Dire straights. Rock bottom. Out of options. It's where we were. My pack and I. A simple bargain. A childhood crush. Could it work? In a world of fated mates how would we possibly fake it for everyone? Luca made it all sound so easy. My heart, body, and wolf were on board. I just needed to convince my head. I couldn't deny the alpha he was or the chemistry between us. Only time could tell if it would be for eternity. A not so simple bargain changed it all.

Providing self-contained how-to sections, this reference guide includes contributions from leading experts in the fields of managing organizations, marketing, stress and time management, and customer service.

Men are losing their masculinity. Guys are urged to get in touch with their "feminine" side at the expense of the traditional attributes that make men "male." Not only has "manliness" become a dirty word in a society of beta males and couch potatoes, but there's actually less and less of it in the blood of too many American men, with studies showing declines in average testosterone levels over the past 20 years. Today's men need a major adjustment of alpha attitude, and "Alpha Male Challenge" is the 10-week plan for reclaiming the masculine, competitive edge guys need to be on top of their game in every aspect of their lives. It's the new blueprint for the "true" Alpha Male--the ideal of masculine excellence today. More than just another fitness book, this three-part exercise, diet, and mind-set overhaul features: the revolutionary MaleScale assessment questionnaire that measures the physical and mental traits that define the true Alpha Male; a step-by-step regimen to develop the Four C's of Alpha Attitude: commitment, confidence, courage, and conscience; the Alpha Wave Basic Training program to build muscle, burn fat, and produce testosterone; the Work Heart/ Play Heart cardio system; and the Alpha Fuel Solution, a convenient approach to food and supplements with simple Fuel Rules based on what the human body was designed to eat over the past 2.5 million years, tweaked with cutting edge innovations. This is a straightforward instruction manual to build the kind of man these hard times demand: ruggedly powerful and supremely confident. It will help guys become more successful in their workouts, in their careers, and even in their relationships, as they learn to embody the everyday heroism of the true Alpha Male.

An "infuriating, fast-paced" (The Washington Post) account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter WINNER OF THE COLORADO BOOK AWARD • "Nearly impossible to put down."—Jon Krakauer, New York Times bestselling author of Where Men Win Glory and Into the Wild In this "brilliantly written" (The New York Times Book Review) and startling account, Pulitzer Prize-winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as "the forever war." When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. The story of Alpha's war, both in Iraq and in the

shocking trial that followed the men's accusations, would complicate the SEALs' post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat.

I've waited 1000 years for my mate. If she rejects me, I'll burn down the world. She woke the dragon. Every maiden dreams of being rescued by a handsome prince from a deadly dragon. But I am the prince and the dragon. Ancient courtship rituals demand I steal my bride away.

Imprison her in my high tower. Show her my treasures, my vast lands and armies. I've done all that, and she still refuses me. She says she can't see herself with a man who still thinks Istanbul is Constantinople. I must woo her, and I don't know how. But beneath my beating human heart, a dragon sleeps. And when he wakes, no one can stop him from destroying the world. No one but her.

The book is about the Alpha and Omega God. It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities. I started to write about this supernatural and omnipotent God from the beginning, which is unknown time. I then proceeded in writing all the way to the time of eternity. In the book, I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God. I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now.

