigates the myths and metaphors surrounding dementia and aging, addressing not only the indignities caused by the condition but also by the rhetoric surrounding it. Harper asks essential questions about the nature of our outsized fear of dementia, the stigma this fear may create, and what it might mean for us all to try to “vanish well.” Weaving together personal stories with theology, history, philosophy, literature, and science, Harper confronts our elemental fears of disappearance and death, drawing on her own experiences with people with dementia both in the American healthcare system and within her own family. In the course of unpacking her own stories and encounters—of leading a prayer group on a dementia unit; of meeting individuals dismissed as “already gone” and finding them still possessed of complex, vital inner lives; of witnessing her grandfather's final years with Alzheimer's and discovering her own heightened genetic risk of succumbing to the disease—Harper engages in an exploration of dementia that is unlike anything written before on the subject. A rich and startling work of nonfiction, *On Vanishing* reveals cognitive change as it truly is, an essential aspect of what it means to be mortal.

My Journey

Sixers

A wise, uplifting memoir about a rabbi's search for understanding and his discovery of hope and joy after his young son suffered a catastrophic brain-stem stroke: “Deeply moving, extraordinarily thought-provoking, and entirely humane” (Kirkus Reviews, starred review). As a young, ambitious rabbi at one of New York's largest synagogues, Charles Sherman had high expectations for what his future would hold—a happy and healthy family, professional success, and recognition. Then, early one morning in 1986, everything changed. His son Eyal spiked a fever and was soon in serious respiratory distress. Doctors discovered a lesion on the four-year-old's brain stem. Following high-risk surgery, Eyal suffered a stroke. Sherman and his wife later learned that their son would never walk, talk, feed himself, or breathe on his own again—yet his mind was entirely intact. He was still the curious, intelligent boy they had always known. The ground had shifted beneath the Sherman family's feet, yet over the next thirty years, they were able to find comfort, pleasure, and courage in one another, their community, their faith, and in the love they shared. The experience pointed Rabbi Sherman toward the answers of some of life's biggest questions: To what lengths should parents go to protect their children? How can we maintain faith in God when tragedy occurs? Is it possible to experience joy alongside continuing heartbreak? Now, with deep insight, refreshing honesty, humor, and intelligence, Charles Sherman reflects back on his life and describes his struggle to address and ultimately answer these questions. *The Broken and the Whole* “inspirationally sets forth how to survive in the face of

calamity” (Publishers Weekly, starred review) beautifully showing what it means to embrace life after everything you’ve known has been shattered to pieces.

Anthologizes verses by women ranging from Enheduanna, a second millennium B.C. Sumerian princess, to the medieval poets Marie de France and Florencia de Pinar, to noteworthy poets of the nineteenth and twentieth centuries

“Tense, involving, Sixers is a smart near-future thriller with a startlingly real sense of plausibility. In a world that's falling apart, can one ordinary person make a difference? Tremendous stuff! Kavanagh can write!” – Hugo Award-winner David Wingrove, author of the Chung Kuo series and the Roads To Moscow trilogy In this near future pop-culture-filled dystopian novel, America is under the dark cloud of a new envirus, Camden-Young’s Disease. Unleashed five years earlier from an explosion at a genetic engineering laboratory, the stealth envirus has laid waste to 74% of Caucasians between puberty and their early thirties while the other 26% are mysteriously immune. From flu-like attacks to excruciating fevers, hair loss, blindness, insanity and death, there is no cure; the only respite available being the Febrifuge Blue line of pharmaceuticals controlled by the Southern United Enterprises conglomerate used to treat symptoms of the target population while also used recreationally by the fortunate Sixers. Dr. Arthur Camden, dispatched from the company a year earlier by the powerful and merciless executive Trisha Lane, believes a formula for a cure (which would destroy SUE’s incredibly lucrative money machine) is contained in a pair of notebooks seized when he was fired. For their return, Camden’s willing to exchange four ounces of the otherwise unobtainable distillate CY6A4 he purloined just before he was dismissed that Lane craves to manufacture an experimental potion of unimaginable potential. David Stonetree, Lane’s new administrative assistant, becomes the middleman between the players in this high-stakes chess match, spurred on by the fact that his partner Sharon has just been diagnosed as a CYD-positive. Torn between Lane’s seductive wiles and Camden’s selfless decency he finally takes a stand that could cost him his job and possibly his and Camden’s lives. The story continues in Kavanagh’s sequel, Weekend At Prism, with many of the characters returning in Las Vegas for the \$100M World Standoff! Tournament and “the biggest rock concert ever held in the history of the Universe.” Praise for Sixers “Terrific.” – Scott Turow, author of Presumed Innocent and Burden of Proof “(a) well-wrought debut...both engaging and fun to read.” – Publisher’s Weekly “A stunning debut novel...skillfully crafted...gripping and disturbing...an important new voice.” – Rave Reviews “A writer to reckon with...engrossing and well-written.” - West Coast Review of Books “This is a brave, wonderful book.” – Arthur Shay, Speaking Volumes BIO: John Patrick Kavanagh, aside from his writing and design projects, is also a member of the Illinois and California Bars. A Chicagoland native, he currently lives in Bucks County, Pennsylvania with his wife Susan. JOHNPATRICKKAVANAGH@FACEBOOK.COM JPK@PINKIEFINGER.COM [TWITTER.COM@JOHNPKAVANAGH](https://twitter.com/JOHNPKAVANAGH)

