

Alter Ego A1 Guide Pedagogique

100 Ways to Motivate Others is the culmination of many years of successful leadership coaching and training by best-selling author Steve Chandler and attorney Scott Richardson, and the natural follow-up to Chandler's two previous best-sellers *100 Ways to Motivate Yourself* and *Reinventing Yourself*. Chandler and Richardson have crafted a vital, user-friendly, inspirational guide for executives, managers, and professionals ... and those aspiring to reach that level.

The goals of this book are to help you discover that besides hunger there are six other factors that make you want to eat; help you realize how much you control what you eat, how you are doing this and why it may be harmful to you; teach you to quickly recognize the emotional wounds preventing you from eating a nutritious diet; help you love and accept yourself at every moment.

Are you looking for a new Korean challenge after mastering the basics? Welcome to the Intermediate level! The Korean language is constantly advancing and conquering new markets. Whether it's with their television series, their incredible music or simply the culture and tourism, the Korean tongue is currently taking over the world! And we guess that you don't want to be left behind in not understanding and speaking Korean, right? Because of this, we have created the next level of Korean stories for the students who have already surpassed the beginner level: *Intermediate Korean Short Stories!* In this book we have compiled 12 challenging, compelling and fun stories that will allow you to expand your vocabulary, educate you on the culture and give you the tools to boost your grasp of the wonderful Korean tongue. How *Intermediate Korean Short Stories* works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! - The summaries follow the story: a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after (and in English), but no cheating! We want you to feel comfortable while mastering the Korean tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of *Intermediate Korean Short Stories* and level up your Korean language learning right now!

Inspired by the true story of a former slave who became a saint, this poignant novel explores how a human being can survive the obliteration of her identity, and how kindness and generosity can be born out of profound trauma. She recalls little of her childhood, not even her own name. She was barely seven years old when she was snatched by slave raiders from her village in the Darfur region of southern Sudan. In a cruel twist, they gave her the name that she will carry for the rest of her life: Bakhita, "the Lucky One" in Arabic. Sold and resold along the slave trade routes, Bakhita endures years of unspeakable abuse and terror. At age thirteen, at last, her life takes a turn when the Italian consul in Khartoum purchases her. A few years later, as chaos engulfs the capital, the consul returns to Italy, taking Bakhita with him. In this new land, another long and arduous journey begins--one that leads her onto a spiritual path for which she is still revered today. With rich, evocative language, Véronique Olmi immerses the reader in Bakhita's world--her unfathomable resilience, her stubborn desire to live, and her ability to turn toward the pain of others in spite of the terrible sufferings that she too must endure.

Noel has always been in love with her best friend Elena, but she's never been able to find the courage to confess her feelings. Then, when her friend starts dating a boy, Noel's world collapses as she sees her chance at love slipping away. One night, in a moment of desperation, Noel ends up confessing her feelings for Elena to a complete stranger — but as fate would have it, this stranger turns out to be a girl named June, Elena's other best friend... and Noel's rival in love! Worst of all, now June knows Noel's secret. With everything suddenly going wrong, how can Noel ever win the girl of her dreams? The heart-pounding romantic drama by breakout Spanish artist Ana C. Sánchez!

First published in 1979 but never available in English until now, Ego Sum challenges, through a careful and unprecedented reading of Descartes's writings, the picture of

Descartes as the father of modern philosophy: the thinker who founded the edifice of knowledge on the absolute self-certainty of a Subject fully transparent to itself. While other theoretical discourses, such as psychoanalysis, have also attempted to subvert this Subject, Nancy shows how they always inadvertently reconstituted the Subject they were trying to leave behind. Nancy's wager is that, at the moment of modern subjectivity's founding, a foundation that always already included all the possibilities of its own exhaustion, another thought of "the subject" is possible. By paying attention to the mode of presentation of Descartes's subject, to the masks, portraits, feints, and fables that populate his writings, Jean-Luc Nancy shows how Descartes's ego is not the Subject of metaphysics but a mouth that spaces itself out and distinguishes itself.

