

Alexander Pushkin Eugene Onegin

Eugene Onegin was Pushkin's own favourite work, and it shows him attempting to transform himself from romantic poet into realistic novelist. This new translation seeks to retain both the literary quality of the original, and capture the poem's spontaneity and wit. The introduction examines several ways of reading the novel, and the text is richly annotated.

No Marketing Blurb

Robert Tanner has translated Pushkin's classic novel-in-verse into strict rhyme and meter, while inserting himself as a character/translator into the blank spaces of the work, much as Pushkin inserts himself into his poem. Edited by Val Vinokur and Peter Scotto, who introduces the work.

New translations of the greatest stories by the Russian master of the form. Without doubt one of the greatest observers of human nature in all its messy complexity, Chekhov's short stories are a literary masterpiece in miniature. His work ranged from the light-hearted comic tales of his early years to some of the most achingly profound stories ever composed, and this variety of tone and temper is collected in this selection. Chekhov wrote stories throughout his writing career, and this selection has been chosen from amongst his life's work, including many of his greatest works, alongside unfamiliar discoveries, all new masterpieces of minimalism 'The Beauties', to the beloved classic 'The Lady with the Little Dog', and from 'Rothschild's Fiddle' to bitterly funny 'A Living Chronicle', the stories collected here are the best of Chekhov's greatest tales.

Poetry by Aleksandr Pushkin

The Feud

Read Pushkin's most famous poems without the need for a dictionary with this insightful edition. Passages in Russian and English word-by-word translation are displayed side by side on separate pages, the stressed syllables labeled in bold for each Russian word, thereby eliminating the need for a dictionary. Study Pushkin's most moving passages with ease. This edition is a must for Russian language learners and Russian literature lovers wanting to study Pushkin. In addition she provides critical essays examining each play in depth, a discussion of her approach to translating the plays, and a consideration of the genre of these dramatic pieces and their performability."--BOOK JACKET.

Alexander Pushkin (1799-1837) is, for Russians, their greatest writer; Eugene Onegin is his greatest work. This prose version, for the first time, gives us a Eugene Onegin that is easy and enjoyable to read.

Perhaps it's hard to believe, but so profoundly beloved in Russia is Alexander Pushkin's novel-in-verse Eugene Onegin that many Russians memorize all 5000 of its rhyming lines. American educator Marilyn Stone has created a radically new version of Onegin, distilling it down to just a quarter of its length, yet virtuosically maintaining the original's precise poetic form throughout. Her partner-in-rhyme, Korean artist Soonran Yoon, has complemented each page of verse with an exquisite pen-and-ink drawing, perfectly matching the sparkling poetry. Onegin is a magic lantern offering fascinating images of nineteenth-century Russia as the backdrop for young Eugene's journey, which starts off with his lackluster life of luxury in Petersburg, then moves out to the countryside, following his larks and his loves as well as his trials, tribulations, and tragedies. We vicariously accompany Gene to brilliant balls and ballets, see him inheriting an old uncle's country estate where "a brook like silver ribbon curls", then overhear him befriending his romantic young poet-neighbor Vladimir Lensky, and eavesdrop on his sad rendez-vous with fragile young Tatyana in a moonlit arbor, where he breaks her heart. While spinning his tale, Pushkin himself steps in now and then, schmoozing directly with the reader - sometimes commenting on his characters and the story line they inhabit, sometimes offering sardonic or humorous views of Russia's roads, feminine feet, and poetry's fickle fads, sometimes making poignant or cynical observations on life. Faithfully echoing the original poetry, Marilyn Stone's verse flows naturally and smoothly from one stanza to the next, while Soonran Yoon's graceful illustrations make the tale even more vivid. Here, then, is an opportunity for Americans to pick up the magic lantern that is Onegin, thereby acquiring a unique view of old Russia, absorbing an enchanting poetic form devised by Pushkin, and coming to know the Russians' all-time favorite work of literature.

Eugene Onegin A Novel in Verse Anthem Press

This novel in verse, said to be the parent of all Russian novels, is a tragic story of innocence, love and friendship. Eugene Onegin, an aristocrat, much like Pushkin and his peers in his attitude and habits, is bored. He visits the countryside where the young and passionate Tatyana falls in love with him. In a touching letter she confesses her love but is cruelly rejected. Years later, it is Onegin's turn to be rejected by Tatyana.

