A Joe LaFlam Mystery

One von Hornstädt (1939) is one of the most important theatre writers in the 1930s. His reputation rests largely on the four plays in this collection, which he called Volkstücke (popular plays), although he had no desire to embrace this tradition uncritically. Reflected in these plays is the sympathy for the situation of the exploited classes, as well as the concern for the way language is used for deception and self-deception. The hollow characters come across as potentially receptive to fascism. A latent brutality is unmasked, a lack of genuine feeling – in Christian gumshoe Joe LaFlam is wallowing in an existential crisis when the stunning Sissy Smith slinks into his office with a plea for help. Her man Jake Dano has been lured away by another woman and into the bowels of Splunkenks Global, a secret society bent on world domination with whom Joe previously tangled in the first of the LaFlam mystery series, Bye Bye Bertie. Joe is eager to take the case, knowing that exposing the scam will solidify his professional reputation and reinforce his earthly purpose. He goes undercover underground, where, entering a unique addition to the detective genre, offering readers an absorbing glimpse into the heart of a committed Christian detective.

For all her eighteen years, Amber had wondered where her mother was and if she would ever return. Now, finally, Gram came to her room to tell her that Miriam had called and was coming home. When? Amber asked. Tomorrow, Gram said. Then Amber asked the real question. Why? And Gram answered. Miriam told me she is coming home to die. The more Amber learned of the circumstances of her mothers absence, the more cheated and betrayed she felt. Miriam had not only ruined Ambers past, she was now taking Ambers dreams to the grave with her. Then selfish choices this woman made? It was cruel and unfair to even ask. As Amber struggled with forgiveness, she discovered faith and the truth of Mother Teresas words: People are often unreasonable and self-centered. Forgive them anyway. For you see, in the end, it was between you and God. It was never between you and them anyway.

You Raise Me Up is a terrific resource for ladies' choirs and ensembles! Here is one treasure combining current artist favorites, top CCLI praise and worship songs, choral classics and the best of contemporary gospel. Included are poignant and thoughtful ballads, energetic up-tempo selections and beautiful expressions of hope and faith. You'll find the arrangements interesting, yet accessible. Whether sung to the full orchestral Instrutrax or the tasteful and creative keyboard accompaniments in the book, You Raise Me Up provides valued material for worship solo and a bonus CD, perfect for preserving the work before you buy it for your ensemble.