Taking the Ego Lightly

How to Develop Self-Discipline, Resist Temptations and Reach Your Long-Term Goals If you want to make positive changes in your life and achieve your long-term goals, I can't think of a better way to do it than to learn how to become more self-disciplined. Science has figured out a lot of interesting aspects of self-discipline and willpower, but most of this knowledge is buried deep inside long and boring scientific papers. If you'd like to benefit from these studies without actually reading them, this book is for you. I've done the job for you and researched the most useful and viable scientific findings that will help you improve your self-discipline. Here are just a couple things you will learn from the book: - what a bank robber with lemon juice on his face can teach you about self-control. The story will make you laugh out loud, but its implications will make you think twice about your ability to control your urges. - how \$50 chocolate bars can motivate you to keep going when faced with an overwhelming temptation to give in. - why President Obama wears only gray and blue suits and what it has to do with self-control (it's also a possible reason why the poor stay poor). - why the popular way of visualization can actually prevent you from reaching your goals and destroy your self-control (and what to do instead). - what dopamine is and why it's crucial to understand its role to break your bad habits and form good ones. - 5 practical ways to train your self-discipline. Discover some of the most important techniques to increase your self-control and become better at resisting instant gratification. - why the status quo bias will threaten your goals and what to do to reduce its effect on your resolutions. - why extreme diets help people achieve long-term results, and how to apply these findings in your own life. - why and when indulging yourself can actually help you build your self-discipline. Yes, you can stuff yourself (from time to time) and still lose weight. Instead of sharing with you the detailed "why" (with confusing and boring descriptions of studies), I will share with you the "how" - advice that will change your life if you decide to follow it. You too can master the art of self-discipline and learn how to resist temptations. Your long term goals are worth it. Scroll up and buy the book now. As a gift for buying my book, you'll get my another book, "Grit: How to Keep Going When You Want to Give Up." Keywords: Develop self discipline, willpower and self discipline, self-discipline, self control books, stress, reach your goals, self-control, achieve your goals, instant gratification, long term goals, goal setting success, goal setting books, how to reach your goals, how to achieve your goals, persistence, how not to give up, stick to a diet, stay motivated, build habits, delayed gratification, personal development

Les 41 contributions au volume 5, venues de 27 pays, témoignent de l'importance de la prise en compte de la diversité dans l'enseignement du français, de différents points de vue, et de l'intérêt qu'y attachent les professeur.e.s de français. Il ne s'agit pas seulement de diffuser le français mais de s'inscrire dans des situations locales très diversifiées en examinant de façon minutieuse leurs caractéristiques, tant sur le plan des pratiques didactiques que des représentations qui documentent les projets d'appropriation de leurs élèves et étudiants. Les textes réunis insistent sur différentes modalités pour mettre en oeuvre un enseignement du français incluant des formes d'éducation plurilingue et interculturelle. Celles-ci se déclinent de diverses façons en recourant par exemple à des démarches contrastives, à des approches plurielles, à des entraînements à l'intercompréhension. Elles renouent aussi, dans un certain nombre de cas, avec un intérêt pour des activités mobilisant la littérature et la traduction, en valorisant une réflexion sur ce qui advient " entre les langues ", dans une perspective non plus seulement inter- mais aussi alter- linguistique et culturelle.

ORGANISATION GÉNÉRALE DE L'OUVRAGE: Introduction Chapitre 1 : Les apprenants : Qui sont-ils ? Chapitre 2 : Enseignant(s) : Qui êtes-vous ? Chapitre 3 : Comment organiser un cours ? Chapitre 4 : Quels contenus enseigner ? Chapitre 5 : Quelle approche choisir ? Chapitre 6 : Le management de la classe : comment gérer les comportements ? Chapitre 7 : Le management de la classe : comment gérer les tâches et les activités ? Chapitre 8 : Comment évaluer les acquisitions ? Conclusion Postface Bibliographie Index
OBJECTIFS ET DÉMARCHE MÉTHODOLOGIQUES : Tous les enseignants, y compris ceux de (Français) Langue Étrangère, connaissent le célèbre triangle didactique qui illustre toute situation d'enseignement et met en évidence les multiples interactions entre l'enseignant, l'élève et le savoir. L'exploitation de ce triangle a donné lieu à plus d'études théoriques que pratiques. Le présent ouvrage a donc comme premier objectif de combler ce vide à l'heure où l'enseignement des langues vivantes est tributaire des recommandations du CECR (Cadre Européen Commun de Référence pour les langues) et des changements qui en découlent. L'ouvrage se présente donc comme un authentique traité de pédagogie contemporaine qui allie étroitement théorie et pratiques de classe et répond concrètement aux multiples interrogations des enseignants souvent désemparés face au poids des programmes officiels, aux horaires limités, aux manuels parfois inadaptés, à la perspective actionnelle préconisée par le CECR et la remise à niveau qu'elle suggère.