Alexander Pushkin was a Russian poet and writer who is considered the father of the modern Russian novel. The so-called Golden Age of Russian Literature was inspired by the themes and aesthetics of Pushkin - we are talking about names like Ivan Turgenev, Ivan Goncharov, Leo Tolstoy, Mikhail Lermontov, Nikolai Gogol. This selection of short stories brings you the best of Pushkin selected by August Nemo: The Queen of Spades The Shot The Snowstorm The Postmaster The Coffin-

maker Kirdjali Peter, *The Great's Negro*

This is the widely acclaimed translation of one of the outstanding and seminal works of Russian literature.

Pushkin

A Romance of Russian Life in Verse

"In 1940 Edmund Wilson was the undisputed big dog of American letters. Vladimir Nabokov was a near-penniless Russian exile seeking asylum in the States. Wilson became a mentor to Nabokov, introducing him to every editor of note, assigning reviews for *The New Republic*, engineering a Guggenheim. Their intimate friendship blossomed over a shared interest in all things Russian, ruffled a bit by political disagreements. But then came *Lolita*, and suddenly Nabokov was the big (and very rich) dog. Finally the feud erupted in full when Nabokov published his hugely footnoted and virtually unreadable literal translation of Pushkin's famously untranslatable verse novel *Eugene Onegin*. Wilson attacked his friend's translation with hammer and tong in the *New York Review of Books*. Nabokov counterattacked in the same publication. Back and forth the increasingly aggressive letters volleyed until their friendship was reduced to ashes by the narcissism of small differences"--

In the course of his short, dramatic life, Aleksandr Pushkin gave Russia not only its greatest poetry—including the novel-in-verse *Eugene Onegin*—but a new literary language. He also gave it a figure of enduring romantic allure—fiery, restless, extravagant, a prodigal gambler and inveterate seducer of women. Having forged a dazzling, controversial career that cost him the enmity of one tsar and won him the patronage of another, he died at the age of thirty-eight, following a duel with a French officer who was paying unscrupulous attention to his wife. In his magnificent, prizewinning *Pushkin*, T. J. Binyon lifts the veil of the iconic poet's myth to reveal the complexity and pathos of his life while brilliantly evoking Russia in all its nineteenth-century splendor. Combining exemplary scholarship with the pace and detail of a great novel, *Pushkin* elevates biography to a work of art.

Two brief poems accompany a long narrative poem about a heartless fop who is the object of an ardent young woman's selfless love

Aleksandr Pushkin, in full Aleksandr Sergeevich Pushkin, (born May 26 [June 6, New Style], 1799, Moscow, Russia—died January 29 [February 10], 1837, St. Petersburg), Russian poet, novelist, dramatist, and short-story writer; he has often been considered his country's greatest poet and the founder of modern Russian literature. Pushkin's use of the Russian language is astonishing in its simplicity and profundity and formed the basis of the style of novelists Ivan Turgenev, Ivan Goncharov, and Leo Tolstoy. His novel in verse, *Yevgeny Onegin*, was the first Russian work to take contemporary society as its subject and pointed the way to the Russian realistic novel of the mid-19th century. Even during his lifetime Pushkin's importance as a great national poet had been recognized by Nikolay Vasilyevich Gogol, his successor and pupil, and it was his younger contemporary, the great Russian critic Vissarion Grigoryevich Belinsky, who produced the fullest and deepest critical study of Pushkin's work, which still retains much of its relevance. To the later classical writers of the 19th century, Pushkin, the creator of the Russian literary language, stood as the cornerstone of Russian literature, in Maxim Gorky's words, "the beginning of beginnings." Pushkin has thus become an inseparable part of the literary world of the Russian people. He also exerted a profound influence on other aspects of Russian culture, most notably in opera. Pushkin's work—with its nobility of conception and its emphasis on civic responsibility (shown in his command to the poet-prophet to "fire the hearts of men with his words"), its life-affirming vigour, and its confidence in the triumph of reason over prejudice, of human charity over slavery and oppression—has struck an echo all over the world. Translated into all the major languages, his works are regarded both as expressing most completely Russian national consciousness and as transcending national barriers. Includes a biography of the author.

