

Always Running La Vida Loca Gang Days In L A

"This memoir's beauty is in its fierce intimacy." --Roy Hoffman, The New York Times Book Review
One of Literary Hub's Most Anticipated Books of 2019
From the celebrated editor of This Bridge Called My Back, Cherrie Moraga charts her own coming-of-age alongside her mother's decline, and also tells the larger story of the Mexican American diaspora. Native Country of the Heart: A Memoir is, at its core, the story of the mother, Elvira, was hired out as a child, along with her siblings, by their own father to pick cotton in California's Imperial Valley. The daughter, Cherrie Moraga, is a brilliant, pioneering, queer Latina feminist. The story of these two women, and their people, is woven together in an intimate memoir of critical reflection and deep personal revelation. As a young woman, Elvira left California glamorous late-1920s Tijuana, where post-ambiguous relationship with a wealthy white man taught her life lessons about power, sex, and opportunity. As Moraga charts her mother's journey—from impressionable young girl to battle-tested matron—to life on an old woman suffering under the yoke of Alzheimers—she traces her own self-discovery of her gender-queer and Lesbian identity and the history of her pueblo. As her mother's memory fades, Moraga is driven to unearth forgotten remnants of a U.S. Mexican diaspora. Its indigenous origins, and an American story of cultural loss. Poetically wrought and filled with insight into intergenerational trauma, Native Country of the Heart is a reckoning with white American history and a piercing love letter from a fearless daughter to her mother.
Pioneering black-and-gray tattoo artist Freddy Negrete was twelve years old and confined in the holding cell of a Los Angeles juvenile facility when an older teenager entered—covered in tattoos. Freddy was in awe, not just of the art, but of what it symbolized, and he wanted what this kid had: the potent sense of empowerment and belonging that came from joining a gang. The encounter drove Sangra, and it didn't take long before he was a regular guest at LA County's juvenile detention facilities. By the age of twenty-one, Freddy had spent almost his whole life as a ward of the state in one form or the other. Enthralled by the black-and-gray tattoo style that in the 1970s was confined to the rebel culture of Chicano gangsters and criminals, Freddy started inking himself with hand-painted designs. Freddy's black-and-gray style—gangbangers but also Hollywood starslets and film producers. In a riveting narrative that takes the reader from Freddy's days as a cholo gang member to evangelical preacher to Hollywood body art guru to addiction counselor, Smile Now, Cry Later is, ultimately, a testament to that spark within us all, that catalyst which gives us the strength to survive, transform, and triumph.
This riveting sequel to My Bloody Life traces Reynaldo Sanchez's struggle to create a "normal" life outside the Latin Kings, one of the nation's most notorious street gangs, and to move beyond his past. Sanchez illustrates how the Latin King motto "once a king, always a king" rings true and details the difficulty and danger of leaving that life behind. Filled with heart-pounding scenes of his back on the street, Always a King recounts how Sanchez wound up behind bars and provides an engrossing firsthand account of how the Latin Kings are run from inside the prison system. Harrowing testaments to Sanchez's determination to rebuild his life include his efforts to separate his family from gang life and his struggle to adapt to marriage and the corporate world. Despite temptations, nightmarish memories, and his own internal demons, Sanchez makes an uneasy peace with his new life. This raw, powerful, and brutally honest memoir traces the transformation of an accomplished gangbanger into a responsible citizen.

The true confession of an assassin, a sicario, who rose through the ranks of the Southern California gang world to become a respected leader in an elite, cruelly efficient crew of hit men for Mexico's "most vicious drug cartel," and eventually found a way out and an (almost) normal life. Martin Corona, a US citizen, fell into the outlaw life at twelve and worked for a crew run by the Arellano brottr cartel that dominated the Southern California drug trade and much bloody gang warfare for decades. Corona's crew would cross into the United States from their luxurious hideout in Mexico, kill whoever needed to be killed north of the border, and return home in the afternoon. That work continued until the arrest of Javier Arellano-Felix in 2006 in a huge coordinated DEA operation. Martin Corona's memoir is a gripping, eye-opening, and often disturbing account of the life of a drug cartel member. Corona's father was a Marine, and he thought he might be able to turn away from the outlaw life of theft, drug dealing, gun play, and prostitution. He briefly quit drugs and held down a job, but a die had been cast. He soon returned to a gangbanging life he now deeply regrets. How does someone become evil, a murderer who can kill without hesitation? This story is an insight into how it happened to one human being and how it can happen to anyone.

longer a killer, he has asked for forgiveness: he has made a kind of peace for himself. He wrote letters to family members of his victims. Some of them not only wrote back but came to support him at his parole hearings. It is a cautionary tale, but also one that shows that evil doesn't have to be forever.

