Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and

It is one of the principal documents of the Second Vatican Council; it would be the foundation, according to the auxiliary bishop of Westminster Christopher Butler, an influential conciliar father.**

**The constitution was promulgated by Pope Paul VI on November 18, 1965, following the approval of the bishops gathered in assembly with 2,344 votes in favor and 6 against. The title is a reference both to the Holy Scriptures (literally, the "Word of God"), and to Jesus Christ himself (the Word of God) and is taken from the incipit of the document, as is customary in the most important official documents of the Catholic church.**