Gay pornography, online and onscreen, is a controversial and significantly under-researched area of cultural production. In the first book of its kind, Gay Pornography: Representations of Sexuality and Masculinity explores the iconography, themes and ideals that the genre presents. Indeed, John Mercer argues that gay pornography cannot be regarded as one-dimensional, but that it offers its audience a vision of plural masculinities that are more nuanced and ambiguous than they might seem. Mercer examines how the internet has generated an exponential growth in the sheer volume and variety of this material, and facilitated far greater access to it. He uses both professional and amateur examples to explore how gay pornography has become part of a wider cultural context in which modern masculinities have become 'saturated' by their constantly evolving status and function in popular culture.

L'enseignement du français entre tradition et innovation

La langue est un objet politique, et son enseignement n'est pas indifférent à cette nature politique de la langue. Pour que l'enseignement du français, partout dans le monde, soit un vecteur d'émancipation et non un instrument de contrôle social et de domination culturelle, il convient qu'il reconnaisse et qu'il explicite davantage les usages idéologiques de la langue, qu'il en fasse l'un des objets mêmes de l'apprentissage du français. Cet objectif général se décline en plusieurs volets, qui ont tous à voir, peu ou prou, avec les valeurs de tradition et d'innovation. Les articles tournent autour de quatre axes principaux : 1) L'enseignement du français comme système : orthographe et grammaire, 2) L'enseignement du français comme ensemble de variétés 3) L'enseignement du français parmi d'autres langues, et d'autres langages et enfin 4) L'enseignement du français comme ensemble de discours : de la littérature à l'écriture technique. Les 30 contributions au volume 2, provenant de 19 pays, démontrent l'intérêt et les possibilités concrètes d'un renforcement des fonctions émancipatrices de l'enseignement de la langue, en faisant de celle-ci une ressource pleinement appropriable.

Learn beginner French grammar painlessly with step-by-step lessons that focus on the essentials and help you build a learning habit. Inside "French Grammar for Beginners" you'll find: 30 beginner-level French grammar lessons: This reference and practice book covers everything you need to know about beginner French grammar. Straight-to-the point explanations: No extra fluff and frills, the lessons are straightforward and focus more on the rules rather than the exceptions. Short daily lessons designed to help you create a learning habit: Spend just 30 minutes every day for 30 days to form an effective learning habit. Clear and concise grammar discussions written in a conversational tone: Difficult grammar concepts are broken down and simplified with brief yet engaging explanations. An embedded workbook with 300+ grammar exercises: Challenge yourself and reinforce your comprehension by doing the exercises after each lesson. Audio for pronunciation and listening practice: Improve your listening and pronunciation skills in French by listening to the audio narrated by a native French speaker. If you're tired of your usual boring French textbook, grab your copy of this book and start learning French grammar the un-boring way today!

A guide to flash photography using a single flash covers the use of pop-up, external, wired, and wireless flashes for photographs in a variety of settings.

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

Infuse your lyrics with sensory detail! Writing great song lyrics requires practice and discipline. *Songwriting Without Boundaries* will help you commit to routine practice through fun writing exercises. This unique collection of more than 150 sense-bound prompts helps you develop the skills you need to:

- tap into your senses and inject your writing with vivid details
- effectively use metaphor and comparative language
- add rhythm to your writing and manage phrasing

Songwriters, as well as writers of other genres, will benefit from this collection of sensory writing challenges. Divided into four sections, *Songwriting Without Boundaries* features four different fourteen-day challenges with timed writing exercises, along with examples from other songwriters, poets, and prose writers.

A brand new title in this popular series of Tests that teach, designed to help improve student's exam performance and increase language competence. The PTE Academic Testbuilder supplies four complete practice tests for the entirely computer-based Pearson Test of English Academic exam.