Make a Poem Cry is an anthology of poems by inmates of a California high-security prison, written in classes given by former Los Angeles poet laureate Luis Rodríguez.

"A truly exceptional book."—Washington Post
There's bad news and good news about the Cutter High School swim team. The bad news is that they don't have a pool. The good news is that only one of them can swim anyway. Bestselling author Chris Crutcher's controversial and acclaimed novel follows a group of outcasts as they take on inequality and injustice in their high school. "Crutcher's superior gifts as a storyteller and his background as a working therapist combine to make magic in Whale Talk. The thread of truth in his fiction reminds us that heroes can come in any shape, color, ability or size, and friendship can bridge nearly any divide."—T.J. Donohue, author of The Boy Who Swam
When he sees a member of the wrestling team threatening an underclassman, T.J. decides he's had enough. He recruits some of the biggest misfits at Cutter High to form a swim team. They may not have very much talent, but the All-Night Mermen prove to be way more than T.J. anticipated. As the unlikely athletes move closer to their goal, these new friends might learn that the journey is worth more than the reward. For fans of Andrew Smith and Marieke Nijkamp.
"Crutcher offers an unusual yet resonant mixture of black comedy and tragedy that lays bare the superficiality of the high-school scene. The book's shocking climax will force readers to re-examine their own values and may cause them to alter their perception of individuals pegged as 'losers.'"—Publishers Weekly
An American Library Association Best Book for Young Adults
New York Public Library Books for the Teen Age
Features a new afterword by Chris Crutcher

A knock-out bestseller on its hardcover release just a year ago, East Side Stories has earned stellar praise from The New York Times Book Review, the Los Angeles Times, the Village Voice, The Source, Paper, 6 has appeared in the pages of Life, Geo, 6 Revu, as well as many other international publications. East Side Stories has been the subject of solo exhibitions in New York, Mexico City, & Stockholm.

Reluctantly a young boy becomes more and more involved in the activities of a local gang, until a tragic event involving his cousin forces him to make a choice about the course of his life.

A mesmerizing collection of poems of urban pain and immigrant alienation, humming with a current of genuine beauty and the pulse of lifeThe Concrete River's poems are dispatches from city corners that CNN viewers never see, that few dare visit, and that fewer still manage to escape. Rodríguez sings corridos of barrios and busted Chicanos trying to make it in L.A. and Chicago, from ballads of Watts's broken glass to blues played alongside a tequila bottle under an elevated train. But the music also captures moments of true beauty amid the hard urban surfaces, where the cries of the "hood "deliver sacrifices / of sound and flesh, / as a mother's milk flows," while love and community offer renewed hope. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author's personal collection.

Foreword by Martín Espada
This chapbook collection offers new poems from the prolific career of a community leader, activist, and healer. Luis J. Rodríguez's work asks profound questions of us as readers and fellow humans, such as, "If society cooperates, can we nurture the full / and healthy development of everyone?" In his introductory remarks, Martín Espada describes the poet as a man engaged in people and places: "Luis Rodríguez is a poet of many tongues, befitting a city of many tongues. He speaks English, Spanish, 'Hip Hop,' 'the Blues,' and 'cool jazz.' He speaks in 'mad solos.' He speaks in 'People's Sonnets.' He speaks in the language of protest. He speaks in the language of praise."

Loving her small Mexican hometown after years of caring for her mother, Juana Garcia embarks on a search for the father who disappeared nineteen years earlier and teams up with Adelina Vasquez, who left her family to pursue forbidden love. Reprint. 30,000 first printing.

