

American Sniper Autobiografia Del Cecchino Pi Letale Della Storia Americana

American sniper. Autobiografia del cecchino più letale della storia americana American Sniper The Autobiography of the Most Lethal Sniper in U.S. Military History Harper Collins New York Times bestseller The life story of Chris Kyle, the American Sniper Journalist Michael J. Mooney reveals the life story of Navy SEAL Chris Kyle, the American Sniper, from his Texas childhood up through his death in February 2013. A brutal warrior but a gentle father and husband, Kyle led the life of an American hero and legend. His heroism and reputation in the military service earned him the nickname "the devil" among insurgents and the nickname The Legend among his SEAL brethren, but his impact extended beyond that after he came home, through his work with fellow veterans. Mooney also sheds light on the life of the suffering fellow veteran who killed Kyle and interviews those closest to the late SEAL. The Life and Legend of Chris Kyle is an honest portrayal of the life of a man whose memorial service brought thousands of people to Cowboys Stadium--the most celebrated war hero of our time. [86 pages]

A top-secret band of elite warriors are forced to take a side in the Mexican drug wars in this "gripping, fast-paced adventure" (Dan Hampton, New York Times bestselling author of Viper Pilot) of the Sniper Elite series from the co-author of the #1 New York Times bestseller American Sniper. Bob Pope, the director of an American secret intelligence antiterrorism program, has lost contact with his most trusted operative, Navy Master Chief Gil Shannon, fearing him dead when a mission to take out a Swiss banker channeling funds to Muslim extremists goes awry. Now an American politician and her team have been assassinated in Mexico City by the Ghost Sniper—an American ex-military gunman-for-hire employed by Mexico's most ruthless drug cartel—and Pope must turn instead to retired Navy SEAL Daniel Crosswhite and brand-new Sniper Elite hero, ex-Green Beret Chance Vaught, in order to track down the Ghost Sniper and expose the corrupt officials behind this murderous international plot!

This biography examines the life of Chris Kyle using easy-to-read, compelling text. Through striking historical and contemporary images and photographs and informative sidebars, readers will learn about Kyle's family background, childhood, education, service in the US Navy SEALs, and his time as a sniper. Informative sidebars enhance and support the text. Features include a table of contents, timeline, facts page, glossary, bibliography, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

A Sniper Elite Novel

The Trigger Mechanism is the second book in the Camp Valor series by the #1 New York Times bestselling co-author of American Sniper, Scott McEwen. When, Jalen, a young gamer, puts on a set of VR goggles and logs into an online video game, he enters a digital world where, as in most games, points are awarded for kills. Only this time, unbeknownst to Jalen, the game has been reengineered by a cyberterrorist known as Encyte so that real human lives are taken with the click of a button. When Jalen logs off, he learns he's just killed fifty-three innocent people. Wyatt Brewer, Camp Valor's top camper, is tapped to investigate and see if a link exists between Encyte and The Glowworm Gaming Network, which Wyatt helped dismantle the previous summer. Wyatt is still reeling from the losses inflicted by Glowworm and by the betrayal of his mentor, Sargent Halsey. When Wyatt meets Jalen, he finds a clue, and Julie Chen, a teenage prodigy and gaming superstar known as Hi_Kyto becomes the leading suspect. Wyatt knows he'll need Jalen's help if he has any chance of penetrating the gaming world and getting close to Hi_Kyto. And Jalen will need Camp Valor if he's going to have any chance of rebuilding his life and finding redemption. But as the summer season starts at Valor, the Department of Defense threatens to shut the secret program down. A reclusive billionaire and Camp Valor alum offers a way forward—funded by him but without Valor for protection. Jalen and Wyatt are forced to consider going out on their own if they want bring Halsey to justice and to stop Encyte.