The Phantom of the Opera (1910) is a novel by French writer Gaston Leroux. Originally serialized in *Le Galois*, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, *The Phantom of the Opera* has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1986 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences. Just before a gala performance, a young Swedish soprano named Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's *The Phantom of the Opera* is a classic of French literature reimagined for modern readers.

Collins IGCSE® French Workbook supports the Student's Book by providing additional material for skills development and language practice. Following the structure of the Student's Book, the Workbook gives students the opportunity to practise the grammar and vocabulary of each topic-based unit, as well as reading, writing and speaking skills. Each unit comprises a variety of exercises carefully designed to consolidate and reinforce language learning, as well as provide stretch and extra challenge. Additional writing and speaking practice in exam-style activities is also provided. The Workbook can be used in class or at home, and activities are equally suitable for extension work in class or as exercises set for homework. The Workbook supports the Cambridge IGCSE French (0520) syllabus and can also be used by teachers and students of Cambridge O Level French (3015) and IGCSE (9-1) French (7156). Collins is working with Cambridge Assessment International Assessment towards endorsement of this title for learner support for examination from 2021.

Representations of Sexuality and Masculinity

Alter Ego s'adresse à des apprenants ayant acquis un niveau B1. Il vise l'acquisition des compétences décrites dans le niveau B2 du Cadre européen commun de référence (CECR) et permet de se présenter au nouveau DELF B2. Les 9 dossiers d'Alter Ego 4 s'articulent autour de deux grands axes : La vie au quotidien et Points de vue sur. L'apprenant peut ainsi développer des compétences pour : interagir dans des situations courantes de la vie quotidienne ; comprendre et exprimer des points de vue et des opinions sur des thèmes variés. A partir d'une grande variété de documents authentiques (écrits et oraux), Alter Ego 4 propose des activités langagières s'inscrivant dans une perspective actionnelle. De plus, ce manuel met l'accent sur l'acquisition de savoir-faire nécessaires à l'université et dans les grandes écoles françaises. Alter Ego 4 propose de nombreux outils pour travailler en autonomie : dans chaque dossier, des bibliographies permettant à l'apprenant d'aller plus loin ; un abécédaire culturel pour faciliter le décodage des implicites socioculturels des documents proposés ; des fiches de grammaire constituant une véritable référence pour l'apprenant.

Les grands courants de pensée en acquisition des langues se tournent de façon préférentielle soit vers une approche de l'intervention de l'enseignant et du concepteur du programme,

considérés comme des médiateurs qui fournissent un maximum d'input en vue de l'organisation et de la progression de l'interlangue ; soit vers une stratégie globale s'appuyant sur la construction du sens à partir d'échanges communicatifs. L'ouvrage, qui fait suite à un premier volume consacré à la place de la construction du sens en interaction dans l'acquisition de la signification linguistique, réunit une série d'articles qui s'interrogent, dans une perspective complémentaire à celle adoptée précédemment, sur la place de l'intervention, entendue comme explicitation et apprentissage des formes linguistiques, et notamment grammaticales, dans l'acquisition des structures langagières, et des compétences linguistique et pragmatique. Les contributeurs situent ainsi leurs questionnements et leurs propositions théoriques et pratiques à l'interface de la grammaire (son applicabilité, les nouveaux discours didactiques sur les structures langagières et les nouvelles méthodologies de l'intervention des concepteurs et des enseignants), d'une part, et de l'analyse de l'interaction en classe de langue étrangère, de la définition et de l'évaluation des compétences langagières acquises, d'autre part.

This book was written for those who have made a conscious decision to improve the quality of their lives and have decided to take control. The author provides the tools and the guidelines necessary for step by step personal development in every area of life. Based on the concept of Whole Mind Integration, the book is presented in five parts. Exercises at the end of each chapter provide the opportunity for guided practical application of the concepts presented.

Chinese Made Easy adopts a new approach to teaching Chinese as a second or foreign language. It is designed for young students taking GCSE/IGCSE/A-Level Mandarin Chinese Exams (UK), SAT II / AP-Chinese Examinations (USA), IB Chinese Exam, Australian Chinese exams, HSK (Mainland China), or for those students who are starting to learn Chinese on their own. Chinese Made Easy has two levels: level 1-Book 1, 2 and 3; and level 2-Book 4 and 5. After completing this series, learners will acquire a vocabulary of approximately 1,700 Chinese characters and several thousand phrases. This course features task-based learning coupled with a focus on form and function. Textbooks are in full color and it includes both simplified and traditional Chinese characters in its vocabulary lists.