The Story of Rene "Boxer" Enriquez and His Life in the Mexican Mafia
Hearts and Hands
Guns, Gangs, and Tattoos-My Life in Black and Gray
Poems
A Memoir of Family, Migration, Gangs, and Revolution in the Americas

Borrowed Bones

THE BLACK HAND is the true story of Rene Enriquez, aka "Boxer," and his rise in a secret criminal organization, a new Mafia, that already has a grip on all organized crime in California and soon all of the United States. This Mafia is using a base army of an estimated 60,000 heavily armed, loyal Latino gang members, called Surenos, driven by fear and illicit profits. They are the most dangerous gang in American history and they wave the flag of the Black Hand. Mafioso Enriquez gives an insider's view of how he devoted his life to the cause—the Mexican Mafia, La Familia Mexicana, also known as La Erme—only to find betrayal and disillusionment at the end of a bloody trail of violence that he followed for two decades. And now, award-winning investigative journalist Chris Blatchford, with the unprecedented cooperation of Rene Enriquez, reveals the inner workings, secret meetings, and elaborate murder plots that make up the daily routine of the Mafia brothers. It is an intense, never-before-told story of a man who devoted his life to a bloody cause only to find betrayal and disillusionment. Based on years of research and investigation, Chris Blatchford has delivered a historic narrative of a nefarious organization that will go down as a classic in mob literature.

The collected poems of one of America's foremost balladeers of urban struggle and immigrant dreams Over his three-decade career as a poet, novelist, and memoirist, Luis J. Rodrí guez has earned acclaim for his remarkable ear for the voices of the city. My Nature Is Hunger represents the best of his lyrical work during his most prolific period as a poet, a time when he carefully documented the rarely heard voices of immigrants and the poor living on society's margins. For Rodrí guez's subjects, the city is all-consuming, devouring lives, hopes, and the dreams of its citizens even as it flourishes with possibility. "Out of my severed body / the world has bloomed," and out of Rodrí guez's stirring vision, so has beauty. This ebook features an illustrated biography of Luis J. Rodrí guez including rare images from the author's personal collection.

Looking for an escape from childhood abuse, Reynaldo Sanchez turned away from school and baseball to drugs, alcohol, and then sex, and was left to fend for himself before age 14. The Latin Kings, one of the largest and most notorious street gangs in America, became his refuge and his world, but its violence cost him friends, freedom, self-respect, and nearly his life. This is a raw and powerful odyssey through the ranks of the new mafia, where the only people more dangerous than rival gangs are members of your own gang, who in one breath will say they'll die for you and in the next will order your assassination.

In Rain of Gold, Victor Villaseñor weaves the parallel stories of two families and two countries...bringing us the timeless romance between the volatile bootlegger who would become his father and the beautiful Lupe, his mother – men and women in whose lives the real and the fantastical exist side by side...and in whose hearts the spirit to survive is fueled by a family's unconditional love.

Tia Chucha Press started twenty-five years ago in Chicago with the publication of Luis J. Rodríguez's first book, *Poems Across the Pavement*. As founder/editor of the Press, Rodríguez has since published more than fifty poetry collections of quality crosscultural U.S. poets, as well as anthologies, chapbooks, and a CD. Tia Chucha Press is now a project of Tia Chucha's Centro Cultural & Bookstore in the San Fernando Valley section of Los Angeles, which Rodríguez helped create in 2001 with his wife Trini. We are honored to announce the 25th Anniversary Edition of *Poems Across the Pavement*—close to twenty poems of an emerging poet that began a prolific writing career.