The sniper is a battlefield threat second to none. Mastering the art of marksmanship is critical but is only part of what makes a Navy SEAL sniper. Snipers must be able to apply the craft in an urban environment or alone on a hostile mountain top with equal effectiveness. Today's sniper must not just leverage technological advances but also have the foreknowledge to select the best rifle and gear for the mission. Increasingly, he must have the mental toughness to adapt to a constantly changing environment, gather intelligence, and truly act as a force multiplier. In this comprehensive look through the eyes of former Navy SEAL sniper instructor Brandon Webb and fellow Navy SEAL snipers Chris Kyle and Glen Doherty, the authors reveal not just the fundamentals of marksmanship but also the science of shooting, stalking, and camouflage and how technological advances have changed the training and increased the effectiveness of the modern sniper. Including maritime, helicopter, and urban sniper operations, this updated edition also goes into detail on the latest research, development, testing, and evaluation of weapons and optics. From the basics like compensating for wind and bullet drop, to camouflage and placing yourself or your team in the best position to take a photo or pull a trigger, Webb and Doherty cover the critical elements that comprise the twenty-first century sniper.

A young adult thriller from Scott McEwan, the #1 New York Times bestselling co-author of American Sniper, and Hof Williams. Valor: great courage in the face of danger When Wyatt gets framed for a friend's crime, he thinks his life is over. But then a mysterious stranger visits him in jail with an unusual proposal: spend three months in a secret government camp and have a ten-year prison sentence wiped clean. Wyatt agrees, and finds himself in a world beyond his wildest dreams, with teenagers like him flying drones, defusing bombs, and jumping out of helicopters. This is no ordinary camp. Camp Valor is a secret training ground for teenage government agents, filled with juvenile offenders—badasses who don't play by the rules—who

desperately need a second chance. If they can prove themselves over their three month stay and survive Hell Week, they will enter the ranks of the most esteemed soldiers in the United States military. But some enemies of the United States have gotten wind of Camp Valor, and they will do everything in their power to find out its secrets. Suddenly, Wyatt and his friends have to put their training into practice, and find the bravery to protect their country.

The true story of one man's reluctant but relentless war against the invaders of his country. A quiet, wealthy plantation owner, Jack Hinson watched the start of the Civil War with disinterest. Opposed to secession and a friend to Union and Confederate commanders alike, he did not want a war. After Union soldiers seized and murdered his sons, placing their decapitated heads on the gateposts of his estate, Hinson could remain indifferent no longer. He commissioned a special rifle for long-range accuracy, he took to the woods, and he set out for revenge. This remarkable biography presents the story of Jack Hinson, a lone Confederate sniper who, at the age of 57, waged a personal war on Grant's army and navy. The result of 15 years of scholarship, this meticulously researched and beautifully written work is the only account of Hinson's life ever recorded and involves an unbelievable cast of characters, including the Earp brothers, Jesse James, and Nathan Bedford Forrest.

This book is about how type should look and how to make it look that way--in other words, how to set type like a professional. It explains in practical terms how to use today's digital tools to achieve the secret of good design: well set type.

An essential reference for anyone who works with type: designers, print production professionals, and corporate communications managers can go to straight to the index to find focused answers to specific questions, while educators and students can read it as a text book from cover to cover.

Traces the development of the modern Chinese state while the author chronicles the trials and tribulations of the Chinese everyman as he embraces the new order in childhood, serves in the military and with agricultural labor, and becomes a member of the Communist Party.

THE NEW YORK TIMES BESTSELLING FOLLOW-UP TO AMERICAN SNIPER Join Chris Kyle on a journey to discover “ how 10 firearms changed United States history ” (New York Times Book Review) Drawing on his legendary firearms knowledge and combat experience, U.S. Navy SEAL and #1 bestselling author of American Sniper Chris Kyle dramatically chronicles the story of America—from the Revolution to the present—through the lens of ten iconic guns and the remarkable heroes who used them to shape history: the American long rifle, Spencer repeater, Colt .45 revolver, Winchester 1873 rifle, Springfield M1903 rifle, M1911 pistol, Thompson submachine gun, M1 Garand, .38 Special police revolver, and the M16 rifle platform Kyle himself used. American Gun is a sweeping epic of bravery, adventure, invention, and sacrifice. Featuring a foreword and afterword by Taya Kyle and illustrated with more than 100 photographs, this new paperback edition features a bonus chapter, “ The Eleventh Gun, ” on shotguns, derringers, and the Browning M2 machine gun.