To hell and back . . . Though he has vampire, demon, and Viking blood rushing through his veins, Ivar Kjeidsen's soul-crushing trip to hell broke him in ways he can barely fathom. One vow keeps the deadly immortal standing: To rescue the vampire brother who had sacrificed freedom for him. To do that, Ivar needs the help of a brilliant physicist with wary brown eyes, fierce brilliance, and skin that's way too soft. Dr. Promise Williams understands the underpinnings of the universe but has never figured out the human beings inhabiting it. Her function is to think—and not feel—until she's touched by a vampire who's nowhere near human. The primal hunger in his eyes awakens feelings in her that defy calculation. As she shows him the way to step between worlds, he brands her with a pleasure that could last more than a lifetime . . . "Spicy romantic interplay; highly recommended." —Library Journal on Vampire's Faith "Sizzling sex scenes and a memorable cast." —Publishers Weekly on Claimed "A fast-paced, excitement-filled explosion of action... A world of shapeshifting wolves comes vividly to life in this collection of four comics based on Cry Wolf, the first book in Patricia Briggs' s #1 New York Times bestselling Alpha and Omega series. Charles and Anna are on the hunt for a rogue werewolf in the Montana mountains. The creature has morphed into something so dark that it kills everything in its path: deer, elk, grizzlies...humans. But the wolf is the creature of something far more powerful. One of Charles and Anna' s own pack harbors a centuries-old secret that has come back to haunt him—and wreak vengeance on those around him. Charles and Anna—unaware of the truth—are two innocents who stand in the way. But even as members of their pack rally around them, Anna' s rare power comes into its own—and is unleashed... Josh worships his older brother, Max. They look alike, they talk alike, and they both have the same interests, including their favorite massively multiplayer online role-playing game, Genesis Alpha. But Josh and Max have an even deeper connection. Because Josh was born for a reason. It was Josh's stem cells, harvested when Josh was newly born, that saved his dying older brother's life. Now that same beloved older brother is arrested, accused of the brutal murder of a teenage girl. Josh is bewildered. Is Max really a monster, or is all of this a terrible mistake? And if the worst is true and Max is guilty, does that mean Josh is guilty too? After all, Max wouldn't exist without him. But this is only the beginning. Before long, Josh will come to a number of searing revelations -- revelations that have dire implications not only for Max's future, but for Josh's as well. Rune Michaels explodes onto the teen literature scene with this gripping, chilling debut -- a compelling picture of the intersection where science, family, and morality collide.

Percevoir, anticiper, motiver, agir et adapter: voici quelques-unes des qualités du leader. Tous ces leaders "d'exception", dont Robert Dilts rapporte les idées et les actes aux effets magistraux sur la vie et le développement de leurs entreprises, seraient-ils destinés à ouvrir la voie à une multitude d' alpha leaders performants et humains dont le monde a bien besoin ? Ce livre est très explicite et concret quant aux moyens d'y parvenir: des données théoriques, des exemples et des exercices très pratiques accompagnent avec pertinence le développement de principes "techniques" qui permettent à l'entreprise d'être un véritable radar recevant et décodant les informations venant du monde extérieur qui serviront à son adaptation rapide et à son évolution. Robert Dilts nous fait toucher du doigt à quel point il est fondamental pour un leader d'être en accord avec lui-même, de prendre conscience de ses vraies aspirations, de respecter et d'accompagner la réalisation de celles de ses collaborateurs et à quel point la perspicacité affûtée en contact avec le monde est un facteur clé de réussite. Cet ouvrage intéressera les dirigeants d'entreprise de toute taille et les étudiants se destinant à la direction d'entreprise ou au management, les étudiants en école de gestion, les PNListes et tout lecteur désireux de trouver des pistes qui l'aidera à affiner son rôle de leader.

Obey and submit. That seemed to be all he wanted from me. He expected so little, and yet, so much. Hervé: I rule this planet. I will settle for nothing less than absolute control. And my tastes are dark. She is my pet. My plaything. I will train her for my use. I want her to desire the pain I will inflict. She only exists for my pleasure. Until she gets taken from me. Without her, my world is shattered. But make no mistake. I'm coming for her. Kitty: I am a pet kitten. I have no name. From birth we are kept in captivity and prepared to be sold. My owner does whatever he wants with me. His rules? Obey and submit. When we are forced apart, I realize I need him. I crave his complete mastery. His pain. His pleasure. No one else can take the place of my owner. Publisher' s Note: This is a dark, steamy sci-fi romance. It features total power exchange with some potentially triggering scenes, along with an HEA. Alpha