"A los doce años, Luis Rodríguez, ya era un veterano de la guerra entre las pandillas de East Los Angeles. Atraído por una cultura pandillera aparentemente insuperable, fue testigo de un sinnfin de balaceras, golpizas y arrestos y, más tarde, con un miedo cada vez mayor, presencié cómo las drogas, los asesinatos, los suicidios y una delincuencia callejera carente de sentido cobraban la vida de amigos y familiares. Poco tiempo después, Rodríguez, encontro la manera de dejar atrás la vida del barrio a través de la educación y el poder de las palabras. Una vez alcanzado el éxito como poeta chicano varias veces galardonado, Luis llegó a pensar que las calles ya no perseguirían, pero entonces su hijo ingresó en una pandilla. Rodríguez luchó por su hijo mediante el relato de su historia personal. La Vida Loca es una vivida crónica que se adentra en las motivaciones de la vida de las pandillas y nos advierte de la muerte y la destrucción que, tarde o temprano, se lleva la vida de sus participantes. A ratos desgarradamente triste y cruel, La Vida Loca es la larga una historia verdadera, llena de inspiración, esperanza y subiduría, y una lección duramente aprendida para las nuevas generaciones.

This award-winning and bestselling classic memoir about a young Chicano gang member is now updated with a new Introduction and reading group guide.

My Bloody Life

A Memoir About Crime and Gangs Inside of Prison

Features the writing of Sandra Cisneros, Oscar Hijuelos, Rudolfo Anaya, Julia Alvarez, and others

Travel with Art Rodríguez as he dreams of his past. He experiences an unpleasant childhood full of difficult obstacles that could have profoundly impaired his chance for a normal life. Life appears hopeless during those young years as he struggles to discover who he really is and at the same time contends with his dictatorial father. Travel with him as he takes you through the California Youth Authority, the prison system for young offenders. In this story, which brings laughter and tears, both young and old can find comf ort in knowing that when life appears bleak and there seems to be no hope, events in life can change. In 1975 Art Rodríguez started a successful business in San Jose, the city in which he was born. Grow with him in his life and experience with him the hardships and successes of a new business.

Thirty-year-old Azucena Salcido attends her father's deathbed while remembering how their family was entangled in the politics, racial polarization, and corrupt power struggles that marked late twentieth-century California.

In the tradition of The Autobiography of Malcolm X and Manchild in the Promised Land—an explosive memoir of hopelessness and resurrection that vividly portrays the brutality of barrio gang life. A timely exploration into the roots of Latino rage.

Gang Nation

My Life of Crime, Redemption, and Hollywood

Floyd Salas projects the reader into the slender body of his fifteen-year-old prize-fighter hero Aaron D'Aragon. We see through Aaron's eyes the structured underworld of a California prison farm dominated by sadism operating under the protection of the no-sneak code of the victims.

A former L.A. gang member describes his experiences in that world, recounting the sense of security and power found in a gang and the grim reality of violence and poverty

The award-winning memoir of life in an LA street gang from the acclaimed Chicano author and former Los Angeles Poet Laureate: "Fierce, and fearless" (The New York Times), Luis J. Rodríguez joined his first gang at age eleven. As a teenager, he witnessed the rise of some of the most notorious cliques in Southern California. He grew up knowing only a life of violence—one that revolved around drugs, gang wars, and police brutality. But unlike most of those around him, Rodríguez found a way out when art, writing, and political activism gave him a new path—and an escape from self-destruction. Always Running spares no detail in its vivid, brutally honest portrayal of street life and violence, and it stands as a powerful and unforgettable testimonial of gang life by one of the most acclaimed Chicano writers of his generation. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author's personal collection.

A Mixteca Indian from Oaxaca, América Soliz, suffers from the poverty and hopelessness of her Chicago ghetto, made more endurable by a desire and determination to be a poet.