EXCERPT: Febrifuge Blue was the most popular legal drug in the country. For 74% of young adults, it was a state-of-the-art shock absorber that softened the rough road that CYD had paved over the country; over their lives. Febrifuge Blue was the most popular illicit drug in the country. For 26% of young adults, it was a state-of-the-art shock absorber which softened life’s hard corners into smooth contours. Sixers used it with impunity; with an almost imperceptible smugness. Febrifuge Blue used by Sixers was reaching epidemic proportions but there was no way it would stop until somebody, somewhere came up with a plausible reason to dissuade its disciples. The Addiction Research Center in Baltimore had recently reported after an exhaustive study that Febrifuge Blue and its chemical cousins had no lasting addictive qualities and caused minimal harm to a typical user. The comfort it provided to three quarters of its customers was simply more consequential than the immoral high it gave to the other quarter. Febrifuge Blue was like a prize bull roaming the streets of Calcutta, going where it wanted and revered by most who came in contact with it. On busy nights the crackles came from everywhere; by midnight the entire place smelled of exhaust. Stonetree felt a little uneasy about using a drug that made him feel wonderful when others needed it to maintain their health, but so much for philosophy. He pushed away his watch to make room for the unit and pressed the button. He stared into the wall of flames, not paying attention to the shapes of those standing at the ledge. The first wave coursed through him, its effect lasting longer than he was accustomed to; a smoother, deeper flow. The furnace grew dim but just to him. He chuckled. Tricked again.

The second arc of Nick Spencer's revitalized series featuring a modern take on Archie Andrews and the whole Riverdale cast of characters. Spencer (Spider-Man) teams up with co-writer Mariko Tamaki (This One Summer, Lumberjanes) and artist Jenn St-Onge (Bingo Love, Jem and the Holograms) tell the story of Riverdale's hottest couple: Archie and... Sabrina? How did their whirlwind romance come to be, and what does that mean for everyone else in Archie's life?

Discovering Joy after Heartbreak

The Argonaut

The Leading Ladies of Riverdale

CLAIRE is a sixteen-year-old fangirl obsessed with the show Demon Heart. FOREST is an actor on Demon Heart who dreams of bigger roles. When the two meet at a local Comic-Con panel, it's a dream come true for Claire. Until the Q&A, that is, when Forest laughs off Claire's assertion that his character is gay. Claire is devastated. After all, every last word of her super-popular fanfic revolves around the romance between Forest's character and his male frenemy. She can't believe her hero turned out to be a closed-minded jerk. Forest is mostly confused that anyone would think his character is gay. Because he's not. Definitely not. Unfortunately for Demon Heart, when the video of the disastrous Q&A goes viral, the producers have a PR nightmare on their hands. In order to help bolster their image within the LGBTQ+ community—as well as with their fans—they hire Claire to join the cast for the rest of their publicity tour. What ensues is a series of colorful Comic-Con clashes between the fans and the show that lead Forest to question his assumptions about sexuality and help Claire come out of her shell. But how far will Claire go to make her ship canon? To what

lengths will Forest go to stop her and protect his career? And will Claire ever get the guts to make a move on Tess, the very cute, extremely cool fanartist she keeps running into? Ship It is a funny, tender, and honest look at all the feels that come with being a fan.