A thrilling new science fiction mystery from the New York Times bestselling author of the Donovan novels Dr. Timothy Ryan, head of the military psychiatric unit at Grantham Barracks, is meeting a new patient, a woman known as "Prisoner Alpha." As she is being transferred, they are attacked by assassins, barely escaping with their lives. One shooter vanishes, leaving behind a dead companion unlike anyone Ryan has ever seen. But even more baffling is the puzzle of Alpha herself. She speaks in a strange tongue, and doodles in bars, dots, and little pictures like nothing Ryan has ever seen. Is she some sort of savant, or the most cunning spy he's ever met? Meanwhile, in Egypt, archaeologist Reid Farmer uncovers an 18th-Dynasty tomb that shouldn't exist, filled with Mayan epigraphy, mathematics, and materials that didn't exist 3,000 years ago. As a result of this discovery, Reid and forensic anthropologist Kilgore France—along with the sarcophagus they have found—are snatched away to a hidden lab to solve the enigma of a man lost in time. As dark forces gather, Alpha makes an impossible escape from Grantham. Ryan quickly becomes the prime suspect in her disappearance, but with a team of unique allies, sets out to prove his innocence. Together, they must find Alpha and save Ryan before it is too late. A werewolf, an owl shifter, and a scientist walk into a bar... Sam I was born in a lab, fostered out to humans, then tortured in a cage. Fate allowed me to escape, and I know why. To balance the scales of justice. Right the misdeeds of the harvesters. Nothing matters but taking down the man who made me what I am: A monster driven by revenge, whatever the cost. Then I meet Layne. She thinks I'm a hero. But she doesn't understand—If I don't follow this darkness to its end, it will consume me. Layne I've spent my life in the lab, researching the cure for the disease that killed my mom. No late nights out, no dates, definitely no boyfriend. Then Sam breaks into my lab, steals my research, and kidnaps me. He's damaged. Crazy. And definitely not human. He and his friends are on a mission to stop the company that's been torturing shifters, and now I'm a part of it. Sam promises to protect me. And when he touches me, I feel reborn. But

he's hellbent on revenge. He won't give it up. Not even for me.

The Alpha Guide is a companion to either the Alpha Film Series or Alpha with Nicky Gumbel. This guide is divided up by session with an easy-to-read outline so that guests can follow along during each talk. With simple bullet-point organization and plenty of room for notes, the guide functions as an invaluable resource to the guest during Alpha, and as a reference tool for individual reflection long after Alpha. It is considered an essential resource for Alpha guests as well as the host and helpers on Alpha. Alpha creates an environment of hospitality where people can bring their friends, family, and work colleagues to explore the Christian faith, ask questions, and share their point of view. Alpha makes it easy to invite friends to have spiritual conversations which explore life's biggest questions in a safe and respectful way. Alpha's approach to hospitality, faith, and discussion is designed to welcome everyone, especially those who might not describe themselves as Christians or church-goers. Each session includes time for a large group meal, short teaching, and small group discussion.

The Big Alpha in Town

MADDOX Mates are supposed to be forever, but nine years ago I found mine sleeping with another man. Every night I both curse the Moon Goddess for pairing me with such an unfaithful woman and beg her for another chance to find a mate who could love me, because a callous and unruly alpha like me isn't cut out to raise a daughter with a disability on his own. But the years pass by, and I find myself loathing everyone, especially that sonavbitch's daughter, Jade. She is a constant reminder of who her father used to be before I killed him. When the Chaos hits, for the first time in nine years, like a mother fuckin' train, I stare at Jade from across the dark forest and vow that I would never let another woman get close enough to hurt me again, especially if she's my mate. JADE Mates mean nothing, at least that's what my father said when he cheated on Mom with the luna of our pack. I didn't believe in them then, and I don't believe in them now. And nothing, not even the Chaos, could change my mind. But when the forest goes dark and the Chaos descends upon the dark valley, I find myself staring back at Maddox, my alpha and the annoying prick who has made my life a living hell these past nine years. If I hate anything more than the mate bond, it is that the Moon Goddess destines me to be with Alpha Maddox. Too bad I will never let him into my life. But the pull is stronger than I hope, and my wolf won't let him go. Alpha Maddox is a standalone novel, part of the Wolves of Chaos Valley shared universe series. ** In Chaos Valley, there is only one way for wolves to find their fated mates. Once a year, in the heat of summer, the Chaos descends. Seven days and seven nights for your animal instincts to run wild under the blood-red moon. One week to find the wolf or wolves who would make your lives complete. But, without warning, it stopped. Nine long years have passed since this essential magic bathed these territories. And when it finally returns, anarchy will reign. What kind of madness and mayhem will abound when the wolves of Chaos Valley are finally let off their leash? When their one shot at true and abiding love is finally set free? Dive into the world of the Wolves of Chaos Valley and read eleven stories of fated mates, steamy hot alphas and feisty**

heroines.

