

America History James Henretta Seventh Edition

Known for its interpretive voice, balanced analysis, and brief-yet-comprehensive narrative, *America: A Concise History* helps students to make sense of it all while modeling the kind of thinking and writing they need to be successful. Offering more value than other brief books, *America* is competitively priced to save your students money, and features built-in primary sources and new ways of mastering the content so your students can get the most out of lecture and come to class prepared. The sixth edition rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Easy to integrate into your campus LMS, and featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best content joined up with the best technology. Help your students think historically. Known for its interpretive voice and thoughtful analysis, *America's History* models exactly the kind of thinking and writing students

of mastering the content so your students can get the most out of lecture and come to class prepared.

"America's History helps AP students: Grasp vital themes: The seventh edition emphasizes political culture and political economy to help students understand the ways in which society, culture, politics, and the economy inform one another. Understand periodization: America's History's unique seven-part structure, which organizes history into distinct eras, introduces students to periodization and helps them understand cause and effect, identify historical continuities, and track change over time. Develop the skills they need to succeed: America's History's hallmark analytical narrative and pedagogy help students synthesize what they've learned and interpret history for themselves."--Back cover.

face on America's diverse history. To support the structure of the parent text, unique part document sets at the end of each part present sources that illustrate the major themes of each section. Brief introductions place each document in historical context, and questions for analysis help students practice historical thinking skills and link individual sources to larger themes.

With fresh interpretations from two new authors, wholly reconceived themes, and a wealth of cutting-edge new scholarship, the seventh edition of America's History is designed to work perfectly with the way you teach the survey today. Building on the book's hallmark strengths – balance, comprehensiveness, and explanatory power – as well as its outstanding visuals and extensive primary-source features, authors James Henretta, Rebecca Edwards, and Robert Self have shaped America's History into the ideal resource for survey classes.