NEW ONGOING SERIES! “Escape From Riverdale”—This is how the end of the world begins... Harvey Award-winning writer Roberto Aguirre-Sacasa (Carrie, Archie meets Glee) and Eisner-winning artist Francesco Francavilla (Batman, Black Beetle) take Archie and the gang where they’ve never been before—to the grave and back! A horrific accident sets off a series of grim events and Sabrina the Teenage Witch must try to repair the unspeakable evil her spell has unleashed. Gasp in horror as Riverdale faces an impending zombie Arch-pocalypse in this brand-new, spine-tingling ongoing series—but be warned, kiddies, this one’s not for the faint of heart! For TEEN+ readers.

The surprising and compelling story of two rival geniuses in an all-out race to decode one of the world’s most famous documents—the Rosetta Stone—and their twenty-year-long battle to solve the mystery of ancient Egypt’s hieroglyphs. The Rosetta Stone is one of the most famous objects in the world, attracting millions of visitors to the British museum ever year, and yet most people don’t really know what it is. Discovered in a pile of rubble in 1799, this slab of stone proved to be the key to unlocking a lost language that baffled scholars for centuries. Carved in ancient Egypt, the Rosetta Stone carried the same message in different languages—in Greek using Greek letters, and in Egyptian using picture-writing called hieroglyphs. Until its discovery, no one in the world knew how to read the hieroglyphs that covered every temple and text and statue in Egypt. Dominating the world for thirty centuries, ancient Egypt was the mightiest empire the world had ever known, yet everything about it—the pyramids, mummies, the Sphinx—was shrouded in mystery. Whoever was able to decipher the Rosetta Stone, and learn how to read hieroglyphs, would solve that mystery and fling open a door that had been locked for two thousand years. Two brilliant rivals set out to win that prize. One was English, the other French, at a time when England and France were enemies and the world’s two great superpowers. The Writing of the Gods chronicles this high-stakes intellectual race in which the winner would win glory for both himself and his nation. A riveting portrait of empires both ancient and modern, this is an unparalleled look at the culture and history of ancient Egypt and a fascinating, fast-paced story of human folly and discovery unlike any other.

Archie's on trial for murder, and the evidence is stacked against him. Betty, Veronica, and Jughead all know that Archie is being framed, but how can they prove it? Will they find the evidence they need to clear Archie's name? And more importantly, will they make it back to Riverdale alive?

Instant New York Times Bestseller The debut collection of poetry from Lili Reinhart, the actress and outspoken advocate for mental health awareness and body positivity. I seem to be your new favorite novel. One that keeps you up at night, turning my pages. Fingers lingering on me so you don ’ t lose your place. Swimming Lessons explores the euphoric beginnings of young love, battling anxiety and depression in the face of fame, and the inevitable heartbreak that stems from passion. Relatable yet deeply intimate, provocative yet comforting, bite-sized yet profound, Lili's poems reflect her trademark honesty and unique perspective. Accompanied by striking and evocative illustrations, Swimming Lessons reveals the depths of female experience, and is the work of a storyteller who is coming into her own.

SHE'S JOSIE is a collection featuring the early days of the now-iconic Josie before the Pussycats were created. This is presented in the new higher-end format of Archie Comics Presents, which offers 200+ pages at a value while taking a design cue from successful all-ages graphic novels. Before she was a part of Josie & the Pussycats, she was just Josie! See how this world-famous rock star started out -- as an average high school teen! With her BFFs, the ditzy Melody and the quick & witty Pepper, Josie gets caught up in all sorts of misadventures. Check out this collection and meet her boyfriend Albert, the rotten Cabot twins Alex & Alexandra and many more!