Simple, science-based tools to stop procrastination Even with overflowing inboxes, thousands of unread notifications, and unmet deadlines, most people still can't manage to take control of their time and stop procrastinating. The End of Procrastination tackles this ubiquitous issue head on, helping you stop putting off work and reclaim your time. Author Petr Ludwig shows that ending procrastination is more than a wise time management strategy—it's essential to developing a sense of purpose and leading a happier more fulfilled life. The keys to overcoming procrastination are simple. With eight clear, approachable tools—from quick daily worksheets to shift your perspective to to-do lists that actually help you get things done—The End of Procrastination provides everything you need to change the way you manage your time and live your life. Based on the latest research, The End of Procrastination synthesizes over one hundred scientific studies to create a program that is based on the way our brains actually work. By understanding exactly why procrastination happens and how our brains respond to motivation and self-discipline, the book provides readers with the knowledge to conquer procrastination on an everyday basis.

Halsman on the Creation of Photographic Ideas

méthode de français, [B2]

Now a Wall Street Journal bestseller. What if the games we played as children were the greatest gift to helping us achieve more today? Before stage fright, impostor syndrome,

emotional baggage, and the other dubious gifts of adulthood, everyone pretended to be a superhero, a favorite athlete, an inspiring entertainer, a nurse, a firefighter, a lion, or whatever else captured our imaginations. And yet, that natural creativity is slowly squeezed out of us because we think it's childish or it's "time to grow up." Now Todd Herman—backed by scientific research and countless stories from the real world—will show us how to tap into the human imagination to unleash new versions of ourselves, ready-made to kick ass. Herman has been coaching champions in every field for over twenty years, and he's helped them bring out their Heroic Self to transcend the forces pulling them into the Ordinary World. Anyone attempting ambitious things faces adversity, resistance, and challenges, but Herman confronts these obstacles with a question: Who or what needs to show up to make success inevitable? In *The Alter Ego Effect*, Herman presents countless stories from salespeople, executives, entertainers, athletes, entrepreneurs, creatives, and historical figures to illustrate how to activate the Heroic Self already nested inside each of us. And he reveals that we may not be using those traits in the moments when we need them the most. From the creative entrepreneur who resisted their craft, to the accomplished military officer who wanted to be a warmer dad at home, Todd Herman's clients have discovered there is no end to the parts of their lives they could improve by using Alter Egos.

This indispensable guide takes students through each step of the essay writing process, enabling them to tackle written assignments with confidence. Students will develop their ability to analyse complex concepts, evaluate and critically engage with arguments, communicate their ideas clearly and concisely and generate more ideas of their own. Chapters are short and succinct and cover topics such as reading purposefully, note-taking, essay writing in exams and avoiding plagiarism. Packed with practical activities and handy hints which students can apply to their own writing, this is an ideal resource for students looking to improve the quality and clarity of their academic writing. This book will be a source of guidance and inspiration for students of all disciplines and levels who need to write essays as part of their course. New to this Edition: - Brand new chapters on topics such as learning from feedback, finding your voice and using the right vocabulary - Expanded companion website featuring videos, interactive exercises, sample essays and lecturer resources - Exclusive web-only chapter on improving your memory

Are you a slave to your to-do list? At the end of the day, is your list longer than when you started? Are you awash in a sea of sticky notes and memos? Stop! Instead of listing your important tasks, schedule them with a start time and end time. This will help you create a mini-plan for each task, and a workable, productive agenda for your day. This is just one tip from *Time Management, Second Edition*. And there's more—a lot more. You'll learn how to: Distinguish between the important and the urgent Say "No" and avoid time-wasting tasks Delegate for greater productivity Communicate more effectively Understand the many time-management software programs available Cope with stress This book provides both a framework for building a personal time philosophy and the real-world tips and techniques for becoming more efficient and productive. You have more time than you think. *Time Management, Second Edition* Richard Walsh is a publishing professional who specializes in career books. He edits the annual *National JobBank*. He lives in Boston.