Morgan Downs' life is unexceptional. She's stuck in an abusive loveless marriage and often made to feel inferior by her parents because of her speech impediment. Although as bad as her life is, she never expected to be kidnapped from her home and taken to a private military base to become a test rat for a science experiment. But things change when Morgan meets Alpha. She should be afraid, he isn't quite human after all. Alpha is a genetically enhanced super soldier, and Morgan has been captured to bear his offspring. Yet, Morgan finds that Alpha isn't the real monster behind those confined walls. They are both captives of the insane scientist, Dr. Ryder Strong.

The curvy human saw me shift-now she can never leave. I took the lovely female with bright pink braids as my prisoner. She trespassed on our mountain. Saw my bear. With our land already under threat, I must keep her until I find out what she remembers. And she's in danger. Her brother wants her dead, and she needs my protection. I shouldn't keep her. I swore I'd never take a mate, but I can't stop myself from wanting Lana. I can't resist tying her to my bed. Claiming her. Then destroying anyone who dares threaten my mate. Don't miss the next installment of Renee Rose and Lee Savino's USA Today Bestselling Shifter Ops series in which a grumpy werebear meets his curvy girl match. Overprotective bear-love guaranteed.

When Brenna's father sells her to a band of passing warriors, her only thought is to survive. She doesn't expect to be claimed by the two fearsome warriors who lead the Berserker clan. Kept in captivity, she is coddled and cared for, treated more like a savior than a slave. But when Brenna discovers the truth behind the myth of the fearsome warriors, she must choose: remain a captive or give into love as the Alpha's true mate. Author's note: The Alpha's Captive is a compilation of previously published titles, Sold to the Berserkers & Mated to the Berserkers.

Alpha and Omega

Alpha Ruins was written as a collection of poems of sensual abstraction that attempts to advance the perimeters of a post-modern critical-lyric. The project was to create poems that work in the gap between the analytical, social, and semiotic concerns of contemporary language writing and that of a more dream-like, mythic, existential awareness of the body as an ontological presence in the writing process.

Humankind has grappled for millennia with the fundamental questions of the origin and end of the universe--it was a focus of ancient

religions and myths and of the inquiries of Aristotle, Galileo, Copernicus, Kepler, and Newton. Today we are at the brink of discoveries that should soon reveal the deepest secrets of the universe. Alpha and Omega is a dispatch from the front lines of the cosmological revolution that is being waged at observatories and laboratories around the world--in Europe, in America, and even in Antarctica--where scientists are actually peering into both the cradle of the universe and its grave. Scientists--including galaxy hunters and microwave eavesdroppers, gravity theorists and atom smashers, all of whom are on the trail of dark matter, dark energy, and the growing inhabitants of the particle zoo--now know how the universe will end and are on the brink of understanding its beginning. Their findings will be among the greatest triumphs of science, even towering above the deciphering of the human genome. This is the book you need to help understand the frequent front-page headlines heralding dramatic cosmological discoveries. It makes cutting-edge science both crystal clear and wonderfully exciting.