"We think we know Betty and Veronica from Archie comics, but we don't. This book examines how these two female characters have evolved over the decades, from stereotypes of the 1940s to more sophisticated representations in recent years. They are far more than just Archie's girlfriends, and this book explores the depths of these cultural icons"--

Discovering Joy After Heartbreak

Archie by Nick Spencer Vol. 2

Mortality, Dementia, and What It Means to Disappear

A Book of Women Poets from Antiquity to Now

Redhall Riders

My struggle for the downtrodden and life objective of providing healthcare delivery to rural Gambia was reinforced by ideas I picked up while a student in Michigan but above for my love and commitment to my fellow villagers. A drowning person swims frantically towards any floating object to cling on it in hope of saving his or her dear precious life. It is form of triumph sane person yearns. We are elated on overcoming be it our fears, failures or a seemingly unsolvable state of difficulty. This work is combination and outcome based up on triumph embellished with angelic hope of bringing health care relief to rural Gambia. It is strong conviction that when one committed to the greater good through hard work hope will be given to intended receivers. Hence, this work is about way a simple but penniless village boy fought against the odds and mountains of inhuman laws at many crossroads of his life. It portrays struggle to be above treacherous waves while clamouring to bring rewarding healthcare service to villagers in the North Bank of the Gambia. Being most of the time jobless and penniless made it all look like an Alice in wonderland fairy tale adventure. The turbulent waves commenced in 1953 when I made up my mind to become part of the solution to rural Gambia's health service delivery shortage. Even though young I was fully aware that no one could serve our people better other than us indigenous Gambians. This belief propelled me into similar trip or experience Sinbad the sailor or Marco Polo went through. Most of the trials and tribulation I encountered have already been revealed in previous works of mine. Brace yourself and take heart to read about this life before you. This work relates to my eventual graduating from medical school, then returning to the Gambia and working as Medical Officer at the Royal Victoria Hospital (RVH), Banjul and finally establishing NGO: Manding Medical Centre, a village self-help health organisation that provide much needed quality medical services at Njawara North Bank Division of the Gambia, West Africa. Finally this work hopes to inspire, give hope and encouragement to youngsters about how not to give up on life and urge them stay buoyed to face challenges life throws at us in this sojourn. Please allow me express profound gratitude to the numerous friends who were persistent in encouraging me Publish this epic stories.

Principia Chaotica is a flexible, multi-genre game system, designed to provide a simple, easy to learn framework that would emphasize the role-playing aspects of adventure gaming.

"Homeless queer kids - and they are legion - too often find themselves ostracized and silenced. In Zane Thimmesch-Gill they have finally found a strong, clear voice." --Riki Wilchins, author of Read My Lips, GenderQueer and Queer Theory, Gender Theory In the memoir, Hiding in Plain Sight, this transgendered author describes in graphic and harrowing detail a homeless teen life on the streets that was marked with constant violence. Amidst the daily struggle to survive, she slowly came to the realization that she hated her body just as much as everyone did. When she was honest with herself she'd always known that she was meant to be a boy. Despite the intense pressure of street life and having to come to terms with the fact that she was a transsexual, Kali never used drugs or alcohol, never committed a single crime, and never gave up on her dreams to make something out of her life. While the rest of the street kids were escaping into addiction, she figured out how to put herself through college and finance a sex change. Life slowly improved as Kali became Zane and started settling into his body. He eventually found work at a shelter for homeless youth and started to make friends. But his euphoria was short lived. A resident at the shelter knew that he was a transsexual and became obsessed with making sure everyone found out. A few gang members who were living in the program confronted Zane, and when he was too scared to admit the truth, they decided to get their boys together late one night and prove him wrong. Hiding in Plain Sight is a transformative and ultimately inspiring story of survival against all odds, of pursuing and accomplishing your dreams in spite of enormous and often seemingly insurmountable obstacles.

New York Times Bestseller (Education) The Economist Best Books of the Year Selection In this revealing and provocative memoir, the former chancellor of the New York City schools offers the behind-the-scenes story of the city's dramatic campaign to improve public education and an inspiring blueprint for national reform. In 2002 New York City's newly elected mayor, Michael Bloomberg, made a historic announcement: his administration had won control of the city's school system in a first step toward reversing its precipitous decline. In a controversial move, he appointed Joel Klein, an accomplished lawyer from outside the education establishment, to lead this ambitious campaign. Lessons of Hope is Klein's inside account of his eight-year mission of improvement: demanding accountability, eliminating political favoritism, and battling a powerful teachers union that seemed determined to protect a status quo that didn't work for kids. Klein's initiatives resulted in more school

choice, higher graduation rates, and improved test scores. The New York City model is now seen as a national standard for meaningful school reform. But the journey was not easy. Klein faced resistance and conflict at every turn. Lessons of Hope lays bare the problems plaguing public education and shows how they can be solved. At its core lies Klein's personal story: his humble upbringing in Brooklyn and Queens, and the key role that outstanding public school teachers played in nurturing his success. Engaging and illuminating, Lessons of Hope is essential reading for anyone concerned about the future of American public education.

