A multi-billion-dollar

## Online Library American Football

entertainment empire, the National Football League is a coast-to-coast obsession that borders on religion and dominates our sports-mad culture. But today's NFL also provides a stage for playing out

## Online Library American Football

important issues roiling American society. The updated and expanded edition of NFL Football observes the league's centennial by following the NFL into the twenty-first century, where off-the-field concerns

## Online Library American Football

compete with touchdowns and goal line stands for headlines. Richard Crepeau delves into the history of the league and breaks down the new era with an in-depth look at the controversies and dramas swirling around pro

## Online Library American Football

football today: Tensions between players and Commissioner Roger Goodell over collusion, drug policies, and revenue; The firestorm surrounding Colin Kaepernick and protests of police violence and inequality;

## Online Library American Football

Andrew Luck and others choosing early retirement over the threat to their long-term health; Paul Tagliabue's role in covering up information on concussions; The Super Bowl's evolution into a national holiday.

## Online Library American Football

Authoritative and up to the minute, NFL Football continues the epic American success story. American football, referred to as football in the United States and Canada, and also known as "gridiron football" or simply

## Online Library American Football

"gridiron", is a sport played by two teams of eleven players on a rectangular field with goalposts at each end. The offense, the team with control of the oval-shaped football, attempts to advance down the field by

## Online Library American Football

running with or passing the ball, while the team without control of the ball, the defense, aims to stop their advance and take control of the ball for themselves. The offense must advance at least ten yards in four

## Online Library American Football

downs, or plays, or else they turn over the football to the opposing team; if they succeed, they are given a new set of four downs. Points are primarily scored by advancing the ball into the opposing team's end zone for a

## Online Library American Football

touchdown or kicking the ball through the opponent's goalposts for a field goal. The team with the most points at the end of a game wins. American football evolved in the United States, originating from the

## Online Library American Football

sports of association football and rugby football. The first game of American football was played on November 6, 1869, between two college teams, Rutgers and Princeton, under rules based on the association

## Online Library American Football

football rules of the time.[2] During the latter half of the 1870s, colleges playing association football switched to the Rugby Union code, which allowed carrying the ball. A set of rule changes drawn up from 1880

## Online Library American Football

onward by Walter Camp, the "Father of American Football", established the snap, eleven-player teams, and the concept of downs; later rule changes legalized the forward pass, created the neutral zone, and

## Online Library American Football

specified the size and shape of the football. American football as a whole is the most popular sport in the United States. Professional football and college football are the most popular forms of the game, with the other

## Online Library American Football

major levels being high school and youth football. As of 2012, nearly 1.1 million high school athletes and 70,000 college athletes play the sport in the United States annually, almost all of them men, with a few

## Online Library American Football

exceptions. The National Football League, the most popular American football league, has the highest average attendance of any professional sports league in the world; its championship game, the Super

## Online Library American Football

Bowl, ranks among the most-watched club sporting events in the world, and the league has an annual revenue of around US\$10 billion.

ESPN's Sal Paolantonio explores just how crucial football is to

## Online Library American Football

understanding the American psyche Using some of the most prominent voices in pro sports and cultural and media criticism, "How Football Explains America" is a fascinating, first-of-its-kind journey through the making of

## Online Library American Football

America's most complex, intriguing, and popular game. It tackles varying American themes--from Manifest Destiny to "fourth and one"--as it answers the age-old question Why does America love football so much?

## Online Library American Football

An unabashedly celebratory explanation of America's love affair with the game and the men who make it possible, this work sheds light on how the pioneers and cowboys helped create a game that resembled their march

## Online Library American Football

across the continent. It explores why rugby and soccer don't excite the American male like football does and how the game's rules are continually changing to enhance the dramatic action and create a

## Online Library American Football

better narrative. It also investigates the eternal appeal of the heroic quarterback position, the sport's rich military lineage, and how the burgeoning medium of television identified and exploited the NFL's great

## Online Library American Football

characters. It is a must read for anyone interested in more fully understanding not only the game but also the nation in which it thrives. Updated throughout and with a new introduction, this edition brings "How Football

## Online Library American Football

Explains America" to paperback for the first time.

Learn the value of football to American society No sport reflects the American value system like football. Visitors to the United States need only

## Online Library American Football

watch a game or two to learn all they need to know about the American way of life and the beliefs, attitudes, and concerns of American society. Football and American Identity examines the social conditions and cultural

## Online Library American Football

implications found in the football subculture, represented by core values such as competition, conflict, diversity, power, economic success, fair play, liberty, and patriotism. This unique book goes beyond the

## Online Library American Football

standard fare on football strategy and history, or the biographies of famous players and coaches, to analyze the reasons why the game is the essence of the American spirit. Author Gerhard Falk, Professor of Sociology at

## Online Library American Football

the State University College of New York at Buffalo, examines football as a game, as a business, and as a reflection of the diversity in American life. Football and American Identity also addresses the relationship

## Online Library American Football

between football and the media, with much of the game's income generated by advertising and endorsements, and examines the presence of crime in football culture. The book discusses the development of the game—and

## Online Library American Football

those involved in it—at the Pop Warner, college, and professional levels, examining the social origin of players, coaches, cheerleaders, and owners. In addition, *Football and American Identity* analyzes the

## Online Library American Football

game's fans and their devotion to "their" teams, examines why Pennsylvania is considered the "mother" of American football, and looks at the National Football League and its commissioners. Football and

## Online Library American Football

American Identity examines: how individualism and achievement can lead to mythological status why a person's occupation is the most important indicator of prestige in the United States what the consequences are of

## Online Library American Football

earning more in a year than most Americans make in a lifetime why equality is vital to the ethnic make-up of American football teams why teamwork is important-in football and in industry how freedom is

## Online Library American Football

essential for taking the risks necessary for success and much more! Football and American Identity is an inside look at football as an American cultural phenomenon. Devoted and casual fans of the game, as well

## Online Library American Football

as academics working in sociology, will find this unique book interesting, entertaining, and thought-provoking.