The remarkable story of the Finnish marksman nicknamed “ White Death ” by the Red Army for his record number of confirmed kills. Simo Häyhä is the most famous sniper in the world. During the Winter War fought between Russia and Finland from 1939 to 1940, he had 542 confirmed kills with iron sights, a record that still stands today. A man of action who spoke very little, Simo Häyhä was hugely respected by his men and his superiors and given many difficult missions, including taking out specific targets. Able to move silently and swiftly through the landscape, melting into the snowbound surroundings in his white camouflage fatigues, his aim was deadly and his quarry rarely escaped. The Russians learned of his reputation as a marksman and tried several times to kill him by indirect fire. He was promoted from corporal to second lieutenant, and he was awarded the Cross of Kollaa. For sniping, Simo Häyhä only ever used his own M/28-30 rifle. Eventually, his luck ran out, and Simo received a serious head wound on March 6, 1940, though he subsequently recovered. The White Sniper fully explores Simo Häyhä ’ s life, his exploits in the Winter War, the secrets behind his success, including character and technique, and also includes a detailed look at his rifle itself. There are appendices on the basics of shooting, the impact of fire on the battlefield, battles on the Kollaa Front during the Winter War, and a list of ranked snipers of the world. “ No matter how many books on sniping you have read, this must be added to your list if you are serious about shooting. ” —GunMart

The Life and Legend of Chris Kyle: American Sniper, Navy SEAL

A Guide to Setting Perfect Type

A Memoir of Love, War, Faith, and Renewal

The widow of “American Sniper” Chris Kyle shares their private story: an unforgettable testament to the power of love and faith in the face of war and unimaginable loss--and a moving tribute to a man whose true heroism ran even deeper than the legend. In early 2013, Taya Kyle and her husband Chris were the happiest they ever had been. Their decade-long marriage had survived years of war that took Chris, a U.S. Navy SEAL, away from Taya and their two children for agonizingly long stretches while he put his life on the line in many major battles of the Iraq War. After struggling to readjust to life out of the military, Chris had found new purpose in redirecting his lifelong dedication to service to supporting veterans and their families. Their love had deepened, and, most special of all, their family was whole, finally. Then, the unthinkable. On February 2, 2013, Chris and his friend Chad Littlefield were killed while attempting to help a troubled vet. The life Chris and Taya fought so hard to build together was shattered. In an instant, Taya became a single parent of two. A widow. A young woman facing the rest of her life without the man she loved. Chris and Taya’s remarkable story has captivated millions through Clint Eastwood’s

blockbuster, Academy Award-winning film American Sniper, starring Bradley Cooper as Chris and Sienna Miller as Taya, and because of Chris's bestselling memoir, in which Taya contributed passages that formed the book's emotional core. Now, with trusted collaborator Jim DeFelice, Taya writes in never-before-told detail about the hours, days, and months after his shocking death when grief threatened to overwhelm her. Then there were wearying battles to protect her husband's legacy and reputation. And yet throughout, friendship, family, and a deepening faith were lifelines that sustained her and the kids when the sorrow became too much. Two years after her husband's tragic death, Taya has found renewed meaning and connection to Chris by advancing their shared mission of "serving those who serve others," particularly military and first-responder families. She and the children now are embracing a new future, one that honors the past but also looks forward with hope, gratitude, and joy. American Wife is one of the most remarkable memoirs of the year -- a universal chronicle of love and heartbreak, service and sacrifice, faith and purpose that will inspire every reader.

Preorder REAPER: GHOST TARGET now, Nick Irving's debut thriller that Brad Thor calls "one hell of a read"! The Instant New York Times Bestseller by Co-Star of Fox's American Grit and Legendary Ranger Nick Irving Groundbreaking, thrilling and revealing, The Reaper is the astonishing memoir of Special Operations Direct Action Sniper Nicholas Irving, the 3rd Ranger Battalion's deadliest sniper with 33 confirmed kills, though his remarkable career total, including probables, is unknown. Irving shares the true story of his extraordinary military career, including his deployment to Afghanistan in the summer of 2009, when he set another record, this time for enemy kills on a single deployment. His teammates and chain of command labeled him "The Reaper," and his actions on the battlefield became the stuff of legend, culminating in an extraordinary face-off against an enemy sniper known simply as The Chechnian. Irving's astonishing first-person account of his development into an expert assassin offers a fascinating and extremely rare view of special operations combat missions through the eyes of a Ranger sniper during the Global War on Terrorism. From the brotherhood and sacrifice of teammates in battle to the cold reality of taking a life to protect another, no other book dives so deep inside the life of an Army sniper on point.