Finding Hope

High school bites -- especially when you want to kill your classmates. Check out this original horror novel featuring Archie Comics characters! Everyone knows the characters from Riverdale: popular Archie Andrews, sophisticated Veronica Lodge, girl-next-door Betty Cooper, and angsty Jughead Jones. But this is not the Riverdale you know and love. Something twisted has awoken in the town with pep. Inspired by the iconic Archie Horror comics, this reimagined universe takes the grittiness of the TV show and adds a paranormal twist. Everyone thinks that Veronica Lodge has it all: the rich parents and the big house. The popular jock crush. The perfect best friend. But all that changes when she's bitten by an ancient vampire named Theodore Finch. Theodore is turning all of Riverdale's most powerful citizens into vampires -- including Veronica's parents. But that's only the beginning of what he has planned... Veronica escapes from becoming one of Theodore's minions, but the lives of the entire town are at stake. Veronica can't defeat him alone. With some help from her friends, Veronica discovers how to turn everyone back to normal -- including herself. All they have to do is kill Theodore. But Veronica's bloodlust is getting harder to control. Can Betty, Archie, Dilton, and Cheryl figure out how to stop Theodore -- and save Veronica -- before it's too late? The Archie Horror series contains all-new, original stories that fans of horror AND fans of Riverdale will die for!

Poppy McKeever is reluctant to move to an old cottage on Dartmoor - until she discovers that her new home comes complete with its own pony. But life at Riverdale is not as straight-forward as it seems, especially when Poppy spies a flash of white in the woods next to the cottage. Her stepmother Caroline is acting strangely and her adrenalin-junkie brother Charlie is on the hunt for big cats. But will Charlie's obsession drive the two children into dangerous territory? And when Poppy is faced with a terrible dilemma - to save her brother or the pony she has always longed for - who will she choose?

An uplifting personal account about the healing and wisdom a rabbi gained after his 4-year-old son's debilitating stroke describes how the author confronted some of life's biggest questions, from parenting roles to faith, while restructuring his family and their collective goals.

Riverdale 2: Riverdale: Get Out of Town

Archie & Sabrina

She's Josie

Archie Andrews and the gang have seen it all since the characters made their comics debut in 1941, and this fall they're going back to their roots in a tale set in Riverdale during World War II.

Written by comics legend Mark Waid (Archie, Captain America) with longtime collaborators co-writer Brian Augustyn (The Flash, JLA) and artist Peter Krause (Superman), Archie: 1941 finds Riverdale dealing with the impact of the impending conflict on the small town and in the personal lives of Archie, Betty, Veronica, Jughead, and Reggie. The story will allow fans a chance to see the real-world consequences and drama of the war through the eyes of some familiar faces, but with the humor, heart, milkshakes, and dates that come with any Riverdale tale.

“ LOVE is a haphazard thing that blows like the wind this way and that and then, having found a nook to settle in, quiets down and beats in a heart full of haphazard hope. ” And so begins the story of Jess, an unapologetic Indian woman in her mid-twenties caught between two careers and the attention of two very different women. Trying to write fiction at Starbucks while pretending to study for her MCATs, Jess balances her relationship with her live-in girlfriend, Anjali, and the a woman whom Jess meets randomly and believes she wholeheartedly loves, Vanessa. It takes betrayal, heartbreak, and a trip halfway around the world for Jess to find herself at the risk of losing all that ever mattered. While the characters in NIGHTS LIKE THIS are rooted in the South Asian LGBT community, their lives and stories, their dramas and heartbreaks are universal. For anyone who has ever loved or been loved, NIGHTS LIKE THIS is a story worth reading.
