the pros by using
what they know.

According to
Lynch, investment
opportunities are
everywhere. From
the supermarket to
the workplace, we
encounter products
and services all day
long. By paying
attention to the
best ones, we can

by often superior intellectual abilities but also by obsessive behavior, ineffective communication, and social awkwardness. In a personal chronicle that is by turns hilarious and heartbreaking, Page revisits his early days through the prism of newfound clarity.

of a child who memorized vast portions of the World Book Encyclopedia simply by skimming through its volumes, but was unable to pass elementary school math and science. And it is the triumphant account of a disadvantaged boy who grew into a high-