This book chronicles the expansion and creation of new public spheres in and around Parliament in the early Stuart period. It focuses on two closely interconnected narratives: the changing nature of communication and discourse within parliamentary chambers and the interaction of Parliament with the wider world of political dialogue and the dissemination of information. Concentrating on the rapidly changing practices of Parliament in print culture, rhetorical strategy, and lobbying during the 1620s, this book demonstrates that Parliament not only moved toward the center stage of politics but also became the center of the post-Reformation public sphere. Theater of State begins by examining the noise of politics inside Parliament, arguing that the House of Commons increasingly became a place of noisy, hotly contested speech. It then turns to the material conditions of note-taking in Parliament and how and the public became aware of parliamentary debates. The book concludes by examining practices of lobbying, intersections of the public with Parliament within Westminster Palace, and Parliament's expanding print culture. The author argues overall that the Crown dispensed with Parliament because it was too powerful and too popular. This book distills the very best of the Imperial War Museum's remarkable and vast photographic collection. It features many unseen images of the war, covering all theaters of operation and including the work of such renowned photographers as Cecil Beaton and Bill Brandt.

A Chinese Life

The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

A New York Times bestseller that brings to life one of the bloodiest battles of World War II—and the beginning of the end of the Third Reich. On August 5, 1942, giant pillars of dust rose over the Russian steppe, marking the advance of the 6th Army, an elite German combat unit dispatched by Hitler to capture the industrial city of Stalingrad and press on to the oil fields of Azerbaijan. The Germans were supremely confident; in three years, they had not suffered a single defeat. The Luftwaffe had already bombed the city into ruins. German soldiers hoped to complete their mission and be home in time for Christmas. The siege of Stalingrad lasted five months, one week, and three days. Nearly two million men and women died, and the 6th Army was completely destroyed. Considered by many historians to be the turning point of World War II in Europe, the Soviet Army's victory foreshadowed

Hitler's downfall and the rise of a communist superpower. Bestselling author William Craig spent five years researching this epic clash of military titans, traveling to three continents in order to review documents and interview hundreds of survivors. Enemy at the Gates is the enthralling result: the definitive account of one of the most important battles in world history. It became a New York Times bestseller and was also the inspiration for the 2001 film of the same name, starring Joseph Fiennes and Jude Law.

When Chechen terrorists smuggle a Cold War-era bomb across the Mexican-American border, the Special Ops Black unit under Gil Shannon is reactivated in a race against time to prevent a nuclear disaster. By the best-selling co-author of American Sniper.

An Intimate Look at the Sniper of the 21st Century

Camp Valor

How industrialization undid a region in Mexico

From the coauthor of the #1 New York Times bestseller American Sniper—the critically acclaimed memoir of SEAL sniper Chris Kyle—this “inspired by true events” thriller follows one of America’s most lethal marksmen as he leads the rescue of a downed female Special Ops pilot. ONE TEAM. ONE SHOT. ONE WAY. In direct defiance of the president’s orders, Navy Master Chief Gil Shannon, one of America’s most lethal SEAL snipers, launches his own bold mission comprised of SEAL Team Six and Delta Force fighters to free a female helicopter pilot being held and brutally mistreated by Taliban insurgents in Afghanistan. The president fears a botched rescue would be a foreign policy disaster—and the end of his term. But once the special ops community learns that one of their own has been taken hostage, there is no executive order strong enough to stop them from going in—whatever the risks. Se il precedente Gli X-Men e la filosofia ha indagato come è essere un mutante, il mutante che dunque siamo, il presente volume intende provare a lasciar raccontare ai fumetti degli X-Men qualcosa riguardo questioni di filosofi a etica: un’etica del desiderio, come vuole Lacan, della responsabilità illimitata, come vuole Derrida, un’etica della libertà, della colpa e, soprattutto, un’etica ingrata, di un eroismo senza grazie (thankless heroism) alla portata però di ogni uomo. Un esercizio di filosofia mutante, per contenuto (i comics degli X-Men) e stile (filosofia e pop culture che si indagano e raccontano, insieme). Una filosofia che assume una nuova forma, contaminata, meticciosa, ibrida, non fuggendo di fronte alla cultura popolare, ma ricavandone, invece, un modo per spianare una via nel pensiero, per aprire un cammino.

