average American at the close of the Revolutionary War. His famous question, "What, then, is the American, this new man?", summarized the European's interest in and questioning of the new country of America at a time when centuries of tradition had just been overturned and

## Where To Download Amsco Reading Guide Chapter 3

post-colonial Americans were attempting to describe themselves in a new way. Through the character of James, the letters celebrate the land of America, its space and fertility, and the character of Americans themselves, their work ethic and spirit of personal determination. The Letters also look at