Alexander Pushkin: Eugene Onegin

A Biography

The Little Tragedies

Vladimir Nabokov, Edmund Wilson, and the End of a Beautiful Friendship

Eugene Onegin, Poltava (Poem), Ruslan and Ludmila, the Bronze Horseman (Poem), the Fountain of Bakhchisaray, the Gabrieli

Eugene Onegin, fictional character who is the protagonist of Alexander Pushkin's masterpiece *Eugene Onegin* (1833). Onegin is the original superfluous man, a character type common in 19th-century Russian literature.

In the 1820s, Eugene Onegin is a bored St. Petersburg dandy, whose life consists of balls, concerts, parties, and nothing more. Upon the death of a wealthy uncle, he inherits a substantial fortune and a landed estate. When he moves to the country, he strikes up a friendship with his neighbor, a starry-eyed young poet named Vladimir Lensky. Lensky takes Onegin to dine with the family of his fiancée, the sociable but rather thoughtless Olga Larina. At this meeting, he also catches a glimpse of Olga's sister Tatyana. A quiet, precocious romantic, Tatyana becomes intensely drawn to Onegin, but he doesn't respond. Lensky mischievously invites Onegin to Tatyana's name day celebration, and upon arrival, Onegin is irritated with the guests who gossip about him and Tatyana. He decides to avenge himself by dancing and flirting with Olga. Earnest and inexperienced, Lensky is wounded to the core and challenges Onegin to fight a duel, and Onegin reluctantly accepts. During the duel, Onegin unwillingly kills Lensky. Afterwards, he quits his country estate, traveling abroad to deaden his feelings of remorse. *Eugene Onegin* is considered a classic of Russian literature, and its eponymous protagonist has served as the model for a number of Russian literary heroes

A collection of fiction, travel narratives, and epistolary tales includes "The Queen of Spades," in which an elderly countess is rumored to possess a supernatural secret for winning at cards.

The Beauties

A Novel in Verse: Text (Vol. 1)

Women In Russian Literature 1780-1863

Essential Stories

Eugene Onegin and Other Stories

"Eugene Onegin (1823-31) is an eight-chapter novel in sonnets. The sonnet form employed is Pushkin's own devising, which he uses to modulate Mozart-like, between tragic profundity and sparkling humour, from exquisite lyrical descriptions of nature to devastating satire, all within a twinkling of the proverbial eyelid. The story and plot are simple, not unlike those of Pride and Prejudice, but with the ending left open. All Russian literature after Pushkin is influenced one way or another by Eugene Onegin, which is one of the most dazzling works of nineteenth-century European literature."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

When Vladimir Nabokov's translation of Pushkin's masterpiece Eugene Onegin was first published in 1964, it ignited a storm of controversy that famously resulted in the demise of Nabokov's friendship with critic Edmund Wilson. While Wilson derided it as a disappointment in the New York Review of Books, other critics hailed the translation and accompanying commentary as Nabokov's highest achievement. Nabokov himself strove to render a literal translation that captured "the exact contextual meaning of the original," arguing that, "only this is true translation." Nabokov's Eugene Onegin remains the most famous and frequently cited English-language version of the most celebrated poem in Russian literature, a translation that reflects a lifelong admiration of Pushkin on the part of one of the twentieth century's most brilliant writers. Now with a new foreword by Nabokov biographer Brian Boyd, this edition brings a classic work of enduring literary interest to a new generation of readers.

"Eugene Onegin" is a novel in the poems of Alexander Pushkin, one of the most significant works of Russian literature. In the novel Pushkin shows the dramatic fate of the aristocratic intelligentsia on a wide background of Russian life. The plot of the novel is simple and well-known, a love story is in the center of it. In general, novel "Eugene Onegin" reflected the events of the first quarter of the XIX century. Pushkin has been working on this novel for more than seven years. Pretty illustrations by Vladislav Trotsenko provide you with new impressions from reading this legendary story.