In recent years, the world has learned just what is required to bravely serve America through the navy’s most elite SEAL Team. Now, for the first time, we hear from their commander. For more than half a decade, Ryan Zinke was a commander at the most elite SEAL unit. A 23-year veteran of the US Navy SEALs, Zinke is a decorated officer and earned two Bronze Stars as the acting commander of Joint Special Forces in Iraq. Zinke trained and commanded many of the men who would one day run the covert operations to hunt down Osama bin Laden and save Captain Phillips (Maersk Alabama). He also served as mentor to now famous SEALs Marcus Luttrell (Lone Survivor) and Chris Kyle (American Sniper). Written with #1 New York Times bestselling co-author of American Sniper, Scott McEwen, American Commander will offer readers the hard-hitting, no-nonsense style the SEALs are known for. When Zinke signs with the US Navy he turns his sights on joining the ranks of the most elite fighting force, the SEALs. He eventually reaches the top of the SEAL Teams as an assault team commander. Zinke shares what it takes to train and motivate the most celebrated group of warriors on earth and then send them into harm’s way. Through it, he shares his proven problem-solving approach: Situation, Mission, Execution, Command and Control, and Logistics. American Commander also covers Zinke’s experience in running for Montana’s sole seat in the United States Congress. Zinke’s passion for his country shines as he conveys his vision to revitalize American exceptionalism. Scott McEwen and Ryan Zinke take readers behind the scenes and into the heart of America’s most-feared fighting force. American Commander will inspire a new generation of leaders charged with restoring a bright future for our children’s children.

American Sniper

One Shot One Kill

Parliament and Political Culture in Early Stuart England

Ghost Sniper

Chris Kyle

From the jungles of Vietnam to the unforgiving deserts of Afghanistan and Iraq, one breed of soldier has achieved legendary status in the arena of combat—the sniper. From the authors of the classic sniper chronicle One Shot-One Kill comes a new generation of true tales from some of the most expert and deadly marksmen in the world. Meet Adelbert Waldron II, whose 109 confirmed kills in Vietnam made him the most successful sniper in American military history, and Tom "Moose" Ferran, who coined the term "Fetch!", whereupon the infantry would retrieve the sniper's dead quarry. Also included are stories from snipers in Beirut, the Bosnian conflict, and both wars with Iraq—including the feat of Sergeants Joshua Hamblin and Owen Mulder, who took down thirty-two enemy soldiers in a single day outside Baghdad in 2003. The military sniper has evolved into one of the most dangerous and highly-skilled warrior professions. They suffer through weather, terrain, and enemy action, lay unmoving for days on end, and take out their targets with unerring accuracy—proving that the deadliest weapon in any battle, anywhere in the world, is a single well-aimed shot.

Un viaggio di esplorazione fra trasformazioni, evoluzioni e nuove tendenze del cinema statunitense degli anni Dieci del XXI secolo.

L'immersione sensoriale e il fotorealismo permessi dal digitale. La breve parabola del 3D e il consolidamento dell'impero Disney.

L'omologazione e il successo del superhero movie. Il piano sequenza nel cinema mainstream. Il rinnovamento del western e il revival della fantascienza. Il Novecento come orizzonte mitico, tra celebrazioni americane e scavo alla ricerca delle radici del tradimento dell'american dream. La violenza che torna a rimandare alla realtà prima che al cinema. Il graduale superamento delle forme postmoderne. L'horror e la fantascienza specchio di mutamenti sociali, generazionali e di gender. Black Lives Matter e cinema afroamericano. Innovazioni di linguaggio, maturità e nuove sfi de dei grandi autori, da Malick a Lynch, da Scorsese a P.T. Anderson. L'affermazione e le rivoluzioni dello streaming. They are the lone wolves of the battlefield. Tracking the enemy, lying in wait for the target to appear -- then they shoot to kill. Armed with an unerring eye, infinite patience and a mastery of camouflage, combat snipers stalk the enemy with only one goal... In World War II, Korea, Vietnam, and Beirut, American snipers honed the art of delivering a single deadly shot from nowhere -- and devastating enemy morale. They met the enemy on his own turf, picking off officers, unwary soldiers, and even other snipers from extraordinary distances of up to 1 ½ miles. Now, these uncommon men tell their stories: of the emotions felt when a man's face came into their crosshairs and they pulled the trigger, of the nerve-racking hours and days of waiting, motionless, for the enemy, of the primal savagery of a sniper duel. Often trained haphazardly in wartime, and forgotten in times of peace, combat snipers were officially recognized after the Vietnam War, when the Marine Corps became the first military branch to start a full-time sniper school. One Shot-One Kill is their powerful record of desperate trials and proud victories. A MAIN SELECTION OF THE MILITARY BOOK CLUB

