This modern classic of
global feminist
literature, the only
novel by one of
Romania's most
heralded poets, styled

as a long letter
addressed to the man
who is about to leave
her, a woman
meanders through a
cosmic retelling of her
life from childhood to
adulthood with
visionary language
and visceral, detail.
Like a contemporary
Scheherazade, she
spins tales to hold him

captivated, from the
small incidents of
their lives together to
the intimate narrative
of her relationship to
womanhood. Through
a dreamlike thread of
strange images and
passing characters, her
stories invite the
reader into a
fantastical vision of
love, loss, and

Acoachustles
This Third Edition, in response to the enthusiastic reception given by academia and students to the previous edition, offers a cohesive presentation of all aspects of theoretical computer science, namely automata, formal languages,

computability, and
complexity. Besides,
it includes coverage of
mathematical

preliminaries. NEW

and the principle of
induction (both in
Chapter 2) • A

rigorous proof of
Kleene's theorem

(Chapter 5) • Major changes in the chapter on Turing machines (TMs) – A new section on high-level description of TMs – Techniques for the construction of TMs – Multitape TM and nondeterministic TM

• A new chapter (Chapter 10) on decidability and

- A new chapter (Chapter 12) on complexity theory and NP-complete problems
- A section on quantum computation in Chapter 12.

The book is

promising new
literary voice.

Thirty-four-year-old
prostitute Jmiaa
reflects on the
bustling world
around her with a
brutal honesty, but
also a quick wit
that cuts through
the drudgery. Like

many of the
women in her

neighborhood,
Jmiaa struggles to
earn enough
money to support
herself and her
family—often
including the

her and their

young daughter.

While she doesn't
despair about her
profession like her
roommate, Halima,
who reads the

clients, she still
has to maintain a
delicate balance

and the

mother. This daily

grind is interrupted

by the arrival of an

aspiring young

director, Chadlia,

whom Jmiaa takes

to calling “Horse Mouth.” Chadlia enlists Jmiaa’s help on a film project, initially just to make sure the plot and dialogue are authentic. But when she’s unable to find an actress who’s right for the

turns again to
Jmiaa, giving the
latter an incredible
opportunity for a
better life. In her

novel, Meryem