ONE OF THE most discussed and elusive female characters in the Russian literary tradition, Pushkin's Tatiana Larina is the progenetrix of an impressive list of heroines ranging from Tolstoy's Anna Karenina to Pasternak's Lara Guishar in Doctor Zhivago. In this provocative new book, Olga Hasty offers the first study of Pushkin's novel-in-verse Eugene Onegin that focuses systematically on Tatiana. A major revisionist reading of one of the central texts of the Russian canon, Hasty's "Tatianacentric" approach to Eugene Onegin revitalizes our understanding of both Pushkin's heroine and the novel in which she appears. Hasty shows, with elegance and psychological insight, how Tatiana is able to realize her imaginative potential in a context full of real risk and constraint. Tatiana emerges as a new literary, psychological, and cultural model who enacts precisely those creative tensions and possibilities on which Pushkin himself drew. Pushkin's Tatiana recovers the erotic energy, self-control, and expressivity of Pushkin's most beloved heroine, freeing her from the clichéd image of self-sacrificial woman. Hasty concludes with an insightful exploration of Tatiana's subsequent role in the self-presentations of the Russian poets Karolina Pavlova and Marina Tsvetaeva.

Eugene Onegin in Russian and English

A Rendition of Alexander Pushkin's "Eugene Onegin"

This is a lively and readable guide to Alexander Pushkin's novel in verse Eugene Onegin, a landmark of European Romanticism, and arguably the best of all Russian poetry. Professor Briggs addresses the question of how such remarkable poetry can have been composed about a rather banal plot, and considers the form of the work and its poetic techniques in detail. He offers fresh interpretations of the characters and events of the poem, and sets it against its European background. He discusses its influence - notably Tchaikovsky's operatic version - and points to its life-affirming philosophy and spirit of joyfulness. The book includes a chronological chart and a guide to further reading.

Alexander Pushkin began writing his first works at the age of seven. By the time he died in a duel at the age of thirty-seven, Pushkin had composed hundreds of works: lyrical poems, fairy tales, historical prose, romance novels, and even theoretical works on literature and journalistic articles. It is no wonder that readers and scholars consider him to be one of the fathers of Russian modern literary language. While during his life, the quality and breadth of his writing marked him as one of the first Russian authors to have earned a living from his craft, it later led him to be called the "Sun of Russian Poetry." Pushkin's works are essential reading for anyone hoping to understand the Russian soul.

SHORT POEMS THE FOUNTAIN OF BAKHCHISARAY THE GIPSIES POLTAVA THE BRONZE HORSEMAN RUSLAN AND LYUDMILA EUGENE ONEGIN PETER THE GREAT'S NEGRO MARIE THE SHOT THE SNOWSTORM THE UNDERTAKER THE POSTMASTER MISTRESS INTO MAID THE QUEEN OF SPADES KIRDJALI THE CAPTAIN'S DAUGHTER EGYPTIAN NIGHTS DUBROVSKY BORIS GODUNOV THE STONE GUEST MOZART AND SALIERI

"Eugene Onégin" is an epic poem by Alexander Pushkin. The story revolves around a Russian dandy and his dalliances with women. While visiting his newly inherited estate, Eugene meets Tatyana, who soon falls passionately in love

with him. Tatyana writes Eugene a letter proclaiming her love, but Eugene flatly rejects her. Eugene instead flirts with Tatyana's sister, Olga. He challenges Lensky, Olga's fiancé, to a duel, and ends up killing him. Years pass, and when Eugene meets Tatyana for a second time, he realizes what an accomplished woman she has become. Though he vies for her heart, Tatyana rejects Eugene and remains married to her husband.

From the award-winning translators: the complete prose narratives of the most acclaimed Russian writer of the Romantic era and one of the world's greatest storytellers. The father of Russian literature, Pushkin is beloved not only for his poetry but also for his brilliant stories, which range from dramatic tales of love, obsession, and betrayal to dark fables and sparkling comic masterpieces, from satirical epistolary tales and romantic adventures in the manner of Sir Walter Scott to imaginative historical fiction and the haunting dreamworld of "The Queen of Spades." The five short stories of The Late Tales of Ivan Petrovich Belkin are lightly humorous and yet reveal astonishing human depths, and his short novel, The Captain's Daughter, has been called the most perfect book in Russian literature.