Recounts definitive moments from the author's career as a Navy SEAL, discussing the missions that had the greatest personal meaning for him and explaining the lessons and values he hopes to pass on to the next generation.

Fabbrica di sogni, deposito di incubi

General at War

The Sniper and the Wolf

White Feather

Simo Häyhä

Told through the eyes of current and former Navy SEALs, EYES ON TARGET is an inside account of some of the most harrowing missions in American history—including the mission to kill Osama bin Laden and the mission that wasn't, the deadly attack on the US diplomatic outpost in Benghazi where a retired SEAL sniper with a small team held off one hundred terrorists while his repeated radio calls for help went unheeded. The book contains incredible accounts of major SEAL operations—from the violent birth of SEAL Team Six and the aborted Operation Eagle Claw meant to save the hostages in Iran, to key missions in Iraq and Afganistan where the SEALs suffered their worst losses in their fifty year history—and every chapter illustrates why this elite military special operations unit remains the most feared anti-terrorist

force in the world. We hear reports on the record from retired SEAL officers including Lt. Cmdr. Richard Marcinko, the founder of SEAL Team Six, and a former Commander at SEAL team Six, Ryan Zinke, and we come away understanding the deep commitment of these military men who put themselves in danger to protect our country and save American lives. In the face of insurmountable odds and the imminent threat of death, they give all to protect those who cannot protect themselves. No matter the situation, on duty or at ease, SEALs never, ever give up. One powerful chapter in the book tells the story of how one Medal of Honor winner saved another, the only time this has been done in US military history. EYES ON TARGET includes these special features: A detailed timeline of events during the Benghazi attack Sample rescue scenarios from a military expert who believes that help could have reached the Benghazi compound in time The US House Republican Conference Interim Progress Report on the events surrounding the September 11, 2012 Terrorist Attacks in Benghazi Through their many interviews and unique access, Scott McEwen and Richard Minter pull back the veil that has so often concealed the heroism of these patriots. They live by a stringent and demanding code of their own creation, keeping them ready to ignore politics, bureaucracy and-if necessary-direct orders. They share a unique combination of character, intelligence, courage, love of country and what can only be called true grit. They are the Navy SEALs, and they keep their Eyes on Target.

Now in paperback, the celebrated, coast-to-coast bestselling chronicle of a year in the United States by the Bill Bryson of Italy.

A frontline witness account of the deadly urban combat of the Battle of Mosul told by former Navy SEAL and frontline combat medic Ephraim Mattos. After leaving the US Navy SEAL teams in spring of 2017, Ephraim Mattos, age twenty-four, flew to Iraq to join a small group of volunteer humanitarians known as the Free Burma Rangers, who were working on the frontlines of the war on ISIS. Until being shot by ISIS on a suicidal rescue mission, Mattos witnessed unexplainable acts of courage and sacrifice by the Free Burma Rangers, who, while under heavy machine gun and mortar fire, assaulted across ISIS minefields, used themselves as human shields, and sprinted down ISIS-infested streets-all to retrieve wounded civilians. In City of Death: Humanitarian Warriors in the Battle of Mosul, Mattos recounts in vivid detail what he saw and felt while he and the other Free Burma Rangers evacuated the wounded, conducted rescue missions, and at times fought shoulder-to-shoulder with the Iraqi Army against ISIS. Filled with raw and emotional descriptions of what it's like to come face-to-face with death, this is the harrowing and uplifting true story of a small group of men who risked everything to save the lives of the Iraqi people and who followed the credence, "Greater love hath no man than this, that a man lay down his life for his friends." As the coauthor of the #1 New York Times bestselling American Sniper, Scott McEwen has teamed up with Mattos to help share an unforgettable tale of an American warrior turned humanitarian forced to fight his way into and out of a Hell on Earth created by ISIS.