I was walking through an unknown foggy forest when I spotted a field of wildflowers. My feet had a mind of their own as they led me to wander through the flowers. I nonchalantly dragged my hands over the flowers. It was a beautiful and serene sight. I deeply inhaled the sweet scent of the flower and gave a little shudder of bliss. I closed my eyes and just absorbed the moment wanting to remember it. Suddenly the sounds of paws hitting the forest floor overwhelmed me. Then the forest was ignited with flames. Everything glowed vibrant oranges and reds as heavy smoke smothered me from above. I threw myself to the ground desperate for any trace of clean air. As I attempted to crawl out of the flowers a new sound harmonized with the thunder paws, screams and howls for help terrorized me. I clawed at the ground desperate to escape the menacing choir. Fire licked my skin and I screamed for help. Sobs escaped my lips as flaming branches fell on me from above. The smell of burning flesh was the only thing that consumed me as everything went dark.

Mykayla believed she was a normal human even if she lived in a world with supernatural beings. After moving to a new state and city for a fresh start with her younger sister she is into the supernatural world even more than before. After her new boss turns out to be her mate she finds she is the target of a revenge plot. However,

what she doesn't know is that a much higher power is going to help her pack protect their luna. Soon family secrets are revealed and she finds out that she and her sister are the daughters of a god. Soon the pack has goddesses assisting to protect and the beta of the pack happens to be the mate of one of the goddesses. New allies join the pack and even more secrets and powers are revealed. While this alpha thought that he found his mate in an ordinary human woman, never did he in his wildest dreams know what surprises his mate had for him.

"Bearing His Name: Meeting his mate should have been cause for celebration. There's just one teeny tiny problem. Jade thinks Ark might have impregnated her sister. He didn't, but convincing Jade is going to take a bit of honey."--Provided by publisher.

The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.

Eighteen-year Lyle of the Blood Moon pack was devastated when the man she loved more than her life left her for another woman. Her heart became numb with pain and she grew colder. Previously published in the anthology *Hunger*, the paranormal queen of steam and sass pulls out all the stops in *The Alpha's Mate*, a sexy, funny short story from New York Times bestselling author Eve Langlais. Villains aren't supposed to rescue damsels, and pack alphas are known to have complete control of their wolf. But when Fabian saves a certain lady from drowning, everything he knows gets tossed away and only one thing becomes clear: she's his mate—and someone wants to kill her. Protecting her, though, is only part of his problem. He also has to convince her she belongs to him. In her words, "Hell no." When she flees, little does she realize this wolf loves to chase. And when he catches the woman he wants? She'll become the Alpha's Mate.

Once Upon An Alpha

The New Alpha: Join the Rising Movement of Influencers and Changemakers Who are Redefining Leadership

Fireman Garrett Livingston could probably have any omega he wants. The problem is he isn't out of the closet yet. Anyone he beds has to promise to keep his secret. That works out just fine so long as he just wants to sleep around and have fun. But nothing is ever that easy, right? When Garrett meets Chip Sorenson, he falls hard and fast. The problem is, Chip isn't going to waste his time on an alpha that doesn't know what he wants. Chip is ready to settle down and have babies. But if Garrett can't admit to his family and friends who he really is, they have no future. As heartbreaking as it is, Chip breaks things off with Garrett. But just as he thinks maybe he's ready to move on and start a life with another alpha, he discovers he's pregnant with Garrett's baby.

Lillian Dalgaard, or Lilly to her friends, is the future Queen of Zidiah, a strong, powerful, rare wolf shifter and part vampire. With capabilities like no other, only a strong Alpha wolf will do as Lilly's mate. However, the mate she gains is not one she wants. Bastian is a powerful Alpha in his own right and runs his pack with an iron fist. He has no tolerance for rogues and even less for Lillian Dalgaard. When Bastian's men kidnap Lilly, locking her in Greenrock packs cells, they have no clue what they've set in motion. Realising that Lilly is his mate, Bastian rejects her on the spot, not realising he just rejected the future Queen and Omerian wolf that all men wish was theirs, leaving her to die. When the realisation hits, Bastian knows his only choice is to accept Lilly, or it could mean

the end of both of them. Lilly, however, has other ideas. She will not accept Bastian, no matter what it costs. Lilly will fight for what's right, and Bastian Ashworth has no business believing that he can write the wrongs of the past between them. Will Bastian be able to show Lillian how wrong he was? Or will her mighty wolf tear him to shreds before the eyes of his pack?