A True Translation of Alexander Pushkin's 'Eugene Onegin'

Eugene Onegin

When Vladimir Nabokov's translation of Pushkin's masterpiece Eugene Onegin was first published in 1964, it ignited a storm of controversy that famously resulted in the demise of Nabokov's friendship with critic Edmund Wilson. While Wilson derided it as a disappointment in the New York Review of Books, other critics hailed the translation and accompanying commentary as Nabokov's highest achievement. Nabokov himself strove to render a literal translation that captured "the exact contextual meaning of the original," arguing that, "only this is true translation." Nabokov's Eugene Onegin remains the most famous and frequently cited English-language version of the most celebrated poem in Russian literature, a translation that reflects a lifelong admiration of Pushkin on the part of one of the twentieth century's most brilliant writers. Now with a new foreword by Nabokov biographer Brian Boyd, this edition brings a classic work of enduring literary interest to a new generation of readers.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 18. Chapters: Eugene Onegin, Poltava (poem), Ruslan and Ludmila, The Bronze Horseman (poem), The Fountain of Bakhchisaray, The Gabrieliad, The Gypsies (poem), The Tale of the Dead Princess and the Seven Knights, The Tale of the Fisherman and the Fish, The Tale of the Golden Cockerel, The Tale of the Priest and of His Workman Balda, The Tale of Tsar Saltan. Excerpt: Eugene Onegin (Russian: , BGN/PCGN: Yevgeniy Onegin) is a novel in verse written by Alexander Pushkin. It is a classic of Russian literature, and its eponymous protagonist has served as the model for a number of Russian literary heroes (so-called superfluous men). It was published in serial form between 1825 and 1832. The first complete edition was published in 1833, and the currently accepted version is based on the 1837 publication. Almost the entire work is made up of 389 stanzas of iambic tetrameter with the unusual rhyme scheme "AbAbCCddEffEgg," where the uppercase letters represent feminine rhymes while the lowercase letters represent masculine rhymes. This form has come to be known as the "Onegin stanza" or the "Pushkin sonnet." The rhythm, innovative rhyme scheme, the natural tone and diction, and the economical transparency of presentation all demonstrate the virtuosity which has been instrumental in proclaiming Pushkin as the undisputed master of Russian poetry. The story is told by a narrator (a lightly fictionalized version of Pushkin's public image), whose tone is educated, worldly, and intimate. The narrator digresses at times, usually to expand on aspects of this social and intellectual world. This allows for a development of the characters and emphasises the drama of the plot despite its relative simplicity. The book is admired for the artfulness of its verse narrative as well as for its exploration of life, death, love, ennui, convention and passion....

Read Pushkin's Eugene Onegin in Russian without the need for a dictionary with this edition. Bringing you Pushkin's entire masterpiece, this edition's Russian and English word-by-word translation are displayed side by side on each page, the stress labeled in bold for each Russian word, thereby eliminating the need for a dictionary. This edition is a must for Russian language learners and Russian literature lovers wanting to read Pushkin's original story.

Ambivalent Souls

"Eugene Onegin" is a novel written in verse by Alexander Pushkin (1799–1837). Pushkin was a Russian playwright, novelist, and poet of the Romantic era often hailed as the greatest Russian poet and father of modern Russian literature. Born into the nobility, his first poem was published when he was just 15 years old and by the time he left university he had garnered considerable acclaim for his literary endeavours. Pushkin died from wounds sustained in a duel with Georges-Charles de Heeckeren d'Anthès, his wife's alleged lover and brother-in-law. A timeless classic of Russian literature, "Eugene Onegin" is made up of 389 fourteen-line stanzas of iambic tetrameter with an unusual rhyme scheme, which is now known as "Onegin stanza" or the "Pushkin sonnet". Set in 1820s Russia, the story revolves around the lives and loves of three men and three women, exploring the relationship between fiction and real life together with the deadly inhumanity of social convention. "Eugene Onegin" is a riveting and suspenseful tale full of philosophical digressions with a satirical slant that will not disappoint lovers of Russian literature. Ragged Hand is proud to be republishing this classic novel now in a brand new edition complete with a specially-commissioned new biography of the author. Translated from the Russian by Henry Spalding.

Sparked by reading Jim Falen's beautiful English version of Eugene Onegin (published in 1992), Douglas Hofstadter presents a more liberal, distinctly American, colloquial version of the Alexander Pushkin classic.

Hofstadter's version is entirely in so-called "Onegin stanzas"—a unique sonnet form devised by Pushkin with a very intricate rhythmic and rhyming pattern. There is also a preface in Onegin stanzas, in which Hofstadter talks about Pushkin, his novel in verse, its form and content, the challenges of translating it into English and his deep admiration for Falen's version. This work will correspond with Pushkin's 200th anniversary; thus, it should be a timely and well accepted literary gem.