Living Inside-out

Dieci anni di cinema USA 2010-2019

Inside Stories from the Brotherhood of the U.S. Navy SEALs

Tales of the Enchanted Islands of the Atlantic

"Living Inside-Out" is an empowering, accessible, and resonant book for anyone who wants to grab the reins, connect the dots between their inner life and their outer circumstances, and, in so doing, discover how to live--and sustain--a happy, healthy, and purposeful life.

Navy SEAL sniper Gil Shannon comes face-to-face with his most dangerous adversary yet in the breathtakingly cinematic new Sniper Elite military thriller from the coauthor of the #1 New York Times bestseller American Sniper--the critically acclaimed memoir of Chris Kyle that inspired the Academy Award-winning film. Hot on the trail of a high-profile target, Navy SEAL sniper Gil Shannon turns from hunter to hunted when he finds himself in the crosshairs of Chechen terrorist "The Wolf." Stranded in Paris, Shannon must team up with an unlikely ally--a deadly Russian special operative--to help even the odds. When they discover that "The Wolf" is just one of many sinister players in a global terrorist plot bent on thrusting the US economy into total chaos and upending the stability of the Western world, Shannon and his team race to track down the terrorists before they can execute their horrific plan. In a white-knuckle adventure across Europe and the Caucasus, Shannon goes head-to-head with legions of enemy fighters, but his ultimate showdown is against the one sniper who may be his equal shot. Who will survive?

The First In-Depth Biography of America's Last Five-Star General He was known as "the G.I. General"-- humble, self-effacing, hard-working,

reflecting the small-town virtues of the America whose uniform he wore. But those very virtues have led historians to neglect General Omar Bradley—until now. Bestselling author Jim DeFelice, in this, the first-ever in-depth biography of America's last five-star general, tells Bradley's full story, and argues that the neglected G.I. General did more than any other to defeat Hitler in World War II. While General George S. Patton has garnered much of the glory, General Dwight David Eisenhower has claimed much of the world's respect, and British General Bernard Montgomery has kept the Union Jack flying, as DeFelice proves, it was the unassuming Bradley who actually developed the strategy and the tactics that won the war in Europe. Meticulously researched, using previously untapped documents and unpublished diaries and notes, Omar Bradley: General at War reveals: Why Bradley, not Patton, deserves most of the credit for America's victories in North Africa How Bradley—first Patton's subordinate, then his superior—was one of Patton's great defenders, while also recognizing his weaknesses, and tried to cover up the infamous slapping incident How Eisenhower panicked—when Bradley didn't—during the early stages of the Battle of the Bulge, delaying an American counterattack that could have saved thousands of lives Why Bradley was a radical innovator in the use of combined air, armor, and infantry power How Bradley, contrary to those who like to portray him as a staid counterpart to Patton, was one of the most ardent practitioners of fast-moving offensives Why Bradley expected the Germans might use radiological weapons at Normandy Provocative, thorough, original, Jim DeFelice's Omar Bradley: General at War deserves a place on the shelf of every reader of World War II history.

For whisky professionals, connoisseurs and lovers, Jim McEwan is an icon like Steve Jobs, Paul McCartney and Pelé. Growing up in the small village of Bowmore on the "whisky island" of Islay, he started his career in 1963 at the age of 15 as a cask maker in the Bowmore distillery. This developed into an unprecedented career in which Jim was to shape and revolutionise the world of whisky like no other. The worldwide success of single malt whisky is inextricably linked to him. The highlight of his work was the revival of the Bruichladdich distillery, today one of the most innovative and respected representatives of the whisky world. How a journey began with two men and a dog that would lead to new universes of whisky is only part of the story that Jim McEwan tells here anecdotally and with much humour. Lavishly designed, lavishly illustrated and sumptuously appointed - a delight for lovers of wonderful books and wonderful drinks alike.
