Dear Santa

Les Livres de L'année

About Christmas

How to Read Nancy

Paris was the epicenter of art during the latter half of the nineteenth century, luring artists from around the world with its academies, museums, salons, and galleries. Despite the city's cosmopolitanism and its cultural stature, Parisian society remained strikingly conservative, particularly with respect to gender. Nonetheless, many women painters chose to work and study in Paris at this time, overcoming immense obstacles to access the city's resources. 'Women Artists in Paris, 1850-1900' showcases the remarkable artistic production of women during this period of great cultural change, revealing the breadth and strength of their creative achievements. Guest Curator Laurence Madeline (Chief Curator at Musées d'art et d'histoire, Geneva) has selected close to seventy compelling paintings by women of varied nationalities, ranging from well-known artists such as Berthe Morisot, Mary Cassatt, and Rosa Bonheur, to lesser-known figures such as Kitty Kielland, Louise Breslau, and Anna Ancher.

A sweet, tongue-in-cheek look at Santa's formative years as a jolly, one-of-a-kind kid, sure to become a new Christmas classic. Santa's parents think their little one is absolutely wonderful, even though he has a booming voice instead of a baby's gurgle, loves to stand in front of the refrigerator, gives his birthday presents away, trains his hamsters to pull a matchbox sleigh ... and has an unusual interest in chimneys. The adorably funny portrait of an oddball kid who fulfills his destiny - and two very proud parents.

The Ultimate Reference for the Fan

These five biographies provide the first complete survey of Italian opera from the early buffo operas of Rossini to Verdi's great masterpieces, Otello and Falstaff, and the verismo operas of Puccini. Andrew Porter has been highly praised for his original and enlightening account of Verdi, and Philip Gossett has received similar acclaim for his treatment of Rossini. Porter, Gossett, William Ashbrooke, Julian Budden, Mosco Carner, and Friedrich Lippmann, all acknowledged experts in the field of Italian opera, combine to offer insight into the traditions and workings of one of the most fascinating periods in the history of opera. Book jacket.

A listing of organ settings, descants, and alternative harmonizations for the tunes of The Hymnal 1982 along with their publishers, volume location in a multi-volume work, or selection location in a collection, and level of difficulty. This book does not contain the music itself.

Everything that you need to know about reading, making, and understanding comics can be found in a single Nancy strip by Ernie Bushmiller from August 8, 1959. Paul Karasik and Mark Newgarden’s groundbreaking work How to Read Nancy ingeniously isolates the separate building blocks of the language of comics through the deconstruction of a single strip. No other book on comics has taken such a simple yet methodical approach to laying bare how the comics medium really works. No other book of any kind has taken a single work by any artist and minutely (and entertainingly) pulled it apart like this. How to Read Nancy is a completely new approach towards deep-reading art. In addition, How to Read Nancy is a thoroughly researched history of how comics are made, from their creation at the drawing board to their ultimate destination at the bookstore. Textbook, art book, monogram, dissection, How to Read Nancy is a game changer in understanding how the “simplest” drawings grab us and never leave. Perfect for students, academics, scholars, and casual fans.

Répertitres

Christmas characters and food, Christmas-linked holidays and music, Santa Claus and traditions. Related to Annunciation, Incarnation; Crucifixion; Advent, the four weeks preceding Christmas; and the period between the day after Thanksgiving and the Sunday after New Year’s Day, the American holiday season. Christmas or Christmas Day is a holiday celebrating the birth of Jesus, the central figure of Christianity. Aspects of celebration may include gift-giving, Christmas trees, display of Nativity sets, church attendance, the Father Christmas/Santa Claus myth, and family gatherings. Users of the Gregorian calendar observe the holiday on December 25. Some Eastern Orthodox Churches celebrate on December 25 by the Julian calendar, which currently corresponds to January 7 on the Gregorian calendar. These dates are merely traditional; the great majority of scholars agree that the actual birthdate of Jesus is unknown. In Western culture, the holiday is characterized by the exchange of gifts among friends and family members, some of the gifts being attributed to Santa Claus (also known as Father Christmas, Saint Nicholas, Saint Basil and Father Frost). However, various local and regional Christmas traditions are still practiced, despite the widespread influence of American, British and Australian Christmas motifs disseminated by film, popular literature, television, and other media.

This illuminating study examines the cultural meaning of artistic reproduction in a refreshingly new context through its consideration of how three artists managed the reproduction of their work.