INSTANT NEW YORK TIMES BESTSELLER "If you're a fan like I am this is definitely the book for you." —Pete Davidson, actor, producer, and cast member on Saturday Night Live
"Danny's incredible life story shows that even though we may fall down at some point in our lives, it's who we do when we stand back up that really counts." —Robert Rodriguez, creator of Spy Kids, Desperado, and Machete
Discover the full, fascinating, and inspirational true story of Danny Trejo's journey from crime, prison, addiction, and loss—it's "enough to make you believe in the possibility of a Hollywood ending" (The New York Times Book Review)
On screen, Danny Trejo the actor is a badde who has been killed at least a hundred times. He's been shot, stabbed, hanged, chopped up, squished by an elevator, and once, and once, was even melted into a bloody goo. Off screen, he's a hero beloved by recovery communities and obsessed fans alike. But the real Danny Trejo is much more complicated than the legend. Raised in an abusive home, Danny struggled with heroin addiction and stints in some of the country's most notorious state prisons—including San Quentin and Folsom—from an early age, before starring in such modern classics as Heat, From Dusk till Dawn, and Machete. Now, in this funny, painful, and suspenseful memoir, Danny takes us through the incredible ups and downs of his life, including meeting one of the world's most notorious serial killers in prison and working with legends like Charles Bronson and Robert De Niro. An honest, unflinching, and "inspirational study in the definition of character" (Kevin Smith, director and actor), Trejo reveals how he managed the horrors of prison, rebuilt himself after finding sobriety and spirituality in solitary confinement, and draws inspiration from the adrenaline-fueled robbing heists of his past for the film roles that made him a household name. He also shares the painful contradictions in his personal life. Although he speaks everywhere from prison yards to NPR about his past to inspire countless others on their own road to recovery and redemption, he struggles to help his children with their personal battles with addiction, and to build relationships that last. Redemptive and painful, poignant and real, Trejo is a portrait of a magnificent life and an unforgettable and exceptional journey.

Former high school classmates reckon with the death of a friend in this stunning debut novel. Along the Intracoastal waterways of North Florida, Daniel and Aubrey navigated adolescence with the electric intensity that radiates from young people defined by otherness: Aubrey, a self-identified "Southern cracker" and Daniel, the mixed-race son of Jamaican immigrants. When the news of Aubrey's death reaches Daniel in New York, years after they'd lost contact, he is left to grapple with the legacy of his precious and imperfect love for her. At ease now in his own queerness, he is nonetheless drawn back to the muggy haze of his PalM Coast upbringing, tinged by racism and poverty, to find out what happened to Aubrey. Along the way, he reconsiders his and his family's history, both in Jamaica and in this place he once called home. Buoyed by his teenage track-team buddies—Twig, a long-distance runner; Desmond, a sprinter; Egypt, Des's girlfriend; and Jess, a chef—Daniel begins a frantic search for meaning in Aubrey's death, recklessly confronting the drunken country boy he believes may have killed her. Sensitive to the complexities of class, race, and sexuality both in the American South and in Jamaica, All the Water I've Seen Is Running is a novel of uncommon tenderness, grief, and joy. All the while, it evokes the beauty and threat of the place Daniel calls home—where the river meets the ocean.

A young boy, his loyalties torn between the old world and the new, fights to save his family as he faces the monsters without, and those within.

"Gripping and beautiful. With the artistry of a poet and the intensity of a revolutionary, Lovato untangles the tightly knit skein of love and terror that connects El Salvador and the United States." —Barbara Ehrenreich, author of Natural Causes and Mickel and Dimed
An urgent, no-holds-barred tale of gang life, guerrilla warfare, intergenerational trauma, and interconnected violence between the United States and El Salvador, Roberto Lovato's memoir excavates family history and reveals the intimate stories beneath headlines about gang violence and mass Central American migration, one of the most important, yet least-understood humanitarian crises of our time—and one in which the perspectives of Central Americans in the United States have been silenced and forgotten. The child of Salvadoran immigrants, Roberto Lovato grew up in 1970s and 80s San Francisco as MS-13 and other notorious Salvadoran gangs were forming in California. In his teens, he lost friends to the escalating violence, and survived acts of brutality himself. He eventually traded the violence of the streets for human rights advocacy in wartime El Salvador where he joined the guerrilla movement against the U.S.-backed, fascist military government responsible for some of the most barbaric massacres and crimes against humanity in recent history. Roberto returned from war-torn El Salvador to find the United States on the verge of unprecedented crises of its own. There, he channeled his own pain into activism and journalism, focusing his attention on how trauma affects individual lives and societies, and began the difficult journey of confronting the roots of his own trauma. As a child, Roberto endured a tumultuous relationship with his father Ramón. Raised in extreme poverty in the countryside of El Salvador during one of the most violent periods of its history, Ramón learned to survive by straddling intersecting underworlds of family secrets, traumatic silences, and dealing in black-market goods and guns. The repression of the violence in his life took its toll, however. Ramón was plagued with silences and fits of anger that had a profound impact on his youngest son, and which Roberto attributes as a source of constant reckoning with the violence and rebellion in his own life. In Unforgetting, Roberto interweaves his father's complicated history and his own with first-hand reportage on gang life, state violence, and the heart of the immigration crisis in both El Salvador and the United States. In doing so he makes the political personal, revealing the cyclical ways violence operates in our homes and our societies, as well as the ways hope and tenderness can rise up out of the darkness if we are courageous enough to unforget.

Hearts and Hands deals with many of the difficult issues addressed in Luis Rodríguez's memoir of gang life, Always Running, but with a focus on healing through community building. Empowered by his experiences as a peacemaker with gangs in Los Angeles and Chicago, Rodríguez offers a unique book of change. He makes concrete suggestions, shows how we can create nonviolent opportunities for youth today, and redirects kids into productive and satisfying lives. And he warns that we sacrifice community values for material gain when we incarcerate or marginalize people already on the edge of society. His interest in dissolving gang influence on black and latino kids is personal as well as societal; his son, to whom he dedicates Hearts and Hands, is currently serving a prison sentence for gang-related activity. With anecdotes, interviews, and time-tested guidelines, Hearts and Hands makes a powerful argument for building and supporting community life.

It has been called the most dangerous gang in American history. In Los Angeles alone it is responsible for over 100 homicides per year. Although it has fewer than 300 members, it controls a 40,000-strong street army that is eager to advance its agenda. It waves the flag of the Black Hand and its business is murder. Although known on the streets for over fifty years, the Mexican Mafia has flown under the radar of public awareness and has flourished beneath a deep cover of secrecy. Members are forbidden even to acknowledge its existence. For the first time in its history, the Mexican Mafia is now getting the attention it has been striving to avoid. In this briskly written and thoroughly researched book, Tony Rafael looks at the birth and the blood-soaked growth of this criminal enterprise through the eyes of the victims, the dropouts, the cops and DAs on the front lines of the war against the Mexican Mafia. The first book ever published on the subject, Southern Soldiers is a pioneering work that unveils the operations of this California prison gang and describes how it grew from a small clique of inmates into a transnational criminal organization. As the first prison gang ever to project its power beyond prison walls, the Mexican Mafia controls virtually every Hispanic neighborhood in Southern California and is rapidly expanding its influence into the entire Southwest, across the East Coast, and even into Canada. Riding a wave of unchecked immigration and seemingly beyond the reach of law enforcement, the Mexican Mafia is poised to become the Cosa Nostra of twenty-first-century America.

Always Running

Locas

"A glorious illumination of the dark corners of teen trouble, Fade Into You tangles Chicano cultural inheritance, nascent punk self-discovery, and kid truth in a stoned haze." —Jessica Hopper, author of Night Moves
In the glorious wasteland of 1990s Los Angeles, Nikki Darling alternates between cutting class and getting high, falling into drugs, crushes, and counterculture to figure out how she fits into the world. Running increasingly wild with other angst-ridden outcasts, she pushes herself to the edge only to find herself trapped in the cyclical violence of growing up female. Written in dreamy, subterranean prose, this debut novel captures the reckless defiance and fragility of girlhood.

Always RunningLA Vida Loca : Gang Days in L. A.Turtleback Books

Looks at the life of a member of Chicago's Puerto Rican gang the Latin Kings, and details the years of sexual abuse that began at the age of five and the consequences of breaking the gang's code of silence when she appeared on Oprah Winfrey's local talk show.

From the award-winning author of Always Running comes a brilliant collection of short stories about life in East Los Angeles. Whether hilariously capturing the voice of a philosphizing limo driver whose dream is to make the most of his rap-metal gang's band in "My Ride, My Revolution," or the monologue-styled rant of a tes-ti-ty-fing! tent revivalist named Ysela in "Oiga," Rodríguez squeezes humor from the lives of people who are not ready to sacrifice their dreams due to circumstance. In these stories, Luis J. Rodríguez gives eloquent voice to the neighborhood where he spent many years as a resident, a father, an organizer, and, finally, a writer: a neighborhood that offers more to the world than its appearance allows.
